Birth Report

Dear Niels Andersen,

Thank you for ordering your Birth Horoscope MiniReport, which is sure to help you to understand the harmony between yourself and the universe and enable you to initiate the changes you want in life.

In designing this short reading, I have focused on what is especially unique to you. But - even more important - I have identified the most crucial influence on your immediate future and this will enable you to optimize good fortune in your life. Read on and prepare yourself for a great journey...

The strongest influence in your birth horoscope is "Sun Square Pluto". This is both a great talent and a great challenge. Know yourself, and you will be able to optimize the talent and overcome the challenges.

How this influence affects your personal life:

Early personal experiences have made you sensitive about your identity, and anxious about self-esteem. However this means, paradoxically, that you often overwhelm others with your presence. Thus you tend to be a dominating figure in intimate relationships. You need a partner who is not superficial and who shares your intense approach to life. To achieve harmony here you should relax instead of asserting yourself, otherwise relationships will become very exhausting. It is important to realise that power battles are related to inner fears about your identity. Women with this influence will often be attracted to a dominating man, only to find that he does not match her own strength which was acquiring through trying times in childhood. More intimacy can be achieved by daring to show vulnerability.

How this influence affects your professional life:

It is important for you to make a strong impression on people, and you invest a lot of energy in this - more than you are aware of. Much can be gained by toning down your personal energy. You are suited to positions requiring the use of power and psychological insight. Whatever you do, you like to be deeply - sometimes fanatically -

involved. This may often lead to battles of will, and you tend to win, basically because you cannot contemplate personal defeat. More flexibility would actually benefit you and help you avoid tiring power games. Personal power is a natural asset - as you will discover after a number of significant personal crises which lead to a revaluation of your role. These crises are centred around achievement at all costs, or fanatical attachment to a particular role which outlives its meaning for you. When you learn to tone down your sensitivity about self-esteem, and invest your considerable willpower into projects which really mean something to you, and to others, you can achieve success. You may have a talent for psychology or dealing with the powers of the unconscious.

As you mature, you will get better and better at making the most of your talents and changing unwanted behaviour. Opportunities arise because the universe does not stand still. In astrology current trends in your life are identified by following the movement of the planets and how they relate to your birth horoscope - called planetary transits. Below I have identified the single most powerful influence in your life right now. When you understand this influence, you'll know exactly how to make the most of the opportunities presented to you.

The most powerful influence in your life right now is "Pluto Square Jupiter". Transits tend to last for about a year, and there are three intense peaks of power during that period. If you don't get it right first time, understanding the following trend will certainly help you get it right the last time!

How this influence affects your personal life:

During this period you will eliminate old convictions and replace them with new. This can lead to a transformation as regards your political, intellectual or religious convictions and a far greater insight into the nature and meaning of your life. It is quite likely that you will encounter groups who have a special set of beliefs at this time. There will however be a tinge of fanaticism, so you may also choose to liberate yourself from those who tyrannically try to impose their convictions on you. You are made aware of your own tendency to be intellectually or morally dominating now. Bear in mind that beliefs do not necessarily last

forever. They have to be discarded from time to time as your spiritual development proceeds.

How this influence affects your professional life:

Big things can happen at this time, but there are great dangers. Over-expansion or overconfidence can be punished severely. If you are building your hopes on a bubble it will burst, and the results can be expensive. Unrealistic promises may be made, but not kept. There can be confrontation with the law or finance authorities at this time, and you will have to reach an accommodation with their demands. If there has been any cheating, laxity or corruption, this is the time bills are paid - especially as far as the tax authorities are concerned. If your plans are well-laid, success - even great success - is possible. Eliminate over-reliance on outdated advice and advisors, and search for your wisdom within. There is considerable risk of ideological confrontation. Old concepts should be eliminated in favour of new. This is an excellent time to learn and use positive thinking.

Now you know something about what makes you special, and something about what makes this period of your life special. However, this MiniReport has not taken into account two very important factors, which make a chart reading even more accurate. When you also supply your birth time and birthplace, the planets can be placed in context in your horoscope using the 12 houses. With this information you can obtain a really accurate description of your challenges and potentials regarding work, love, sexuality, attachment and a lot more. I'd love you to take advantage of this opportunity to get a full horoscope report of about 20+ pages delivered to your email.
