# MINIREPORT FOR YOUR 1 MONTH AHEAD

**Garima: February 05, 1992,**

**Dear Garima,**

Thank you for ordering your AstroCalendar MiniReport, which is sure to help you to understand the harmony between yourself and the universe and enable you to initiate the changes you want in life.

This MiniReport is designed to make you think. The days go by so fast, and the decisions you make every day can be the difference between success and failure. That`s why I have focused on each influence by asking three questions - questions that you might ask yourself - and providing the answers. Follow this advice, and you are going to make the right moves. Read on and prepare yourself for a great journey...

**30-09-2017**

*Transiting Mars positive your Uranus*

EXCITEMENT AND RISK: Be spontaneous and free. Take up innovative challenges, make surprise journeys, meet exotic leaders. There can be sudden advances.

## **What's the best way to win?**

Make a move no one else has thought of. A surprise attack wins the day. Use the most modern methods. Let technology be your ally.

## **Is it best to conform?**

Not right now. Break out of your shackles and express what is unique in you. Surprise yourself and surprise others by acting out your unconventional side.

## **Where do the greatest opportunities lie?**

Foreign influences should have highest priority. This could mean sudden long-distance travel. Don't be stuck in a rut, whatever you do, do something different.

*Transiting Venus conjoins your Jupiter*

HAPPINESS: The horn of plenty overflows. Your love reaches out and envelops the world. You seek higher understanding in love and travel to get it. God is love.

### **Should I look a gift horse in the mouth?**

Ask and you will receive. What comes your way now is the result of previous good efforts. Your job is to receive what's given and enjoy it as much as possible.

### **What's the potential for financial advancement today?**

Opportunities for riches abound. Profits are made with little effort and much pleasure. Cultivating generous people brings much better results than hard work today.

### **Should I spend, spend, spend?**

Spend by all means, but if you spend too much, you'll end up broke. Indulge, by all means, but if you indulge too much you'll be sick.

**01-10-2017**

*Transiting Sun challenges your N.Node*

MISSION CROSSCURRENTS: You meet people who trigger speculation about where you are going. Resist the draw of the past... be guided by your future dreams.

### **So, where am I going?**

There are things you have done well in the past you are tired of, and things that attract you in the future that you'd like to involve yourself with. Attune to the future.

### **How can I know who to associate with?**

Those people connected with parts of your past which no longer inspire are not as important now as those who you feel have a message for your future.

## **How can I become more in tune with my destiny?**

This is a crucial issue and involves the whole of your being. Slough off outworn modes of being - you know your weaknesses - and embrace what makes you strong, even if there are many challenges.

*Transiting Venus positive your Venus*

**SHOWING YOUR ASSETS:** Being kind and diplomatic is the best way to smooth the path ahead. Tune in to your loving nature. Capitalize on what makes you loveable.

## **Can I trust my judgment in relationships?**

Any relationship which is well functioning, receives a boost now. You can make it even better by overtly showing your love. Buy your loved one flowers.

## **What's good about me?**

Today is about appreciating yourself. Your taste and judgment are unique. Love yourself for who you are, and other people cannot fail to love you too.

## **Can I cash in my assets?**

Your material worth is peaking, so you could safely take profits now. At the same time this is a lucky period for further investment. You can trust your judgment today.

**02-10-2017**

*Transiting Venus positive your Uranus*

**UNUSUAL ASSETS:** People on the fringe bring inspiration. Spontaneous moves enhance romance. It's your unique side that exerts an attractive influence.

## **Should I stay in, or go out?**

Get out! Meet exciting people from the fringe of society. Have an adventure. Give yourself a healthy shock. Don't hesitate, just do it!

## **How can I keep my relationships healthy?**

Give the other space, and give yourself space. Go out by yourself, or with friends. Loving is not the same as owning. It's all about equality and freedom right now.

## **What will others appreciate me most for today?**

Show your truly original side. Don't worry for one moment what people may think of you. Do the things other people dare not and you will be loved for it.

**03-10-2017**

*Transiting Sun positive your Saturn*

WELL TIMED PLANS: Make important agreements today, and they will have a long-lasting effect. Self-discipline and determination now bring great results later.

## **Should I find short-term solutions, or take a long-term view?**

Plan ahead. Think in terms of years. First of all prioritize what you need to achieve in your life, then move forward a step at a time.

## **What is the right attitude to setbacks now?**

There are no problems... just challenges. Setbacks are valuable because they harden your resolve and force you to concentrate. This creates the foundations for a solid future.

## **Can I expect recognition now?**

Be patient. Keep a low profile. Get yourself noticed by those in authority, but don't make demands. You need to prove yourself.

*Transiting Mars positive your Neptune*

FIGHT FOR YOUR IDEALS: Tune in to your inner dreams and work to achieve them. Lust is sublimated into idealization. Music and Nature bring joy to the body.

