HOW TO READ YOUR PERSONAL HOROSCOPE REPORT

This horoscope is your personal cosmic fingerprint. No other person will have exactly the same combination of influences, unless they were born in the same second and exactly the same place as you were. With 10 planets, 12 signs of the zodiac and 12 houses there are approximately 1500 simple combinations in the horoscope, and when you add to that the different degrees and combinations between planets there are tens of thousands of influences which have to be weighed and juggled in any astrological interpretation. No computer programme can do this satisfactorily, but we do our best.

THE DIFFERENT SECTIONS

Reports from AstroWOW are designed to simplify the interpretation process for you. It indicates for example the relative strengths of different planetary influences so you can see what is most important. Furthermore this written report is divided up into sections on Identity, Emotions, Mentality, Love and Sexuality to eliminate apparent contradictions which arise in the character description. But the reader must bear in mind that contradictions will arise. People are complex and contain many contradictory traits. Diametrically opposed character descriptions will either reflect inner dilemmas or outer conflicts reflected in the behaviour of others.

PROFESSIONAL and PERSONAL PROFILE

The AstroWOW birth report can cover your personal character, your professional life or a combination of both, depending on your choice of report. The professional section addresses the questions: "What talents do I have?" and "How can I use this ability?" The personal section is concerned with relationships and hidden psychological causes, and addresses the question: "How can I improve myself in this area?"

PAST, PRESENT & FUTURE

Our reports can also integrate trends of the next year or two into the birth analysis, going beyond a static description of personal character and introducing a dynamic sense of what is happening for you here and now. The dynamic trends show the unfoldment of the horoscope through time. By analysing the current trends, it is therefore possible for you to gain insight into events just past, events happening at the present moment and trends into the future.

THE AUTHOR

This report is designed and written by Adrian Ross Duncan, former editor of the Astrological Association Journal, who has worked as a full time astrologer since 1985. Adrian is author of "Doing Time on Planet Earth" (Element Books 1990) and "Astrology: Transformation and Empowerment" (Red Wheel/Weiser 2002). His astrology software Horoscope Interpreter, Astrology for Lovers, and The Astrological Calendar are available from www.worldofwisdom.co.uk

It is our hope that the written report will give those who do not have the time to bury themselves in the study of astrology the opportunity of gaining insight into both their professional and personal life. If you wish to learn a little more about this report, you are encouraged to read the Introduction to Astrology at the end of the report, which describes the general influence of the 12 signs, the planets and the 12 houses

Life Path

Ascendant In Leo

PROFESSIONAL - LIFE-PATH: Self-projection

Building up a strong sense of identity is a major motivating factor for you on a professional level, so you will thrive in a high profile job in which you can win recognition. Your ability to succeed is dependant on many other factors in your chart, but major assets will be your self-confidence, charisma and personal style. You may also have access to creative talents which can manifest in many areas of your life, from art to teaching. It is important for you to be at the centre of things, and - other things being equal - other people will accept you as a leader in their group. When you stand out and excel you are at your happiest, and so are other people. If you hide your light under a bushel, nobody is satisfied. As you are extremely aware of your personal power and the influence to have on others, you will be very sensitive to the unavoidable fluctuations in your personal confidence during the years. The older you get, the more secure you feel about your identity.

PERSONAL - LIFE-PATH: Self-projection

You are extremely aware of yourself and the impression you make on others. The spotlight is on you, and this is reflected in a sense of drama about your life. Basically you are a warm-hearted person, endowed with a sense of humour and fun and with a natural ability to liven up any gathering. Your appetite for life inclines you towards activities which give you a solid sense of who you are. Creative pursuits, romance, and involvement with children are all important areas of interest. You are the kind of person people notice, even to the point of seeming self-centred. Nevertheless, many people will seek your company. In intimate long-term relationships you tend to evoke a certain emotional distance in the partner, who knows you too well to fall for your charming manner. By cultivating a more detached view of yourself, you gain greater intimacy with those close to you.

Ascendant Trine Moon

This aspect is extremely powerful in your horoscope; it will dominate many areas of your life. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - LIFE PATH: Unconscious attunement

You have an emotionally compelling nature which profoundly affects the feelings of the people you associate

with. You are very concerned with the emotional bonds which hold people together, as well as issues of security. You can therefore work for example with the needs of the public in some way especially as related to homes, family or motherhood. You infuse all your work with an emotional investment. A hard professional environment is bad for you.

PERSONAL - LIFE PATH: Unconscious attunement

You are a moody person and will often find yourself affected by fluctuating emotional states - especially through worrying about family matters or security issues. You have a deep appreciation of the power of the unconscious and instinctual behaviour. In your dealings with people unspoken feelings have far greater priority than rational concerns or argument. You are finely tuned to changes in atmosphere, and adjust accordingly.

Ascendant Square Jupiter

Though not especially strong, you will be able to feel the influence of this aspect under many circumstances. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - LIFE PATH: The counsellor

You are not interested in trivia, and therefore seek a profession which gives some kind of overall meaning. You are probably destined for success, and can exert considerable influence through the power of your opinions or good judgement. You have a tendency to overestimate the importance of your ideas, and may be unreceptive to the views of others. Generally, however, you maintain a fine perspective on the important issues. You are an excellent adviser.

PERSONAL - LIFE PATH: The counsellor

You are a larger than life character with strong views on most issues, and a deep interest in spiritual issues. You are open and willing to expand your philosophical horizons. Generally blessed with good fortune and an optimistic frame of mind, you have the ability to expect the best of the future. There may be a tendency to overindulge or be too extravagant. People value your ability to understand in depth the things that move them.

Ascendant Conjunction Uranus

It may be difficult for you to discern the influence of this combination of planetary energies, as it has only a mild effect in your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this

aspect will be an integral part of your character.

PROFESSIONAL - LIFE PATH: Light of the future

You bring the spirit of renewal and innovation into whatever projects you involve yourself with. You are strongly motivated by social visions, and are keen to instigate change. You may have some problems accepting the status quo, and this can lead to a certain alienation in society. You have a talent for dealing with New Age interests, technical matters or people from unusual environments.

PERSONAL - LIFE PATH: Light of the future

You can feel that your role in life is connected to future visions and the necessity for change in society. You add a dash of originality to the world, and people are either inspired or provoked by your rather unusual personal style. You shake up your surroundings and often use shock tactics to make an impression. You thrive in an atmosphere of excitement and unpredictability.

Ascendant Square Neptune

It may be difficult for you to discern the influence of this combination of planetary energies; it is weak and may be outweighed by stronger influences. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - LIFE PATH: The spiritual path

You are rarely motivated by purely ambitious interests, and therefore you function best when engaged in a job in which you can invest your ideals and dreams. Ordinary goals can hardly satisfy your needs, which are more orientated towards feelings and sensitivity, or music and creativity. You need to feel moved by influences beyond the personal.

PERSONAL - LIFE PATH: The spiritual path

It is important for you to overcome a subtle feeling of dissatisfaction or sorrow in your life - both in connection with the direction your life takes, and in connection with partners. This involves finding a sense of meaning in your existence. Creative or spiritual interests, and the pursuit of inner purity, can bring much needed inner harmony. You are very impressionable and easily influenced by the vibrations of other people, so you need to indulge in periods of withdrawal.

Sun In Libra

PROFESSIONAL - IDENTITY: Create balance

It is in the complex inter-reaction with others that you learn to develop a sense of self. You can be an expert in social

relationships, and skilled in initiating social contact. You are powerfully motivated by a natural sense of aesthetics, justice and harmony, and in your dealings with other people you are skilled at the art of diplomacy. You dislike taking sides and have the ability to see things from several different points of view. To others you may appear to be indecisive; but actually you need time to consider all the issues. Your natural talent to put yourself in other people's shoes can mean that you play down your own needs. By cultivating an inner firmness which gives you the courage to take on a confrontation when necessary, you will be able to make the most of your ability to relate harmoniously to others.

PERSONAL - IDENTITY: Create balance

The major formative experiences in your life are connected with relationships. In these key periods changes connected with your intimate bonds to another will lead to a revaluation of who you are and what your role is in life. You learn at these times that being true to yourself means not always compromising your needs for the sake of a relationship. Indeed this kind of compromise often involves an element of manipulation - if only through your natural charm. Nevertheless, you feel a sense of self most strongly when in a harmonious relationship and it is here that your talents lie. Your appreciation of beauty and your good taste brings an atmosphere of peace. You show a natural concern for others, but you demand that this concern goes both ways - you cannot accept a relationship, if the romance has gone out of it, and you are skilled at recreating conditions for love.

Sun In 4th House

PROFESSIONAL - IDENTITY: Pride in the family

Professionally your concerns centre around your immediate environment, land and property. You may identify strongly with your family or your country, and you are motivated to form strong bonds of loyalty - whether it be to the company you work for, or larger national interests. You need to feel needed. You have a talent for creating a homely and secure environment for other people and have strong convictions about family values. For you to function well in a career it is important for you to have a secure home base. You are attracted to an expensive home, because living well is a matter of prestige for you.

PERSONAL - IDENTITY: Pride in the family

Your upbringing has had an especially profound effect on your identity, and your father's influence will have been particularly strong in this respect. You have had a compelling need to look up to him and use him as a role

model - for good or ill. Later in life you will draw great strength from the family you build up yourself, and your children will probably take a central role in your life. Your home and family will be the most important motivating influence for you, and you will be aggressively protective of them. You identify strongly with your home and may also take a special interest in your family history. You will not mind spending a lot of your time at home - this where you can really be yourself.

Sun Conjunction Mercury

It may be difficult for you to discern the influence of this combination of planetary energies as it is not a strong configuration in your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - IDENTITY: Subjectivity

As Mercury is never more than 28 degrees from the Sun, the only aspect possible between them is the conjunction - the closer they are together, the stronger this aspect will be. There is a great mental talent and a restless desire to learn more and gain experience. You would thrive in a job which gave you the opportunity to be on the move and meet people, as communication is definitely one of your strong points. You hate to be stuck in any job, and you need constant mental stimulation. This can of course lead to a number of radical job changes. Alternatively you can satisfy your need for stimulation by going on courses or undertaking study projects. You have good teaching abilities and would prosper in any position in which you had to get a message across. Your strong points are your versatility, curiosity and a youthful enthusiasm. Your weaknesses are connected with restlessness and lack of concentration - and a tendency to be very subjective in your evaluations. You are overconcerned with making an impression and like to have the last word. You hate being wrong, and have difficulty admitting it when you are.

