**Dear Maria,**

Thank you for ordering your Year Ahead report, which I hope will help you to understand the harmony between yourself and the universe and enable you to initiate the changes you want in life.

Our lives are formed from the decisions we make. Knowing when to accept an invitation, or call someone you are attracted to, or accept that new career opportunity that has come your way, can mean the difference between extraordinary success and failure. Read on and prepare yourself for a great journey...

### **The Significance of your Age**

Your 44th year is characterized by a strong awareness of the limitations imposed by both your personal and professional relationships. You meet resistance to your plans, and this leads you to consider making structural adjustments in your goals. There can be changes in your career, and serious re-evaluations of your emotional commitments. Setbacks are liable to occur, and a patient attitude is essential to overcome the challenges that arise. Challenges now have a lot to do with special difficulties encountered early in your life, which have made you overcautious or insecure in communication. Relations with brothers or sisters, or difficulties at school have evoked a certain reticence in expressing your ideas. You learn to proceed at a slow and steady pace, however, and the work you do, you do thoroughly. These challenges have a lot to do with a latent insecurity which you have felt since childhood, which has made you shy and reticent about your ability to make a favorable impression. Time is a great healer, and the older you get, the more confident you become. You meet the challenges of life head on, and this ultimately brings success. This is a year when you gain considerable insight, but can make hasty judgments.

### **The Challenges Ahead**

The process of attaining success during the current year depends on the one hand on how well you build upon early experience and on the other on formulating your vision for the future. Once you have a vision, you can plan how to achieve it step by step. An optimistic attitude and belief in yourself will help you to overcome the

challenges that naturally arise during the course of the year.

In this period of your life the major challenges lie in relationships. Living with or relating to another individual and seeing your strength and flaws reflected by this person is a major learning experience. Any weaknesses in the way you have historically related to other people are exposed now, and your future success depends on you resolving them. This influence started growing around January - 2015 and will ebb out around December - 2017. You encounter tough people who try to impose their authority on you, and you will have to judge how much you are prepared to commit to long-term relationships, and where to set limits. Learning to share your time with another person is part of a maturing process for you now, and the more effort you put in to it, the better the results.

In this period of your life there is a transition in the way you relate to partners and the world. Over the last few years you have made a lot of effort to create harmonious and rewarding relationships, and to a large degree lived up to your responsibility to others, helping those you love if they have been in difficulty. A new period is dawning that challenges you to break down the barriers that prevent true intimacy on an emotional and sexual level. This new influence starts growing around December - 2017 and will ebb out around March - 2020. It is not so much what you do or what you say that counts now, but how well you open up emotionally, how vulnerable you dare to be, and how brave you are in confronting your inner demons.

### **Opportunities for Success**

After having built up comfortable circumstances in your domestic life, what is important for you between September - 2016 and October - 2017 is to appreciate the fruits of having a satisfying base, so that you can express yourself through creative activity and enjoy the art of living. Expansion and satisfaction come from living life to the full - through sport, festivity, love, children and romance. This is the time to fully be yourself without reservations or doubt. Larger than life characters will show you how through encouraging you to celebrate existence.

After a period of living life to the full through creative projects, children and festivities, new possibilities arise in your working environment from October - 2017 to November - 2018 because of opportunities abroad, or through an expansion of your area of expertise and encounters with intellectually inspiring colleagues. This is a time to expand the influence of your ideas and disseminate information that you really believe in. It is possible that there is more work to do, but it is more

interesting work and it brings personal development for you.

### **Crucial Issues This Year**

As you mature, acquire new resources and meet and overcome the challenges that present themselves, the stage is set for a series of developments and opportunities during the age of 44. Three very important issues that make this year special are:

- A time that awakens a longing in your heart for a deeper experience of love. No one person can live up to these expectations, but a developing interest in the arts or in spiritual values can awaken a new, deeper and more compassionate approach. Love may require some sacrifice.
- A period that brings encounters with extremism in a variety of forms, either through an experience of people or groups with fanatical beliefs or through witnessing outrageous events. You gain an appreciation of just how destructive the cosmos can be, and how frail human fate is.
- You are infused with energy and confidence, and have the courage to embark on an expansion of your intellectual or travel horizons. You are in a winning mood, and a positive attitude ensures that you sweep away any opposition and reach the finishing post first.
