HOW TO READ YOUR PERSONAL HOROSCOPE REPORT

This horoscope is your personal cosmic fingerprint. No other person will have exactly the same combination of influences, unless they were born in the same second and exactly the same place as you were. With 10 planets, 12 signs of the zodiac and 12 houses there are approximately 1500 simple combinations in the horoscope, and when you add to that the different degrees and combinations between planets there are tens of thousands of influences which have to be weighed and juggled in any astrological interpretation. No computer programme can do this satisfactorily, but we do our best.

THE DIFFERENT SECTIONS

Reports from World of Wisdom are designed to simplify the interpretation process for you. It indicates for example the relative strengths of different planetary influences so you can see what is most important. Furthermore this written report is divided up into sections on Identity, Emotions, Mentality, Love and Sexuality to eliminate apparent contradictions which arise in the character description. But the reader must bear in mind that contradictions will arise. People are complex and contain many contradictory traits. Diametrically opposed character descriptions will either reflect inner dilemmas or outer conflicts reflected in the behaviour of others.

PROFESSIONAL and PERSONAL PROFILE

The World of Wisdom birth report can cover your personal character, your professional life or a combination of both, depending on your choice of report. The professional section addresses the questions: "What talents do I have?" and "How can I use this ability?" The personal section is concerned with relationships and hidden psychological causes, and addresses the question: "How can I improve myself in this area?"

PAST, PRESENT & FUTURE

Our reports can also integrate trends of the next year or two into the birth analysis, going beyond a static description of personal character and introducing a dynamic sense of what is happening for you here and now. The dynamic trends show the unfoldment of the horoscope through time. By analysing the current trends, it is therefore possible for you to gain insight into events just past, events happening at the present moment and trends into the future.

THE AUTHOR

This report is designed and written by Adrian Ross Duncan, former editor of the Astrological Association Journal, who has worked as a full time astrologer since 1985. Adrian is author of "Doing Time on Planet Earth" (Element Books 1990) and "Astrology: Transformation and Empowerment" (Red Wheel/Weiser 2002). His astrology software Horoscope Interpreter, Astrology for Lovers, and The Astrological Calendar are available from www.worldofwisdom.co.uk

It is our hope that the written report will give those who do not have the time to bury themselves in the study of astrology the opportunity of gaining insight into both their professional and personal life. If you wish to learn a little more about this report, you are encouraged to read the Introduction to Astrology at the end of the report, which describes the general influence of the 12 signs, the planets and the 12 houses

Life Path

Ascendant In Libra

PROFESSIONAL - LIFE-PATH: Relating

You have a talent for dealing with people. Your social nature combined with a fine aesthetic judgement gives you the opportunity to excel professionally in areas where good taste and an ability to weigh things in the balance are needed. This can vary from creative pursuits dealing with music or objects of beauty, to consultancy or dealing with personnel. You are strongly motivated to create peace and harmony around you, and will often find yourself taking the middle position between warring parties. As a natural diplomat, you will be appreciated by those you come into contact with. Some may feel you are manipulative, but most people benefit from your genuine concern for their well-being. At crucial times in your life, you may appear to be indecisive. You can agonise about taking a decision, and no amount of information gathering will help you. Ultimately you take decisions on an intuitive level.

PERSONAL - LIFE-PATH: Relating

Basically you are a friendly type of person, and you have a genuine and natural interest in other people. You probably come across as a sociable and charming person, and you have a special talent for creating an atmosphere of peace and harmony. Partnerships are alpha and omega for you, and you will seldom be alone in your life. You are willing to make many compromises to ensure that a relationship functions smoothly. Using your ability to see matters from another person's point of view, you can defuse conflict before it begins. However this tendency may be construed by others as a reluctance to confront important matters when they arise, and this in turn evokes a confrontational attitude in those who are close to you. You have a fine discriminating judgement - use this to discern when you should compromise, and when you should make a stand.

Ascendant Trine Venus

You will often feel the influence of this aspect, though stronger influences may predominate in other areas of your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - LIFE PATH: Aesthetic comportment

You have the ability to create a pleasing impression, and generally you comport yourself diplomatically and with all

the social graces. As the ability to win the affections and confidence of others is one of your greatest talents, you would do well dealing with people in one form or another in your professional life. Aesthetic issues are also of great importance to you, and this may be reflected in your work.

PERSONAL - LIFE PATH: Aesthetic comportment

You exude an aura of grace and good taste, and this can win you many friends and admirers. Your dress, and taste in personal adornment, creates a very harmonious and pleasing atmosphere. You are easily seduced by beauty, and often led astray by affairs of the heart. Stable relationships can be threatened by your need for romance. Love is the spice of life. You have a weakness for sensory stimulation and luxury.

Ascendant Conjunction Jupiter

It may be difficult for you to discern the influence of this combination of planetary energies as it is not a strong configuration in your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - LIFE PATH: The counsellor

You are not interested in trivia, and therefore seek a profession which gives some kind of overall meaning. You are probably destined for success, and can exert considerable influence through the power of your opinions or good judgement. You have a tendency to overestimate the importance of your ideas, and may be unreceptive to the views of others. Generally, however, you maintain a fine perspective on the important issues. You are an excellent adviser.

PERSONAL - LIFE PATH: The counsellor

You are a larger than life character with strong views on most issues, and a deep interest in spiritual issues. You are open and willing to expand your philosophical horizons. Generally blessed with good fortune and an optimistic frame of mind, you have the ability to expect the best of the future. There may be a tendency to overindulge or be too extravagant. People value your ability to understand in depth the things that move them.

Ascendant Conjunction Uranus

It may be difficult for you to discern the influence of this combination of planetary energies, as it has only a mild effect in your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - LIFE PATH: Light of the future

You bring the spirit of renewal and innovation into whatever projects you involve yourself with. You are strongly motivated by social visions, and are keen to instigate change. You may have some problems accepting the status quo, and this can lead to a certain alienation in society. You have a talent for dealing with New Age interests, technical matters or people from unusual environments.

PERSONAL - LIFE PATH: Light of the future

You can feel that your role in life is connected to future visions and the necessity for change in society. You add a dash of originality to the world, and people are either inspired or provoked by your rather unusual personal style. You shake up your surroundings and often use shock tactics to make an impression. You thrive in an atmosphere of excitement and unpredictability.

Venus In Gemini

PROFESSIONAL - VALUES: Enjoy meeting people

There is a natural talent for communication, often on a creative or aesthetic level. Professionally this gives a number of valuable abilities, not least a charming persuasiveness. You will thrive in situations in which you are required to meet people. You are good at facilitating contact, and may also have talents connected with personnel. As you have extremely good literary judgement, you may wish to try your hand at writing. You have the ability to make rapid adjustments when meeting others, and there is a talent for really reaching people mentally. You will not thrive in an isolated position. You need social stimulation and a variety of tasks to perform. Your friendships will be a powerful resource in your life.

PERSONAL - VALUES: Enjoy meeting people

In love relationships there can be a lack of stability, as a single partnership will have difficulty satisfying the need for social contact. Therefore there is a certain innocent flirtatiousness. Both men and women with this position seek stimulating mental relationships, culture, intelligence and a special kind of social mobility. Freedom to get out and about is an essential ingredient in a satisfying relationship. Without change, travel and an active social life, there is a risk of feeling stifled by the partner. In women a youthful charm is apparent, and men with this position are particularly attracted to the elfish, carefree type of partner. Good communication is the cornerstone of a satisfying love-life.

Venus In 9th House

PROFESSIONAL - VALUES: Aesthetic judgement

You have a very fine judgement in all cultural matters, and one of your greatest professional talents is your discernment as regards what is of value, and what is not. People appreciate your ideas - which are strongly based on aesthetic concepts and a sense of inner balance - and what is more they appreciate the gentle and persuasive manner with which you put them across, and your willingness to listen to their opinions. You have therefore talent as a critic in one form or another. As your cultural interests also extend to foreign climes, you may draw from an international set of values. You have talent for sales and presentation, marketing and the media, and anything connected to the enshrining of the principles of good judgement.

PERSONAL - VALUES: Aesthetic judgement

In relationship matters you are far more interested in intelligence than good looks, erotic pursuits or the like. Your romantic yardstick is related to how much you can learn from partners, and to whether you can respect them for their understanding. You are often attracted to a partner who comes from a foreign land because stimulating cross-cultural contact means so much to you. Discussions and learning will be an integral part of the relationship. For you "beauty is truth, and truth beauty". Spiritual or philosophical insights are high up on your list of priorities. You believe in the principle of a merciful and loving God, and you have the capacity to show great devotion in religious matters. In your own intellectual growth you are more inclined to the arts than the sciences.

Identity

Sun In Cancer

PROFESSIONAL - IDENTITY: Sense of belonging.

You are a loyal person easily moved by the bonds of attachment that link you to others - particularly family members. You work best in a secure environment with people you know, and your place of work can be a second family to you. You resent intruders, and it takes time for you to get used to new people in your professional circle. However you are talented at understanding others, and strongly motivated to help care for people. You are a vulnerable person and will seldom forget it if someone harms you, or someone else who you care about. You are particularly attached to your territory and defend it fiercely. Actually you work hard to create a cosy atmosphere at your place of work. You have a natural business talent for increasing your assets. You hang grimly on to professional gains, but often future growth is prevented by past clutter.