PERSONAL - IDENTITY: Subjectivity

Intelligence and communication are important issues for you

in your personal relationships. You identify strongly with what you say, and it can be a blow to your personal pride if you are ignored or misunderstood. As a result you tend to be forceful in your opinions and at times unreceptive to what other people say and think. You are overly subjective, and you can spend a great deal of time running an inner dialogue in which you talk to yourself. By nature you exude a youthful spirit and a certain naiveté

Sun Conjunction Venus

It may be difficult for you to discern the influence of this combination of planetary energies, as it has only a mild effect in your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - IDENTITY: Style

This contact evokes in you a very strong aesthetic awareness and quite considerable personal charm. You have the ability to make a warm and enriching contact to others and inspire them with your presence. Your diplomatic talents, and strong sense of personal values, gives you many advantages in a variety of areas. You are not a forceful person, and in general you do not like competition, but you can get your way through persuasiveness and charm. Your natural charisma and winning manner ensures personal popularity. You would not be happy in a job in which confrontation and conflict plays a role, and your talents are best utilised dealing with personnel, diplomacy, or matters related to taste, style or a refined judgement.

PERSONAL - IDENTITY: Style

It is extremely important for you to feel liked, and you go to considerable lengths to make a good impression. You are personally warm and affectionate, and enjoy both making and being the recipient of romantic gestures. Your mild manner probably comes from your father, who may well have been very loving and considerate. Indeed, women with this aspect often idealise their fathers and have difficulty shaking off their attachment. Later in life they will tend to become romantically involved with a softer type of man, in whom they imagine very gallant properties. For both sexes problems can arise through denial of the shadow side of the personality and the reluctance to see that people cannot always be ladies and gentlemen. Sometimes too, there may be a tendency to manipulate others through the conscious use of charm, and a far too rosy self-portrayal. Nevertheless personal self-esteem is a central issue for the identity, and learning to love and accept yourself is a prerequisite before you can function well in a relationship.

Sun Sextile Saturn

You will often feel the influence of this aspect, though stronger influences may predominate in other areas of your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - IDENTITY: Winning self-esteem

You are a hard-working and ambitious person with a strong drive to prove yourself in society. There may however be difficulties with authorities, despite your desire to live up to the expectations of society. The first 30 years of your life will bring a great deal of obstacles to success, but you will learn important lessons and ultimately develop a self-sufficiency and discipline which lays the foundation for success later in life. It is important for you to overcome negativity or pessimism concerning the future. Not all success is won by hard work alone. You are often more motivated by the fear of failure than the promise of reward, and this can hold you back from realising your full potential. If all goes well you will acquire more and more responsibility during the course of your life - and you deserve it. You are conscientious and take your responsibilities seriously. You are the kind of person other people can rely on. You would rather be the power behind the throne, than have a high profile yourself. Remember to take time to enjoy the fruits of your efforts, instead of continuously driving yourself onwards.

PERSONAL - IDENTITY: Winning self-esteem

You are a rather formal person who takes life seriously. Childhood experiences - especially the relationship with your father - has undermined your self-confidence and made you reluctant to stick your neck out. You are more likely to bury your "talent" than gamble with it. You have a strong need for approval, but as a child love and approval was always conditional on your performance. You have been more appreciated for what you did, than for who you are. Later in life you tend to judge yourself harshly, and you have a bad conscience about enjoying life and relaxing. You tend to be too dismissive when offered love and affection, and rather severe when giving it. There may be authoritarian tendencies and a lack of flexibility as regards rules. Nevertheless, you are a person who can be trusted. You have high principles, and as you do not indulge expectations of the easy life, you work hard to build up a secure structure in life for those you hold dear.

Sun Conjunction N.Node

This aspect is extremely powerful in your horoscope; every action you take will be coloured by this energy. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - DESTINY: The illusion of being

There may be a number of advantages for you in assuming a high profile in connection with specific groups of people. You may be elected as a figurehead, and your personal character can filter down to those you are connected to and have a profound affect on their lives. How to deal with the ensuing recognition or fame may, however, be something of a dilemma for you. Victories can ring hollow, and honour may bring disillusion, although you have a role to play in other people's eyes.

PERSONAL - DESTINY: The illusion of being

Contacts with other people will play an important role in your search to get into touch with your inner identity. Father figures - through their presence or through their disappearance - will force you to ask a lot of questions about the nature of your existence, and this will in time lead to new spiritual growth and vision. Influential people and - later in life - spiritual authorities, may be eclipsed through sudden inner realisations. Times of inner darkness alternate with the blinding light of Truth.

Jupiter transiting Square Sun

01-03-2020 -> 27-11-2020

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - IDENTITY: Creating your future

During this phase of rising self-confidence you can expect your plans for expansion to take off. You should be thinking positively about the future now, visualising how you would like things to be as vividly as possible. Your power to get what you want is at its highest, so start expounding your visions of a bright future. Remember: you get what you focus on, so focus on what you want.

It is favourable to expand into foreign countries; higher education, public relations and insight-enhancing projects will also bring success. Whatever you do, it is essential that it has depth and meaning for you. Don't waste important time on trivial matters - success is about the quality of life and making an impact with the essence of your own identity. If necessary take time off from work to build up a new vision for your future. If you have any legal problems, you will be

confronted with them now so ensure that you are morally unassailable. And don't over-estimate yourself and your capacities. Make sure your plans are within the boundaries of reality.

PERSONAL - IDENTITY: Creating your future

During this phase of your life you will be given the opportunity to find a new sense of meaning in your existence. Bubbling up from within, you have the chance to release a new energy and enthusiasm based on a sense of your personal relevance to this planet. Travel abroad and contact with people you respect for their intellectual and spiritual capacities will now expand your world-view. Knowledge and understanding will enable you to build up a broader moral base with greater insight and tolerance.

This is a very favourable time for religious growth if you are so inclined, or philosophical and intellectual insight. In many ways the world opens to you and reveals its gifts and blessings for you to enjoy. Take care as you sample the pleasures of this cornucopia and don't overestimate yourself - personal hubris will be punished and you may find yourself coming down to Earth with a bump.

Saturn transiting Square Sun

25-03-2019 -> 10-10-2020

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - IDENTITY: Long-term strategy

You can use this period to rise to the many professional challenges in your life and create the foundations for lasting growth. This is no easy time; many difficulties arise and you will have to work harder and shoulder more responsibilities. Authority figures make demands on you, seemingly without giving you any recognition. If you try to avoid commitment now, you are likely to be dogged by worries and problems. Your self-confidence may be low, and you may feel that you cannot live up to the expectations of others. Time will show that you can overcome difficulties and achieve goals.

Planning and strategy is of the essence, and it pays to plan months ahead and to tighten up schedules, working to realistic deadlines in a committed manner. By completing your work in stages and dividing large projects into smaller sections, you will find that you can handle enormous responsibility. You will not get something for nothing now, but hard work will be rewarded in the long term, so roll your sleeves up and get down to it.

PERSONAL - IDENTITY: Long-term strategy

At the beginning of this phase you will probably not be feeling so good about yourself. You may feel that you do not get enough - or don't deserve - recognition. There is a strong inner feeling that you must pull yourself together and do something worthwhile, and the sooner you do this, the better you will feel. There is a general feeling of being weighed down by burdens, and there may be a lot of pressure to live up to the expectations of others.

It is time to take responsibility for your own life and to define new goals, whilst you can send a strong signal to other people - parents in particular - that you can look after yourself. By rising to the challenges of the time, you can develop a strong inner feeling of self-satisfaction, based on the results that come from hard work and effort. You will be facing central issues concerned with identity and self-sufficiency, and will emerge from this period as a stronger and more self-reliant person.

Pluto transiting Square Sun

21-01-2018 -> 16-12-2021

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - IDENTITY: Personal transformation

This is an intense period in which you are under considerable personal pressure. You will radically redefine your identity at this time, so if you identify strongly with your career, you can expect fundamental restructuring of your goals. This is the time to sort out basic issues, as you do not want to waste valuable time on work that does not interest you. If you are dissatisfied with your job, you will now feel that it has no future whatsoever. However you will also feel that there is no alternative but to continue. But there is. You have to take a jump in the dark without expecting any guarantees whatsoever. When you jump, you will land in one piece, but old structures must be destroyed and a new foundation cleared, before you can start anew.

Leadership issues will be paramount. If you have an executive position, you will want to totally change your role. Leaders around you may fall from power. After this exhaustive process is over, you will have discovered new depths to your being, and buried talents will have risen to the surface.

PERSONAL - IDENTITY: Personal transformation

This is the major time in your life in which you undergo a deep, transformative purging of your identity. The image of yourself you have cultivated in the past, and the ideas you

have had about yourself, will now be cast off - you have simply outgrown your previous self. You may feel exhaustion, with a strong sense that old goals are dead. So now it is just a question of burying them and discovering what you really want to do, no matter what it costs. Crises will lead to self-examination. Layer after layer is peeled off, until you come to the core of your being. This can be a very trying psychological process. You may feel that you are in a dark tunnel, with no hope of light at the other end. Your trials may seem to go on for ever, but within a year you will have experienced a profound transformation and developed a profound insight into yourself.

Therapy or psychological interests are favoured at this time. You will discover your personal power. Women who have lived out their identity through their father or partner will cast off the chains of their projection. Powerful men are eliminated from the consciousness, as you assert your own identity.

