## **MINIREPORT FOR YOUR CURRENT YEAR**

**Dawn: August 13, 1937**

**Report for August 13, 2017 to August 13, 2018**

**Dear Dawn,**

Thank you for ordering your Year Ahead report, which I hope will help you to understand the harmony between yourself and the universe and enable you to initiate the changes you want in life.

Our lives are formed from the decisions we make. Knowing when to accept an invitation, or call someone you are attracted to, or accept that new career opportunity that has come your way, can mean the difference between extraordinary success and failure. Read on and prepare yourself for a great journey...

### **The Significance of your Age**

As you enter your eighties you feel a sense of wholeness and are fully attuned with what your values are, and who you want to share them with. Your inner harmony springs from the relationships that matter, and objects of affection that you have surrounded yourself with. In love you are loyal. Family comes first. You know how to nurture both your emotional connections and your material acquisitions - this way to gain comfort and security in life. Love and longing go hand in hand in your search for the ideal soul mate - if such a person exists. There are spiritual solutions. You keep yourself busy on a mental level, reading, viewing and generally following your interests and chatting with people who matter to you. Still, you are also very aware that nothing lasts for ever. There is a growing awareness of how all things - relationships, material attachments, life itself - are transitory... but you are not prepared to give them up yet.

### **The Challenges Ahead**

The process of attaining success during the current year depends on the one hand on how well you build upon early experience and on the other on formulating your vision for the future. Once you have a vision, you can plan how to achieve it step by step. An optimistic attitude and belief in yourself will help you to overcome the challenges that naturally arise during the course of the year.

In this period of your life you are focused on developing your creative skills and displaying the fruit of hard-working efforts to express yourself. This influence started growing around January - 2015 and will ebb out around December - 2017.

Overcoming reticence and concern about whether what you produce is good enough is a major issue. There is considerable sensitivity about everything which is a reflection of who you are - your children, your love life and your ability to shine in social gatherings. In brief your ability to enjoy the art of living. If you cannot achieve spontaneity and be carefree, do not worry. What is needed is committed application to activities that interest you. Repeated failure always paves the way to success if you cultivate the virtue of perseverance.

In this period of your life you are searching for ways to apply your creative skills in practice. You have been working hard to overcome blockages in self-expression and to acquire the confidence to put yourself and your creativity on the line. A transition is now taking place that requires committed cooperation with others to put your skills to good use. This new influence starts growing around December - 2017 and will ebb out around March - 2020. It is no longer so much about you, but about how you integrate with others and offer your services for the benefit of the whole. In this process you will encounter challenges at work and with colleagues, which test your humility and willingness to serve. It is good training. This is also a time to focus on your body, which, if it is to serve you well, needs to be nurtured with healthy daily habits.

### **Opportunities for Success**

Once you have learned how to capitalize on your unique resources and gain confidence and self-assurance, you need to reach out to others between September - 2016 to October - 2017. This leads to travel and an expansion of your skills educationally. This is a great year to widen your network of contacts. Through increased communication on all levels, you learn how to make sure-footed progress.

Having developed your education and communication skills, and widened your network of contacts through travel, there is an urge to expand your influence and potential on the home front between October - 2017 and November - 2018. This brings insight and good fortune connected with property and family. At this time you broaden your emotional foundations, partly because you gain understanding of the influence of your upbringing, and partly because you are curious to learn more about how to create a nurturing and stimulating environment for yourself and those near to you.

### **Crucial Issues This Year**

As you mature, acquire new resources and meet and overcome the challenges that present themselves, the stage is set for a series of developments and opportunities

during the age of 80. Three very important issues that make this year special are:

- A period when you experience a crisis of belief, possibly triggered by undue pressure from an ideological group or fanatical individual. There is a sense that previously imagined future scenarios are no longer valid for you. This is the time to cast old convictions aside and reinvent your future.
- Your tendency to think outside the box and go your own way is powerfully stimulated, bringing long-distance travel, encounters with fringe groups, and flirtation with untraditional philosophies. You tend to lose grounding and alienate traditional allies.
- There are tempting possibilities for personal growth and increased fame and influence, but they must not be at the cost of your principles or better judgment. You are confident that your views are right, or you are attracted to mentors with similar convictions. But you may be wrong.
