## HOW TO READ YOUR PERSONAL HOROSCOPE REPORT

This horoscope is your personal cosmic fingerprint. No other person will have exactly the same combination of influences, unless they were born in the same second and exactly the same place as you were. With 10 planets, 12 signs of the zodiac and 12 houses there are approximately 1500 simple combinations in the horoscope, and when you add to that the different degrees and combinations between planets there are tens of thousands of influences which have to be weighed and juggled in any astrological interpretation. No computer programme can do this satisfactorily, but we do our best.

## THE DIFFERENT SECTIONS

Reports from World of Wisdom are designed to simplify the interpretation process for you. It indicates for example the relative strengths of different planetary influences so you can see what is most important. Furthermore this written report is divided up into sections on Identity, Emotions, Mentality, Love and Sexuality to eliminate apparent contradictions which arise in the character description. But the reader must bear in mind that contradictions will arise. People are complex and contain many contradictory traits. Diametrically opposed character descriptions will either reflect inner dilemmas or outer conflicts reflected in the behaviour of others.

## PROFESSIONAL and PERSONAL PROFILE

The World of Wisdom birth report can cover your personal character, your professional life or a combination of both, depending on your choice of report. The professional section addresses the questions: "What talents do I have?" and "How can I use this ability?" The personal section is concerned with relationships and hidden psychological causes, and addresses the question: "How can I improve myself in this area?"

## PAST, PRESENT & FUTURE

Our reports can also integrate trends of the next year or two into the birth analysis, going beyond a static description of personal character and introducing a dynamic sense of what is happening for you here and now. The dynamic trends show the unfoldment of the horoscope through time. By analysing the current trends, it is therefore possible for you to gain insight into events just past, events happening at the present moment and trends into the future.

## THE AUTHOR

This report is designed and written by Adrian Ross Duncan, former editor of the Astrological Association Journal, who has worked as a full time astrologer since 1985. Adrian is author of "Doing Time on Planet Earth" (Element Books 1990) and "Astrology: Transformation and Empowerment" (Red Wheel/Weiser 2002). His astrology software Horoscope Interpreter, Astrology for Lovers, and The Astrological Calendar are available from [www.worldofwisdom.co.uk](http://www.worldofwisdom.co.uk)

It is our hope that the written report will give those who do not have the time to bury themselves in the study of astrology the opportunity of gaining insight into both their professional and personal life. If you wish to learn a little more about this report, you are encouraged to read the Introduction to Astrology at the end of the report, which describes the general influence of the 12 signs, the planets and the 12 houses

## Life Path

### Ascendant In Sagittarius

**PROFESSIONAL - LIFE-PATH:** Influence & understanding  
You are philosophical, love freedom and open horizons, and these needs will be reflected in your choice of job. You would be happiest in an employment which offers dynamic possibilities, constant change and future promise. You would work well in pioneering ventures, especially if they offered connections abroad, or the opportunity to expand your inner or outer horizons. You are a person of extremely strong convictions and you are a passionate believer in justice. As your ideals are all-important, you have a need to see your work having an effect on society in some way. It is also essential for you to feel that what you do has meaning on a larger scale. Winning the hearts and minds of other people is important, so you may involve yourself in further education projects, consultancy, publishing and the media, or shaping public opinion in some way.

**PERSONAL - LIFE-PATH:** Influence & understanding  
You are powerfully motivated to understand your place in the world and the meaning of your existence. Your curiosity and need to explore your boundaries will lead you to travel considerably during the course of your life. If or when you prefer the settled life, then you will read, study and discuss to gain further insight into the world. You are philosophically orientated, seeking depth and answers. In partnership matters you may often feel that your opinions are trivialised; conversely other people feel you take yourself too seriously. When you are bombastic and opinionated, other people compensate by being flippant or, in your eyes, superficial. An acceptance of the relativity and diversity of truth, and a certain self-deprecating humour, can make you easier to get on with.

### Ascendant Sextile Sun

You will often feel the influence of this aspect, though stronger influences may predominate in other areas of your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

**PROFESSIONAL - LIFE PATH:** I, myself, me  
Whether you would prefer to have a low profile or not, you will often dominate your surroundings through the force of your personality. Professionally you strive to do your very best - for success is a matter of honour for you. You have a

magnanimous disposition, and are generous in your dealings with others. Creative work and self-expression must be an important element in your professional life. You stand on your pride too much.

**PERSONAL - LIFE PATH:** I, myself, me  
You have a radiant personality, with a touch of self-importance. You take yourself - and the impression you make on others - very seriously indeed. Some people may consider you self-centred. You tend at least to be the centre of attention, and although you invest all of yourself when you relate to others, you give your own personal development needs priority. You have plenty of surplus energy, and your playful nature can make you a figurehead for young people.

### Ascendant Sextile Mercury

Though not especially strong, you will be able to feel the influence of this aspect under many circumstances. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

**PROFESSIONAL - LIFE PATH:** The messenger  
You are a person of many talents, chiefly in the field of information and communication. Meeting people and creating contacts are a part of your professional life-style - you have a message to deliver, and you do so in a flurry of activity. Intelligent and informed, you keep yourself up-to-date on all the latest developments.

**PERSONAL - LIFE PATH:** The messenger  
You are easy to make contact with, and always willing to exchange the time of day with anyone you meet. Easily distracted, you can find yourself getting involved in many things at the same time - but then you hate to be bored. You give the impression of being a person on the move. Being gregarious and talkative, you are an excellent catalyst for getting people together. You fascinate people with your ideas.

### Ascendant Square Jupiter

This aspect is extremely powerful in your horoscope, and will be a major feature of your character. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

**PROFESSIONAL - LIFE PATH:** The counsellor  
You are not interested in trivia, and therefore seek a profession which gives some kind of overall meaning. You

are probably destined for success, and can exert considerable influence through the power of your opinions or good judgement. You have a tendency to overestimate the importance of your ideas, and may be unreceptive to the views of others. Generally, however, you maintain a fine perspective on the important issues. You are an excellent adviser.

#### PERSONAL - LIFE PATH: The counsellor

You are a larger than life character with strong views on most issues, and a deep interest in spiritual issues. You are open and willing to expand your philosophical horizons. Generally blessed with good fortune and an optimistic frame of mind, you have the ability to expect the best of the future. There may be a tendency to overindulge or be too extravagant. People value your ability to understand in depth the things that move them.

### Ascendant Sextile Saturn

You will often feel the influence of this aspect, though stronger influences may predominate in other areas of your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

#### PROFESSIONAL - LIFE PATH: The hard school

You take your professional life very seriously, rising to the many challenges that arise during the course of your career. As you convey an air of efficiency and self-discipline, you will gravitate towards positions of authority. Lack of self-confidence, and a certain shyness in relation to others can hinder your progress, but the older you get the better you are able to overcome your fears.

#### PERSONAL - LIFE PATH: The hard school

You can be rather an inhibited person - at least in the early stages of your life. Experience has made you wary in your dealings with others, and rather taciturn in style. You may feel uncomfortable about your personal appearance, and you have low expectations as regards your potential in life. Nevertheless you can inspire trust in others because of your considered, serious nature. The older you get, the more you lighten up.

### Jupiter In Virgo Retrograde

Because this planet was retrograde at your birth, you will have an instinctive knowledge of, and attraction to, the following traits and activities. You will tend to be introvert in these matters, and pursue your own individual path in strong

contrast to the path chosen by others.

#### PROFESSIONAL - WISDOM: Master the details

The concept of service may be an important principle for you, and you are motivated to work hard and very conscientiously, without insisting on personal recognition. Professionally you have administrative talents, and a capacity for grasping a vast amount of detail, whilst still seeing the major issues. To achieve success you need to be specific about the details in your life, without losing the overall view of where you are going. By writing your goals down, specifying precisely what you want, and by replacing a tendency to worry with a policy of only cultivating positive thoughts, you can create fertile conditions for prosperity. A major talent is your ability to delegate and get working relationships to function smoothly, without demanding personal glory. To derive the optimum from your working life it is important to avoid being bureaucratic.

#### PERSONAL - WISDOM: Master the details

At the time of your birth there was a collective theme concerning national health issues, international rescue and aid actions, refugees, and employment conditions. You too will be motivated by the desire and ability to be of help to other people, so in personal relationships you are often on hand to share the burden. You may be overhelpful however, and this can mean you simply get submerged in duties. There is also a strong perfectionism, which can mean that you get bogged down in specific tasks. You may have a particularly gifted insight into matters of health and healing, perhaps because of your own sensitivity in this area. Awareness and understanding of environmental influences on health and well-being will contribute to this insight, and you may have strong opinions about how to rectify faults in these areas.

### Jupiter In 9th House

#### PROFESSIONAL - WISDOM: Expansion of understanding

As you have considerable intellectual depth and a fine overall perspective you are suited to a profession in which your powers of judgement and capacity to exert influence play an important role. Matters concerning the law, or the broadcasting of cultural values, or any situation in which you can get convictions across to the general public are all areas of employment in which you can thrive. Higher education can be important for you, and in your professional life you would appreciate the chance to constantly enhance your abilities through further training. You tend to be tolerant and cosmopolitan so you will demand a job which gives you wide intellectual and cultural horizons - even the opportunity

to travel long distances abroad.

**PERSONAL - WISDOM:** Expansion of understanding

You have been endowed with considerable natural wisdom and the capacity to understand the significance of your life. Your upbringing will have been influenced by strong parental convictions, and this has stimulated you to work things out for yourself and develop your own understanding of the world. Powerful religious, political or philosophical beliefs shape your life. You are extremely persuasive in your beliefs, but you should bear in mind that other people may find you rather dominating. It is important for you to listen to the world view of other people if you want to avoid becoming bigoted. You may be profoundly influenced by a mentor or guru-figure from a foreign land.