Economic insecurity can make you physically ill, because you are so attached to home and family and fear loss. But you are dynamic and industrious, so you tend to steadily advance in life.

PERSONAL - IDENTITY: Sense of belonging.

The bond to your mother will have been particularly formative. You are sensitive and easily hurt - though this may not be immediately apparent on the outside. Likewise, you are loyal and passionate in your defence of those you love - injury done to them is also done to you. You have a strong and instinctive protective nature. The greatest dilemma in your life comes when the bonds of attachment are broken - for example in connection with changes in the family structure. At these times it is important to recognise the dangers of sentimental attachment to the past. Your reluctance to let things go can stand in the way of your personal development. You have a great talent for building up a nurturing environment for those who are close to you, yet it can also help to be more open to those who are not necessarily so close. You are easily upset by changes in your daily rhythm, and can be rather grumpy when called upon to change habitual behaviours. Your home is your castle.

Sun In 10th House

PROFESSIONAL - IDENTITY: Professional manifestation

You are capable of having a high professional profile - indeed society demands that you become deeply personally involved in your career. You are a natural leader in your field and it is an advantage for you to strive to become known. More than most you define yourself through what you do, and through how other people judge what you do. You are suited to a profession in which you either are self-employed or employ others. Should you find yourself working in a subordinate position, you may have differences of opinion with your employers. They will think you are arrogant, you will think you can do better than them! Successful leaders become role models for you.

PERSONAL - IDENTITY: Professional manifestation

You are extremely involved in issues of self-esteem and feel that your own self-worth must be measured by your achievements in society. This attitude stems from the influence of a parent - probably your father - who imbued in you ideas of respect and duty to society. Attaining goals, then, is the strongest motivational factor in your life. The problems is that you tend to move the goalposts in a constant spiral of striving. Perhaps it would be wise to relax more and enjoy the fruits of your labours? Because you

identify so strongly with your professional position - you are what you do - you may have difficulty being spontaneous and natural on an intimate or emotional level. You also have a deep need to be respected and appreciated by your partner. Being known or respected makes you take yourself too seriously.

Sun Conjunction Mercury

It may be difficult for you to discern the influence of this combination of planetary energies; it is weak and may be outweighed by stronger influences. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - IDENTITY: Subjectivity

As Mercury is never more than 28 degrees from the Sun, the only aspect possible between them is the conjunction - the closer they are together, the stronger this aspect will be. There is a great mental talent and a restless desire to learn more and gain experience. You would thrive in a job which gave you the opportunity to be on the move and meet people, as communication is definitely one of your strong points. You hate to be stuck in any job, and you need constant mental stimulation. This can of course lead to a number of radical job changes. Alternatively you can satisfy your need for stimulation by going on courses or undertaking study projects. You have good teaching abilities and would prosper in any position in which you had to get a message across. Your strong points are your versatility, curiosity and a youthful enthusiasm. Your weaknesses are connected with restlessness and lack of concentration - and a tendency to be very subjective in your evaluations. You are overconcerned with making an impression and like to have the last word. You hate being wrong, and have difficulty admitting it when you are.

PERSONAL - IDENTITY: Subjectivity

Intelligence and communication are important issues for you in your personal relationships. You identify strongly with what you say, and it can be a blow to your personal pride if you are ignored or misunderstood. As a result you tend to be forceful in your opinions and at times unreceptive to what other people say and think. You are overly subjective, and you can spend a great deal of time running an inner dialogue in which you talk to yourself. By nature you exude a youthful spirit and a certain naiveté

Sun Trine Neptune

This aspect is extremely powerful in your horoscope; every action you take will be coloured by this energy. Because

there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - IDENTITY: Find meaning in spirituality
On a professional level almost anything is possible for you - as long as you feel that what you do is meaningful. Whatever field you choose, your success will not satisfy you unless you work creatively or have altruistic goals. True satisfaction comes when you transcend material goals and personal ambition. You have high, and perhaps unattainable expectations of yourself...and often of others. You have an intuitive insight into others, and a natural creative talent, but you seem to have an unconscious drive to set up situations which guarantee disappointment or failure. You function best when there is an overall ideal that goes beyond your personal needs. There is a talent for working with visions and dreams, and areas of social concern.

PERSONAL - IDENTITY: Find meaning in spirituality
You are a sensitive and impressionable person with a strong need to be able to define who you are. You often feel that your grasp on reality is not tangible. If life becomes boring or monotonous, this can strike at the very core of your identity. Women with this aspect put their men on a pedestal from which they rapidly fall. In your longing to find an ideal that does not dissolve like a mirage in front of you, you will constantly refine your nature. Your longing and dissatisfaction is the engine of spiritual change in your life. You find yourself by going within yourself. Meaning in life comes when you seek to attain idealistic goals and develop a collective vision which benefits others. You would definitely benefit from meditative practice.

Sun Sextile Pluto

This aspect is of medium strength and its influence will often be felt, though not acutely. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - IDENTITY: Transformation of identity
It is important for you to make a strong impression on people, and you invest a lot of energy in this - more than you are aware of. Much can be gained by toning down your personal energy. You are suited to positions requiring the use of power and psychological insight. Whatever you do, you like to be deeply - sometimes fanatically - involved. This may often lead to battles of will, and you tend to win, basically because you cannot contemplate personal defeat.

More flexibility would actually benefit you and help you avoid tiring power games.

Personal power is a natural asset - as you will discover after a number of significant personal crises which lead to a revaluation of your role. These crises are centred around achievement at all costs, or fanatical attachment to a particular role which outlives its meaning for you. When you learn to tone down your sensitivity about self-esteem, and invest your considerable willpower into projects which really mean something to you, and to others, you can achieve success. You may have a talent for psychology or dealing with the powers of the unconscious.

PERSONAL - IDENTITY: Transformation of identity
Early personal experiences have made you sensitive about your identity, and anxious about self-esteem. However this means, paradoxically, that you often overwhelm others with your presence. Thus you tend to be a dominating figure in intimate relationships. You need a partner who is not superficial and who shares your intense approach to life. To achieve harmony here you should relax instead of asserting yourself, otherwise relationships will become very exhausting. It is important to realise that power battles are related to inner fears about your identity. Women with this influence will often be attracted to a dominating man, only to find that he does not match her own strength which was acquiring through trying times in childhood. More intimacy can be achieved by daring to show vulnerability.

Sun Trine N.Node

This aspect is extremely powerful in your horoscope; it will dominate many areas of your life. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - DESTINY: The illusion of being
There may be a number of advantages for you in assuming a high profile in connection with specific groups of people. You may be elected as a figurehead, and your personal character can filter down to those you are connected to and have a profound affect on their lives. How to deal with the ensuing recognition or fame may, however, be something of a dilemma for you. Victories can ring hollow, and honour may bring disillusion, although you have a role to play in other people's eyes.

PERSONAL - DESTINY: The illusion of being
Contacts with other people will play an important role in your search to get into touch with your inner identity. Father

figures - through their presence or through their disappearance - will force you to ask a lot of questions about the nature of your existence, and this will in time lead to new spiritual growth and vision. Influential people and - later in life - spiritual authorities, may be eclipsed through sudden inner realisations. Times of inner darkness alternate with the blinding light of Truth.

Jupiter transiting Square Sun

09-01-2017 -> 30-09-2017

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - IDENTITY: Creating your future

During this phase of rising self-confidence you can expect your plans for expansion to take off. You should be thinking positively about the future now, visualising how you would like things to be as vividly as possible. Your power to get what you want is at its highest, so start expounding your visions of a bright future. Remember: you get what you focus on, so focus on what you want.

It is favourable to expand into foreign countries; higher education, public relations and insight-enhancing projects will also bring success. Whatever you do, it is essential that it has depth and meaning for you. Don't waste important time on trivial matters - success is about the quality of life and making an impact with the essence of your own identity. If necessary take time off from work to build up a new vision for your future. If you have any legal problems, you will be confronted with them now so ensure that you are morally unassailable. And don't over-estimate yourself and your capacities. Make sure your plans are within the boundaries of reality.

PERSONAL - IDENTITY: Creating your future

During this phase of your life you will be given the opportunity to find a new sense of meaning in your existence. Bubbling up from within, you have the chance to release a new energy and enthusiasm based on a sense of your personal relevance to this planet. Travel abroad and contact with people you respect for their intellectual and spiritual capacities will now expand your world-view. Knowledge and understanding will enable you to build up a broader moral base with greater insight and tolerance.

This is a very favourable time for religious growth if you are so inclined, or philosophical and intellectual insight. In many ways the world opens to you and reveals its gifts and blessings for you to enjoy. Take care as you sample the

pleasures of this cornucopia and don't overestimate yourself - personal hubris will be punished and you may find yourself coming down to Earth with a bump.