Emotions

Moon In Sagittarius

PROFESSIONAL - EMOTIONS: Expand emotional horizons
Professionally you need a working life which offers plenty of freedom and the opportunity to expand your horizons, especially if this gives you the opportunity to travel internationally. You also have strong cultural interests. Repetitive work bores you. You are an exciting person to be together with, and you create a stimulating mental atmosphere with your outspokenness and direct way of saying things. It is important to realise however, that you are rather oblivious to the sensitivities of other people. A little tact would go a long way. You thirst for knowledge and understanding, and thrive in an intellectually nourishing environment. At the same time you can be rather vociferous ; you are passionately moved by injustice and quick to defend those who have been wronged.

PERSONAL - EMOTIONS: Expand emotional horizons
You are a freedom-loving person, who does not take kindly to any form of emotional limitation in your personal relationships. You are inspired by wide horizons, and this will lead to a good deal of travel in your life, or a drive to absorb the culture of the world through the media. This may result in a period of time spent travelling or living abroad. Some of the great difficulties in your life arise when circumstances force you to accept limitations on your freedom and the need to form stable emotional bonds. Major transformations also happen in connection with

disillusion when you outgrow old beliefs and convictions, as you most surely will. You need intellectually challenging partnerships, but things would function better if you avoided strident discussions.

Moon In 5th House

PROFESSIONAL - EMOTIONS: Emotional joy

You are very sensitive to the impression you make on other people, and have a talent for tuning in to the needs of an audience. This may incline you to a career which involves being in the public eye in some way. Your concern for children can give teaching talent, but you may also be attracted to entertainment in some way. You have a need to express yourself emotionally through creativity in one form or another. You generally have the confidence to take large strides out into the world. Your children's affairs can take precedence over business issues.

PERSONAL - EMOTIONS: Emotional joy

You are profoundly attached to the pleasures and pains of childhood, and strongly motivated to bring your own children up in a very individual way. You have a deep emotional need for romantic attachment. Your tendency to yearn for the security of love stems from unresolved unconscious issues from your own childhood connected with security. Love affairs rarely bring lasting happiness, though it may take you some time to discover this. A more lasting satisfaction comes from creative achievement. You know how to nurture and maintain the romance in a relationship, although you may have a rather mothering style. Perhaps you get too attached to your children at the expense of your partnership.

Moon Opposition Mars

It may be difficult for you to discern the influence of this combination of planetary energies, as it has only a mild effect in your chart. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - EMOTIONS: Temperament

You have a dynamic and forceful personality, and generally get your way in your professional dealings. Your greatest enemy is your temperament - you get angry easily, and when you get angry, you take ill-considered actions. So if your job involves dealing with the public, there will tend to be a lot of conflict. You may however function well if your job entails the need to confront people and get things done, but not if it involves diplomacy or sympathy. You are impatient,

but on the other hand you tend to invest your heart and soul into your work and get things done quickly and efficiently. However, you create an atmosphere of tension around you, and are extremely sensitive to criticism. You often imagine attacks which do not actually take place, instinctively going on the offensive, or defensive, to deal with supposed threats. Obviously this kind of reaction evokes the very kind of attack you are seeking to avoid. Only by taking a long, cool look at your assertive nature and by developing greater sensitivity and calm as regards others, can you hope to win goodwill in your professional life.

PERSONAL - EMOTIONS: Temperament

You were brought up in an atmosphere of tension which has made you constantly on guard. Perhaps your mother was an unusually aggressive woman, or perhaps there were many struggles in your family life. Whatever the reason you tend to get easily upset now - especially in your domestic life. Women with this aspect are often attracted to emotional men who express their feelings passionately and intensely. However this may be because of unconscious provocation from the woman, who - never having experienced peace and calm in her early life - recreates the atmosphere of tension through criticism or angry moods.

Men with this aspect tend to have a short fuse, and often go about in an irritated state of mind. By identifying early childhood patterns of tension it may be possible to combat these negative emotional anger-states, which can be the source of a great deal of internal pain. Expression of anger rarely solves anything. It does not pay to let anger out, as you may fondly imagine. It pays to be conscious of the reasons for anger, before it arises.

As you mature and you gain insight into your emotional nature, you can learn to create an atmosphere of excitement around you. You will be inspiring to be with, and moreover, you learn to combat insecurity by giving freedom of movement and encouraging independence in those you are attached to.

Moon Trine Uranus

It may be difficult for you to discern the influence of this combination of planetary energies; it is weak and may be outweighed by stronger influences. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - EMOTIONS: Unpredictability

You are something of a gipsy, and this means you can adjust to extremely unusual professional environments. You

would thrive in a job in a foreign country for example - the more exotic the better. You are well-suited to working with people who are alienated from society in some way, especially if they come from a different culture. On the other hand you function very badly in a conventional place of work, where the same functions have to be performed day in, day out. You have a very low threshold for boredom, so you are suited to a job which brings exciting changes and variation during the course of the day - preferably meeting people. You have an advanced intuition and very sensitive antenna - this may give you some talents in the New Age sphere.

PERSONAL - EMOTIONS: Unpredictability

You do not have conventional desires as far as domestic harmony is concerned. In your childhood there were many unsettling influences and a general atmosphere of unpredictability, excitement or stress. You need to feel that something is happening around you. This means that you can get very restless in relationships, and if you feel bored - and you often do - then you start getting provocative. You are best suited to relationships which keep you occupied with new daily challenges - and you have a strong need to express your emotional energy in group scenarios. Your partner will not be able to satisfy your need for stimulation on his or her own. You thrive in unusual domestic relationships - for example communal living, flat-sharing or residence abroad. For partnership to function satisfactorily it is essential that you stop distancing yourself emotionally - this gives the impression that you do not care for your loved one.

Jupiter transiting Conjunction Moon

13-12-2018 -> 09-01-2019

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - EMOTIONS: Expanding your base

This influence depends very much on how large a role safety and security play in your professional life. If safety is paramount, you will be wanting to expand the foundations of whatever represents security for you now. As this may well be property, you could wish to move into a larger home or business, and indeed it certainly pays to invest in land and buildings now. Providing that you can trust your instincts in these matters, then property acquisition or expansion is favoured.

For some people freedom and expansion of horizons will be

more important than security. The urge to investigate foreign countries - their people and culture - can play an important role in your career now. Trust in your hunches - your intuitive powers are at their highest in this period, and you have the enthusiasm to take on any challenge. You may however find that your interests lie outside the professional sphere. This is a higher-charged period for you emotionally, so you will probably also want to expend your energies on domestic or family matters.

PERSONAL - EMOTIONS: Expanding your base

This is a period when your feelings and emotions exert a tremendous power in your life. Hopes and dreams about the future will be a driving force inspiring you to take action. Generally speaking you should have a degree of luck and good fortune in attaining your greatest dreams at this time. This is probably a natural consequence of the enthusiasm you invest in all matters. You can expect an expansion of your horizons and a deepening of your capacity to show feeling. You learn something of the mystery of life, and it gives a new meaning to your existence.

You can be strongly inspired by a future vision connected with domestic happiness, a home or children. There is, however, a tendency to go overboard. If you are hoping for the fulfilment of emotional dreams, so many opportunities can arise that you simply cannot make a choice. Furthermore your emotional suggestibility is at its highest - you believe what you want to believe. Whatever the concrete results - if any - of this period, you will come into deep contact with your emotional power and gain rewarding new insights.

Mentality

Mercury In Libra

PROFESSIONAL - MENTALITY: A balanced view

You have diplomatic skills and a refined way of expressing your views without offending others. Your ability to see both sides of an issue and conciliate between opposite camps means that you can be a fine negotiator. You prefer to deal with people rather than things, and this may express itself in a profession where contact with others is the norm. Some people might consider you vacillating and indecisive. Actually you can make a decision, but you like to spend considerable time weighing the pros and cons. You probably prefer to put off decisive action until the last moment. When you do decide, your judgement is normally quite sophisticated, and guided by social and aesthetic considerations.

PERSONAL - MENTALITY: A balanced view

You are probably a soft-spoken person, eschewing coarse forms of expression. Even if you disagree with someone, you do so with good manners. You express yourself with grace and style, and during the course of your life you propagate a balanced view based on a strong cultural foundation. You may well have a love of the arts and literature. You probably enjoy friendly debate, and although you often enjoy the intellectual exercise of taking the opposite point of view, your deepest motivation is to create agreement. You rarely raise your voice, and for some people your even manner can be exasperating - you are just too reasonable. Your fair-mindedness and diplomatic style wins friends.

Mercury In 4th House

PROFESSIONAL - MENTALITY: A stimulating home

You need a stimulating mental environment in your work, and value creating a positive mental contact to your colleagues. You can be very loyal to the people you work for, and expect loyalty from others. You have special talents as regards property and the land, and a good eye for a business deal in these areas. Bonds to brothers or sisters may be important in your later career - the family network can be an aid in your professional advancement. Family worries can however distract you from career interests.

PERSONAL - MENTALITY: A stimulating home

Communication was a very important factor in your upbringing, either because of stimulating relationships to siblings, or because of interesting discussions between your parents. This has given you a need to be mentally stimulated, so you will wish to have strong mental bonds with your partner. You need a lot of activity in your home, and children can be an important factor here. You are good at creating contact to children, and will be powerfully motivated to give your family a good education. Perhaps you will have a lot of books at home. You like to be on the move, may have two homes, or move often.

Mercury Conjunction Jupiter

It may be difficult for you to discern the influence of this combination of planetary energies as it is not a strong configuration in your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - MENTALITY: Disseminating information

One of your great professional assets is your intellectual curiosity and interest in communication and information. You

can be something of a perpetual student, accumulating knowledge and insight for a rainy day. These intellectual talents bring you success in fields which require study, writing, meeting people, travel and generally exchanging ideas. You have excellent teaching talents, because you both have the capacity to concentrate on details, and at the same time can draw wide-ranging conclusions. You can maintain an overall perspective, even when drowned in facts and figures. You can also be extremely persuasive, and this can give a talent for sales. People can come to you for advice and information. You are also suited to a position in an office, where you have access to phones and faxes, computers etc. You may be rather restless, so you need to work in a position in which you work with a whole spectrum of daily tasks, or in a situation in which you meet a variety of different people, perhaps whilst travelling around.