## **What should I do, if I don't feel like doing anything?**

Accept it. Stop doing routine work now. Invent something you might feel like doing. If all else fails, go home, lie on a sofa and watch a great video. It's OK.

## **Is there anything I can do about the injustice in the world?**

Action for good should start as inner reform. When you are ready, there are many groups dedicated to helping those who suffer. Get in on the act, and get involved.

## **How can I have a magical sex life?**

Routine sex will not satisfy your soul. The art of seduction lies in expectancy. To truly enjoy sex, there must also be an exchange of love from the heart.

*Transiting Sun positive your Mercury*

CREATIVE COMMUNICATION: You're feeling pretty clever today, and you also want to be on the move. So meet people, or grab the phone, and get your message across.

## **Is what I've got to say important?**

It's important to you, and if you want to make an impact, make sure your voice is heard. Use all your charm, humor and skill to make your influence felt.

## **Should I travel first class, or second class?**

Sell yourself as high as you can. The best way to do this is to create a good impression. Take the first class option.

## **Should I do things myself, or delegate?**

Don't get bogged down in details. Use your connections. There are skilled people just waiting to be of service.

**04-10-2017**

*Transiting Venus positive your Neptune*

UNIVERSAL LOVE: Dreams of love come true - in the movies. It's selfless compassion that benefits people most. Express your creativity and dedicate it to others.

### **Can I meet true love today?**

True love is found in Nature and amongst the divine. People are flawed. By all means allow yourself to be enchanted, but don't allow yourself to be fooled.

### **Can love make me happy?**

Where there is love, there is the knowledge that it cannot last forever, which can bring despondency. The love associated with wisdom and compassion brings happiness.

### **What kind of work brings best results today?**

Work with creativity and aesthetics, especially if this involves other people. Inspire them with your dreams and visions of a more ideal world.

*Transiting Mercury challenges your N.Node*

MISSING THE POINT: People you meet may lead you off the path. There are those who stand for progress, and those who represent the way of the past.

### **What characterizes contacts with others today?**

There are a number of significant meetings, and they can force you to ask questions about where you are going and what you are thinking. Follow the signposts to the future.

### **What is the significance of messages from the past?**

In order to proceed, it may be necessary for you to re-familiarize yourself with someone or something from your past. This can be both of educational and spiritual merit.

### **What criteria should I use for mental progress?**

Sufi mystics are more fascinated by what they don't know or understand, than what they do. In your search for knowledge, investigate the unfamiliar rather than the familiar.

**05-10-2017**

*Transiting Mercury positive your Saturn*

**PLANS CLICK INTO PLACE:** Express yourself briefly and concisely. Make schedules and deadlines. Seek the advice of those with more experience than yourself.

**Can I sway others with my oratorical powers?**

Not today. People want to see facts and figures. Make a plan, a budget or a list, and you'll soon have those in authority eating out of your hand.

**How should I react if plans grind to a halt?**

Just study them carefully for flaws. Adjust and adapt. This is just a change of course, not a brick wall. Break large projects down into smaller, and make a plan to handle each of them.

**Should I trust what I hear?**

It's a good day for business and other plans, but don't trust blindly. Give yourself plenty of time to consider proposals, ask advice, then you'll be ready to make a commitment.

*Transiting Mercury positive your Mercury*

**THOUGHTS HUM:** This is an excellent time for expressing your thoughts and ideas. Make sure people hear what you have to say, and deliver your message with wit.

**Is this a good time to contact people who have influence?**

If you have something you want to ask for, then at least you'll be able to ask for it in style. Your powers of self-expression are at their best.

**Should I put off writing or do it now?**

As you are at a mental peak now, it's best to resist an inclination to laziness, and get writing or communicating - today!

## **Is it responsible to go traveling now?**

There's a time to be responsible, and a time to have fun. This is the time for pleasure and play... you could learn something.

**06-10-2017**

*Transiting Sun positive your Midheaven*

ASSUME LEADERSHIP: You can be the chosen leader, but you have to make your presence felt. Expect professional success and recognition. Your family supports you.

## **How can I best make progress?**

You have to look after the material foundations for your life. Organize your human and economic resources, and use them as a stepping-stone to success.

## **Can I trust people in authority?**

Influential people are prepared to back you up, so you can expect the best from those above you.

*Transiting Venus positive your Mars*

## **What should I channel my energy into today?**

In personal relationships, aim for seduction. Enjoy your desires. In business seek benefits from partnership.

## **How forceful should I be?**

You'll get much further with gentleness and charm, than you will with aggression. Listen to those who come with the olive branch. Seek compromise.

