Follow this advice, and you are going to make the right moves. Read on and prepare yourself for a great journey...

**18-10-2017**

*Transiting Mercury positive your Moon*

EXPRESS YOUR SENSITIVITY: It's good to get feelings out into the open and have a cozy chat. You'll want to express your caring side, and your vulnerability.

**Should I retire into my lair or get out and about?**

Today is about communication, so get in contact with those with whom you have an emotional bond, and if this means visiting or receiving a visit, then that's what to do.

**How should I respond to overtures from the family?**

Any family differences can be resolved now, and if you say what is genuinely on your mind, your openness will be reciprocated.

**What areas of business will prosper today?**

Your business instincts are peaking now, so trust your gut feelings. It's a good day for property dealings.

**20-10-2017**

*Transiting Venus challenges your N.Node*

BONDS TO THE PAST: Meetings today remind you of long lost people. It's good to revisit the past, but don't dwell in it. Let go of old issues with loved ones.

### **What's the significance of people I meet today?**

Individuals and groups you get involved with today have a special role to play in your destiny. There may be a sense of familiarity. Spiritually it's like a safe harbor.

### **What factors should influence choices in relationships?**

Know what's part of the past, and what's part of your future. If you feel that the past is stale, associate with those who hold the allure of the future.

### **Do I know this person from somewhere?**

Destiny and karma play an important role in relationships today, so the answer is yes. You meet an important bond from the past, and there are unresolved issues.

**22-10-2017**

*Transiting Mercury positive your N.Node*

THE GRAND DESIGN: Meeting people is part of your development. Friends need your special input, so say what's on your mind. Messages come from across time.

### **Should I get out and about or stay at home?**

Do whatever promotes your learning best. It is however likely that chance encounters will bring you some much-needed information.

### **Should I vary my travel plans?**

Maybe... you can discover a new route that bypasses old blockages. Entrust your fate to the ferryman, and you can end up emerging into an

exciting new environment.

## **How can I best promote my intellectual development?**

With respect for your educational roots, and those who have helped you, build a bridge to new fields of intellectual endeavor, new people, and new subjects that are more in tune with your future.

*Transiting Jupiter positive your Moon*

FEELING GOOD: The quality of life has never been so fine. There is a sense of being cared for. You have the resources to expand and enjoy your home and family.

## **If I want to move, should I do so?**

Move to a bigger and better place if you can - it is certainly worth a try. It's also a good time to relocate, perhaps internationally, if it will advance you.

## **Should I settle down and have a family?**

It's a great time for home and kids. This brings happiness. There can still be much travel, and much cultural stimulation, but you need to feel you belong.

## **What are my potentials for growth in this period?**

The world is your oyster. If your foundations are secure, you can expand your influence far and wide. Gain understanding of unconscious motivations first.

*Transiting Venus positive your Saturn*

REAL VALUE: It's the lasting commitment that brings steady growth. Invest in solid resources. Keep expectations realistic. In business or love - slow success.

## **How can I make my career prosper?**

You will be appreciated for your reliability and consistency. Don't ask for recognition - if you shoulder responsibility and organize efficiently, you will be rewarded.

## **How can I make an impression on my loved one?**

Gifts that appreciate in value over the long-term will win you love. Make a commitment now, and you will find that it will last a long time.

## **How can I win appreciation from others?**

First of all, be open to praise. Don't be cool or defensive. Modesty has its place, but make sure you don't hide your true feelings and needs behind it.

**23-10-2017**

*Transiting Venus positive your Mercury*

WORDS OF LOVE: Whispered soft and true. Not only do you put your ideas across beautifully, you can also expect people to say nice things to you. Good fortune.

## **What can I expect on my travels today?**

Very pleasant encounters. Today you should travel for love, and travel for profit - both areas are well starred. Give yourself extra time to enjoy the journey, and treat yourself on the way, and when you arrive.