PERSONAL - MENTALITY: Disseminating information

Gaining intelligence is a strong motivating factor in your life. Attending courses and studies, learning languages, travelling and meeting people, are all important activities for you, because they give you the opportunity to train and expand your mind. A foreign language may play an important role in your life - you certainly have the capacity to master more than one language. You can be witty and a mine of information. On the other hand you may feel a strong need to impose your ideas and opinions on others. You hate to be belittled mentally, and you may compensate for this by becoming argumentative, or by dutifully trying to enlighten people about what the truth is. It is better to fulfil this need in some job for which you get paid - rather than tire your partner with your constant need to explain and inform. It is wisest to give your opinion only when it is consciously sought by others.

Mercury Conjunction Neptune

This aspect is of medium strength and its influence will often be felt, though not acutely. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - MENTALITY: Clarify your thoughts

You have a very refined mental sensitivity which may be expressed through some form of imaginative and creative work. You possess a wonderful intuition, but formal learning and dry facts do not interest you. You can be quite a perfectionist and are very good at spotting mistakes and errors. In your dealings with others, you are very good at tuning in to their ideas, and you will go very far - perhaps too far - to avoid confrontation and argument. You tend to hope

difficulties will disappear if you ignore them, and you have a tendency to create a smokescreen around issues. Thus you like to get your own way through being indirect and confusing the opposition. However if you do not make an effort to stick to ethical principles and honest representations, you may find yourself getting ensnared by the stories you create. You have a talent for creative communication - as a writer, in advertising or the media, or as a general part of your work.

PERSONAL - MENTALITY: Clarify your thoughts

In intimate relationships you are very attuned to what your partner is thinking. You are a mind-reader, and as such you often feel you know what another person will say before it is said. Whilst this is often the case, problems can arise because of a tendency to adjust what you say to conform to the other person's supposed expectations, and to hide thoughts and ideas which you think will not be received well. If this habit goes on for too long, you may find that you start living in another world - isolated and misunderstood. Effort must be made to improve communication and to say what is really on your mind. You are oversensitive to environmental stimuli - particularly noise - and partners may feel you overreact or are over-critical in this area. However you do need to be in a peaceful environment to function well.

Mercury Sextile Pluto

It may be difficult for you to discern the influence of this combination of planetary energies; it is weak and may be outweighed by stronger influences. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - MENTALITY: From secrecy to openness

You have an investigative mind and considerable talent for finding out about hidden issues and analysing things in depth. You are also good at keeping secrets. As such you are a natural detective and are able to find the root cause of problems. This is a useful talent in psychological matters, when working with computers or anything requiring fanatical attention to detail. There is an ability to tap hidden sources of information. In your professional life, however, you are inclined to be suspicious, fearing that important information is being kept from you. People can feel that you interrogate them, and they tend to clam up. Sometimes you express yourself far too forcefully and do not allow people to come with their views. Success comes when you overcome communication problems connected with anxiety.

PERSONAL - MENTALITY: From secrecy to openness

You are a rather secretive person; you think hard and deeply, and sometimes you are plagued by compulsive ideas and fears. Much of this is a result of childhood anxiety connected with lies, secrets or lack of communication. Because you do not always let on what you are thinking, you can easily be misunderstood. Put people's minds at rest by clearing up these misunderstandings and strive to be as open as circumstances permit. When your feelings are hurt you can be silent for long periods. And when you are insecure, you tend to be suspicious of your partner. Harmony in relationships comes when you resist the tendency to argue for hours at a time, or to use silence as a weapon, and instead learn to be open and trusting.

Jupiter transiting Square Mercury

01-05-2020 -> 01-01-2021

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - MENTALITY: Expanding contact

The effect of this influence depends very much on how you employ your mental talents in your profession. This is the time you should invest in your mental abilities. Knowledge is power, so it could pay for you to go on courses, meet people and expand your sphere of influence. You can expect an increase in the time you spend travelling now, so try to streamline this area of your life. You should be doing more to enlarge your network of contacts, so make sure you are available through telephone, fax or computer. You will talk more, travel more and write more.

If you have any dreams as regards writing or getting some message across to the public, now is the time to go for it, as there is a strong disposition for success in these matters. This is generally a great time for wheeling and dealing, doing business and capitalising on contacts at home and abroad. Nevertheless you can talk too much and be too intellectually pushy. Take time to listen to the opinions and advice of others - you can make misjudgements if you don't.

PERSONAL - MENTALITY: Expanding contact

This is a period of expanding intellectual curiosity which can be reflected in many areas of your life. You will probably devour books and TV programmes at this time to satisfy your urge to acquire knowledge. It will also be an important process for you now to weave all the threads of information that you gather into a whole piece of cloth, so that you can see a meaningful pattern in all the details that surround you.

This is a time to be on the move and to allow your mind to be fertilised by contact with a wide variety of people with different views on life. You should be bubbling with ideas, so you have to get them down on paper or out to a broader public. Although this is generally an optimistic period, there is a risk of losing your sense of proportion, particularly if you are inclined to worry or fantasy. Knowing the power of the mind to create the future, you would be well-advised to guide your thoughts into constructive channels.

Saturn transiting Square Mercury

18-02-2020 -> 12-01-2021

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - MENTALITY: Mental self-discipline

You are challenged now to get organised and to administrate your time sensibly. There is a particularly emphasis on improving and consolidating your talents. Long-term plans for training courses or intellectual improvement can be put into effect. Writing or communication blockages must be overcome. You can develop the necessary mental discipline now to attain your goals. Expect communication problems, and expect plans or travel arrangements to be delayed. There needs to be far more attention to detail. Attend to the small print when signing contracts.

Learning to economise with your words and messages is an essential lesson for this period. How can you express yourself most effectively in the shortest possible time? If you develop the self-discipline to organise your daily life so that you can attend to mental challenges, you can expect very satisfactory long-term results. There is a strong emphasis on business matters at this time - but many minor irritations. Take one problem at a time, be patient, and solve challenges with long-term strategies.

PERSONAL - MENTALITY: Mental self-discipline

This is a period in which you have more than the average amount of worries. There are many practical issues to be solved, and there is no other alternative than to get down to each issue and concentrate on one thing at a time. It is important to organise your time more efficiently. Problems particularly arise in the area of communication. This is the time to address these issues and find practical solutions.

If you feel unsure of your intellectual abilities or that you lack the necessary training to do what you want, then you should make a commitment to improve now. You need to

spend more time talking and listening to your partner - there are issues which need to be solved. Problems can also arise in connection with sibling relationships or neighbours, and if you are patient and diligent you can find long-term solutions. Discipline your daily life and realise creative dreams.

Uranus transiting Opposition Mercury

22-03-2018 -> 04-02-2020

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - MENTALITY: New communication boundaries

This is a period of great mental inspiration and excitement. To attain professional success now it is essential to think in new channels, and not allow yourself to be limited by conventional ideas or "the voice of experience". It is the new and untraditional that brings success, so experiment, invent and surprise people. If you are involved in a long and boring period of education or training, then you are in trouble. Mental restlessness at this time will incline you to abandon traditional teaching and seek new ideas which will stimulate your imagination. You will learn best in experiential groups or by yourself.

This is an excellent time for improving New Age interests - particularly astrology. It is a time to travel and meet different kinds of people, and a good period to learn or use another language. You should modernise communication systems now, improve computer capacity and generally hook into networks which unite people. As far as contacts and agreements are concerned, this period is rather unpredictable. Being tied down or committed to time schedules does not suit your needs at this time.

PERSONAL - MENTALITY: New communication boundaries
During this inspiring period, you should grasp opportunities to drop activities which bore you, and start learning new things which keep you up to date with modern trends. Many inventive ideas pop up into your mind now, and you have to find people to share them with. You will be impatient with people with entrenched ideas and opinions, and you may feel the urge to provoke others into thinking in new ways. This impatience can bring tension and misunderstanding in relationships, in which case you should associate with people with whom you can communicate and share your visions.

Time moves fast in this period, and you too may be on the

move, travelling and meeting people. Avail yourself of new transport opportunities, buy yourself a car, or hop on a plane. Develop language talents, and immerse yourself in new technological developments, particularly as regards communication. Enrol on consciousness-raising courses, or get involved in grass-roots movements. There are very few times in your life when you will be so mentally open to radically new ideas,

Values

Venus In Libra

PROFESSIONAL - VALUES: Taste and diplomacy

You have a strong perception of balance around you and are extremely good at evaluating projects. You also have a remarkable talent for dealing with people, being able to meet them on their own level. A job that requires diplomatic talents might suit you - for example dealing with personnel. You work best in interesting social environments in which you can apply your excellent judgement. You have a pronounced aesthetic sensitivity, which can be expressed as a love of culture, art, music etc. You thrive in a position where you can express your taste and enrich human relationships, but you do not function well in positions which require you to be harsh to others. Even though you can be quite ambitious and dynamic, you do not like to jeopardise friendly relationships.

PERSONAL - VALUES: Taste and diplomacy

Love relationships are extremely important for you, and you will seldom be without a partner. You are excellent at reading your partner's needs, and quite willing to compromise on most issues, with the exception of clothes and interior decoration! You abhor bad taste and an unrefined manner, and are attracted to good-looking people, with cultural sensitivity and refinement. The man with this position will be attracted to graceful women, with good taste and a very feminine manner. Women will emanate an air of refinement and style, and desire a partner who treats her as an equal while maintaining his masculinity. For both sexes partnership is a holy principle and central to the enjoyment of life. You cannot tolerate a partnership without the magic of romance. It is important for you that your partner shares your taste, and that you can talk together about matters of personal judgement.

Venus In 3rd House

PROFESSIONAL - VALUES: Express your good taste

You have a gentle and diplomatic manner when you

express yourself. Polite to a fault you win people over to your point of view through charm and the art of reason. Professionally you would succeed in a job which makes use of your diplomatic talent and refined way of expressing yourself. You have a talent for communicating values, and a genuine appreciation of culture in all its forms. There are secretarial talents, but these are overshadowed by artistic interests and your superior way of dealing with people on a personal level. People enjoy meeting you, and vice-versa. In work you may be efficient, but above all you have style - if a solution is not aesthetically pleasing, it is not appealing to you.