## Identity

### Sun In Aquarius

**PROFESSIONAL - IDENTITY:** Energise your social environment

Many people will find you an inspiring person to be with, and indeed you are strongly motivated to maintain friendly relationships with people. You may feel inspired by a sense of social equality, and your dealings with others will be infused by your natural sense of humanity and fairness. You are well suited to dealing with groups professionally, and you have a talent for treating people as equals. Paradoxically it can be difficult for you to feel truly a part of the groups you do so much to establish - in some ways you are a visionary and people instinctively sense that this makes demands on them to change. You may not be so willing to change yourself, however, and you can have rather fixed opinions. Basically, though, you are reliable and friendly, and will be a valued colleague. Your own ambitions are not particularly pronounced, and people rarely feel threatened by you.

**PERSONAL - IDENTITY:** Energise your social environment

The great turning points in your life happen in connection with upheavals in social relationships. As your opinions and beliefs change you will find yourself redefining who you want to be together with. The loss of good friends for one reason or another can thus lead to a strong sense of isolation whilst you re-evaluate your visions. Your greatest talent is the unconscious ability to create an almost magic atmosphere when you are together with people. Although you are warm and friendly, in intimate relationships you can be rather uncomfortable about showing your emotions. When under

emotional pressure, you tend to freeze up and establish a distance, and this can be rather disturbing for your partner. A wise partner will never stand in the way of you and your friends.

### Sun In 2nd House

**PROFESSIONAL - IDENTITY:** Creating personal values

Much of your energy and attention is focused on building up a solid sense of self-esteem. Inasmuch as you interpret your experiences as reflecting your personal esteem, you will strive hard to build a solid economic framework for your life. Other things being equal, security will be very important to you - both as far as your finances and your family life is concerned. You tend to gravitate towards, and stick to, a stable job, in which your expertise and personal character are your greatest assets. You have a talent for dealing with finances and quality items. In business matters you are a person of honour, and you are willing to put your reputation at stake for the sake of those for whom you work.

**PERSONAL - IDENTITY:** Creating personal values

Material values and status are seen by you as a testimonial to your self-worth. Therefore you build up strong attachments to things and have a keen sense of values. Some people may see you as materialistic, but for you material acquisitions can be a strong foundation for continued growth, and success in this area means you are often in a position to be quite generous. You need to feel that you are respected in all areas of your life; therefore you embrace conventional values and stick to them. It takes a lot to get you to shift your view or perspective. However periods which bring economic changes can lead to a profound revaluation of your values.

### Sun Conjunction Mercury

It may be difficult for you to discern the influence of this combination of planetary energies as it is not a strong configuration in your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

**PROFESSIONAL - IDENTITY:** Subjectivity

As Mercury is never more than 28 degrees from the Sun, the only aspect possible between them is the conjunction - the closer they are together, the stronger this aspect will be. There is a great mental talent and a restless desire to learn more and gain experience. You would thrive in a job which gave you the opportunity to be on the move and meet people, as communication is definitely one of your strong points. You hate to be stuck in any job, and you need

constant mental stimulation. This can of course lead to a number of radical job changes. Alternatively you can satisfy your need for stimulation by going on courses or undertaking study projects. You have good teaching abilities and would prosper in any position in which you had to get a message across. Your strong points are your versatility, curiosity and a youthful enthusiasm. Your weaknesses are connected with restlessness and lack of concentration - and a tendency to be very subjective in your evaluations. You are overconcerned with making an impression and like to have the last word. You hate being wrong, and have difficulty admitting it when you are.

#### PERSONAL - IDENTITY: Subjectivity

Intelligence and communication are important issues for you in your personal relationships. You identify strongly with what you say, and it can be a blow to your personal pride if you are ignored or misunderstood. As a result you tend to be forceful in your opinions and at times unreceptive to what other people say and think. You are overly subjective, and you can spend a great deal of time running an inner dialogue in which you talk to yourself. By nature you exude a youthful spirit and a certain naiveté.

### Sun Conjunction Saturn

It may be difficult for you to discern the influence of this combination of planetary energies, as it has only a mild effect in your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

#### PROFESSIONAL - IDENTITY: Winning self-esteem

You are a hard-working and ambitious person with a strong drive to prove yourself in society. There may however be difficulties with authorities, despite your desire to live up to the expectations of society. The first 30 years of your life will bring a great deal of obstacles to success, but you will learn important lessons and ultimately develop a self-sufficiency and discipline which lays the foundation for success later in life. It is important for you to overcome negativity or pessimism concerning the future. Not all success is won by hard work alone. You are often more motivated by the fear of failure than the promise of reward, and this can hold you back from realising your full potential. If all goes well you will acquire more and more responsibility during the course of your life - and you deserve it. You are conscientious and take your responsibilities seriously. You are the kind of person other people can rely on. You would rather be the power behind the throne, than have a high profile yourself. Remember to take time to enjoy the fruits of your efforts,

instead of continuously driving yourself onwards.

#### PERSONAL - IDENTITY: Winning self-esteem

You are a rather formal person who takes life seriously. Childhood experiences - especially the relationship with your father - has undermined your self-confidence and made you reluctant to stick your neck out. You are more likely to bury your "talent" than gamble with it. You have a strong need for approval, but as a child love and approval was always conditional on your performance. You have been more appreciated for what you did, than for who you are. Later in life you tend to judge yourself harshly, and you have a bad conscience about enjoying life and relaxing. You tend to be too dismissive when offered love and affection, and rather severe when giving it. There may be authoritarian tendencies and a lack of flexibility as regards rules. Nevertheless, you are a person who can be trusted. You have high principles, and as you do not indulge expectations of the easy life, you work hard to build up a secure structure in life for those you hold dear.

### Jupiter transiting Square Sun

08-12-2017 -> 09-09-2018

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

#### PROFESSIONAL - IDENTITY: Creating your future

During this phase of rising self-confidence you can expect your plans for expansion to take off. You should be thinking positively about the future now, visualising how you would like things to be as vividly as possible. Your power to get what you want is at its highest, so start expounding your visions of a bright future. Remember: you get what you focus on, so focus on what you want.

It is favourable to expand into foreign countries; higher education, public relations and insight-enhancing projects will also bring success. Whatever you do, it is essential that it has depth and meaning for you. Don't waste important time on trivial matters - success is about the quality of life and making an impact with the essence of your own identity. If necessary take time off from work to build up a new vision for your future. If you have any legal problems, you will be confronted with them now so ensure that you are morally unassailable. And don't over-estimate yourself and your capacities. Make sure your plans are within the boundaries of reality.

#### PERSONAL - IDENTITY: Creating your future

During this phase of your life you will be given the

opportunity to find a new sense of meaning in your existence. Bubbling up from within, you have the chance to release a new energy and enthusiasm based on a sense of your personal relevance to this planet. Travel abroad and contact with people you respect for their intellectual and spiritual capacities will now expand your world-view. Knowledge and understanding will enable you to build up a broader moral base with greater insight and tolerance.

This is a very favourable time for religious growth if you are so inclined, or philosophical and intellectual insight. In many ways the world opens to you and reveals its gifts and blessings for you to enjoy. Take care as you sample the pleasures of this cornucopia and don't overestimate yourself - personal hubris will be punished and you may find yourself coming down to Earth with a bump.

## Emotions

### Moon In Aquarius

PROFESSIONAL - EMOTIONS: Caring humanity

You are a very socially conscious person, strongly motivated to create cohesion in groups. Paradoxically however, you often feel on the fringe as far as your relationships are concerned. You have a taste for unusual environments and function best when you consciously choose alternative relationships where people's differences are more apparent than their similarities. This gives an attraction to foreign environments or experimental life-styles. With your natural friendliness, deep social commitment and group consciousness you will have a special ability for working with people on the social fringe. You have a striking intuition, and may have talents for an unconventional profession.

PERSONAL - EMOTIONS: Caring humanity

You were brought up in an unusual parental environment characterised by rather special family relationships. You probably learned at an early age that it did not pay to be too dependent, and neither does it suit you, as you prefer friendships based on equality and shared interests. As such it is likely that your family relationships were characterised by intellectual principles of equality or liberation, whilst you may have missed the emotional supportiveness most children take for granted, although you may well have had a very friendly relationship to your mother. As many of the deepest bonds in your life are to true friends or groups, some of your greatest difficulties are experienced when these attachments are broken.

### Moon In 3rd House

PROFESSIONAL - EMOTIONS: Caring communication

Family upbringing will have stimulated considerable interest in the outside world, and this probably means you have travelled a lot and perhaps lived in several different locations. Professionally you can succeed in a job where close professional contacts need to be nurtured. You have a compelling persuasive talent and you would be suited to a profession, where communication was essential. When you communicate, you do so with feeling and conviction. There is also a talent for teaching - especially children - so you may wish to work in the field of education. Travel and new environments would be stimulating job-factors. There may be an interest in, or talent for writing, art, or music.

PERSONAL - EMOTIONS: Caring communication

You have a tendency to cement very powerful emotional bonds to a sibling or sister-figure in your life, or perhaps to a schoolmistress. Your mother, too, will have had a powerful effect on your mental development, and she may well have been strongly involved in your education. Trying emotional experiences in your life result from strong differences of opinion, perhaps in sibling relationships. You have a tendency to attach yourself uncritically to a set of ideas more through loyalty than conviction, and when you argue your case you are easily swayed by irrational arguments and emotions. You are however an extremely communicative person, and enjoy building up a warm network of contacts in your local environment.

### Moon Square Pluto

It may be difficult for you to discern the influence of this combination of planetary energies; it is weak and may be outweighed by stronger influences. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - EMOTIONS: Deep emotional involvement

You are strongly motivated on an unconscious level by a need for security - a need which is very difficult to fulfil. However when you turn outwards and concern yourself with others, you will discover a special talent for helping other people find security. This may manifest as social consciousness. You also have a talent for dealing with people in crisis, possessing an inborn psychological ability to transform how people feel. You are suited to work which requires a deep personal involvement combined with a

certain power and distance. You have the power to investigate deep emotional states in other people, and this can be connected with psychology or the occult.