Uranus transiting Square Sun

25-02-2017 -> 08-04-2018

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - IDENTITY: Radical change

This is a dramatic time of change which favours those who are willing to take a risk concerning the future, but upsets those who would prefer things to continue as they are. Now is the time to make some revolution in your life by grasping modern trends and setting out on untrodden paths. If economic safety and job security are your main priorities, you could be in trouble. Unpredictable things can happen now because change is on the agenda. If you take an objective view of what you are doing now, you will almost certainly see that if some kind of renewal doesn't take place, you will die of boredom. Do not avoid necessary change now - you should be prepared to make daring and radically new decisions - let yourself be swept along by the excitement of the times.

Opportunities now are connected with greater freedom and independence. You can drop work which restricts your movements and consider more flexible working hours. This is a favourable period for free-lance work, or temp work which gives you more time to do the things which really interest you. Working with new technology, computers, fax and modern communication is particularly favoured. If you have New Age interests, this is the time to really go for them. You may find yourself travelling more internationally, or getting involved with foreigners. Humanitarian issues can be important.

PERSONAL - IDENTITY: Radical change

This is an exciting and breathless period which brings dramatic new awareness and consciousness change. Above all it is a time to set yourself free and enjoy a world without boundaries and restrictions. Perhaps your loved ones will have difficulty appreciating how strong your need for change is, but this is not the time to compromise. This is your time, and you must avail yourself of the opportunity to change your attitude to your life.

You can meet some very exciting people at this time who come from exotic countries, or who have unconventional and inspiring interests. Involvement in groups is particularly

favoured, especially as regards consciousness-raising activities. It is as if you are electrically charged and full of new energy, so grasp the opportunities that arise. You can accomplish far more than normal in this short period. It is also possible that you feel bored or tied down now, and this is because of the awakening need for change. Change can come suddenly and unpredictably, and when it arises, you should not miss your chance. This is an excellent period for sudden insight into your identity, and for renewed spiritual awareness.

Emotions

Moon In Leo

PROFESSIONAL - EMOTIONS: Create warmth around you. Other things being equal, you have a strong self-esteem, and this will be expressed in a warm and natural way in your emotional dealings with others. On the other hand you have a very sensitive pride indeed, and you can easily feel offended if you think you are being ignored and treated badly. So on the one hand you can be amusing and charming, and on the other rather proud and demanding. In business, pride comes before a fall, so avoid confrontations based on displays of dignity. In professional and social matters you will often be the centre of attention and your playfulness creates an uplifting atmosphere. You have a talent for creative ventures in which you can express your identity.

PERSONAL - EMOTIONS: Create warmth around you. You have been brought up to feel that you are worthy of respect and you are strongly motivated to live up to high parental expectations. Your winning manners and romantic nature can lead to fairly dramatic experiences in love. Dealing with the consequences of romantic involvements will be very formative for you. You have considerable charm and expect a good deal of attention, but on the path to emotional maturity your identity will often be bruised, as you learn how energy-consuming it can be to win the admiration of others. You are a creative person, you like to live the good life, and you expect to have an impact on others. Children can come to mean a great deal for you, and give you the joy you are constantly striving for.

Moon In 11th House

PROFESSIONAL - EMOTIONS: Social security. You have a professional talent for working with people in groups, especially if this involves caring or humanitarian projects. You feel at home in the crowd, and career

satisfaction comes when you have a sense of belonging to the people you work with, and know that they also appreciate you. You can become quite attached to pet projects and have some difficulty letting go of the reins when other people take over. You are passionately attached to idealistic principles as regards the treatment of special groups in society. You may also be interested in consciousness development in groups and have a talent for working with emotional problems in untraditional environments.

PERSONAL - EMOTIONS: Social security

You form very strong bonds to your friends and are extremely sensitive to how they treat you. You are both caring and concerned as regards their personal development, and easily hurt if they let you down in any way. You need to belong to a group, and your experiences in this area are strongly influenced by your school years. You tend to become too attached to a particular friend at this time, and this can bring problems when you both develop the need for change. During the course of your life you learn to develop a greater emotional detachment, so that you are not so easily hurt or disappointed by others. You may be over-sensitive as regards your social position.

Moon Square Mars

Though not especially strong, you will be able to feel the influence of this aspect under many circumstances. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - EMOTIONS: Temperament

You have a dynamic and forceful personality, and generally get your way in your professional dealings. Your greatest enemy is your temperament - you get angry easily, and when you get angry, you take ill-considered actions. So if your job involves dealing with the public, there will tend to be a lot of conflict. You may however function well if your job entails the need to confront people and get things done, but not if it involves diplomacy or sympathy. You are impatient, but on the other hand you tend to invest your heart and soul into your work and get things done quickly and efficiently. However, you create an atmosphere of tension around you, and are extremely sensitive to criticism. You often imagine attacks which do not actually take place, instinctively going on the offensive, or defensive, to deal with supposed threats. Obviously this kind of reaction evokes the very kind of attack you are seeking to avoid. Only by taking a long, cool look at your assertive nature and by developing greater

sensitivity and calm as regards others, can you hope to win goodwill in your professional life.

PERSONAL - EMOTIONS: Temperament

You were brought up in an atmosphere of tension which has made you constantly on guard. Perhaps your mother was an unusually aggressive woman, or perhaps there were many struggles in your family life. Whatever the reason you tend to get easily upset now - especially in your domestic life. Women with this aspect are often attracted to emotional men who express their feelings passionately and intensely. However this may be because of unconscious provocation from the woman, who - never having experienced peace and calm in her early life - recreates the atmosphere of tension through criticism or angry moods.

Men with this aspect tend to have a short fuse, and often go about in an irritated state of mind. By identifying early childhood patterns of tension it may be possible to combat these negative emotional anger-states, which can be the source of a great deal of internal pain. Expression of anger rarely solves anything. It does not pay to let anger out, as you may fondly imagine. It pays to be conscious of the reasons for anger, before it arises.

As you mature and you gain insight into your emotional nature, you can learn to create an atmosphere of excitement around you. You will be inspiring to be with, and moreover, you learn to combat insecurity by giving freedom of movement and encouraging independence in those you are attached to.

Moon Square Neptune

This aspect is of medium strength and its influence will often be felt, though not acutely. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - EMOTIONS: Develop intuitive sensitivity

You are a supremely sensitive and impressionable person, and this will express itself as a moodiness and indefinable dissatisfaction. Yet you will almost certainly have creative and caring sides to your nature which can stand you in good stead professionally, as long as your job is not monotonous or meaningless. You have a capacity for being very sympathetic and understanding, and this may be a part of your work. You have spiritual talents - perhaps you can work with dreams or the unconscious in some way. You are powerfully influenced by your environment, and including the mood of the people around you. It is wise to choose environments free from pollution, spiritually, emotionally and

physically.

PERSONAL - EMOTIONS: Develop intuitive sensitivity

The greatest challenge for you is to attain emotional satisfaction, and this is best done by understanding the nature of your childhood. It is essentially for you to avoid the tempting pleasure of indulging your emotions and sentimentality. You so easily fall into negative emotional states, and this can make life miserable for the people around you. Your emotional impressionability creates serious problems in partnership matters - you simply have difficulty distinguishing the boundaries between yourself and your loved one. You take on the moods of others or absorb negative vibrations from the environment. The older you get the more you realise that this is just a bad habit, based on early conditioning. Avoid jumping into emotional swamps! Having said this, you have a wonderful talent for tuning in to other people emotionally and understanding them in depth. You are a very sympathetic person.

20-10-2018 -> 16-11-2018

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - EMOTIONS: Expanding your base

This influence depends very much on how large a role safety and security play in your professional life. If safety is paramount, you will be wanting to expand the foundations of whatever represents security for you now. As this may well be property, you could wish to move into a larger home or business, and indeed it certainly pays to invest in land and buildings now. Providing that you can trust your instincts in these matters, then property acquisition or expansion is favoured.

For some people freedom and expansion of horizons will be more important than security. The urge to investigate foreign countries - their people and culture - can play an important role in your career now. Trust in your hunches - your intuitive powers are at their highest in this period, and you have the enthusiasm to take on any challenge. You may however find that your interests lie outside the professional sphere. This is a higher-charged period for you emotionally, so you will probably also want to expend your energies on domestic or family matters.

PERSONAL - EMOTIONS: Expanding your base

This is a period when your feelings and emotions exert a tremendous power in your life. Hopes and dreams about the

future will be a driving force inspiring you to take action. Generally speaking you should have a degree of luck and good fortune in attaining your greatest dreams at this time. This is probably a natural consequence of the enthusiasm you invest in all matters. You can expect an expansion of your horizons and a deepening of your capacity to show feeling. You learn something of the mystery of life, and it gives a new meaning to your existence.

You can be strongly inspired by a future vision connected with domestic happiness, a home or children. There is, however, a tendency to go overboard. If you are hoping for the fulfilment of emotional dreams, so many opportunities can arise that you simply cannot make a choice. Furthermore your emotional suggestibility is at its highest - you believe what you want to believe. Whatever the concrete results - if any - of this period, you will come into deep contact with your emotional power and gain rewarding new insights.