## **What kind of projects should I get involved with?**

Get together with people you like. Anything to do with literature, creativity and ideas is favorable. It is easy to reach mutually beneficial agreements now.

## **How can I best communicate with those closest to me?**

Being complimentary makes your day happy and smooth. Put your reservations aside and express your latent love in words and deeds.

*Transiting Neptune challenges your Ascendant*

WHITHER NOW? You no longer know what direction to take in this period. Partnerships are fluid. A higher goal or spiritual mission puts you on track again.

## **I'm confused about what I want in my life...**

But you know what you don't want, right? This is the first step towards living a life that has long-term meaning for you. The crucial thing is to integrate spiritual or creative values.

### **How can I stop my partnership slipping away?**

Allow complete freedom and relinquish control - you have none anyway. This may work. But if your relationship no longer has meaning, then don't be sad, new magic will come.

### **How can I inject new meaning into my life and love?**

Seek a higher vision that you can share. Human concerns come and go, but by uniting for a higher, unselfish purpose you can find a light to guide you.

*Transiting Mercury challenges your Saturn*

STUMBLING BLOCKS: You have to learn from your mistakes today. Self-confidence is low, and there is criticism. It's just a test of patience... take your time.

### **Shall I fight to get my ideas across?**

No - regroup your forces and wait to fight another day. Today you just encounter a brick wall. If the odds are insuperable, just drop it. If they are not, then bide your time.

### **Should I bring up serious issues for discussion?**

With a patient and determined attitude, this is a good day to deal with tough issues. Don't expect immediate progress, but don't give up either. Work hard at eliminating blockages.

### **How should I handle frustration and delay?**

If you are traveling, take a good book. Expect everything to take twice as long. Delays sometimes mean that there is more time to do the things you have been neglecting.

*Transiting Venus positive your Ascendant*

PLEASURES IN LIFE: Nice people let you know that life has its blessings.

This evokes your loving side. Take time off together with a loved one and enjoy.

### **How can I get my love life to blossom?**

Express yourself. Social get-togethers make life fun. Dancing and art is one option, travel another. Do something creative.

### **Are appearances important?**

Appearances can be crucial. Spend money on your looks and work on your personal style. Be irresistible.

### **Will things go smoothly?**

This is a time when people are well disposed towards you. The more friendly and charming you are, the more others will bless you.

**24-10-2017**

*Transiting Mercury challenges your Mercury*

THE URGE TO SPEAK: Mental pressures create the need to communicate. Speak, travel and make contact. How can you express yourself more effectively than usual?

### **How can I channel my thoughts constructively?**

Busy yourself with something useful, rather than just worrying. Now's the time to pick up the phone, write that email, or deal with your correspondence.

### **Should I say what's on my mind?**

You may not express yourself elegantly, but don't leave things unsaid. Avoid the pitfalls of gossip, criticism and garrulousness.

### **What can I expect on my travels today?**

There may be some exasperation. Think of this as an opportunity to review your travel habits, and perhaps make changes so they run more smoothly in the future.

*Transiting Mars conjoins your Midheaven*

**MAKE YOUR MARK:** Nothing ventured, nothing gained. But if you push people around, you'll alienate the leadership. Take initiatives to enhance your career.

### **What shall I do if there is trouble at work?**

Rise to the challenge. Men in high positions may try to bully you at first. Show them who they are dealing with - now - then they will treat you with the respect you deserve.

### **Who is the best person to pick up the flag?**

That's you. Pick up the flag and march at the forefront. Your courage and leadership will inspire those around you. Fight for king and country.

### **Is it time to make my move?**

Plans to advance have reached fruition and now is the time to act. Don't be like a bull in a china shop - use minimum force for maximum effect.

**25-10-2017**

*Transiting Mercury positive your Jupiter*

**THE BIG PICTURE:** Get out and about and see the world, and meet intelligent people. Get knowledge, and get wisdom. Impress others with your grasp of truth.