**PERSONAL - EMOTIONS:** Deep emotional involvement

You are a person who feels everything very deeply, although people who only know you superficially might not be aware of this. Your need to protect yourself emotionally comes from a number of disturbing childhood experiences which mean that you tend to play it cool in times of crisis. Problems arise in intimate relationships because you never let on how you really feel - if you had the courage to show your vulnerability, people would treat you better. You cling to emotional bonds with great intensity, yet in times of crisis you can suddenly amputate your feelings and become ice-cold. It is unwise to deal with crises by giving ultimata. It is essential to overcome these destructive defence mechanisms, if you want to enjoy warm relationships.

## Jupiter transiting Square Moon

13-10-2018 -> 10-11-2018

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

**PROFESSIONAL - EMOTIONS:** Expanding your base

This influence depends very much on how large a role safety and security play in your professional life. If safety is paramount, you will be wanting to expand the foundations of whatever represents security for you now. As this may well be property, you could wish to move into a larger home or business, and indeed it certainly pays to invest in land and buildings now. Providing that you can trust your instincts in these matters, then property acquisition or expansion is favoured.

For some people freedom and expansion of horizons will be more important than security. The urge to investigate foreign countries - their people and culture - can play an important role in your career now. Trust in your hunches - your intuitive powers are at their highest in this period, and you have the enthusiasm to take on any challenge. You may however find that your interests lie outside the professional sphere. This is a higher-charged period for you emotionally, so you will probably also want to expend your energies on domestic or family matters.

**PERSONAL - EMOTIONS:** Expanding your base

This is a period when your feelings and emotions exert a tremendous power in your life. Hopes and dreams about the future will be a driving force inspiring you to take action.

Generally speaking you should have a degree of luck and good fortune in attaining your greatest dreams at this time. This is probably a natural consequence of the enthusiasm you invest in all matters. You can expect an expansion of your horizons and a deepening of your capacity to show feeling. You learn something of the mystery of life, and it gives a new meaning to your existence.

You can be strongly inspired by a future vision connected with domestic happiness, a home or children. There is, however, a tendency to go overboard. If you are hoping for the fulfilment of emotional dreams, so many opportunities can arise that you simply cannot make a choice. Furthermore your emotional suggestibility is at its highest - you believe what you want to believe. Whatever the concrete results - if any - of this period, you will come into deep contact with your emotional power and gain rewarding new insights.

## Mentality

### Mercury In Aquarius

**PROFESSIONAL - MENTALITY:** Inspire renewal

You are a clear thinking person, very open to new and exciting ideas, though you can be rather fixed in your opinions. There may also be an inventive talent or some special and unique interest - perhaps connected with awareness and consciousness. You embrace strong views which run contrary to the accepted norm - you feel it is your duty to shake up the ideas of others and create renewal around you. Whilst this can be refreshing for all concerned, you run the risk of being alienated or misunderstood. You work well in a group environment in which there is a lot of excitement and stimulating people. You are a force for renewal, and have the ability to integrate new technological developments into your work.

**PERSONAL - MENTALITY:** Inspire renewal

Mental stimulation is very important for you, and you thrive on contact with others and the exchange of exciting ideas. You pride yourself on your openness and tolerance, although when it comes down to it you can't tolerate intolerant people. You are probably strongly motivated by social issues and tend to have unshakeable convictions in this respect. You can actually be rather stubborn in your beliefs, though you will be loath to admit this. You can get a kick out of being provocative, and will often be so if you start getting bored. Other things being equal you will have a number of important friendships with people from very different environments, as you have a taste for exotic and

foreign influences.

## Mercury In 2nd House

**PROFESSIONAL - MENTALITY:** Develop mental resources  
Your ability to communicate and inform, and perhaps a certain talent for wheeling and dealing, are great economic assets to you. You have an appreciation of the value of material things, desire to learn how money makes the world go round, and are quick to make contacts and reap financial benefits from them. You would thrive in a job in which your knowledge and handling of information, and your ability to build up a network of contacts are utilised. You may have a particular talent for the banking world as you are quick to assimilate news and information which is relevant for the constant changes in this area. You earn money through your intelligence, through teaching or through travel.

**PERSONAL - MENTALITY:** Develop mental resources  
You have strong convictions, which are often based on the solid truths of the market. You are rarely motivated to show interest in insights which cannot be converted to practical advantage. However major economic changes in your life can lead to reinvestment of your values in the resources of the mind, psychological interests etc. Financial complications can arise in connection with brothers, sisters and neighbours, and early experiences in these areas will already have proved formative as regards your values in life today. You tend to worry a lot about the material aspects of life, and are constantly coming up with new ideas about how to manage your economy.

## Mercury Conjunction Saturn

This aspect is extremely powerful in your horoscope; every action you take will be coloured by this energy. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

**PROFESSIONAL - MENTALITY:** Mental discipline  
You have a logical and disciplined mind, and special skills as regards working out systems and performing tasks which require patience for long periods of time. You prefer to stick to rules and established methods, but you can apply your mind to any task in a very conscientious way, if required. You may be rather suspicious in allowing the imagination to have too much influence - you are the kind of person who reads instructions carefully and follows them. This can make you a little inflexible as regards integrating new methods. Furthermore your admirable attention to detail can hinder you in getting an overall perspective on things. In the first

phase of your professional life you can be afflicted by a sense of mental inferiority, so it is important for you to spend time on further education in a constant process of acquiring new skills.

**PERSONAL - MENTALITY:** Mental discipline

You are oversensitive about your intelligence and have a tendency to work twice as hard to prove to yourself and to others that you can meet intellectual demands. As you put so much effort into improving your mind, you can become quite an expert in your chosen field. However in personal relationships you can become very defensive when you are misunderstood, and in situations when you try to understand another person, a mental block can descend because you invest too much self-conscious effort in the process. Relationships would benefit dramatically if you were more relaxed in this respect. You are reluctant to admit it when you do not understand, and this can lead to an escalating situation of misunderstandings. You are also rather a stickler for detail and can be frustratingly pedantic, and your formal style tends to stand in the way of mental spontaneity. Many of the problems around communication improve after the age of 30, as you learn that communication is not a competition but rather a two-way process in which understanding brings mutual benefit.

## Jupiter transiting Square Mercury

12-11-2017 -> 10-12-2017

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

**PROFESSIONAL - MENTALITY:** Expanding contact

The effect of this influence depends very much on how you employ your mental talents in your profession. This is the time you should invest in your mental abilities. Knowledge is power, so it could pay for you to go on courses, meet people and expand your sphere of influence. You can expect an increase in the time you spend travelling now, so try to streamline this area of your life. You should be doing more to enlarge your network of contacts, so make sure you are available through telephone, fax or computer. You will talk more, travel more and write more.

If you have any dreams as regards writing or getting some message across to the public, now is the time to go for it, as there is a strong disposition for success in these matters. This is generally a great time for wheeling and dealing, doing business and capitalising on contacts at home and abroad. Nevertheless you can talk too much and be too

intellectually pushy. Take time to listen to the opinions and advice of others - you can make misjudgements if you don't.

**PERSONAL - MENTALITY:** Expanding contact

This is a period of expanding intellectual curiosity which can be reflected in many areas of your life. You will probably devour books and TV programmes at this time to satisfy your urge to acquire knowledge. It will also be an important process for you now to weave all the threads of information that you gather into a whole piece of cloth, so that you can see a meaningful pattern in all the details that surround you.

This is a time to be on the move and to allow your mind to be fertilised by contact with a wide variety of people with different views on life. You should be bubbling with ideas, so you have to get them down on paper or out to a broader public. Although this is generally an optimistic period, there is a risk of losing your sense of proportion, particularly if you are inclined to worry or fantasy. Knowing the power of the mind to create the future, you would be well-advised to guide your thoughts into constructive channels.

## Values

### Venus In Capricorn

**PROFESSIONAL - VALUES:** Responsibility in relationships  
You have a natural business talent, a thrifty nature and plenty of common sense. Women with this position will be powerfully motivated by ambitious goals, and men will be attracted to ambitious women. You have an administrative talent - especially as far as financial and business matters are concerned. You are strongly attached to the work ethic, with deep convictions about personal responsibility in career matters. As such you are a person who can be relied upon. You strongly value social status, and are willing to work hard and conscientiously to achieve this. You have a talent for wielding authority in a pleasant way, often securing agreement without strife whilst remaining fully in charge.

**PERSONAL - VALUES:** Responsibility in relationships  
You are very careful in your personal relationships - experience has taught you to size potential partners up cautiously, and this also means assessing their professional situation, morals and sense of responsibility. Status and economic security may take precedence over romantic love. Men with this position are attracted to efficient and ambitious women who possess a rather repressed sensual vulnerability. Women tend to find more happiness professionally than privately, until they learn to take the risk of being vulnerable. Both sexes take relationships seriously

and tend to have strong moral values. There may be an inclination to choose an older and more mature partner. Marriage is a contract that should stand the test of time.

### Venus In 1st House

**PROFESSIONAL - VALUES:** Create a harmonious environment

You have a soft approach to life, and your very presence is enough to spread an atmosphere of harmony around you. You are well-versed socially. Professionally this gives you the ability to work with people - especially in situations where personal charm is of the essence - and there may also be considerable aesthetic talent. Your appearance may well be one of your best assets, though your diplomatic talents and natural sense of justice can also bring professional advantages. Whatever you choose to do, you are guided by a strong sense of personal values and a need for economic security. Having a natural instinct for discerning worth, you have a talent for investment, buying and selling. In questions of taste you have a refined judgement.

**PERSONAL - VALUES:** Create a harmonious environment  
Your personal appearance is important to you, and you will strive to balance inner harmony with an outer pleasing nature. Some people may feel that you are a little manipulative with your ability to smooth ruffled feathers and turn on the charm, but giving people pleasure is an important drive you possess. In turn it is essential for you to feel valued and liked by others. There will be many ups and downs in your romantic life, as relationships are the litmus paper through which you measure your progress. You are keenly aware of what other people think of you, and your vanity is easily bruised. It is hard for you to take it when other people do not like you, and you often compensate by being over-sweet. To be happy you really need to develop the capacity to love yourself.