PERSONAL - VALUES: Express your good taste

You may have been profoundly influenced by a close bond to a sister, or perhaps a particular girlfriend or teacher at school. In education matters you are more inclined to the arts than the sciences, and you have a fine aesthetic appreciation. If you have a sister, her fate as regards intimate relationships will have a profound effect on you. In your own intimate relationships you travel to find love, and the relationship itself may involve travel. You may meet your loved one at a place of education. You have a passion for love stories and romantic tales. Mentally you have talents for the fine arts or music, and these interests are probably stimulated by a warm relationship. You may have a remarkably pleasant voice and even singing talent.

Venus Sextile Uranus

This aspect is extremely powerful in your horoscope; every action you take will be coloured by this energy. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - VALUES: Untraditional relationships

You need to work in an exciting environment where you are together with people who have untraditional ideas, or who come from unusual cultures or backgrounds. You function best when you meet a number of different people during the course of your working day - preferably interesting or unconventional types. You have a talent for working with the media - you may also function well in a job which brings travel to exotic places. As you have a strong interest in consciousness-raising groups you may get involved with political, spiritual or social movements. You function well in a team - but not in a conventional working environment where you meet the same people all the time. You need to feel as free as a bird. You have a talent for making friendships - you make an electric impression on others, but

actually you are rather detached yourself.

PERSONAL - VALUES: Untraditional relationships

The major characteristic of your love-life is your need for excitement and the unpredictable, coupled with a restlessness which you feel when relationships do not offer you the opportunity for personal development. You have a tendency to form relationships to people from foreign countries, different cultures or unusual environments - in other words with a person who can bring an element of the exotic into your life. Often you can find yourself in a situation, in which you choose not to actually live together with a partner. Preferring to keep your independence - especially as regards the freedom to have your own friends - you maintain the excitement of romance by periodic meetings where you can constantly have your need for excitement fulfilled. In extreme cases you experience "airport-love" - short but exciting relationships with someone from another area of the world. In this way you avoid committing yourself emotionally. If you want a more permanent or stable relationship, or if you would like to feel more secure with your loved-one, it is essential to make a deeper emotional commitment.

Jupiter transiting Square Venus

28-01-2020 -> 12-10-2020

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - VALUES: Blessings

If you are the lucky type, you could not have a better period than this one. This is a time when influential people - particularly women - can guide you towards success, and when your economic resources have every chance of expansion. Success comes in particular in the cultural, intellectual or artistic field, though there is also a reasonable chance of business expansion also. Matters of fairness and justice will cause concern at this time.

It is more important to enjoy life than just work hard at this time - if you can't appreciate life's pleasures now, when can you? What are your true values and goals in your career? This is the time to include them in your plans for the future. However, if you indulge your pleasures too much, this can be an expensive time. You are very vulnerable morally now, and affairs of the heart can lead you into a costly blind alley. Don't cut corners to gain easy profit, a questionable gain now can lead to long-term loss. You are easily seduced.

PERSONAL - VALUES: Blessings

This is a romantic period par excellence, so you can expect affairs of the heart to have priority now. If you are in a relationship, your need to give and receive love will be very strong, so ensure that you indulge your emotional and erotic desires. This is a time when the power of romantic and sexual attraction is extremely strong, whilst the moral discipline is weak, so it is important to weigh the needs of the heart with other emotional costs. Sometimes it is more important to nourish and indulge the need for love than anything else, sometimes not. Let your ideals about fairness guide you.

It is a great time to travel, and if you are seeking a partner, there is one to be found in foreign climes, or in cultural or intellectual institutions. You are not inclined to fall for anyone for physical reasons alone at this time - you need a partner who can stimulate you intellectually, and expand your understanding of life and its pleasures. If you are interested in creativity, this can be a wonderful period because you gain insight and understanding of the aesthetic forces of Nature, seeing the beauty inherent in all things, and experiencing that beauty as a manifestation of truth in some way.

Saturn transiting Square Venus

13-01-2019 -> 08-12-2019

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - VALUES: Building self-worth

Economical issues come to the fore now, and you will probably find yourself having to work long and hard, perhaps without getting the financial rewards you would like. It pays to economise and save now, or to make very secure investments. By careful economical planning you can create the foundations for future growth, although short-term success is unlikely. Working on professional relationships may be necessary now, and you could be asked to make a long-term commitment.

It would be to your advantage to pay more attention to subtle influences on your career, such as your appearance and personal style. If you want to open doors which have been closed for you until now, learn for example the finer points of diplomacy and overcome clumsiness or shyness in dealing with people. An understanding and appreciation of taste and style can be the keys to much desired status improvements.

PERSONAL - VALUES: Building self-worth

You can expect many challenges in your personal relationships now. How great is your commitment? Can your affections stand the test of time? No trivial relationship can survive this period, simply because you feel that you do not have the time to waste on romantic attentions that are not genuine. Those people who are in long-term relationships will go through a testing phase - the old cliché

Drives

Mars In Gemini Retrograde

Because this planet was retrograde at your birth, you will have an instinctive knowledge of, and attraction to, the following traits and activities. You will tend to be introvert in these matters, and pursue your own individual path in strong contrast to the path chosen by others.

PROFESSIONAL - DRIVES: Develop your mind

You are a person with many mental gifts and a very active mind. Your mind is like a sharp tool which can be used in many different areas, and you thrive when you are given several tasks to do at once. This love of diversity is only a disadvantage if you start too many things, and forget to finish them. Boredom is your greatest enemy in this respect. As long as a project has your interest you will keep at it. You are however not so good at following up on your successes, as you are more interested in ideas than in the results they bring.

You will almost certainly do a lot of travelling in your life - especially locally. Some kind of personal transport is essential for your well-being. Meeting people keeps you stimulated, and you probably have a talent for inspiring and teaching others. You must watch a tendency to be sharp or sarcastic - your intellect is a double-edged sword, and being a fast thinker yourself, you have a tendency to get impatient with the slower pace of others. If you slowed down a little yourself and worked in a steadier fashion, you would make fewer mistakes and be able to consolidate your gains.

PERSONAL - DRIVES: Develop your mind

You are a quick thinking person, rather impulsive in self-expression, even to the point of being rude or cheeky. At the same time you can be humorous and witty and quite a success socially. Men with this position of Mars will be the roving type, always on the move either mentally or physically. In relationships this may also mean a roving eye and the tendency to flirt rather harmlessly. Women with this position will be attracted to the youthful type of man who is full of ideas and bubbling enthusiasm. There is a tendency -

which may be more or less pronounced - to get involved in more than one relationship. There is a danger of being far too argumentative in relationships, perhaps because of an innate mental restlessness. Nevertheless relationships will normally embody an element of excitement and travel, which can be very stimulating for both partners.

Mars In 11th House

PROFESSIONAL - DRIVE: Solidarity

You are dynamically inspired by social causes and can find professional satisfaction working motivating groups in one way or another. You are a reformer by nature and are prepared to take on the necessary confrontation to get your ideas accepted. Your motivations as a reformer are not selfish; you are prepared to be in the vanguard working for collective interests. You have very little respect for restrictive social norms and prefer to be direct in your dealings with people, therefore you function best when you are a spokesman of some sort, or when you carry the banner of a social or political movement. You may have very strong ideological principles, and you are prepared to fight for them.

PERSONAL - DRIVES: Social agitation

You are very interested and involved with your friends; fiercely loyal, you are prepared to fight shoulder-to-shoulder with your brothers and sisters for a common cause. However many troubles arise in your social circle - perhaps because you have a tendency to speak your mind to a provocative degree, perhaps because you are a bit of an outsider. Not one to take social niceties into consideration, you tend to stir up discontent in groups. You are also attracted to rough and ready people who you can trust for their honesty and directness. You have the ability to take on a dynamic role in a group, perhaps connected with sport or outgoing enterprises. Generally speaking you will thrive in the company of men. Women with this influence may often be sexually attracted to a friend; men may prefer to be with amongst other menfriends as they can feel too limited by intimate partnership.

Mars Square Pluto

This aspect is extremely powerful in your horoscope, and will be a major feature of your character. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - DRIVE: Cutting through decay

This influence has a major effect on your career. In your life

you are confronted with the issue of power - and powerlessness. You may not be aware of how forceful you are, and therefore you often encounter confrontations and get involved in power battles. Your strength in this area equips you to deal with crisis situations which other people would rather avoid. Thus you can get involved politically or socially, perhaps in trade union activity or in the corridors of power. Although you have a lot of abilities in this respect you may not find great satisfaction in these areas. You have a good deal of psychological talent, and may find fulfilment in helping people in crisis, or people who have adjustment problems. You may have psychic or healing talents.

You work hard and very intensely, often into the late hours, and actually you may have difficulty knowing when to stop. It is important to identify this obsessive quality, otherwise you can drive yourself to collapse. By structuring your working hours, you can avoid exhaustion. Life would be easier for you if you were more relaxed. You are very sensitive to what you consider the misuse of power - this is connected with humiliating situations connected with will and power in childhood. Later in life you run into similar situations, especially with authoritarian or dominating - even tyrannical - men, and you tend to overreact. This leads to battles of the will which are quite exhausting - even more for others than yourself. These situations are best defused by seeing them in a different light. By clearly showing others the limits you are prepared to accept, and by sticking to them diplomatically, you can win respect and avoid power games. Remember, if your motives are straight, you will attract people who will be straight with you. It is important for you to think positively about others. You are a powerful ally and a dangerous enemy.

PERSONAL - DRIVE: Cutting through decay

You have experienced a number of deep traumas in your childhood through events which may be secret or repressed. This can be linked to the influence of men - particular your father or a brother. Often a stepfather or half-brother plays an important role. Sometimes a sexual theme is involved. You may also have been deeply affected by someone who had a deep psychological problem. In some way your will was totally overridden at some point in your childhood, and you are profoundly affected by the humiliation this incurred. It is also possible that you experienced your father - who was dominating, but weak - being humiliated in some way.