Mentality

Mercury In Cancer

PROFESSIONAL - MENTALITY: Trust your intuition

You are a canny person with a head for business. You are not keen on taking risks, and like to hang on to gains when achieved. You are strongly motivated to attain security for the people who are dear to you. You are muted in your opinions, yet the emotional message in what you say can have quite a powerful effect on the mood of other people. On the other hand, if you are emotionally aroused, you may express yourself rather clumsily. You prefer to work in a secure position, and are inclined to serve loyally if treated with respect. You have a very fertile mind and an excellent intuition in business matters. You may not be very logical, but you can rely on your instincts.

PERSONAL - MENTALITY: Trust your intuition

You are a deeply impressionable person, and you tend to express your knowledge and opinions only after checking things out with your inner feelings. This emotionality will be discernible in your voice, which will probably be quite charged and variable in tone. You are sensitive and intuitive, and this can express itself in an instinctive talent for grasping the thoughts and feelings of other people. In partnership you are inclined to be rather quiet and very receptive. It is rather difficult for people to really know what is on your mind. When you do communicate, it is with those you really trust, and you do so with feeling. You function better on an intimate level, than on a superficial social level.

Mercury In 10th House

PROFESSIONAL - MENTALITY: Get your message across
You have certain specific professional talents which will lead you to work in several different areas in your life. Basically however your greatest professional asset are your mental talents and your special communication abilities. Contact with a variety of people, both locally and internationally, and a sense of being in touch with others - whether it is being up to date on what goes on inside the office or faxing and telephoning outside - are essential ingredients for professional success and satisfaction. You may do a good deal of local travelling, and work for you will be a constant learning and teaching process. New mental challenges are essential for your well-being - otherwise you will get bored. Develop your communication abilities through courses and improving communication techniques.

PERSONAL - MENTALITY: Get your message across.

You are a busy person, and your ceaseless search for the good professional opportunity distracts you rather from personal and emotional issues. Sensing your destiny is to communicate, you have a tendency to feel that relationships make you deviate from your path - unless you have a partner who can share your interests in your career. Professional worries and a chronic tendency to plan ahead mean that you set too little time aside for domestic pleasures. A partner who was active in the home would be the ideal counterpoint for you because when you come home from work you need an atmosphere which encourages relaxation.

Mercury Sextile Pluto

It may be difficult for you to discern the influence of this combination of planetary energies; it is weak and may be outweighed by stronger influences. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - MENTALITY: From secrecy to openness
You have an investigative mind and considerable talent for finding out about hidden issues and analysing things in depth. You are also good at keeping secrets. As such you are a natural detective and are able to find the root cause of problems. This is a useful talent in psychological matters, when working with computers or anything requiring fanatical attention to detail. There is an ability to tap hidden sources of information. In your professional life, however, you are inclined to be suspicious, fearing that important information

is being kept from you. People can feel that you interrogate them, and they tend to clam up. Sometimes you express yourself far too forcefully and do not allow people to come with their views. Success comes when you overcome communication problems connected with anxiety.

PERSONAL - MENTALITY: From secrecy to openness

You are a rather secretive person; you think hard and deeply, and sometimes you are plagued by compulsive ideas and fears. Much of this is a result of childhood anxiety connected with lies, secrets or lack of communication. Because you do not always let on what you are thinking, you can easily be misunderstood. Put people's minds at rest by clearing up these misunderstandings and strive to be as open as circumstances permit. When your feelings are hurt you can be silent for long periods. And when you are insecure, you tend to be suspicious of your partner. Harmony in relationships comes when you resist the tendency to argue for hours at a time, or to use silence as a weapon, and instead learn to be open and trusting.

Jupiter transiting Square Mercury

01-01-2017 -> 01-09-2017

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - MENTALITY: Expanding contact

The effect of this influence depends very much on how you employ your mental talents in your profession. This is the time you should invest in your mental abilities. Knowledge is power, so it could pay for you to go on courses, meet people and expand your sphere of influence. You can expect an increase in the time you spend travelling now, so try to streamline this area of your life. You should be doing more to enlarge your network of contacts, so make sure you are available through telephone, fax or computer. You will talk more, travel more and write more.

If you have any dreams as regards writing or getting some message across to the public, now is the time to go for it, as there is a strong disposition for success in these matters. This is generally a great time for wheeling and dealing, doing business and capitalising on contacts at home and abroad. Nevertheless you can talk too much and be too intellectually pushy. Take time to listen to the opinions and advice of others - you can make misjudgements if you don't.

PERSONAL - MENTALITY: Expanding contact

This is a period of expanding intellectual curiosity which can be reflected in many areas of your life. You will probably

devour books and TV programmes at this time to satisfy your urge to acquire knowledge. It will also be an important process for you now to weave all the threads of information that you gather into a whole piece of cloth, so that you can see a meaningful pattern in all the details that surround you.

This is a time to be on the move and to allow your mind to be fertilised by contact with a wide variety of people with different views on life. You should be bubbling with ideas, so you have to get them down on paper or out to a broader public. Although this is generally an optimistic period, there is a risk of losing your sense of proportion, particularly if you are inclined to worry or fantasy. Knowing the power of the mind to create the future, you would be well-advised to guide your thoughts into constructive channels.

Saturn transiting Opposition Mercury

12-02-2019 -> 06-01-2020

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - MENTALITY: Mental self-discipline

You are challenged now to get organised and to administrate your time sensibly. There is a particularly emphasis on improving and consolidating your talents. Long-term plans for training courses or intellectual improvement can be put into effect. Writing or communication blockages must be overcome. You can develop the necessary mental discipline now to attain your goals. Expect communication problems, and expect plans or travel arrangements to be delayed. There needs to be far more attention to detail. Attend to the small print when signing contracts.

Learning to economise with your words and messages is an essential lesson for this period. How can you express yourself most effectively in the shortest possible time? If you develop the self-discipline to organise your daily life so that you can attend to mental challenges, you can expect very satisfactory long-term results. There is a strong emphasis on business matters at this time - but many minor irritations. Take one problem at a time, be patient, and solve challenges with long-term strategies.

PERSONAL - MENTALITY: Mental self-discipline

This is a period in which you have more than the average amount of worries. There are many practical issues to be solved, and there is no other alternative than to get down to each issue and concentrate on one thing at a time. It is important to organise your time more efficiently. Problems

particularly arise in the area of communication. This is the time to address these issues and find practical solutions.

If you feel unsure of your intellectual abilities or that you lack the necessary training to do what you want, then you should make a commitment to improve now. You need to spend more time talking and listening to your partner - there are issues which need to be solved. Problems can also arise in connection with sibling relationships or neighbours, and if you are patient and diligent you can find long-term solutions. Discipline your daily life and realise creative dreams.

Pluto transiting Opposition Mercury

01-01-2017 -> 22-12-2019

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - MENTALITY: Replace outdated ideas

This is a time of mental pressure, when the mind incessantly dwells on issues without being able to solve them. This mental energy should be used to investigate new subjects and understand the core of things, rather than on needless worries and anxieties. Avoid getting obsessed about issues at this time. Secrets come up now - both your own and other people's - so it is important to be honest. There can be a feeling of a conspiracy, or maybe vicious gossip in the working environment. It is better to be aloof than involved. Lies surface, and so does the truth. However it is now that investigations brings results, even though the truth can be unpleasant. Vigorous action needs to be taking to root out dishonesty or corruption.

This is an excellent period for working with computers and gaining psychological insight. Courses connected with the science of the mind are favoured. Old systems of accounting, bookkeeping, filing, etc. should be replaced by new. This is an extremely hard-working period, and you may even find yourself working into the night-time hours. Take it easy, as your health can suffer during this period. Acute problems can be experienced with existing transport - this is the time to scrap old vehicles - and new transport possibilities may arise.

PERSONAL - MENTALITY: Replace outdated ideas

During this period you will be under considerable psychological pressure. One of the main problems is that you find yourself obsessively dwelling on issues, whilst no amount of effort can eliminate the worries you feel. On a deeper level what is happening is that there is a welling up

of powerful new mental powers which, if not channelled constructively, become the destructive source of anxieties. By channelling this mental energy into new fields of learning, particularly as regards occult and psychological issues, you will discover amazing new talents which can be the source of later success.

You must eliminate old ideas and convictions now - their time is past. Teachers, friends or siblings who have had a profound mental influence on you have now outlived their usefulness. In your personal relationships there is the danger of getting involved in endless and fruitless discussions. If you find yourself talking exhaustively into the early hours in an effort to resolve difficult relationship issues, stop. These discussions - or interrogations - will only lead to the exhaustion of your partner and ultimately to long frustrating silences. There are other more creative ways to channel your mental energies.

Jupiter transiting Opposition Venus

18-12-2018 -> 17-08-2019

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - VALUES: Blessings

If you are the lucky type, you could not have a better period than this one. This is a time when influential people - particularly women - can guide you towards success, and when your economic resources have every chance of expansion. Success comes in particular in the cultural, intellectual or artistic field, though there is also a reasonable chance of business expansion also. Matters of fairness and justice will cause concern at this time.