### Venus Conjunction Mars

It may be difficult for you to discern the influence of this combination of planetary energies, as it has only a mild effect in your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

**PROFESSIONAL - VALUES:** Enjoyment  
You have a dynamic creativity, but how you use it depends greatly on the nature of the aspect. Harmonious contacts between Venus and Mars give an exciting and winning nature, and the ability to work creatively with both sexes in

whatever field you may be in. Inharmonious aspects also give considerable creative power, but conflict regarding sexual roles can sabotage success in one way or another. There is a strong erotic element in your character, and this can lead to sexual involvements which distract you from your business. Men with these aspects tend to be more active in their sexual pursuits, women often feel they are on the receiving end. It all depends on the unconscious signals that you send, as you have a natural sex-appeal. If all goes well you can emanate warmth and congeniality which brings professional popularity. This can lead you to success in many fields, especially those in which physical strength is combined with grace in some form. You would also work well in public relations, and in dealing with children. Entertainment and having a good time can be very important for you in your work.

#### PERSONAL - VALUES: Enjoyment

As Mars and Venus are the male and female archetypes, this combination brings a powerful need to resolve the dilemma between the sexes. Harmonious aspects show greater ease in this matter, but inharmonious contacts and the conjunction bring extremely difficult challenges. Often confusion about the sexual role stems from the impression given by the parents concerning their love-life, particularly if infidelity was involved. Women with this aspect often experience a strong contrast between the demands of femininity and those of sexuality, and in extreme cases the man is perceived as being a primitive only interested in sexual satisfaction. Actually the woman sends strong sexual signals but gets confused about the response she receives, not knowing whether to take the initiative, (ladies don't do that), or be passive. The paradox is that women with this aspect have strong masculine traits, and can resent the man taking the initiative. Men with this aspect will sometimes have rather feminine traits, and have difficulty taking the initiative.

Whatever the circumstances, the erotic life plays an important role in the character, and there is a strong tendency towards sexual involvements which can be a threat to stable relationships. There is in both sexes a difficulty in integrating the loving nature with passion and desire - when to be tender and affectionate, when to go your own way? When to be attached, when to be detached? When to be chaste, when to let the body take over? When a balance is found, then there is great potential to have enjoyable relationships on both the physical and spiritual level.

#### Venus Trine Jupiter

This aspect is extremely powerful in your horoscope; it will dominate many areas of your life. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

#### PROFESSIONAL - VALUES: Fortune

You have excellent aesthetic judgement, and strong personal values and convictions. You are suited to any profession which can make use of your ability to evaluate and compare - especially if this is connected to cultural or artistic projects. You also have a great ability to impress others with your charm and insight. You would be wasted in a job which did not allow you the opportunity to meet and influence people. You can deal with cultural issues or artistic objects, you can travel in your career, you have diplomatic talent, you have a great sense of style. Success often comes easily for you, and you may thrive in the company of women, and have their professional support. Normally you are lucky, and a great deal of money can flow through your hands. How fast it flows is another question altogether. Your warm personality and optimistic view of the future are your greatest assets.

#### PERSONAL - VALUES: Fortune

You are an extremely loving and romantic person, and this brings both benefits and problems. Often you fall in love with love, and have difficulty settling into stable relationships because of your hunger for romance and emotional stimulation. You are however a great lover, and your attention makes your loved one blossom. There is a tendency to be attracted to a person who comes from a different culture or country - perhaps this is because of a need to widen your emotional horizons. There is a tendency to marry upwards in society. The most important value for you in a relationship is intellectual or cultural stimulation. You need to be able to respect your partner for his or her intelligence. A woman with this aspect has a great need for attention and appreciation, and particularly values the mental stimulation the partner can give. A man with this aspect has a great appetite for the opposite sex, and whilst intelligence is important, there is often a taste for exotic or good-looking women. Faithfulness may not be a strong point, though sooner or later there will be a tendency to tighten up moral values regarding love.

#### Venus Conjunction Uranus

Though not especially strong, you will be able to feel the influence of this aspect under many circumstances. This conjunction shows a fusion of energies in you. Both the

positive and negative sides of this aspect will be an integral part of your character.

#### PROFESSIONAL - VALUES: Untraditional relationships

You need to work in an exciting environment where you are together with people who have untraditional ideas, or who come from unusual cultures or backgrounds. You function best when you meet a number of different people during the course of your working day - preferably interesting or unconventional types. You have a talent for working with the media - you may also function well in a job which brings travel to exotic places. As you have a strong interest in consciousness-raising groups you may get involved with political, spiritual or social movements. You function well in a team - but not in a conventional working environment where you meet the same people all the time. You need to feel as free as a bird. You have a talent for making friendships - you make an electric impression on others, but actually you are rather detached yourself.

#### PERSONAL - VALUES: Untraditional relationships

The major characteristic of your love-life is your need for excitement and the unpredictable, coupled with a restlessness which you feel when relationships do not offer you the opportunity for personal development. You have a tendency to form relationships to people from foreign countries, different cultures or unusual environments - in other words with a person who can bring an element of the exotic into your life. Often you can find yourself in a situation, in which you choose not to actually live together with a partner. Preferring to keep your independence - especially as regards the freedom to have your own friends - you maintain the excitement of romance by periodic meetings where you can constantly have your need for excitement fulfilled. In extreme cases you experience "airport-love" - short but exciting relationships with someone from another area of the world. In this way you avoid committing yourself emotionally. If you want a more permanent or stable relationship, or if you would like to feel more secure with your loved-one, it is essential to make a deeper emotional commitment.

### Venus Conjunction Neptune

This aspect is of medium strength and its influence will often be felt, though not acutely. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

#### PROFESSIONAL - VALUES: Acceptance

You have an extraordinarily refined aesthetic sense.

Disharmony evokes an almost physical unease in you, so you are strongly motivated to recreate balance in your inner and outer world. Professionally this can manifest in a career where matters of taste are important, or diplomatic talents necessary. You are especially suited to public relations matters, but your genuine compassion for other people may incline you to work helping others in some way. Although you may be strongly inspired by items of physical beauty, you will rarely be satisfied by material well-being alone. You have musical and artistic talents.

#### PERSONAL - VALUES: Acceptance

You are willing to make sacrifices for love, and as an incurable romantic you are skilled at creating circumstances for personal disappointment, either through poor judgement regarding potential partners, or unrealistic expectations. You are looking for more than a worldly love - you need to feel as if your soul is touched by your partner, you need to feel a spiritual bond. To be happy in this area of your life you must understand and accept so-called imperfections in others. The perfect partner does not exist and you will never find him or her. It is important to choose an equal - not someone you idealise or want to save - and it is important that the chosen one shares ideals and dreams which transcend conventional relationship needs. Unhappiness and dissatisfaction in love is actually the result of unconscious impressions from your distant past, and these feelings actually have a spiritual purpose now.

### Saturn transiting Conjunction Venus

21-12-2018 -> 09-11-2019

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

#### PROFESSIONAL - VALUES: Building self-worth

Economical issues come to the fore now, and you will probably find yourself having to work long and hard, perhaps without getting the financial rewards you would like. It pays to economise and save now, or to make very secure investments. By careful economical planning you can create the foundations for future growth, although short-term success is unlikely. Working on professional relationships may be necessary now, and you could be asked to make a long-term commitment.

It would be to your advantage to pay more attention to subtle influences on your career, such as your appearance and personal style. If you want to open doors which have been closed for you until now, learn for example the finer

points of diplomacy and overcome clumsiness or shyness in dealing with people. An understanding and appreciation of taste and style can be the keys to much desired status improvements.

**PERSONAL - VALUES:** Building self-worth

You can expect many challenges in your personal relationships now. How great is your commitment? Can your affections stand the test of time? No trivial relationship can survive this period, simply because you feel that you do not have the time to waste on romantic attentions that are not genuine. Those people who are in long-term relationships will go through a testing phase - the old cliché

## Drives

### Mars In Capricorn

**PROFESSIONAL - DRIVES:** Rise to the challenge

You are a disciplined and hard-working person, slow to start things up, but strong on the finish. Strategy is all-important to you, and you are unlikely to embark on any project without having thought it through to the end. You are extremely goal-oriented, but you hate failure, so you like to be sure when you choose a course of action. Of course this careful attitude can prevent you from starting anything - motivation is the key to success. There is also a tendency to do things the hard way, imagining every kind of obstacle that can arise on your path. Developing faith in your abilities and a positive attitude to the potential outcome of your hard work is essential. Your reputation and status are powerful motivational factors for you - you need to feel respected for your efforts although you are not particularly comfortable with a high personal profile. Other people can take the glory for your achievements as long as you are rewarded by a better position and material success. People will automatically respect you for your responsible nature, and you would do well in a position of administrative authority.

**PERSONAL - DRIVES:** Rise to the challenge

You are a serious and determined person with considerable staying power. Being hard-working and responsible, you tend to put professional priorities above personal ones. Men with this aspect are especially ambitious and come home to the family late and tired. They are powerfully motivated as bread-winners. There is a certain sexual restraint which can lead to long-term frustrations in intimate relationships. Women with this aspect are attracted to ambitious men who can offer status and security - men in uniform can exert quite an attraction. There may be a tendency to settle down

with an older man. Later however, it will be important for the woman to carve out her own professional niche in society. Both sexes are prepared to work hard and make sacrifices for the family, but for lasting harmony it can be important to overcome sensual inhibitions and moral up-tightness.

### Mars In 2nd House

**PROFESSIONAL - DRIVES:** Overcome material challenges

A major asset in your life is your dynamism and determination. You are a go-getter, constantly eager to overcome the next obstacle in your pursuit of success. You are professionally suited to a job which leaves you the independence to make your own decisions, although you prefer a secure position. You earn money fast, and spend it fast, so a lot of money passes through your hands. There may be talent for working with your hands, or in a rugged profession. Your physical prowess may have some importance for your career. You have a very competitive attitude as regards your earning power, and are constantly striving to improve your material status. Basically you also enjoy the cut-and-thrust of the business world.

**PERSONAL - DRIVES:** Overcome material challenges

You fight fiercely to preserve the material empire you carve out for yourself. You may be something of a conspicuous spender, yet you have a very strong desire nature - both as far as economic issues are concerned, but also in regard to sensual interests. Impulsiveness and a headstrong attitude can get you into trouble in both areas, so take care. There is probably quite some focus on your sex-drive as a reflection of your self-worth. Women with this house position of Mars will often find that differences of opinions as regards finances can be a major source of tension in a relationship. Men see their financial independence as a basic right, and this too can be a source of conflict.