Later on, intimate relationships are characterised by great intensity and power games. There is a need for a strong partner who can stand up and fight his or her own battles. Women with this aspect are profoundly attracted to

magnetic and powerful men. Such a relationship develops predictably: where the man initially starts as the dominating figure, the woman begins to discover weaknesses as time goes by, and in doing so loses respect. When the relationship ends, the roles have been reversed and the man often ends up in a humiliating position.

Men put too much focus on sexuality and the need to demonstrate masculinity. Jealousy and control can be dominating, though concealed, factors in love. The relationship tends to be marred by criticism of weaknesses and bitter discussions over influence. Often therapy can solve difficulties connected with the complex psychological projections involved in this kind of relationship. As time goes by you will discover the benefits of your enormous energy resources and latent power. As a result you stop struggling against imagined power misuse, and simply no longer feel threatened. Deep satisfaction comes from discovering psychological and psychic talents.

Jupiter transiting Opposition Mars

06-11-2018 -> 02-12-2018

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - DRIVES: Burning enthusiasm

It is important for you to harness the energy and enthusiasm which surges through your body at this time. The competitive edge is sharpened, and you have the courage and vision to enter the rough and tumble of the marketplace and meet whatever challenge that confronts you. You can overcome obstacles now and expand your sphere of action. This is not a time when you can be too interested in diplomatic niceties - you want to get things done, and in a hurry. There is a burning desire to achieve.

This is an excellent time for pioneering activities and expansion abroad. It is also a good time for throwing yourself into hard physical work. There is an inclination to get into confrontations now, and it is not helped by your desire to impose your beliefs and convictions on others. You may try to bully your way through. Although it is favourable to act on your convictions regarding what is right and what is wrong, it pays to gain insight first and cultivate greater tolerance.

PERSONAL - DRIVES: Burning enthusiasm

This is the time to be intoxicated by a new decisiveness and a willingness to invest your energy into getting what you want. There is a refinement of the sense of purpose and the

meaning of taking action. This lust for life can manifest as an expanding of your horizons through travel, taking on new intellectual challenges, getting into your body through exercise and training - and sexual exploits. There is a sharp increase in erotic drives at this time, and men will become increasingly aware of a need to prove themselves and their masculinity. This can manifest as the desire to woo and win the affections and body of a suitable quarry.

Women too become increasingly aware of sexual needs and the power of attraction to the opposite sex. There is a willingness to take the initiative in these matters. However it is actually the need to be stimulated intellectually that is paramount for women as far as attractions are concerned at this time. A relationship is also seen as a means to expand personal horizons and learn more about men and life in general. Indeed this period has most significance as regards insight into the body - and this includes greater consciousness concerning health, and the muscular system, as well as personal sexuality.

Wisdom

Jupiter In Scorpio

PROFESSIONAL - WISDOM: Practice good magic

You were born at a time which highlighted developments in the world of international finance, issues of elitism, secrecy, and power use and misuse. When you fully realise your personal potential in this area, you will be able to use your capacity to deal with and wield power in one way or another. This can give success in the corridors of power or high finance, or alternatively you can develop deep psychological insight based on inner philosophical or religious convictions. Your deep emotional commitment to your beliefs enables you to achieve your will by the magnetic force of your presence alone. Success comes within your reach when you enunciate and act on beliefs which relate in some way to the emotional health or security of other people. You have the power of the magician; when you focus your energy on future transformation, miracles happen.

PERSONAL - WISDOM: Practice good magic

You have a deep and intense emotional nature with powerful, though often secret, convictions. At some point in your life your beliefs will undergo a radical transformation in which you abandon old belief systems. Even when silent you tend to exude a powerful influence on those around you because of the strength of your beliefs. It is wise therefore not to be too forceful outwardly, but to reach inwards into the burning ground of your emotions. Possessiveness,

sexual desire, ideological obsessions and other powerful emotional drives can exert a strong influence on you, until the time comes when you eliminate the hold they have. When this time comes you develop even more insight into the secret nature of the human mind and emotions.

Jupiter In 4th House

PROFESSIONAL - WISDOM: Moral foundations

One of your greatest assets on a professional level is your good judgement and lucky disposition as regards property. You can expand holdings and generally earn money through dealing with property. You can generally count on the loyal support of your family, for whom you have a strong moral commitment. Business commitments may draw you to foreign countries. Cultural and environmental issues can absorb you on both a national and international level. You will enjoy your retirement, and will probably have a comfortable economy at this time.

PERSONAL - WISDOM: Moral foundations

Generally speaking you have had a fortunate upbringing, perhaps growing up in an international environment, or in a large family or a large house. A stimulating intellectual or philosophical atmosphere at home will have provided you with a solid emotional ballast later on in life. Your father, who probably had strong convictions, may have played a strong role in shaping your opinions. You may have found family members rather dominating on an intellectual or moral level, but this has a good effect on you in the long term. You too will have powerful moral convictions in family matters. You like to live in a large house and may at some time reside abroad.

Jupiter Conjunction Neptune

You will often feel the influence of this aspect, though stronger influences may predominate in other areas of your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - WISDOM: Expansive dreams

As these planets are relatively slow-moving their influence is felt most on a collective level. Insofar as you channel their influence in your profession you will wish to work on the collective effect of knowledge, the intellect and social influence. There may be a talent for marketing or advertising or selling a dream or vision. There can also be a drive to evangelise on a social, religious or political level. You can be strongly motivated by altruistic ideals and identify with some kind of vision or dream that transcends your own

dreams. On a more down to earth level there can be a talents for dealing with oil and related products - particularly plastics. There may also be an interest in oceans, the film industry and anything which enchants on a collective level. You can be hopelessly overoptimistic - heed realistic advice!

PERSONAL - WISDOM: Expansive dreams

This influence shows that you can be moved by dreams and visions. There will be some aspect of your life in which you are touched by something magic that completely transcends your everyday life. This can bring great happiness, if you choose to cultivate your intellectual drive towards greater spiritual understanding through creative, artistic or meditative interests. At the same time there may be a total lack of grounding, or a tendency to be completely absorbed by unrealistic ideas. There are dreamers of dreams who achieve nothing, and weavers of dreams, who can bring visions down to earth. Ultimately people will be disappointed in you, if you are the former. You have the capacity to make faith and hope guiding lights for your actions.

Uranus transiting Opposition Jupiter

05-06-2019 -> 03-05-2021

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - WISDOM: Journey into Space

This is a very dynamic period for the expansion of your horizons. There will often be long-distant travel to exotic destinations at this time, or increased contact with foreign countries. International contacts can prove valuable to your profession, and should be cultivated. During this explosively expansive period there can be considerable restlessness - you can hardly be satisfied with a desk job now, or any kind of education or training which does not offer an experiential curriculum. Surprising and unpredictable developments can arise - particularly in connection with legal matters; therefore care should be taken as regards contracts or commitments. You can use the energies of this period optimally by integrating new visions of the future into your goals. Enhanced consciousness and interest in unconventional subjects can play a role in your future.

PERSONAL - WISDOM: Journey into Space

This may well be a period of increased social activity and intellectual curiosity. During these months revolutionary new opinions can lead to a radical change in your viewpoint. Contact with foreigners and their cultures can be a catalyst in this process. You may find yourself getting involved with

New Age or international groups. This is a great time for inspiration and radical consciousness change, but you may find yourself at cross purposes with people who have traditionally had a strong influence in your life. You have a desire to overthrow intellectual and religious authorities now, and replace restrictive ideologies with ideals about freedom of the individual. You want to define and follow your own path to personal growth at this time, without the heavy hand of any guru or mentor.

Jupiter transiting Conjunction 5th House

30-10-2018 -> 25-11-2018

PROFESSIONAL - WISDOM: Personal expansiveness

Your larger than life personality can give you considerable influence in the business world. You know how to make a good impression and generally have a fine judgement as to when to take risks or not, especially as regards investments. Luck is often on your side and this makes you a winner in situations which require a gamble. You take pride in your intelligence, but you may be unreceptive to other people's opinions or over-sensitive when your own opinions are challenged. You can make a powerful impression on an audience, and this may incline you towards education. You have a generous nature and reap considerable recognition in your professional life.

PERSONAL - WISDOM: Personal expansiveness

A happy and expansive childhood has laid the foundation for a trusting attitude in life. You have faith in yourself and this gives you a surplus of energy and enthusiasm to enrich the lives of others. You have strong appetites - also sexually and romantically - and this may lead to too much indulgence in your life. But in general you have charisma and charm, bringing a spark of joy to the people who you choose to be with. You have the capacity and energy to have a large family, although you will also need to express your creative energy in many areas. You may be motivated by the urge to explore personal boundaries through sport or travel.

Jupiter transiting Conjunction 6th House

31-12-2019 -> 26-01-2020

PROFESSIONAL - WISDOM: Daily significance

You have good judgement and executive ability, and have the ability to create a well-functioning working environment. This is probably because you spread an atmosphere of tolerance and optimism about the future around you. Colleagues will appreciate your buoyant disposition and considerable insight at work, and you will be well-loved in a

managerial position. Your ability to grasp the main issues suits you for a position in middle-management in which you delegate work. You can function independently but it is also important for you to feel that you are of service to, or in, a larger enterprise. Career developments will often take a fortunate turn and may bring travel or an international environment. You may have a talent for working with judicial matters - your superior judgement should at least be put to good use in one form or another.

PERSONAL - WISDOM: Daily significance

Other things being equal, you are a kind and helpful person, and you know how to get the best out of everyday life in a relationship. You are efficient when working but at the same time you know how to create time to relax and enjoy life. Where other people often get weighed down by daily tasks, you find enjoyment in them and even gain insight into larger issues through daily rituals. You are magnanimous in offering help and caring when you encounter people in need. You may have a special talent for health matters, and you are specifically good at harnessing the power of positive thinking to benefit the mind and body.