It is more important to enjoy life than just work hard at this time - if you can't appreciate life's pleasures now, when can you? What are your true values and goals in your career? This is the time to include them in your plans for the future. However, if you indulge your pleasures too much, this can be an expensive time. You are very vulnerable morally now, and affairs of the heart can lead you into a costly blind alley.

Don't cut corners to gain easy profit, a questionable gain now can lead to long-term loss. You are easily seduced.

PERSONAL - VALUES: Blessings

This is a romantic period par excellence, so you can expect affairs of the heart to have priority now. If you are in a relationship, your need to give and receive love will be very strong, so ensure that you indulge your emotional and erotic desires. This is a time when the power of romantic and sexual attraction is extremely strong, whilst the moral discipline is weak, so it is important to weigh the needs of the heart with other emotional costs. Sometimes it is more important to nourish and indulge the need for love than anything else, sometimes not. Let your ideals about fairness guide you.

It is a great time to travel, and if you are seeking a partner, there is one to be found in foreign climes, or in cultural or intellectual institutions. You are not inclined to fall for anyone for physical reasons alone at this time - you need a partner who can stimulate you intellectually, and expand your understanding of life and its pleasures. If you are interested in creativity, this can be a wonderful period because you gain insight and understanding of the aesthetic forces of Nature, seeing the beauty inherent in all things, and experiencing that beauty as a manifestation of truth in some way.

Neptune transiting Square Venus

01-01-2017 -> 20-01-2019

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - VALUES: Divine love

During this period you must ask yourself what has value for you. New people come into your life at this time, enhancing the quality of your professional relationships. Through their influence you should be able to discover a new appreciation of your social life, and a greater awareness of the importance of aesthetic factors for enjoyment. It is an excellent period for developing your artistic and creative interests. Indeed it might pay you to put your ambitions on the back-burner for a while, so that you can cultivate your capacity to experience life's pleasures.

Life offers many distractions at this time, and you can be led astray by your desire for magical experience. There is a great emphasis on matters of the heart, though promises made at this time are not destined to pass the test of time. You can also be seduced by economic sandcastles.

Whereas it is good to seek greater quality and integrate more beauty and taste into projects, care has to be taken not to invest in glittering ventures which show surface promise but no long-term stability.

PERSONAL - VALUES: Divine love

During this period you can develop a greater awareness of the needs of the heart to find lasting values which can be relied on to bring happiness and contentment. It is an excellent time for spiritual discovery and devotion. You need to contact people now who allow themselves to be inspired by aesthetic values. These contacts will enrich your life. If you have any creative or artistic interests, set time aside to pursue these interests now.

It is also a time in which love and romance can blossom and take flower. And just as Spring blossoms bring their blessings yet disappear so fast, love at this time is full of promise, yet rarely delivers lasting results. There is a tendency to get attracted to musical, artistic or spiritual people at this time, who express ideas which really appeal to your dreams. During the course of time, however, reality impinges on romance to reveal a scenario of normality and human weakness, which deflates the early romantic idealisation. The point of love in this period is to refine the heart and bring one in touch with the divine. "Better to have loved and lost, than never to have loved at all".

Drives

Mars In Sagittarius

PROFESSIONAL - DRIVES: Widen your horizons

You are a freedom-loving person with many strong opinions about what is right and what is wrong. There is a strong motivation to widen both your intellectual and geographical horizons. Seeing the world is an important part of your education, so you could work well in an international milieu. You need a profession which keeps you on the move and gives you an intellectual challenge. You cannot thrive in situations which limit you - freedom to make your own connections and form your own opinions is the key. Problems can arise when you get into discussions. Diplomacy is not your strong point, and you tend to serve the undiluted truth as seen through your eyes. You may be right - you often are - but does it get results? By cultivating the habit of treating other people's ideas with respect, you can win them over to your point of view.

PERSONAL - DRIVES: Widen your horizons

You are a very active person - even overactive - with

tremendous enthusiasm and persuasive power. This restlessness can mean that you are not so good at finishing the things you start, and that you have a tendency to have too many things on the go. Your drive is to understand the meaning of things - concrete results often take second place. Men with this position of Mars do not like to be limited in their relationships. They want a partner who either gives them the freedom to go out and make discoveries in the world, or who joins them in their search for excitement and understanding. Women with this placement are attracted to intelligent men, who they feel can widen their intellectual horizons. There may be relationships with men from foreign countries. It is essential for both sexes to be able to look forward to an exciting vision of the future, otherwise boredom seeps in to the relationship. Whilst intellectual stimulation and freedom are important ingredients for harmonious partnership, there is a tendency to be opinionated and argumentative. Women in particular can be particularly irate, when they feel their partner does not live up to intelligence criteria. As this is simply projection, it is important for each individual to pursue their own holy grail.

Mars In 2nd House

PROFESSIONAL - DRIVES: Overcome material challenges
A major asset in your life is your dynamism and determination. You are a go-getter, constantly eager to overcome the next obstacle in your pursuit of success. You are professionally suited to a job which leaves you the independence to make your own decisions, although you prefer a secure position. You earn money fast, and spend it fast, so a lot of money passes through your hands. There may be talent for working with your hands, or in a rugged profession. Your physical prowess may have some importance for your career. You have a very competitive attitude as regards your earning power, and are constantly striving to improve your material status. Basically you also enjoy the cut-and-thrust of the business world.

PERSONAL - DRIVES: Overcome material challenges
You fight fiercely to preserve the material empire you carve out for yourself. You may be something of a conspicuous spender, yet you have a very strong desire nature - both as far as economic issues are concerned, but also in regard to sensual interests. Impulsiveness and a headstrong attitude can get you into trouble in both areas, so take care. There is probably quite some focus on your sex-drive as a reflection of your self-worth. Women with this house position of Mars will often find that differences of opinions as regards finances can be a major source of tension in a relationship.

Men see their financial independence as a basic right, and this too can be a source of conflict.

Mars Sextile Jupiter

Though not especially strong, you will be able to feel the influence of this aspect under many circumstances. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - DRIVES: Ebullience

You are a person with considerable optimism and energy, and your generally dynamic nature and positive attitude to the future will most probably bring expansion and success in your professional life. You are endowed with great courage and enjoy a challenge, so you would thrive in employment which gave you the opportunity to expand your horizons and travel. There is something of the pioneer in you. As intellectual challenges are also important, you need mental stimulation and the opportunity to discuss issues and get important messages across. You can be very persuasive, but perhaps you also have a tendency to browbeat others. You have an almost religious zeal when it comes to convincing others about what is right and what is wrong. You may even see yourself as a fighter for justice, and whereas this ability to fight for a cause can be very useful under some circumstances, it can also lead to tiring conflicts and disagreements with superiors. Obviously, a job which utilises your energy, enthusiasms and deep convictions would be the best channel for your ebullient energy.

PERSONAL - DRIVES: Ebullience

You may well be an exciting person to be with because of your sharp intellect, optimistic nature and sense of fun. If you are a man, you will enjoy the company of your own sex, and be engaged in many activities, perhaps connected with sport or travel. You can excel in mental sparring contests and the thrill of debate. However there may be a tendency to pontificate, or generally make your opinions known in a rather dominating manner. Knowledge and understanding are strong motivating factors for you, so you like to sharpen your mind with discussion and involve yourself in cultural interests.

Women with this aspect are attracted to intelligent men, and often have attachments to foreigners. The most important motivation factor when choosing a man is his ability to expand her mental horizons - either through religious, political, philosophical or cultural interests. An intellectual watershed arises in the relationship, where the man is no longer able to satisfy the intellectual hunger of the

woman. How this issue is dealt with is critical for the success of the relationship. The most important thing for both sexes is to take personal responsibility for ensuring constant intellectual or philosophical expansion and personal growth. Relationships would improve dramatically, if you were able to admit that sometimes you are wrong.

Mars Sextile Uranus

This aspect is of medium strength and its influence will often be felt, though not acutely. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - DRIVE: Experimentation

You are an extremely dynamic person and you can perform tasks in a flurry of activity in half the time ordinary mortals take. You need excitement and originality in your work, and you do your best work when a deadline is threatening. When you decide to act, you strike like lightning. However you are best at working in short bursts of energy. Longer periods of activity tire and bore you. You have talent for working with technical matters - for example engineering, computers etc. You may also have a taste for more untraditional work, perhaps connected with New Age fields, consciousness-raising etc. The essential ingredient is freedom to experiment and learn from your own experiences. You are not very good at working in a team because you can react violently to being told what to do. You hate restrictions and orders and you need to go your own way. Other people may experience you as rebellious and you have a tendency to get into trouble with authorities. You are something of a pioneer, and may embark on dangerous travels to foreign lands.