## **How can I get the most out of a relationship?**

Don't forget romance. Do something active, like dancing or working creatively together. Remember, lovemaking starts many hours before the act of sex.

*Transiting Sun challenges your Venus*

AUTHENTICITY AND LOVE: You become the object of romantic attention and wonder how attractive you are. Money is spent to increase your sense of worth.

## **How important is my personal attractiveness?**

Not as important as you think. Narcissism can actually undermine you. If you want to impress others today, then show strength of character.

## **How can I make others think the best of me?**

Don't try. Seeking approval weakens you. You risk appearing effete; smiles wear thin.

## **Should I buy prestige items now?**

You are probably very tempted. However self-worth comes from within. Money can't buy you love.

**07-10-2017**

*Transiting Mars positive your Mars*

ENJOY WHAT YOU DO: There's fun to be had in physical excellence and meeting challenges. It's great to be a winner, so mobilize your competitive urges.

### **Should I be doing something with my body?**

Some kind of physical exercise will tone both body and mind right now. Do something competitive, or something that tones your survival abilities.

*Transiting Mercury positive your Midheaven*

BUSINESS ACUMEN: Your greatest assets are your ideas. To make progress, sell yourself. You should be willing to travel and make connections, but above all talk.

### **How important is training for my job?**

Education is the key to career success, so make sure you avail yourself of opportunities for self-improvement, such as business courses.

### **Can I get around difficulties through persuasive tactics?**

That's it - if you put your mind to it you can swing things your way. Sell yourself and sell your ideas - and don't take No for an answer.

*Transiting Mercury challenges your Venus*

GETTING AFFECTION: It's time to talk of love, but perhaps the words don't come. The dilemma is that talking about feelings is not the same as expressing them.

### **How can I be honest about what I feel without upsetting**

## **loved ones?**

There's a fine line between diplomacy and duplicity. Express your thoughts as honestly as possible, but be aware that this could just be a passing influence, so be considerate.

## **What shall I do if I feel uncomfortable about financial or material arrangements?**

There is no substitute for information. Ask questions, and don't let politeness get in the way of truth.

## **Should I communicate my feelings, or stay silent?**

This is the time to communicate, but you can easily put your foot in it. There is a tendency to deception, so talk straight, or don't talk at all.

Yes! This is your lucky day, and you'll find that you just can't help impressing others. It's not the time to take things too seriously, the playful approach works best.

### **Have I got anything of importance to say?**

Everyone has star quality, but sometimes it's a question of timing, whether this shines through or not. Today you are in tune with your inner wisdom, so get your message out.

### **Is it worth taking risks today?**

Yes, people seek you out because they respect you. And maybe they have an idea or two you can benefit from. You'll work best in a team today - help is at hand from others.

### **Should I travel in style?**

Today you should treat yourself to first class. Who knows who you might meet? Sometimes impressions speak louder than words.

### *Transiting Sun challenges your Uranus*

**YOUR CRAZY SIDE:** There's focus on your cranky side today. You want to demonstrate that you are different, but this can make you provocative and alienated.

Your restlessness and impatience peaks today. Perhaps this will help you define how you want to express what exactly makes you different, and inaugurate change.

### **Shall I throw in the towel?**

You're far too impulsive and unreasonable right now. Wait a day or so before you do anything drastic. Why not start something new and exciting as a distraction?

### **Why are other people so impossible?**

You're feeling alienated and something of an outsider. Try meeting some really weird people and you'll feel better!

### *Transiting Mercury challenges your Uranus*

**FOOT IN MOUTH:** There is no virtue in being provocative. You feel alienated, and the lines of communication are broken. Differentiate between genius and madness.

### **Should I mobilize my diplomatic talents?**

As hard as you try, you are unlikely to succeed with diplomacy. You may try shock tactics, but this just brings disruption. Perhaps it's better to go off alone, and experiment with something different.

### **Will travels and communication run smooth today?**

It is very unlikely. Disruption happens when you least expect it. Perhaps this is what happens when you rely too much on technology. Take things as they come without expectation.

*Transiting Sun challenges your Neptune*

CARES OF THE SOUL: A sense of sorrow or helplessness pervades the day. There are times when you wonder what's the point? Focus your care on others.

### **Should I act on my feelings?**

Not today. Tuning in and meditating brings insights, but actions are colored by confusion or wishful thinking.

## **How should I relate to my inner moods?**

Tune in, turn on, drop out. Don't be fooled by material concerns and other personal attachments... they do not give life meaning. Let go.

## **Can I expect some recognition?**

The only recognition comes from within. Life is impermanent; all things dissolve in time. Refine your dreams, but keep them to yourself.

**11-10-2017**

No, this is an active and dynamic day. Channel aggression into action, and don't be afraid of asserting yourself, even if this means a certain element of conflict.

### **Peace is better than war, right?**