Challenges

Saturn In Sagittarius

PROFESSIONAL - SELF-RELIANCE: Wisdom through experience

Saturn went through this sign in the years 1926-29, 1956-58 and 1985-88. These transits heralded periods of hectic international activity, with emphasis on expansion of intellectual as well as geographic boundaries. If you integrate this influence in your professional life, there will be advancement in areas concerned with higher education, ethics and the law, or perhaps on travel and international organisations. You may feel that you have to overcome an inner insecurity concerning your intellectual ability or capacity for making wise judgements, and by doing this you will slowly but surely increase the breadth of your knowledge and understanding. If you achieve success in these matters, you will acquire considerable authority in some sort of council or panel, which concerns itself with giving advice. You have to guard against being too severe or moralising.

PERSONAL - SELF-RELIANCE: Wisdom through experience

There was a strong emphasis on world events at the time of your birth and you may have been subjected to strong

opinions regarding politics, social issues or religion which will have had a formative effect on your personal convictions today. You will have been more or less affected by a tendency by your parents or society to moralise or exert ideological influence. This may be reflected negatively in your own character by your having restrictive and conventional views about everything, or positively by your overcoming this influence and developing your own convictions based on personal experience. It is particularly important that you build up a strong set of philosophical values which can help you explain the meaning of your existence. There is a tendency to be rather negative about the future, and therefore it will pay for you to learn something about the value of faith and the power of positive thinking.

Saturn In 5th House

PROFESSIONAL - SELF-RELIANCE: Building self-esteem
Professionally it is essential for you to overcome a frustrated creativity and lack of confidence in yourself. Early frustrations have led to a fear of public exposure coupled with a desperate need for recognition. You give the impression that you do not need the respect and admiration of others whilst quite the opposite is the case. This has the consequence that others stop giving recognition. By confronting your vulnerability and steadily building on the successes you do achieve, you gradually build up your sense of self esteem. You judge yourself harshly. Learn to take joy in the achievements you have attained, rather than focusing on what you have not attained.

PERSONAL - SELF-RELIANCE: Building self-esteem
A difficult childhood in which you were unable to fulfil exaggerated expectations on the part of your parents has left you feeling dissatisfied and frustrated with yourself. You long to be appreciated, but you will find that this is rather a negative foundation for relationships or romantic adventures. Generally speaking love affairs result in very complicated circumstances which end up making you feel even more negatively about yourself and your attractiveness. Romance will never fulfil your inner need to be appreciated. Self-acceptance can only come from within yourself. Having children can be a watershed in your life, though you may instinctively avoid the responsibility. Having had a difficult childhood yourself, it can be hard to imagine having children and they may come late in life. However dealing with children helps you overcome the blocks in your personal creativity, and having responsibility for someone who is dependent on you - and respects you - increases your personal confidence.

Saturn Trine Uranus

It may be difficult for you to discern the influence of this combination of planetary energies as it is not a strong configuration in your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - SELF-RELIANCE: Structural renewal
This rare combination of planets is part of a 46-year cycle, and the influence will affect everyone over a period of approximately a year. In so far as you channel this influence through your career you have the capacity to deal with large organisations and will often find yourself in the position of establishing a bridge from the old to the new. With one foot in tradition and the established values of collective experience, you will also have to deal with the necessity of reform to adjust to a new future. Depending on which side of this equation you are on, there can be conflict with established authorities. Thus you will often be confronted by two separate and very different camps with very different viewpoints. You deal with social structures which have outlived their usefulness; perhaps a revolution is necessary to make room for the future. You can be skilled at finding ways of putting new technology to practical use. You can work in areas concerned with social reform.

PERSONAL - SELF-RELIANCE: Structural renewal
Your personal struggle is very much connected with when to release your attachment to the past and open yourself and your life to the necessity of change. Often you hang on to restrictive life-patterns too long, and when sudden change comes - as it invariably does - the edifice you have built up can disintegrate as you uncompromisingly embark on a completely new venture. You tread the tightrope between generations and have the capacity to bridge the gap between young and old. Sometimes you identify with the establishment, yet there will come decisive breaks as you violently strive to adjust to change. You have a role in society in which you should bear the banner of reform.

Saturn Sextile N.Node

This aspect is extremely powerful in your horoscope, and will be a major feature of your character. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - DESTINY: Old karma
You have an aura of authority in the circles you frequent,

and you have the ability to influence the groups and organisations to which you belong, because of your sober and realistic attitude. You feel a kind of responsibility for the society you live in, even though it may not treat you well. Despite the fact that you feel uncomfortable in larger groups you can still effect lasting changes in the structure of society. You are ambitious enough to be the person through which structural forces in society are channelled. You know what you want and have surprising willpower, but you feel the hand of fate behind every step you take.

PERSONAL - DESTINY: Old karma

The course of your life is arduous and full of trials. You are shadowed by the hand of some authority wherever you go, and later you discover that this authority is a part of your own character. You are moved to build something great, but are fated to see great things dissolved by the passage of time. People will instinctively defer to you socially, but the mantle of loneliness rests on your shoulders. When making decisions you rarely choose the easy option - knowing that time is of the essence, you pursue each issue in life with painstaking thoroughness.

Jupiter transiting Conjunction Saturn

05-02-2019 -> 05-11-2019

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - SELF-RELIANCE: Expanding the framework

It is at this time of your professional life that the urge for growth and expansion confronts the forces of inertia in your career, or in society. You get to appreciate the power the establishment has over your life at this time. You are challenged to examine how you limit yourself and your future through restrictive systems or a lack of vision and faith in your abilities. If you can find the balance between learning from past experience yet allowing a future vision to inspire you, you may expect solid and steady growth at this time. It is important to expand within a certain framework and to accept the limitations imposed by professional authorities. If you do this you will be an important cog in the development of your company, or culturally in society.

PERSONAL - SELF-RELIANCE: Expanding the framework

At this time of your life you have the opportunity to loosen some of the bonds that restrict you, and lighten the load which weighs you down. This is the time that you have to adjust the awareness of what is necessary by becoming

aware of the art of the possible. Restricting life patterns can be replaced or adjusted by exploring new avenues for the future. Inasmuch as you are hampered by a sense of insufficiency or inferiority as regards your abilities, you can gain renewed confidence and faith in yourself now by defining future goals and working hard to achieve them. You can build a lasting niche for yourself in society at this time by laying new foundations for the future.

Originality

Uranus In Leo

Uranus In 1st House

PROFESSIONAL - ORIGINALITY: Be unique

You have many unusual and original character traits, and you take pride the elements of your life which are unique. You have a provocative style and a desire to bring renewal in your personal environment. Professionally you are not suited to a job which cramps your style, and you may prefer to strike out on your own. You have inventive talents, global interests and a need for unpredictability in you day-to-day life. There may be talent for untraditional or futuristic interests. There may be technical talents or be interest in New Age matters - but whatever you do you need to feel that you have a special role, perhaps a little bit on the periphery of society. Sudden and radical changes in your professional direction are to be expected. The lure of exotic climes may bring travel.

PERSONAL - ORIGINALITY: Be unique

You were probably born under unusual circumstances which in some way created an outsider mentality in you. You have not taken kindly to parental influence, preferring to make your own rules as you go along. You tend to prove your point by doing the opposite of what is expected of you. You have a slightly disturbing influence on others, as you like to provoke changes in your environment. The more extreme your life-style and opinions, however, the more you are likely to feel alienated. You walk the delicate tightrope between creating much-needed renewal or just upsetting others. Nevertheless you can be well-liked, and probably enjoy a wide spectrum of friends. As you do not believe in favouritism in any shape or form, you can attract very unusual people into your sphere of influence. In partnership matters you insist on personal freedom.

Jupiter transiting Square Uranus

01-01-2018 -> 11-09-2018

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - ORIGINALITY: The future now

This is a time when insight and awareness of the future should be a force of inspiration and renewal in your professional life. Expect a dramatic increase in your horizons - either through long-distant travel and contact with exotic lands or peoples, or through mind-expanding activities connected with consciousness growth. Progress in your career depends on your ability to think in completely new channels and harness modern methods - both as far as technology is concerned, but also concerning revolutionary methods. This is a time of exciting possibilities and great inventiveness. The urge to be free and uncommitted may well have to be given priority over personal ambitions now.

PERSONAL - ORIGINALITY: The future now

During this period of excitement and unpredictability, you have a strong desire to expand the boundaries of your consciousness. Contact with foreign lands and cultures can blow your mind, and experiences on untraditional training courses or with experimental groups can give you a new sense of destiny or insight into transcendent aspects of your life. This is a good time for astrology and New Age interests, and to meet people who share special interests. So experiment, take a few risks and loosen your bonds - you need to allow the unknown and unexpected to happen.

Transcendence

Neptune In Scorpio

Neptune In 4th House

PROFESSIONAL - TRANSCENDENCE: Environmental sensitivity

Professional developments are influenced by fluid conditions in your home environment. You appreciate flexibility in a career, and you do not mind if your job takes you away from the family. You may have a problem with long-term professional commitments, unless your work is in accordance with high ideals. There is a certain attraction to the sea, and a concern for nature and environmental issues. You would be suited for employment in which care for others and emotional sensitivity are important.

PERSONAL - TRANSCENDENCE: Environmental sensitivity

The atmosphere around you as a child was tinged with

sorrow, for one reason or another. This may have something to do with a parent who suffered through illness, or who felt deserted and lonely, or who was unhappy for other reasons. There may have been sickness, or medical or alcohol abuse in the family. As a consequence of this, it may be difficult for you to shake off an indefinable sense of dissatisfaction or unhappiness. Perhaps it helps to know that this feeling only comes from your early conditioning. On a positive note, your sensitivity to the moods of others makes you concerned for the needs of your partner and children. You may however have to accept some element of sacrifice in connection with your own family later. It is important for you to accept that certain things are beyond your control. You achieve domestic happiness when you choose not to let your own mood dampen the atmosphere like a wet blanket. You may wish to live near water. Your house can be affected by problems with damp.