PERSONAL - DRIVE: Experimentation

You are an extremely unpredictable person, and your fear of being limited by relationships makes you demonstratively aggressive when duty is required of you. Men with this aspect give their partner the impression that they can pack their bag and go at any time - in actual fact unpredictability is used as a threat to get their own way. Women with this aspect are attracted to unusual men, particularly from abroad or from some unique environment, - men who can promise excitement and freedom. There is a tendency to be enormously provocative and this can lead to explosive conflicts. This satisfies the ever-present craving for excitement in one way or another. To have peace in a relationship it is important to have some unusual interest or job which brings challenge and fulfilment. A relationship will

not provide this in any lasting way. If all goes well you are an exciting person to be with, always willing to take a risk or try something new.

Mars Conjunction Neptune

It may be difficult for you to discern the influence of this combination of planetary energies; it is weak and may be outweighed by stronger influences. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - DRIVE: Refine your desires

Learning to be motivated and being able to define what you really want to do is one of the greatest challenges for you. You have many talents, especially on the creative side, and these can express themselves in advertising and marketing, matters concerning body energies (for example healing and massage), and many other areas - including social care. Paradoxically you have high ideals, yet may get involved in ethically questionable ventures. You can be driven by a nagging dissatisfaction connected with the meaning of what you are doing, and you thrive best when you work creatively or for a cause which transcends material interests. Doing something you believe in is what motivates you. You have strong socialist impulses.

There is an extraordinarily repetitive theme about being cheated which can affect your working conditions. You will experience on occasions that people go behind your back or over your head - seemingly without any explanation. This is connected with your perfectionism and a tendency to express dissatisfaction. People hide things from you partially to avoid experiencing your disappointment. If you analyse your own behaviour you will discover that you also have a tendency to hide things from others! By being honest and accepting apparent imperfections, you can avoid unpleasant repetition of these happenings. It is also important for you to speak your mind and take a confrontation when it arises, to clear the air.

PERSONAL - DRIVE: Refine your desires

There is no doubt that moral issues are a big challenge for you in your life. Early experiences may have inclined you to be wary of acting spontaneously and openly, and this can give rise to great misunderstandings and often deceit in relationships. Women with this aspect will often find themselves getting attracted to men who disappoint them, perhaps through lying or being unfaithful, or through alcohol misuse. Men have problems regulating their material and sexual appetites.

Women are attracted to creative, artistic or spiritual men,

who fulfil their inner need to also develop these qualities. Whilst falling for a sensitive man however, there is paradoxically a fear of weaknesses in the male. An exaggerated focus on these supposed weaknesses and a fear of being lied to by the man actually causes the man to conceal his true desires and needs. This can result - in extreme cases - in a double life. The man with this influence cannot find satisfaction in simple material and sexual gratification, no matter how hard he tries - and he tries hard. Happiness comes when both sexes learn that satisfaction is only to be found in creative or spiritual goals - partnership will not in itself provide it. Dissatisfaction has to be seen as a divine discontent which drives the person to higher achievements.

Jupiter transiting Conjunction Mars

06-11-2018 -> 02-12-2018

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - DRIVES: Burning enthusiasm

It is important for you to harness the energy and enthusiasm which surges through your body at this time. The competitive edge is sharpened, and you have the courage and vision to enter the rough and tumble of the marketplace and meet whatever challenge that confronts you. You can overcome obstacles now and expand your sphere of action. This is not a time when you can be too interested in diplomatic niceties - you want to get things done, and in a hurry. There is a burning desire to achieve.

This is an excellent time for pioneering activities and expansion abroad. It is also a good time for throwing yourself into hard physical work. There is an inclination to get into confrontations now, and it is not helped by your desire to impose your beliefs and convictions on others. You may try to bully your way through. Although it is favourable to act on your convictions regarding what is right and what is wrong, it pays to gain insight first and cultivate greater tolerance.

PERSONAL - DRIVES: Burning enthusiasm

This is the time to be intoxicated by a new decisiveness and a willingness to invest your energy into getting what you want. There is a refinement of the sense of purpose and the meaning of taking action. This lust for life can manifest as an expanding of your horizons through travel, taking on new intellectual challenges, getting into your body through exercise and training - and sexual exploits. There is a sharp

increase in erotic drives at this time, and men will become increasingly aware of a need to prove themselves and their masculinity. This can manifest as the desire to woo and win the affections and body of a suitable quarry.

Women too become increasingly aware of sexual needs and the power of attraction to the opposite sex. There is a willingness to take the initiative in these matters. However it is actually the need to be stimulated intellectually that is paramount for women as far as attractions are concerned at this time. A relationship is also seen as a means to expand personal horizons and learn more about men and life in general. Indeed this period has most significance as regards insight into the body - and this includes greater consciousness concerning health, and the muscular system, as well as personal sexuality.

Wisdom

Jupiter In Libra

PROFESSIONAL - WISDOM: Trust your judgement

Your concepts of fairness and principles of justice and equality endow you with the ability to arbitrate between people. You see both sides of an issue, and you know what is in balance, and what is not. As a result people come to you for advice, and have profound respect for your conclusions. The potential for success exists in all matters where you apply your aesthetic judgement - whether it be on an artistic level, or in connection with human relationships. You can succeed particularly well in partnership with other people, and generally you are the one who can smooth the waters when trouble arises. An instinctive sense of harmony is an invaluable aid for you, when planning your future. You can visualise future issues and weigh them in your imagination, and this capacity leads to many wise decisions.

PERSONAL - WISDOM: Trust your judgement

You were born at a time of increased international diplomacy. Nationally the spotlight was on cultural and aesthetic issues. And on a general level it was a time of positive new trends in human relationships. You are inclined to build up a wide network of social connections and benefit from the goodwill of influential friends. With this influence in your horoscope, you have the capacity to be superior judge of issues, cultivating values of impartiality and fairness. Your personal fascination with the ideal relationship can mean, however, that as far as romance is concerned your judgement is not always so wise! Love affairs can lead you astray. Generally though, your talents incline you towards very rewarding relationships because you are always willing

to view matters from the point of view of your partner and compromise when necessary. However you will not compromise when you feel that an injustice is being done - on matters of right and wrong you have strong convictions.

Jupiter In 12th House

PROFESSIONAL - WISDOM: Spiritual ballast

As you are person with a deep faith and many spiritual and psychological resources you can be of great help to people professionally through giving assurance, advice and support. People can be helped by your faith and ability to have a positive view in a difficult situation. You can work in a large organisation, especially if connected with humanitarian ventures, or with the general well-being of the population - for example with hospitals, welfare institutions etc. You are helped in your work by a deep belief in the qualities of mercy and the importance of service to humanity. You have a keen knowledge of the levelling nature of personal misfortune and the transience of worldly benefits.

PERSONAL - WISDOM: Spiritual ballast

Some of the most rewarding experiences in your life come from the spiritual or creative insights that you are blessed with from time to time. For you the inner world of the imagination is richly populated with beneficent influences. It is obvious to you that faith can move mountains, and you can receive great benefits by drawing on your capacity to use this knowledge. Mobilisation of your capacity for positive thinking can bring you success, but your personal values are more spiritual than material. Perhaps you already have a strong religious faith, perhaps you are still on a spiritual journey to find meaning in life. The teachings you receive will enable you to greatly enrich the lives of others who are in spiritual distress. Care must be taken, however, to ensure that you do not foist your own opinions and convictions on others.

Jupiter Conjunction Uranus

This aspect is extremely powerful in your horoscope; every action you take will be coloured by this energy. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - WISDOM: Exhilaration

This aspect can last for a number of months and have a strong collective influence. If you harness this influence in your career you will have a strong idealism both socially and as far as introducing new methods are concerned. Your provocative views will be a challenge to the establishment.

You are an internationalist, and wish to concern yourself with issues that cut across national borders. This can bring travel to exotic lands and contact with exotic cultures. You can channel enormous enthusiasm about the future into your career - for you the path of liberation lies in innovation and experimentation. You would thrive in an international organisation, and as you also have strong humanitarian tendencies you may choose to work in a field which has to do with social reform or perhaps consciousness-raising.

PERSONAL - WISDOM: Exhilaration

You have a driving need to expand your philosophical boundaries and this can lead to unusual personal interests and provocative opinions as regards both personal and social development. You can have some form of connection to the New Age movement, and are very interested in reforms. You will almost certainly embark on dramatic long-distance travels and experience enlightenment through new contacts established thereby. In relationships you are inspired by partners and groups who can share your untraditional interests. An international group can have a radical effect on your life. You pride yourself on your open-mindedness and tolerance - yet you are intolerant of intolerance. You tend to upset groups with your radical opinions, but perhaps you could achieve your goals more effectively by understanding the traditions that lie behind established opinions.

Jupiter Conjunction Pluto

It may be difficult for you to discern the influence of this combination of planetary energies, as it has only a mild effect in your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - WISDOM: Transformation of beliefs

This influence is often felt more collectively than personally. This is a combination that shows power in one form or another: big money, the power of ideology, the law. You will have very strong convictions and a intense sense of justice, and as such will often find yourself getting involved in issues connected with beliefs, righteousness, power and the misuse of power - especially as far as large organisations are concerned. Success comes when you encourage tolerance in yourself, and flexibility concerning your views, thereby overcome a tendency to be unreceptive to the opinions of others. Systems of positive thinking can transform your life.