### Mars Conjunction Uranus

You will often feel the influence of this aspect, though stronger influences may predominate in other areas of your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

**PROFESSIONAL - DRIVE:** Experimentation

You are an extremely dynamic person and you can perform tasks in a flurry of activity in half the time ordinary mortals take. You need excitement and originality in your work, and you do your best work when a deadline is threatening. When you decide to act, you strike like lightning. However you are best at working in short bursts of energy. Longer

periods of activity tire and bore you. You have talent for working with technical matters - for example engineering, computers etc. You may also have a taste for more untraditional work, perhaps connected with New Age fields, consciousness-raising etc. The essential ingredient is freedom to experiment and learn from your own experiences. You are not very good at working in a team because you can react violently to being told what to do. You hate restrictions and orders and you need to go your own way. Other people may experience you as rebellious and you have a tendency to get into trouble with authorities. You are something of a pioneer, and may embark on dangerous travels to foreign lands.

#### PERSONAL - DRIVE: Experimentation

You are an extremely unpredictable person, and your fear of being limited by relationships makes you demonstratively aggressive when duty is required of you. Men with this aspect give their partner the impression that they can pack their bag and go at any time - in actual fact unpredictability is used as a threat to get their own way. Women with this aspect are attracted to unusual men, particularly from abroad or from some unique environment, - men who can promise excitement and freedom. There is a tendency to be enormously provocative and this can lead to explosive conflicts. This satisfies the ever-present craving for excitement in one way or another. To have peace in a relationship it is important to have some unusual interest or job which brings challenge and fulfilment. A relationship will not provide this in any lasting way. If all goes well you are an exciting person to be with, always willing to take a risk or try something new.

### Mars Conjunction Neptune

Though not especially strong, you will be able to feel the influence of this aspect under many circumstances. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

#### PROFESSIONAL - DRIVE: Refine your desires

Learning to be motivated and being able to define what you really want to do is one of the greatest challenges for you. You have many talents, especially on the creative side, and these can express themselves in advertising and marketing, matters concerning body energies (for example healing and massage), and many other areas - including social care. Paradoxically you have high ideals, yet may get involved in ethically questionable ventures. You can be driven by a nagging dissatisfaction connected with the meaning of what

you are doing, and you thrive best when you work creatively or for a cause which transcends material interests. Doing something you believe in is what motivates you. You have strong socialist impulses.

There is an extraordinarily repetitive theme about being cheated which can affect your working conditions. You will experience on occasions that people go behind your back or over your head - seemingly without any explanation. This is connected with your perfectionism and a tendency to express dissatisfaction. People hide things from you partially to avoid experiencing your disappointment. If you analyse your own behaviour you will discover that you also have a tendency to hide things from others! By being honest and accepting apparent imperfections, you can avoid unpleasant repetition of these happenings. It is also important for you to speak your mind and take a confrontation when it arises, to clear the air.

#### PERSONAL - DRIVE: Refine your desires

There is no doubt that moral issues are a big challenge for you in your life. Early experiences may have inclined you to be wary of acting spontaneously and openly, and this can give rise to great misunderstandings and often deceit in relationships. Women with this aspect will often find themselves getting attracted to men who disappoint them, perhaps through lying or being unfaithful, or through alcohol misuse. Men have problems regulating their material and sexual appetites.

Women are attracted to creative, artistic or spiritual men, who fulfil their inner need to also develop these qualities. Whilst falling for a sensitive man however, there is paradoxically a fear of weaknesses in the male. An exaggerated focus on these supposed weaknesses and a fear of being lied to by the man actually causes the man to conceal his true desires and needs. This can result - in extreme cases - in a double life. The man with this influence cannot find satisfaction in simple material and sexual gratification, no matter how hard he tries - and he tries hard. Happiness comes when both sexes learn that satisfaction is only to be found in creative or spiritual goals - partnership will not in itself provide it. Dissatisfaction has to be seen as a divine discontent which drives the person to higher achievements.

### Mars Sextile Pluto

This aspect is of medium strength and its influence will often be felt, though not acutely. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the

negative consequences minimal.

#### PROFESSIONAL - DRIVE: Cutting through decay

This influence has a major effect on your career. In your life you are confronted with the issue of power - and powerlessness. You may not be aware of how forceful you are, and therefore you often encounter confrontations and get involved in power battles. Your strength in this area equips you to deal with crisis situations which other people would rather avoid. Thus you can get involved politically or socially, perhaps in trade union activity or in the corridors of power. Although you have a lot of abilities in this respect you may not find great satisfaction in these areas. You have a good deal of psychological talent, and may find fulfilment in helping people in crisis, or people who have adjustment problems. You may have psychic or healing talents.

You work hard and very intensely, often into the late hours, and actually you may have difficulty knowing when to stop. It is important to identify this obsessive quality, otherwise you can drive yourself to collapse. By structuring your working hours, you can avoid exhaustion. Life would be easier for you if you were more relaxed. You are very sensitive to what you consider the misuse of power - this is connected with humiliating situations connected with will and power in childhood. Later in life you run into similar situations, especially with authoritarian or dominating - even tyrannical - men, and you tend to overreact. This leads to battles of the will which are quite exhausting - even more for others than yourself. These situations are best defused by seeing them in a different light. By clearly showing others the limits you are prepared to accept, and by sticking to them diplomatically, you can win respect and avoid power games. Remember, if your motives are straight, you will attract people who will be straight with you. It is important for you to think positively about others. You are a powerful ally and a dangerous enemy.

#### PERSONAL - DRIVE: Cutting through decay

You have experienced a number of deep traumas in your childhood through events which may be secret or repressed. This can be linked to the influence of men - particular your father or a brother. Often a stepfather or half-brother plays an important role. Sometimes a sexual theme is involved. You may also have been deeply affected by someone who had a deep psychological problem. In some way your will was totally overridden at some point in your childhood, and you are profoundly affected by the humiliation this incurred. It is also possible that you experienced your father - who was dominating, but weak - being humiliated in some way.

Later on, intimate relationships are characterised by great

intensity and power games. There is a need for a strong partner who can stand up and fight his or her own battles. Women with this aspect are profoundly attracted to magnetic and powerful men. Such a relationship develops predictably: where the man initially starts as the dominating figure, the woman begins to discover weaknesses as time goes by, and in doing so loses respect. When the relationship ends, the roles have been reversed and the man often ends up in a humiliating position.

Men put too much focus on sexuality and the need to demonstrate masculinity. Jealousy and control can be dominating, though concealed, factors in love. The relationship tends to be marred by criticism of weaknesses and bitter discussions over influence. Often therapy can solve difficulties connected with the complex psychological projections involved in this kind of relationship. As time goes by you will discover the benefits of your enormous energy resources and latent power. As a result you stop struggling against imagined power misuse, and simply no longer feel threatened. Deep satisfaction comes from discovering psychological and psychic talents.

### Jupiter transiting Square Mars

01-01-2017 -> 05-09-2017

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

#### PROFESSIONAL - DRIVES: Burning enthusiasm

It is important for you to harness the energy and enthusiasm which surges through your body at this time. The competitive edge is sharpened, and you have the courage and vision to enter the rough and tumble of the marketplace and meet whatever challenge that confronts you. You can overcome obstacles now and expand your sphere of action. This is not a time when you can be too interested in diplomatic niceties - you want to get things done, and in a hurry. There is a burning desire to achieve.

This is an excellent time for pioneering activities and expansion abroad. It is also a good time for throwing yourself into hard physical work. There is an inclination to get into confrontations now, and it is not helped by your desire to impose your beliefs and convictions on others. You may try to bully your way through. Although it is favourable to act on your convictions regarding what is right and what is wrong, it pays to gain insight first and cultivate greater tolerance.

#### PERSONAL - DRIVES: Burning enthusiasm

This is the time to be intoxicated by a new decisiveness and a willingness to invest your energy into getting what you want. There is a refinement of the sense of purpose and the meaning of taking action. This lust for life can manifest as an expanding of your horizons through travel, taking on new intellectual challenges, getting into your body through exercise and training - and sexual exploits. There is a sharp increase in erotic drives at this time, and men will become increasingly aware of a need to prove themselves and their masculinity. This can manifest as the desire to woo and win the affections and body of a suitable quarry.

Women too become increasingly aware of sexual needs and the power of attraction to the opposite sex. There is a willingness to take the initiative in these matters. However it is actually the need to be stimulated intellectually that is paramount for women as far as attractions are concerned at this time. A relationship is also seen as a means to expand personal horizons and learn more about men and life in general. Indeed this period has most significance as regards insight into the body - and this includes greater consciousness concerning health, and the muscular system, as well as personal sexuality.

## Saturn transiting Conjunction Mars

20-02-2019 -> 13-01-2020

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

### PROFESSIONAL - DRIVES: Developing willpower

This is a time to mobilise reserves of willpower and pursue goals with indefatigable determination. You can expect a lot of resistance now, especially from older men in positions of authority. Effort, long-term strategy and hard work is the remedy for problems that arise at this time. Courageous action leads to the building of lasting edifices now.

First of all it is necessary to overcome lack of self-confidence. You may feel that there are men of greater experience available to do the jobs you want, but by training and perseverance, you can - in time - achieve the goals you set yourself. If you don't succeed, try and try again. You will become stronger and more efficient. Great satisfaction can be achieved through the power of organisation and self-discipline - if you rise to the challenge, you will achieve success. This is an excellent time for hard physical work - particularly as regards building and construction.

### PERSONAL - DRIVES: Developing willpower

This period can be rather a trying time, and there are many

obstacles to be overcome. However with hard work and determination, you should be able to have things the way you want them - finally. Men will feel unsure of themselves at this time, and there will especially be a question mark as regards their sexual needs and performance. There may be a reluctance to take the initiative in these matters for fear of being rebuffed, yet it is at precisely this time that a man can get into contact with his body, learn more about his needs and develop the confidence and assertiveness to handle sexual relationships. Circumstances may however dictate less sex during this period.