Neptune Sextile Pluto

This aspect is extremely powerful in your horoscope; it will dominate many areas of your life. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - TRANSCENDENCE: Mass vision

These aspects are very rare and last a very long time. Indeed, as Pluto moves within the orbit of Neptune in the closing years of the 20th century, the present sextile aspect between the two planets lasts from 1940 to 2040 - one hundred years - so almost everyone has it! If you are able to manifest this influence on a personal and professional level (through powerful contacts in your own horoscope), it may be connected with a deep spirituality and creativity. There can be talent for dealing with the media and wide-ranging themes connected with the masses. Material issues will be less important for you than the realisation of a collective dream. There can be clairvoyant powers, and abilities connected with dreams, symbols and visualising. In industry there can be a talent for dealing with oil, the film industry or the transforming power of collective visions.

PERSONAL - TRANSCENDENCE: Mass vision

If you have this influence powerfully evoked by other factors in your horoscope, you will be deeply affected by spiritual issues, and constantly seeking to refine your consciousness. At these times you are likely to experience great personal disorientation and confusion, as old dreams and visions are replaced by new, deep psychological insights. Inner growth will have major priority in intimate

relationships. During periods of your life you will undergo deep transformations in which your fantasy and imagination will play a powerful role. It is essential to learn to use your imagination in a positive way by learning about the power of the unconscious.

Uranus transiting Opposition Neptune

07-06-2018 -> 12-02-2021

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - TRANSCENDENCE: Inner dimensions

This influence is rather subtle in its effect, although it can be felt strongly by those with a strong Pisces nature. It is very transcendental in nature encouraging you to get in touch with subliminal forces in society and harness them in your professional life. This influence is good for mass marketing techniques, working with the media and advertising, and international contacts. It is especially good for New Age interests, awakening latent talents for clairvoyance, astrology and the like. Unrealistic dreams and expectations can take flight now, so try to be as realistic as possible.

PERSONAL - TRANSCENDENCE: Inner dimensions

This rather subtle influence will affect those people who are sensitive to inner realms of consciousness and the imagination. It is a great time for fantasy and spiritual creativity although care has to be taken not to lose all contact with reality. Many deep emotions are stirred now, giving rise to new consciousness states and a transcendental awareness. If you can channel these rarefied energies through meditation or group work, you can expect considerable spiritual growth now. This is the time to see auras, enter dream states and develop intuitive and clairvoyant powers.

Transformation

Pluto In Virgo

Pluto In 2nd House

PROFESSIONAL - TRANSFORMATION: Cut obsessive attachments

You have an extremely intense desire to build up and maintain personal security. You will often find yourself starting from rock-bottom, and you have the capacity to turn developments around overnight by dint of unrelenting effort. You may achieve material success working transforming

things in one way or another - for example extracting materials of value from waste products. At some stage in your life, considerable sums of money will pass through your hands, at another stage you lose everything. You are extremely sensitive to the wealth and status of people around you and are unconsciously driven to emulate the supposed material success of others. Experience will teach you that your values lie on a deeper level than the economic.

PERSONAL - TRANSFORMATION: Cut obsessive attachments

Your values can be transformed from extreme materialism to total asceticism from one moment to the next - especially in your late thirties. This transformation comes when you realise how empty material success is as a yardstick for self-worth. You tend to be attracted to gross status symbols, which suck all your resources until you cast them into the abyss. Inheritance or events connected with death can radically change your financial situation. In personal relationships you will often find yourself irrationally attached to things which have long since lost their meaning for you, and you allow yourself to get drawn into power battles over ownership. This can be compared to trying to swim ashore from a sinking ship clutching a bag of gold. Let go. Your greatest resource is your capacity to see behind the fears of others and offer them support.

Jupiter transiting Square Pluto

12-11-2018 -> 08-12-2018

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - TRANSFORMATION: Power play

During this period you will be initiated into the use of power and secrecy in the professional sphere. This may be because you discover hidden factors, corruption or power misuse behind some professional facade, or it may be because you learn to harness your own personal power or psychological insight in your career. Whatever the circumstances you may feel a certain anxiety because of circumstances seemingly beyond your control. Make sure you are on good terms with legal and financial authorities, or at least cover your tracks if you aren't!. Big money can be involved during this period, involving large gains or losses, so make sure you have the best financial advice.

PERSONAL - TRANSFORMATION: Power play

There is a leap in your awareness of the power of the

unconscious to shape your life at this time. You may choose to develop your emotional insights by learning more about psychology in one way or another. If you have any hidden anxieties or phobias you can expect them to be more acute or to come to the surface now. Even though this may be disturbing, there is a unique opportunity to understand the secret mechanisms of your mind and to eliminate the negative effect of repressions. You can become the intrepid explorer of some very dark territory indeed.

Destiny

N.Node In Libra, S.Node In Aries

PROFESSIONAL - DESTINY: Two to tango

The early part of your professional life is characterised by a strong need to excel and make some impact in a unique way. There is an emphasis on your personal independence, and you have the tendency to go it alone in your career. There is a desire to be number one in what you do, and in the early stage of your career you make dynamic efforts to achieve a special individual status. However, you are likely to discover that career satisfaction eludes you, when you attain personal success, and that success itself is difficult to attain alone. It is your destiny to subordinate your ego needs to a growing awareness of the importance of professional relationships. Personal advancement alone cannot satisfy you in the long run. You achieve far greater satisfaction when you involve yourself in co-operative ventures and share successes with other people who are on your wavelength.

PERSONAL - DESTINY: Two to tango

A major dilemma in your life is in finding a balance between listening to and acting upon your own personal needs as opposed to taking into consideration and compromising with the needs of others. You are inclined when young to exclusively follow your own inner voice, reasoning that you must take care of yourself first. You insist on your independence, and see compromise as weakness. However this independence can bring loneliness or emptiness, and a deep longing arises to share your life's experiences. A transition comes in which the emphasis shifts towards awareness of the needs of others, and in partnership matters you will desire to make a stronger commitment. By embracing the challenge represented by dealing with another on an intimate level, and by exchanging hollow independence for an enriching partnership, you attain a new harmony in your life.

N.Node In 4th House, S.Node In 10th House

PROFESSIONAL - DESTINY: Broadening the emotional base

Early in life much of your energy will be focused on professional ambitions. There is no doubt that you have great natural talents in this area, and you will probably experience a degree of success early in life. Actually you have a great hunger for recognition and respect which in the long run cannot be satisfied. When you do achieve success there still remains a sense of being unfulfilled. Whilst you have an exaggerated sense of professional duty, you have a tendency to neglect family responsibilities, and these in turn begin to undermine your professional success. You cannot achieve success without first building a solid emotional base. It is essential for you to find a balance between these two areas of your life, and this will probably happen in your mid-thirties. You can find greater satisfaction in a career based more on environmental concerns than personal desire for fame.

PERSONAL - DESTINY: Broadening the emotional base

You are profoundly influenced by parental expectations, but major development comes in your life when you assert your own true ambitions. As your life develops you discover that true satisfaction is connected with enriching your emotional life through creating a family of your own. Though torn between professional ambitions and early desires for recognition and respect, you learn the value of deep family bonds and rewarding emotional commitments. It is important to see the demands of family not as a hindrance to your personal progress, but rather as an opportunity for personal growth and happiness. Your home can become a haven for you - a solid base for going out into the world.

Jupiter transiting Square N.Node

28-02-2020 -> 25-11-2020

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - DESTINY: Understanding karma

You can expect an expanded circle of contacts at this time, with a special emphasis on people who are seeking influence on a large scale in society. Opinion-makers, advisers and foreigners can bring a new perspective in connection with future planning. You may feel that your destiny is interwoven with some larger plan. Greater awareness of the direction you wish your life to take can mean making a few adjustments. Do not let inflated ideas

about your destiny or personal importance lead you astray.

PERSONAL - DESTINY: Understanding karma

This is a time when meetings have particular significance in terms of karma and your growth as an individual soul. You may have a powerful experience connected with some group activity now and gain greater insight into your soul and your fate as a human being. There is also a strong tendency to be drawn into a web of spiritual illusions - though you will surely also have rewarding experiences. You are drawn to partners who have a deep significance for you now, for good or ill.

Saturn transiting Square N.Node

20-03-2019 -> 01-02-2020

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - DESTINY: Group responsibilities

This period is characterised by a professional commitment with a group and the responsibilities that this commitment involves. The interests of the collective may turn out to be more relevant for your career development than your own ambitions or desire for status. Older people in authority may impose limitations on your development, and you can experience a compelling need for greater self-discipline to deal with the demands made on you. The decisions made now can have an important formative effect on your destiny. Benefit comes through subordinating ego needs for the good of others, and accepting the hand of fate, as it moves in your career.

PERSONAL - DESTINY: Group responsibilities

This is a time when time will stand still for a while, so that you can take stock of your ambitions and goals in life and see where they have led you. It is a fateful period in which your responsibilities to others and your role in society can become very important. Some people feel that their life direction leads to a blind alley in these months, or that plans for the future are futile and empty. There is benefit to be attained through inner spiritual discipline, as the hunger felt at this time can not be satiated by outer success.

Pluto transiting Square N.Node

12-01-2018 -> 04-12-2021

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - DESTINY: Change of direction

There can be quite a strong reorientation of the life mission at this time - a sense that destiny steps into your path and guides you in a new direction. This will often mean that you will get involved with - or cross paths with - a very powerful group with a strong ideological orientation. You may be required to take a position as regards the use and misuse of power on a collective level. You can expect to be challenged in a mysterious and fateful way now, and your personal integrity will be put to the test.

PERSONAL - DESTINY: Change of direction

At this time you will be confronted with the negative effects of some dominating personal habits. There is an irresistible pressure to reform certain aspects of your life, and to clear the path for future progress. You will be forced to consider your personal values and ethical position, and it is at this time that the battle between the strong and weak sides of your personal nature is at its highest. When this process is over you may feel that the pages of history have been turned, and that you have rooted out a lot of negativity from your life. Strange and fated meetings with a powerful connection to the past can completely dominate your life for a period - some things will be put behind you for ever.