Education and communication are crucial to your success, and opportunities now present themselves. Make the most of everything you see and hear today.

*Transiting Venus challenges your Venus*

LOVE AND MONEY ISSUES: Finance or romance - that's where the focus is. Try to avoid the old mistakes, but make sure you capitalize on your successes.

### **How can I improve my sense of self-worth?**

Outer worth is reflected by the money you earn, the things you own and the people you associate with. But self-worth comes from an inner feeling of satisfaction. That's the place to start.

### **What should I guard against today?**

Don't oversell yourself, or turn on the charm too high. You can pay too much for the privilege of feeling good.

### **How should I handle relationship issues today?**

There is focus on your love life - its weaknesses and its strengths. The dangers lie in materialism, vanity and demands. The cure is to shower affection on your loved one.

*Transiting Sun positive your Moon*

It's a great day, especially in the company of friends or loved ones. You should be looking for aesthetic entertainment that stimulates mental purity.

**27-10-2017**

*Transiting Venus challenges your Uranus*

ROMANTIC RISKS: You're tempted to cross boundaries today. Risks in love bring excitement but no security. An experiment may be called for to reduce distance.

## **Should I make a sudden move in a relationship?**

It's not wise. The urge for independence is strong, but there can be regrets. Take a day off from the demands of love, and meet some interesting and exciting people.

## **How are new people who come into my life today?**

Those you meet today are on the fringe. There is an aura of unreliability. This may not be safe. Amazonian women declare their rights, but protest too much.

## **How should I handle restlessness?**

Do something different today, and meet new people. Unusual social environments will stimulate you, but also remind you of the value of what you already have.

*Transiting Venus positive your Sun*

and original, and you don't want your ideas watered down by the skepticism of others.

Hold on. You can be convinced about almost anything today. If you hear a great idea, give yourself a few days to consider whether it is practical or not.

## **Where does wisdom lie?**

'The truth that can be spoken is not the truth'. Beyond rational thought you can sense a greater truth. Who needs words when swimming with whales and dolphins?

*Transiting Venus challenges your Neptune*

DREAMS AND DISAPPOINTMENT: When the bubble bursts, the longing remains. Love is unrequited when it is unrealistic. Only spiritual bonds stand the test of time.

## **Should I put reservations aside and give myself heart and soul?**

You'd be making a mistake if you did. There are people out there who know how to pluck your heartstrings. Don't fall for a sob story that could end up being yours.

## **How can I find happiness in love?**

Life and love is transitory but we are all in the same boat. Indulging feelings of sadness about this can be habit-forming. Compassionate acts neutralize sadness.

## **What's the best attitude to financial proposals today?**

Wait before you decide. There could be a fraudulent or unrealistic element to proposals. All is not as it seems - investigate.

to their side of the story, but keep your response to a minimum. There is more going on inside you, than you know.

## **How important is compromise and diplomacy now?**

That time is over. Cut through to the core issues, and identify the weak link. Deliver your message firmly and without compromise.

**02-11-2017**

*Transiting Sun challenges your Saturn*

OVERCOMING SELF-DOUBT: You are put on the defensive. Don't be hasty. Withdraw and regroup. Expect resistance, expect delay. Resist pessimism.

You are. Just because someone criticizes you, it does not mean you are ineffective. This is simply a chance for self-improvement. Think positive, and don't undermine yourself.

## **How should I handle authority today?**

Don't take things personally. People are just doing their job as best they can. They may be just as unsure as you are. Be helpful, shoulder responsibility.

Today you have to make your own luck, and that means making plans for the future and thinking positively. Setbacks are ways to self-improvement.

Without provocation you may not feel like taking action. See this time as an opportunity to take dynamic action in the direction you want to go.

**CONFUSED BY FEELINGS:** Feelings overwhelm you... home and family are uppermost in your mind. If you're smart, you'll know what makes your unconscious tick.