Women who experience this influence will also be concerned about their body, especially as concerned blockages preventing spontaneous enjoyment of erotic pleasures. It pays to take more time in a relationship to improve sexual contact. More patience is needed in the warming-up phase, and less focus on erogenous zones. Many sexual fears about dominance and authority can be dealt with, and the long-term effect on sexuality can be beneficial. Sometimes an older or more experienced man comes into the life now. Both sexes benefit from more exercise or training through body-building, aerobics and the like.

## Pluto transiting Conjunction Mars

01-01-2017 -> 14-11-2020

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

### PROFESSIONAL - DRIVES: Redevelop your strength

This is a time of great personal pressure both on a professional and private level. In this testing time there will be a feeling that the odds are against you, perhaps in an unfair way. Power battles are often unavoidable... and it seems as if there is some kind of conspiracy. Trade union issues often come to the fore at this time, for good or ill. Authoritarian and dominating people (mostly male) will seem to put you in a vice. The time demands great perseverance, but you have to know when to draw the line - when to fight and when to give up. It is no use continuing an impossible battle. There is a tendency to overwork - often late at night - because you can be gripped by a fanatical desire to accomplish something. There tends to be a fascination with computers and secret things.

Undercover issues surface now - anything you want to keep hidden will surely come up. You will be strongly motivated to act secretly. Any work situation you cannot tolerate will change. Either you will seek new work in which you can feel

100% absorbed, or you will make radical changes in your working environment. There can be interest in social or political work under extreme situations, as well as the discovery of psychological or occult talents. There are good opportunities now to eliminate corruption or pollution problems. This is a ruthless time which requires strength in the face of crisis, the ability to cut through, fire people, to seek a new job, or to give up exhausting power struggles.

#### PERSONAL - DRIVES: Redevelop your strength

This can be a time of crisis in relationships because a shift in the balance of power occurs. Women with this influence will no longer accept subservience in connection with men. A woman in an inferior position will now fight to establish her own power. This is the time that a new decisiveness comes up to the surface under the greatest psychological pressure. Paradoxically there is a tendency at this time to meet men with unusual power and sexual magnetism, and to encounter one's own powerlessness in the face of strong desires and jealousies. Men who experience this influence will also encounter power struggles and strong desires, and will often find themselves under the influence of emotions they cannot control.

On a sexual level there is fatal attraction towards tabu issues and the urge to live out desires which have been under control for too long. On the positive side this leads to the discovery and release of new sexual potential, though the costs can be high.

There is no astrological influence which gives has a stronger psychological effect. This is because forgotten anger and repressions now rise to the surface to be dealt with by the conscious mind. Therapy is often advisable during the duration of this transit, and it is a great period for enhancing psychological insight. As anxiety on a deep level is dealt with at this time it is a good idea to eliminate fears by developing a stronger body-consciousness, for example through learning the art of self-defence, or through embarking on a gruelling physical fitness programme.

### Jupiter In 9th House

Please read page 2 : Jupiter In 9th House

### Jupiter Trine Uranus

You will often feel the influence of this aspect, though

stronger influences may predominate in other areas of your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

#### PROFESSIONAL - WISDOM: Exhilaration

This aspect can last for a number of months and have a strong collective influence. If you harness this influence in your career you will have a strong idealism both socially and as far as introducing new methods are concerned. Your provocative views will be a challenge to the establishment. You are an internationalist, and wish to concern yourself with issues that cut across national borders. This can bring travel to exotic lands and contact with exotic cultures. You can channel enormous enthusiasm about the future into your career - for you the path of liberation lies in innovation and experimentation. You would thrive in an international organisation, and as you also have strong humanitarian tendencies you may choose to work in a field which has to do with social reform or perhaps consciousness-raising.

#### PERSONAL - WISDOM: Exhilaration

You have a driving need to expand your philosophical boundaries and this can lead to unusual personal interests and provocative opinions as regards both personal and social development. You can have some form of connection to the New Age movement, and are very interested in reforms. You will almost certainly embark on dramatic long-distance travels and experience enlightenment through new contacts established thereby. In relationships you are inspired by partners and groups who can share your untraditional interests. An international group can have a radical effect on your life. You pride yourself on your open-mindedness and tolerance - yet you are intolerant of intolerance. You tend to upset groups with your radical opinions, but perhaps you could achieve your goals more effectively by understanding the traditions that lie behind established opinions.

### Jupiter Trine Neptune

It may be difficult for you to discern the influence of this combination of planetary energies as it is not a strong configuration in your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

#### PROFESSIONAL - WISDOM: Expansive dreams

As these planets are relatively slow-moving their influence is

felt most on a collective level. Insofar as you channel their influence in your profession you will wish to work on the collective effect of knowledge, the intellect and social influence. There may be a talent for marketing or advertising or selling a dream or vision. There can also be a drive to evangelise on a social, religious or political level. You can be strongly motivated by altruistic ideals and identify with some kind of vision or dream that transcends your own dreams. On a more down to earth level there can be a talents for dealing with oil and related products - particularly plastics. There may also be an interest in oceans, the film industry and anything which enchants on a collective level. You can be hopelessly overoptimistic - heed realistic advice!

#### PERSONAL - WISDOM: Expansive dreams

This influence shows that you can be moved by dreams and visions. There will be some aspect of your life in which you are touched by something magic that completely transcends your everyday life. This can bring great happiness, if you choose to cultivate your intellectual drive towards greater spiritual understanding through creative, artistic or meditative interests. At the same time there may be a total lack of grounding, or a tendency to be completely absorbed by unrealistic ideas. There are dreamers of dreams who achieve nothing, and weavers of dreams, who can bring visions down to earth. Ultimately people will be disappointed in you, if you are the former. You have the capacity to make faith and hope guiding lights for your actions.

### Jupiter transiting Square Jupiter

23-12-2018 -> 07-09-2019

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

#### PROFESSIONAL - WISDOM: Development of insight

As Jupiter represents areas of your life in which hopes and visions for the future are paramount, as well as the need to gain understanding and meaning, you can expect an increase of awareness and activities in these areas now. If you are motivated by the need for expansion and growth, then you can expect advances. There is increased focus on your ability to act on moral values and pursue your convictions concerning society. This is the time to refine your judgement and manifest your capacity to guide and counsel others. If you have a tendency to overestimate yourself, indulge moral weaknesses or to make premature judgements, then you will be confronted with this side of your character now. If self-discipline and a natural

carefulness is a part of your nature however, you can take advantage of opportunities to expand.

#### PERSONAL - WISDOM: Development of insight

Jupiter takes 12 years to go around the Sun, so it will return to its own position at the ages of 12, 24, 36 etc., and activate itself by major aspect every 2 years. During these phases of your life you can increase your insight and understanding, and plug in to that most essential part of your life which gives you a sense of purpose and meaning. It is at these times that you can rediscover your joy in existence and faith in the future. This in turn will enable you to be fertile and grow. However if you are the type who is over-confident or immodest, then you will learn a lesson at this time. Your hopes and visions for the future should be within the bounds of possibility, and if you do not keep in touch with the ground under your feet, you lose out in the long run.

### Neptune transiting Opposition Jupiter

01-01-2017 -> 21-02-2019

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

#### PROFESSIONAL - WISDOM: Foggy futures

You will find that your convictions and beliefs as regards your career get undermined at this time. Can you really rely on the principles you have stuck to hitherto? New factors arise will force you to change your judgements. It is a question of integrating new insights into your professional life. You have to look at your dreams for the future and decide what values can hold up in the long term in connection with your ideals and dreams. It is at this time that you can be wildly optimistic in connection with future visions - ensure that you can put these visions into practice. Your natural optimism may prove to be illusory. Legal matters can lead nowhere now, so extricate yourself from any complex litigation.

#### PERSONAL - WISDOM: Foggy futures

This is a very spiritual period for you, though you may experience a great degree of inner confusion. The principles and beliefs you have embraced in life will be challenged and undermined by uncomfortable new insights. You can gain a deep understanding of extremely subtle influences which shape human fate. If you have very fixed religious views, you will find that they no longer hold water. By integrating new visions and ideals you will truly enrich your life. It is a time of spiritual renewal. Let go of dogma and open yourself

to experience. This is an excellent time for travels with a spiritual or artistic content.

## Jupiter transiting Conjunction 1st House

22-12-2018 -> 06-09-2019

PROFESSIONAL - WISDOM: Gain understanding

In some ways you have a larger than life image, with considerable intellectual charisma. Generally you will take an optimistic view of life's challenges, and seek to gain a deeper understanding of the meaning of your existence. Professionally you have the ability to motivate others through your example, especially as regards empowering others with hope and faith in what the future may bring. Other may come to you for professional advice, and your opinions will generally carry weight. Intellectual, philosophical or religious interests, coupled with a desire to expand your horizons, may play a part in your career. Important journeys can bring profound changes in your views about life, and work abroad may have appeal for you. You receive a considerable boost every 12 years of your life, as Jupiter returns to its birth position.

PERSONAL - WISDOM: Gain understanding

You will have considerable influence on others through your opinions. At best you can really expand the vision and understanding of others, but at worst you can be rather intellectually dominating. You like to embrace broad views and have little time for triviality - though plenty of time for humour. You enjoy life and know when not to take things too seriously. Other people can feel small or even ignorant in your presence - make allowances for this. You have deep convictions on a religious, political or philosophical level and probably enjoy a good discussion. Generally you display a great appetite for life, are willing to take a gamble and often ride to success on your unshakeable faith in a benevolent future.

## Jupiter transiting Conjunction 11th House

01-01-2017 -> 26-09-2017

PROFESSIONAL - WISDOM: Social influence

You benefit professionally from the influence of good friends and people in high places. Your social connections are thus very valuable, and you tend to be very lucky as regards meeting the right people in the right places at the right time. You would function well in a large organisation - especially if it has international connections. Your ability to gain an overview over large social organisations, combined with the many friendly relations you cultivate with people who have

great influence, will bring success and prosperity in your life. Perhaps being member of a club will bring certain privileges for you - at least it certainly does not harm your career if you mix with the higher echelons of society.