PERSONAL - WISDOM: Transformation of beliefs

Your beliefs will undergo a profound transformation during the course of your life. It is important for you to bear this in mind, as you often defend your convictions with an compulsive persuasiveness which can be dominating in personal relationships. You may be aware of an obsessive need to be right, or a consuming hunger to acquire insight, and this can be rather exhausting for those closely involved with you. By resisting the temptation to impose your beliefs on your partner, and by being open and curious about other people's opinions, you can attain harmony. You will certainly develop considerable psychological insight in your life, and this may benefit you both privately and professionally.

Jupiter transiting Square Jupiter

21-11-2019 -> 17-12-2019

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - WISDOM: Development of insight

As Jupiter represents areas of your life in which hopes and visions for the future are paramount, as well as the need to gain understanding and meaning, you can expect an increase of awareness and activities in these areas now. If you are motivated by the need for expansion and growth, then you can expect advances. There is increased focus on your ability to act on moral values and pursue your convictions concerning society. This is the time to refine your judgement and manifest your capacity to guide and counsel others. If you have a tendency to overestimate yourself, indulge moral weaknesses or to make premature judgements, then you will be confronted with this side of your character now. If self-discipline and a natural carefulness is a part of your nature however, you can take advantage of opportunities to expand.

PERSONAL - WISDOM: Development of insight

Jupiter takes 12 years to go around the Sun, so it will return to its own position at the ages of 12, 24, 36 etc., and activate itself by major aspect every 2 years. During these phases of your life you can increase your insight and understanding, and plug in to that most essential part of your life which gives you a sense of purpose and meaning. It is at these times that you can rediscover your joy in existence and faith in the future. This in turn will enable you to be fertile and grow. However if you are the type who is over-confident or immodest, then you will learn a lesson at this time. Your hopes and visions for the future should be within the bounds of possibility, and if you do not keep in

touch with the ground under your feet, you lose out in the long run.

Saturn transiting Square Jupiter

13-03-2017 -> 07-10-2018

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - WISDOM: Opportunity knocks

This can be a good time in your professional life, if you are prepared to harness your vision of the future to build something lasting. Doors can open for you now, if you have done the necessary groundwork. You can at least reap the benefit of all the efforts you have made to improve your training and experience. People in authority are liable give you recognition, and this can lead to a change of status or well-earned promotion.

If you overestimate your abilities, and hope for success without making effort, then there will be few benefits from this period. You should be prepared to work harder, to wield more influence, and perhaps to travel in connection with your working responsibilities. This is a good time for dealing with authorities and formalising long-term future commitments.

PERSONAL - WISDOM: Opportunity knocks

You can expect some consolidation in your life which will give you greater security now. If you are the lucky type, you will benefit from real estate dealings or home purchase. Your status will be formally confirmed in one way or another. You can move up a few steps in life, if you are prepared to make the necessary efforts and have a positive expectation of the future.

You are challenged to overcome negative thinking now, and to work on your personal capacity to believe in yourself and have faith in the future. It can help for you to redefine your spiritual values and make a concrete effort to build up a more solid spiritual base. This is the time to make your opinions clear and to take a firm standpoint.

Jupiter transiting Conjunction 2nd House

24-10-2017 -> 19-11-2017

PROFESSIONAL - WISDOM: The Universe will provide

You are generally fortunate in economic matters, and one of your greatest resources is your ability to expect the best of the future. Your capacity to have faith in the principle of abundance will be directly reflected in your material success. You are willing to spend money to make money,

and many people can benefit from your generosity. You may have a talent for advising others on economic issues, especially as you have considerable financial foresight. You may earn money in connection with abroad. Financial security is a natural expectation for you. It is unlikely that there will be any anxiety as regards economic matters, but should there be, you are a fast learner and gain insight into major issues when in financial trouble.

PERSONAL - WISDOM: The Universe will provide
Unless other compelling factors prevent this, you will enjoy a very good standard of living. Paradoxically material luxuries will not be of primary importance for you, they just follow in the wake of your generous disposition. You place greater value on self-development and understanding than on material gain, and it is the resultant expertise which brings you rewards. You have remarkably strong moral values and convictions which will manifest in philosophical or political opinions which you stick to through thick and thin. You have a strong sense of ethics, and other factors in your horoscope will indicate whether this is expressed in a tolerant or moralising way.

Jupiter transiting Conjunction 3rd House

25-11-2018 -> 21-12-2018

PROFESSIONAL - WISDOM: Spread your opinions
You are probably a widely-travelled person - at least you have wide interests and constantly seek to expand your mental horizons. You have a natural wisdom and the talent to discern the main issues and true meaning behind everyday events. You have natural abilities as an advisor or teacher, particularly at higher levels of education. You could be a skilled negotiator, perhaps on an international level. Your unquenchable thirst for knowledge and understanding inclines you towards a profession in which you are asked to draw conclusions after studying a wide variety of material. You may be involved in the further education system.

PERSONAL - WISDOM: Spread your opinions
You experienced considerable mental stimulation as a child, and a family member or teacher will have played an important role - perhaps as a mentor - encouraging you to learn and ask questions about life. Mental Ping-Pong at an early age will have evoked extremely strong mental convictions in you, making you a very persuasive person. You are probably knowledgeable and interesting to listen to, but you may be opinionated and dominating in an innocent kind of way. To be truly wise, one must also be receptive to other people's ideas. In relationships you respect

intelligence and demand mental equality. You have little time for superficiality and are always seeking profundity. You find meaning in the small things in life.

Challenges

Saturn In Taurus

PROFESSIONAL - SELF-RELIANCE: Solid values
Saturn was in Taurus in the years 1939-42 and 1969-72. At this time there was a strong refocusing on economic resources and the values in society. This will also be a central issue for you in your professional life, and you will find yourself struggling hard to attain the economic stability which can make you feel secure. You have the capacity to administrate resources in one way or another, and you will pull hard, along with your generation, to create foundations for economic growth. You are also acutely aware of your own worth as measured by your own earning power. It is difficult for you to feel satisfaction in this area, and you work hard to constantly improve your financial situation, even though it may seem quite stable in the eyes of other people. You are of course strongly influenced by the spirit of the time when you were born, where society became acutely aware of scarcity.

PERSONAL - SELF-RELIANCE: Solid values
Self-worth is a major issue for you, and it is by no means easy for you to feel deserving. You may find yourself working extremely hard - for you are a persevering character - to attain material goals which can convince you of your worth as a human being. However there will be times in your life when you have to redefine your attitude towards material things as a yardstick for personal worth. One of the secrets of contentment is learning to feel an inner satisfaction and gratefulness for what you have got, rather than focusing on what you have not got. You can learn a lot by tuning into your physical senses and your bodily needs, and learning to appreciate simple sensory pleasures.

Saturn In 8th House

PROFESSIONAL - SELF-RELIANCE: Relinquishing control
During the first part of your life you will feel a strong - even obsessive - need to attain your ambitions and establish a security based on a secure status and solid economy. You exude an air of power and authority, and you can hold down a job which requires tremendous determination and survival powers. However you are not comfortable being under the authority of others - though you will find you often are.

Compromising yourself to maintain high status or a secure economic position forces you to establish a rigid facade of emotional coolness. These kind of ambitions does not lead to any long-term satisfaction. If you do achieve the high status or respect that you long for, you will experience it as an emotional prison and will feel considerable anxiety about losing your privileges. It is just a question of time before this kind of false security splinters, and you replace earlier obsessive drives with a total redefinition of your personal values. This brings an emotional release from driving ambitions, and leads to the discovery and definition of new personal goals.

PERSONAL - SELF-RELIANCE: Relinquishing control

The major challenge of your life is to break down the emotional barrier that prevents you from enjoying intimacy with others. Early emotional pain has taught you to protect yourself by building up a wall of indifference. This wall can bring despair and frustration to your partner. Behind this wall you are hungry for a deep emotional commitment. As long as the wall exists it is difficult for you to experience any deep satisfaction. Your defensiveness prevents you in particular from enjoying sex. Sexual satisfaction is dependent on showing emotional vulnerability - the thing which you fear most. Paradoxically it is only when you show your vulnerability that you discover you cannot be hurt. When you discover intimacy, the floodgates of emotional gratification open to you. Life is a long development process of liberation from emotional blockages.

Jupiter transiting Opposition Saturn

03-11-2017 -> 30-11-2017

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - SELF-RELIANCE: Expanding the framework

It is at this time of your professional life that the urge for growth and expansion confronts the forces of inertia in your career, or in society. You get to appreciate the power the establishment has over your life at this time. You are challenged to examine how you limit yourself and your future through restrictive systems or a lack of vision and faith in your abilities. If you can find the balance between learning from past experience yet allowing a future vision to inspire you, you may expect solid and steady growth at this time. It is important to expand within a certain framework and to accept the limitations imposed by professional

authorities. If you do this you will be an important cog in the development of your company, or culturally in society.

