Birth Report

Dear Leena Heikkinen,

Thank you for ordering your Birth Horoscope MiniReport, which is sure to help you to understand the harmony between yourself and the universe and enable you to initiate the changes you want in life.

In designing this short reading, I have focused on what is especially unique to you. But - even more important - I have identified the most crucial influence on your immediate future and this will enable you to optimize good fortune in your life. Read on and prepare yourself for a great journey...

The strongest influence in your birth horoscope is "Venus Square Pluto". This is both a great talent and a great challenge. Know yourself, and you will be able to optimize the talent and overcome the challenges.

How this influence affects your personal life:

Your intimate relationships are characterised by their intensity. You are simply not interested in a superficial or casual relationship. You have a tendency to invest a lot of energy into winning love and attention and this is actually a throwback to childhood experiences which equated love with survival. You will often feel that it is fate that has brought you and your partner together, and that nothing will break the bond that has been established. Unfortunately, an unconscious fear of losing love can result in many exhausting emotional scenes. Relationships can lurch from crisis to crisis. When these negative influences have been transformed you will discover a real talent for giving loving support to others.

How this influence affects your professional life:

You have the ability to awaken deep sympathy in the hearts of other people, and you are probably willing to go to great lengths to be appreciated. Your attention to others can evoke a very positive atmosphere and genuine good feelings, if you learn to avoid a few simple weaknesses. You tend to go too far in pleasing others and trying to create a good impression. In this way you can monopolise some

people and alienate those who are not impressed by your apparent charm. Businesswise you have a special talent for getting the most out of resources. You can see the value in items other people might throw away, and can turn waste into something valuable. Financially you must avoid the trap of getting into debt by buying prestige items. Do not throw good money after bad. Above all avoid becoming economically dependent on others - you could end up being manipulated.

As you mature, you will get better and better at making the most of your talents and changing unwanted behaviour. Opportunities arise because the universe does not stand still. In astrology current trends in your life are identified by following the movement of the planets and how they relate to your birth horoscope - called planetary transits. Below I have identified the single most powerful influence in your life right now. When you understand this influence, you'll know exactly how to make the most of the opportunities presented to you.

The most powerful influence in your life right now is "Pluto Square Jupiter". Transits tend to last for about a year, and there are three intense peaks of power during that period. If you don't get it right first time, understanding the following trend will certainly help you get it right the last time!

How this influence affects your personal life:

During this period you will eliminate old convictions and replace them with new. This can lead to a transformation as regards your political, intellectual or religious convictions and a far greater insight into the nature and meaning of your life. It is quite likely that you will encounter groups who have a special set of beliefs at this time. There will however be a tinge of fanaticism, so you may also choose to liberate yourself from those who tyrannically try to impose their convictions on you. You are made aware of your own tendency to be intellectually or morally dominating now. Bear in mind that beliefs do not necessarily last forever. They have to be discarded from time to time as your spiritual development proceeds.

How this influence affects your professional life:

Big things can happen at this time, but there are great dangers. Over-expansion or overconfidence can be punished severely. If you are building your hopes on a bubble it will burst, and the results can be expensive. Unrealistic promises may be made, but not kept. There can be confrontation with the law or finance authorities at this time, and you will have to reach an accommodation with their demands. If there has been any cheating, laxity or corruption, this is the time bills are paid - especially as far as the tax authorities are concerned. If your plans are well-laid, success - even great success - is possible. Eliminate over-reliance on outdated advice and advisors, and search for your wisdom within. There is considerable risk of ideological confrontation. Old concepts should be eliminated in favour of new. This is an excellent time to learn and use positive thinking.

Now you know something about what makes you special, and something about what makes this period of your life special. However, this MiniReport has not taken into account two very important factors, which make a chart reading even more accurate. When you also supply your birth time and birthplace, the planets can be placed in context in your horoscope using the 12 houses. With this information you can obtain a really accurate description of your challenges and potentials regarding work, love, sexuality, attachment and a lot more. I'd love you to take advantage of this opportunity to get a full horoscope report of about 20+ pages delivered to your email.