PERSONAL - WISDOM: Social influence

Great benefits come to you through the kind guidance of good friends. A particular person or a particular group can have a considerable influence on your intellectual development. You cultivate the best contacts and other people may experience you as rather elitist or snobbish because of the people you choose to spend your time with. From your point of view, mixing with successful or cultured people is essential for your own development. Their good fortune rubs off on you. You too will in turn be able to benefit other people through your own insight or knowledge - particularly if you work with groups in some way. You can attain an influential position in society thanks to your social vision or ideals about the future.

## Challenges

### Saturn In Aquarius

PROFESSIONAL - SELF-RELIANCE: Social structure

Saturn was in this sign during the years 1932-35, 1961-64 and 1991-1994, and this placement inaugurated a period of international co-operation, new alliances, and social restructuring for good or ill. There was a strong emphasis on humanitarianism, and this may be reflected in your own choice of profession. You have a talent for dealing with groups, societies or boards in which you add your voice to those of others in a democratic process of decision. Success in your career demands that you overcome anti-social tendencies or a feeling of shyness in groups, and do something constructive about the needs of your fellow citizens or colleagues. You can offer your services in situations where there is a need to create a functioning structure after radical change. You can find a niche in social services, humanitarian organs or cross-cultural exchange. You can also bridge the gap between generations in your work.

PERSONAL - SELF-RELIANCE: Social structure

During the time of your birth there was a strong collective spirit of internationalism, and powerful awareness of social interactions in society. You are probably more aware than most about social commitment to the group, and the responsibility which individuals must show to the whole for things to function in society. In your personal life you will

focus on the energies at play in groups, and be keenly aware of your own ability to function socially. You may have to overcome a certain stiffness in relating to others. Particularly on an emotional level you can exhibit a cool distance which can make intimate friendship difficult. You are a very fair and democratically-minded person, and are strongly motivated to even out divisions in society. By overcoming your innate social inhibitions you can play an important role in the organisation of groups. You function better relating to groups than to individuals.

## Saturn In 2nd House

**PROFESSIONAL - SELF-RELIANCE:** Building self-worth  
Attaining material security is a major priority for you, and you will work hard and long to build up a solid foundation for your economic life. You have considerable patience and a conscientious nature, and this doggedness is a great asset for you as regards professional success. You will function well in a position where tight control on spending and a solid knowledge of the marketplace are prerequisites. However you do have a tendency to sell yourself short, and this is because of a basic lack of confidence in your professional worth. You can find yourself working too long in unsatisfying employment because you prefer security and safety to the prospect of risking your position for an uncertain future. Better the devil you know, than the devil you don't. The older you get the more you are willing to demand what you are worth from those who pay your salary..

**PERSONAL - SELF-RELIANCE:** Building self-worth  
Early family experiences will have undermined your self-worth and made you very sensitive to being judged. Material things take on disproportionate importance because they are seen as reflecting your personal status. You have strong convictions that security is something that you have to strive for day in, day out. You limit your potential through negative thinking and allowing financial preoccupations to dominate your planning. If you were more willing to lose what you have, you would create room for greater prosperity. A turning-point arises here at the age of 30. Personal relationships are also marred by your lack of faith in yourself, which actually comes from lack of encouragement as a child. When a person underrates himself, other people tend to lose respect, so it is up to you to learn to appreciate your own talents and resources.

## Jupiter transiting Square Saturn

12-11-2017 -> 10-12-2017

Major irritation factors arise as a result of this influence, yet

if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

**PROFESSIONAL - SELF-RELIANCE:** Expanding the framework

It is at this time of your professional life that the urge for growth and expansion confronts the forces of inertia in your career, or in society. You get to appreciate the power the establishment has over your life at this time. You are challenged to examine how you limit yourself and your future through restrictive systems or a lack of vision and faith in your abilities. If you can find the balance between learning from past experience yet allowing a future vision to inspire you, you may expect solid and steady growth at this time. It is important to expand within a certain framework and to accept the limitations imposed by professional authorities. If you do this you will be an important cog in the development of your company, or culturally in society.

**PERSONAL - SELF-RELIANCE:** Expanding the framework  
At this time of your life you have the opportunity to loosen some of the bonds that restrict you, and lighten the load which weighs you down. This is the time that you have to adjust the awareness of what is necessary by becoming aware of the art of the possible. Restricting life patterns can be replaced or adjusted by exploring new avenues for the future. Inasmuch as you are hampered by a sense of insufficiency or inferiority as regards your abilities, you can gain renewed confidence and faith in yourself now by defining future goals and working hard to achieve them. You can build a lasting niche for yourself in society at this time by laying new foundations for the future.

## Originality

### Uranus In Capricorn

### Uranus In 2nd House

**PROFESSIONAL - ORIGINALITY:** Humanitarian values  
You have a radically different set of values compared to others. Material interests are only peripheral to your life - you are turned on by your vision and the stimulating relationships in your life. Your professional assets are an inventiveness and the "surprise" factor, in which you can always think up an angle nobody else has thought of before. You may be suited for jobs where humanitarian or social efforts need funding, or work connected with technical innovation or advanced machinery. You may also be able to earn a living through developing an unconventional talent. Financial security is not a major value for you - you are

more interested in the freedom to change and develop.

**PERSONAL - ORIGINALITY:** Humanitarian values

Your individuality is strongly reflected by strange tastes and a special environment. You may despise material attachment, giving things away impulsively, and acquiring things by chance. Your values are mostly centred around human interests - you don't like to be tied down by possessions or by your family. You can expect dramatic turning points as regards your economic situation during your life. Sudden loss or gain can be the trigger which brings a radical change in your values. In personal relationships your lack of interest in security and material comfort can be a major source of tension, as you are unwilling to compromise your freedom for material rewards.

### Uranus Conjunction Neptune

This aspect is extremely powerful in your horoscope, and will be a major feature of your character. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

**PROFESSIONAL - ORIGINALITY:** Spiritual revolution

This long-lasting aspect will be shared by everyone born in any particular 4-year period, but if you express its influence in your career you will be able to channel a talent for working with the electronic media on one level, or personal consciousness on another. There is an electric idealism with this aspect and very little grounding. Some people may be able to tune into latent telepathic and clairvoyant powers, and use them in their job. Contact with international companies which have strong cross-border communications brings good fortune. Work with advanced technology, especially connected with instantaneous communication is another possibility. There is an inbuilt tension between the principles of freedom and service which can be expressed in irrational political and social convictions.

**PERSONAL - ORIGINALITY:** Spiritual revolution

This aspect has an influence on a particular generation, but you may personally feel and express its power through an interest in aspects of human consciousness which are on a very subtle level. This can relate to the power of dreams, clairvoyance etc. - in fact the whole spectrum of the New Age movement. If personal planets also aspect these distant planetary giants, you will feel a deep longing to transcend yourself through some kind of spiritual interest. Drastic changes will occur in the pursuit of your dream, and you may be willing to abandon the secure structures you have

built up to follow your ideals. Needless to say you will often be disappointed, but the whole process enhances your awareness and spiritual consciousness. You can be deluded by the allure of charismatic personalities - take care.

### Jupiter transiting Square Uranus

05-04-2017 -> 12-08-2017

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

**PROFESSIONAL - ORIGINALITY:** The future now

This is a time when insight and awareness of the future should be a force of inspiration and renewal in your professional life. Expect a dramatic increase in your horizons - either through long-distant travel and contact with exotic lands or peoples, or through mind-expanding activities connected with consciousness growth. Progress in your career depends on your ability to think in completely new channels and harness modern methods - both as far as technology is concerned, but also concerning revolutionary methods. This is a time of exciting possibilities and great inventiveness. The urge to be free and uncommitted may well have to be given priority over personal ambitions now.

**PERSONAL - ORIGINALITY:** The future now

During this period of excitement and unpredictability, you have a strong desire to expand the boundaries of your consciousness. Contact with foreign lands and cultures can blow your mind, and experiences on untraditional training courses or with experimental groups can give you a new sense of destiny or insight into transcendent aspects of your life. This is a good time for astrology and New Age interests, and to meet people who share special interests. So experiment, take a few risks and loosen your bonds - you need to allow the unknown and unexpected to happen.

### Saturn transiting Conjunction Uranus

13-01-2019 -> 08-12-2019

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

**PROFESSIONAL - ORIGINALITY:** Limiting individualism

This influence may not be so obvious in your life, unless you have strong Aquarius characteristics. It is a time when it pays to make constructive use of modern techniques in your career, or perhaps pursue interests connected with exotic

cultures or people. Concrete work on untraditional or new age interests is also favoured. You will probably find that you will have to make some compromises with your tendency to be an outsider and to hold society at arm's length. It pays to build a bridge between old traditions and modern trends. Social idealism and commitment is favoured.

**PERSONAL - ORIGINALITY:** Limiting individualism

During this phase of your life, you will find that you have to take more responsibility for those sides of your nature which are outrageous or provocative. Authority figures will demand more self-discipline and social awareness, and you will not be permitted to merely indulge your extremist views. However this is a good time to develop your interests in original and untraditional subjects, new age matters, and global awareness, especially if you have constructive plans in these fields. This may be a time when you will want to make a more formal commitment to an unusual group.

## Transcendence

### Neptune In Capricorn

### Neptune In 2nd House

**PROFESSIONAL - TRANSCENDENCE:** Refine personal values

You have a rather haphazard attitude to material values - you may be quite successful at accumulating worldly goods, but they have very little meaning for you. Experiences early on in your career convince you that it is no use selling your soul for material benefit. Professionally it is not the lucrative offer that catches your interest, it is more the ability to use your fantasy and imagination - and these are great personal assets. You have a talent for finding unusual solutions to material problems. You may find material success connected with advertising, film, the oil or chemical industry, or in caring professions. You have a "liquid" attitude to money, and if you are not careful you can be called to account for poor financial administration.

**PERSONAL - TRANSCENDENCE:** Refine personal values

You are well aware of the idea that money does not bring happiness, and experience tends to bear this out for you. Material loss will have profoundly affected your values at some point in your life, and as a result you hate to prostitute yourself for material gain. Nevertheless you often dream of attaining wealth, and success in this area would be no problem, as you remain unattached. There may be special circumstances in your life which drain your finances - keep

an eye on your money! In partnership matters there can be a drain on your finances through some economic folly based on false idealism, or some issue which you refuse to confront. You prefer to live in blissful ignorance about your finances, and you will pay for this.

### Jupiter transiting Square Neptune

21-03-2017 -> 23-08-2017

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

**PROFESSIONAL - TRANSCENDENCE:** Balloons and bubbles

You will experience a tremendous stimulation of your imagination at this time, and this can be used to advantage if you can harness your fantasy to some creative work, especially in connection with music, imagery and the arts. If being realistic is an integral part of your career, take care. Your idealism and dreams peak at this time, and this can seriously affect your judgement. Your imagination can be gripped by great hopes, and you have a tendency to attach your hopes to a bubble which expands and expands until it bursts. Inspiration is OK, but make sure that you do not get carried away into a world of dreams. Listen to the voice of reason, and work in stages with verifiable goals.

**PERSONAL - TRANSCENDENCE:** Balloons and bubbles

If you are a dreamer, this is the time when your dreams take wing and carry you into surreal landscapes. If you do not want your hopes to be dashed, you must be aware of your limits and let yourself be guided by common sense. Great hopes will often turn out to be illusory, so don't let your imagination get out of control. However this is an excellent time for developing your imagination and your visualisation power. If you choose you can enrich your life with great spiritual insight, and gain a subtle knowledge about the nature of reality and the illusion of identity.

### Saturn transiting Conjunction Neptune

29-01-2019 -> 24-12-2019

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

**PROFESSIONAL - TRANSCENDENCE:** Making dreams concrete

This influence may not be felt very strongly, unless you have a strong Pisces influence in your horoscope. It can be

difficult to make concrete plans now, things tend to flow in an uncontrollable way, goals slip through your fingers. Instead of making strategies and long-term goals it would be an advantage to do something constructive with your creative talents. Your greatest asset at this time is your imagination, so try to think of practical applications for creative ideas. If you act in a determined manner you can realise many of your dreams and visions now. This is an excellent time for helping people who are losers in society.

**PERSONAL - TRANSCENDENCE:** Making dreams concrete

This is a time when you will probably feel rather alone and isolated. Money may be short, and security even shorter. You are forced to develop your inner resources now, because outer structures in your life tend to dissolve. This is a good period for developing spiritual discipline, or making long-term plans for creative development and growth. But otherwise there is a tendency to be down-and-out, or on the fringe of society. Nevertheless you may feel moved to take more responsibility for those who suffer now, or to make some sacrifice for others. Avoid negative frames of mind, or tendencies towards alcohol or pill misuse.

### Pluto transiting Conjunction Neptune

01-01-2017 -> 29-12-2018

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

**PROFESSIONAL - TRANSCENDENCE:** Replace old visions

This is a minor influence connected with your dreams and hopes. To the extent that you have allowed your future to be dictated by your dreams you will find it empty. There may be a strong feeling of disillusion, but this is replaced by a new clarity concerning goals. Although you may realise some of the goals you have been striving for now, you will find that they do not bring satisfaction. If you are involved in any idealistic ventures at this time, you will discover that people are only human and they may find it impossible to live up to the ideals that they profess.

**PERSONAL - TRANSCENDENCE:** Replace old visions

Most people need a vision and dream for the future to inspire them and give their life meaning. During this period unrealistic fantasies which had previously absorbed you will be eliminated. This is the end of Utopia. At the same time you can find new spiritual values which will form a more solid basis for your future. You need to eliminate old ideals

and reassess your vision of what has lasting value for you. This is a good period to mobilise your ability to visualise and create a new vision of the future.

## Transformation

### Pluto In Scorpio

### Pluto In 12th House

**PROFESSIONAL - TRANSFORMATION:** Exorcism

You may be able to use a talent for helping people on a psychological level in your career. You have the ability to keep cool when everything around you is in chaos, making decisions and cutting through to the essential issues when there is nothing firm to hold on to. You can deal with people who have gone over the abyss into total mental confusion, psychosis and self-destruction. You can orientate yourself in a psychic landscape populated by the demons of irrational fear and trauma. Perhaps at some point of your life you will work in a secret environment totally removed from the rest of society. You may also choose to throw in your resources into fighting evil forces in society. Having said this, you may be pathologically secretive yourself and afflicted by exaggerated fears of conspiracy, or that people go behind your back, or with the idea that everything is being manipulated by powerful and shadowy forces behind the scenes.

**PERSONAL - TRANSFORMATION:** Exorcism

During the course of your life you are going to have to face and purge inner psychological demons which defy the boundaries of rationality. Early in your life your behaviour will be subtly influenced by repressed fears such as the fear of the dark, or fear of nightmares, or fear of being locked away. You are more aware than anybody of the influence of the shadowy world of the unconscious, and this can give rise to a certain paranoia because of the idea that unseen forces are more powerful than you. At its worst you may be obsessed by unprovable conspiracy theories regarding large organisations. However, where there is evil you have the resources to combat it, and where there are people in psychic need you can step into their personal hellworld. You can develop powerful spiritual and psychological insights during the course of your life, and through a process of inner transformation and purgation you purify your soul.

### Jupiter transiting Conjunction Pluto

21-01-2018 -> 20-10-2018

Major changes will occur in the area of your life described

here and you will integrate new personal behaviour and attitudes in your life.

#### PROFESSIONAL - TRANSFORMATION: Power play

During this period you will be initiated into the use of power and secrecy in the professional sphere. This may be because you discover hidden factors, corruption or power misuse behind some professional facade, or it may be because you learn to harness your own personal power or psychological insight in your career. Whatever the circumstances you may feel a certain anxiety because of circumstances seemingly beyond your control. Make sure you are on good terms with legal and financial authorities, or at least cover your tracks if you aren't!. Big money can be involved during this period, involving large gains or losses, so make sure you have the best financial advice.

#### PERSONAL - TRANSFORMATION: Power play

There is a leap in your awareness of the power of the unconscious to shape your life at this time. You may choose to develop your emotional insights by learning more about psychology in one way or another. If you have any hidden anxieties or phobias you can expect them to be more acute or to come to the surface now. Even though this may be disturbing, there is a unique opportunity to understand the secret mechanisms of your mind and to eliminate the negative effect of repressions. You can become the intrepid explorer of some very dark territory indeed.

## Destiny

### N.Node In Capricorn, S.Node In Cancer

#### PROFESSIONAL - DESTINY: Growing up

Achieving professional success in your case involves your overcoming dependent tendencies and a feeling of being vulnerable. Early in your career you may choose to work in a caring profession, or in a job which affords you security. You expect to be provided for and looked after. As time goes by you find that the price of dependence is a feeling of being stifled. An inner need to manifest your executive talents arises, and this will often involve a powerful emotional transition in which you demonstratively take responsibility for your life. At such times you may even wish to start out for yourself as your own boss, and you will manifest great determination and self-discipline in this process. New businesslike tendencies replace the vulnerable softness which previously characterised your nature.

#### PERSONAL - DESTINY: Growing up

You are strongly attached to the bonds of the past, and your family can play an extremely important role in maintaining feelings of dependence in you. At some point in your life these bonds have to be cut, so that you have the opportunity to take responsibility for your own life. When young you are tempted to manipulate partners by appealing to their protective nature, and this results in your being held in a childish role. In reality there is a grown-up in you bursting to get out, and the sooner you manifest your maturity in this respect, the more satisfaction you will feel. Children and family represent something of a dilemma for you, perhaps because you instinctively sense the great responsibilities that parenthood will bring. Raising a family is easier when you make the transition from dependence to self-sufficiency. You are an emotional person, yet as you get older you learn that there is greater dignity in self-control.

### N.Node In 1st House, S.Node In 7th House

#### PROFESSIONAL - DESTINY: Regain personal initiative

Finding the balance between whether to invest your energy in your relationships rather than personal development is a major life-theme for you. On a professional level this theme may express itself in the fate of important partnerships, where overdependence, and a tendency to compromise concerning your personal convictions, can lead to failure. Success may well depend on you having the courage to go it alone, although you may be well into your thirties before you learn this. You will learn that it is no use for you to play second fiddle, because this tends to paralyse your autonomy. You cannot let your professional fate rest in the hands of others, and this requires shouldering a leadership role or being independent.

#### PERSONAL - DESTINY: Regain personal initiative

You have a tendency to involve yourself at an early age in a fairly long-term intimate relationship. Whilst this at first offers you considerable security, later on the loss of personal freedom tends to grate. You will find that the more you give, the more you are taken advantage of. A turning point comes - particularly at the age of 37 - when you find you no longer can accept living on another person's terms. Happiness comes when you direct your attention to fulfilling truly personal needs, even at the risk of being thought selfish. By concentrating on self-development you achieve an inner balance which makes relationships more successful, and you break with inherited and old-fashioned attitudes about partnership.

### Saturn transiting Conjunction N.Node

03-02-2018 -> 28-12-2018

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - DESTINY: Group responsibilities

This period is characterised by a professional commitment with a group and the responsibilities that this commitment involves. The interests of the collective may turn out to be more relevant for your career development than your own ambitions or desire for status. Older people in authority may impose limitations on your development, and you can experience a compelling need for greater self-discipline to deal with the demands made on you. The decisions made now can have an important formative effect on your destiny. Benefit comes through subordinating ego needs for the good of others, and accepting the hand of fate, as it moves in your career.

PERSONAL - DESTINY: Group responsibilities

This is a time when time will stand still for a while, so that you can take stock of your ambitions and goals in life and see where they have led you. It is a fateful period in which your responsibilities to others and your role in society can become very important. Some people feel that their life direction leads to a blind alley in these months, or that plans for the future are futile and empty. There is benefit to be attained through inner spiritual discipline, as the hunger felt at this time can not be satiated by outer success.