PERSONAL - SELF-RELIANCE: Expanding the framework

At this time of your life you have the opportunity to loosen some of the bonds that restrict you, and lighten the load which weighs you down. This is the time that you have to adjust the awareness of what is necessary by becoming aware of the art of the possible. Restricting life patterns can be replaced or adjusted by exploring new avenues for the future. Inasmuch as you are hampered by a sense of insufficiency or inferiority as regards your abilities, you can gain renewed confidence and faith in yourself now by defining future goals and working hard to achieve them. You can build a lasting niche for yourself in society at this time by laying new foundations for the future.

Originality

Uranus In Libra

Uranus In 12th House

PROFESSIONAL - ORIGINALITY: Beyond spiritual borders
You may want to integrate some unique talents as regards social idealism into your career. You can be particularly inspired by the plight of people who live on the periphery of society in some way. Your social concerns are felt very much on a collective level, and you tend to see solutions in terms of far-reaching political change. You can identify with the outsiders in society and may wish to perform social service on a particularly altruistic level - perhaps as part of an international humanitarian organisation. You are often disillusioned by the official bodies which have been established to help people in need, and are attracted to loose interest groups in which the individual effort makes a difference.

PERSONAL - ORIGINALITY: Beyond spiritual borders

You are susceptible to rather dramatic changes of consciousness on a spiritual level during the course of your life. Trauma and shock on an inner level shakes up your psychic defences and awakens deep-seated curiosity about the inner realms of the imagination. A sudden experience or consciousness of other unseen worlds can open up new psychic interests. You would benefit from contact with a group of like-minded people who have a similar attitude to spiritual issues. You know that there is more between heaven and earth than meets the eye, and you can become a channel for spiritual information or work with human consciousness in one way or another. You may develop an

interest in the human aura, electrical phenomena, clairvoyance and similar themes.

Uranus Conjunction Pluto

It may be difficult for you to discern the influence of this combination of planetary energies; it is weak and may be outweighed by stronger influences. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - ORIGINALITY: Total revolution

This influence last over a period of years and affects whole generations. It is connected with social and technological renewal which transforms world consciousness. If this influence is made personal in your life by aspects to personal planets in your horoscope, you will meet it in the outer world in the form of revolutionary groups or outsiders, or through dealing with the technology of radical change. You may also have a talent for creating revolutionary change in large organisations. There can be a particular talent for working with computers or in organisation where automation is an issue. Or you may play a social role dealing with the personal upheavals that the electronification of society causes. Sudden and extreme employment change may arise as you get swept up in vast collective trends.

PERSONAL - ORIGINALITY: Total revolution

On a personal level you may experience periodic traumatic upheaval and this can lead to a transformation of personal consciousness. In the face of this energy the human mind is often gripped by powerful obsessions - this was for example witnessed on a collective level in Germany when Hitler came to power in 1933. (Uranus square Pluto). You will almost certainly encounter someone in your circle during your life, whose obsessions wield a fascination over you, or evoke horror. If this influence manifests on an intimate level you have to be aware of a tendency to evoke anxiety in your partner through an extreme unpredictability or self-destructiveness. By avoiding extremism and concentrating on personal growth you can mitigate tensions that may arise.

Jupiter transiting Square Uranus

22-11-2019 -> 18-12-2019

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - ORIGINALITY: The future now

This is a time when insight and awareness of the future should be a force of inspiration and renewal in your professional life. Expect a dramatic increase in your horizons - either through long-distant travel and contact with exotic lands or peoples, or through mind-expanding activities connected with consciousness growth. Progress in your career depends on your ability to think in completely new channels and harness modern methods - both as far as technology is concerned, but also concerning revolutionary methods. This is a time of exciting possibilities and great inventiveness. The urge to be free and uncommitted may well have to be given priority over personal ambitions now.

PERSONAL - ORIGINALITY: The future now

During this period of excitement and unpredictability, you have a strong desire to expand the boundaries of your consciousness. Contact with foreign lands and cultures can blow your mind, and experiences on untraditional training courses or with experimental groups can give you a new sense of destiny or insight into transcendent aspects of your life. This is a good time for astrology and New Age interests, and to meet people who share special interests. So experiment, take a few risks and loosen your bonds - you need to allow the unknown and unexpected to happen.

Saturn transiting Square Uranus

22-03-2017 -> 12-10-2018

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - ORIGINALITY: Limiting individualism

This influence may not be so obvious in your life, unless you have strong Aquarius characteristics. It is a time when it pays to make constructive use of modern techniques in your career, or perhaps pursue interests connected with exotic cultures or people. Concrete work on untraditional or new age interests is also favoured. You will probably find that you will have to make some compromises with your tendency to be an outsider and to hold society at arm's length. It pays to build a bridge between old traditions and modern trends. Social idealism and commitment is favoured.

PERSONAL - ORIGINALITY: Limiting individualism

During this phase of your life, you will find that you have to take more responsibility for those sides of your nature which are outrageous or provocative. Authority figures will demand more self-discipline and social awareness, and you will not be permitted to merely indulge your extremist views.

However this is a good time to develop your interests in original and untraditional subjects, new age matters, and global awareness, especially if you have constructive plans in these fields. This may be a time when you will want to make a more formal commitment to an unusual group.

Transcendence

Neptune In Scorpio Retrograde

Because this planet was retrograde at your birth, you will have an instinctive knowledge of, and attraction to, the following traits and activities. You will tend to be introvert in these matters, and pursue your own individual path in strong contrast to the path chosen by others.

Neptune In 2nd House

PROFESSIONAL - TRANSCENDENCE: Refine personal values

You have a rather haphazard attitude to material values - you may be quite successful at accumulating worldly goods, but they have very little meaning for you. Experiences early on in your career convince you that it is no use selling your soul for material benefit. Professionally it is not the lucrative offer that catches your interest, it is more the ability to use your fantasy and imagination - and these are great personal assets. You have a talent for finding unusual solutions to material problems. You may find material success connected with advertising, film, the oil or chemical industry, or in caring professions. You have a "liquid" attitude to money, and if you are not careful you can be called to account for poor financial administration.

PERSONAL - TRANSCENDENCE: Refine personal values

You are well aware of the idea that money does not bring happiness, and experience tends to bear this out for you. Material loss will have profoundly affected your values at some point in your life, and as a result you hate to prostitute yourself for material gain. Nevertheless you often dream of attaining wealth, and success in this area would be no problem, as you remain unattached. There may be special circumstances in your life which drain your finances - keep an eye on your money! In partnership matters there can be a drain on your finances through some economic folly based on false idealism, or some issue which you refuse to confront. You prefer to live in blissful ignorance about your finances, and you will pay for this.

Neptune Sextile Pluto

It may be difficult for you to discern the influence of this

combination of planetary energies as it is not a strong configuration in your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - TRANSCENDENCE: Mass vision

These aspects are very rare and last a very long time. Indeed, as Pluto moves within the orbit of Neptune in the closing years of the 20th century, the present sextile aspect between the two planets lasts from 1940 to 2040 - one hundred years - so almost everyone has it! If you are able to manifest this influence on a personal and professional level (through powerful contacts in your own horoscope), it may be connected with a deep spirituality and creativity. There can be talent for dealing with the media and wide-ranging themes connected with the masses. Material issues will be less important for you than the realisation of a collective dream. There can be clairvoyant powers, and abilities connected with dreams, symbols and visualising. In industry there can be a talent for dealing with oil, the film industry or the transforming power of collective visions.

PERSONAL - TRANSCENDENCE: Mass vision

If you have this influence powerfully evoked by other factors in your horoscope, you will be deeply affected by spiritual issues, and constantly seeking to refine your consciousness. At these times you are likely to experience great personal disorientation and confusion, as old dreams and visions are replaced by new, deep psychological insights. Inner growth will have major priority in intimate relationships. During periods of your life you will undergo deep transformations in which your fantasy and imagination will play a powerful role. It is essential to learn to use your imagination in a positive way by learning about the power of the unconscious.

Neptune Trine N.Node

This aspect is extremely powerful in your horoscope, and will be a major feature of your character. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - DESTINY: Living a dream

Though you tend to keep yourself on the outskirts of the organisations and groups which constitute society, you may be able to exert a quiet influence on the collective mood through your deep concern or high ideals about human life. You may have Utopian principles with completely unrealistic

dreams about human nature and social relationships, but you do have a guiding vision for humanity. You may have the ability to channel collective visions through the power of the media. People project their hopes and dreams onto you.

PERSONAL - DESTINY: Living a dream

Your life is a journey in search of the unattainable. You are guided by feelings and intuitions which go completely beyond your personal ego, and you may feel - or long for - a sense of connection with eternal forces in the universe. During the whole course of your worldly existence you are reminded of the emptiness of so-called reality. Many disappointments arise to remind you of the futility of worldly ambition, and the field of human relationships is pervaded by an aura of dissatisfaction. You are in the world, but not of it.

Jupiter transiting Conjunction Neptune

28-02-2018 -> 04-11-2018

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - TRANSCENDENCE: Balloons and bubbles

You will experience a tremendous stimulation of your imagination at this time, and this can be used to advantage if you can harness your fantasy to some creative work, especially in connection with music, imagery and the arts. If being realistic is an integral part of your career, take care. Your idealism and dreams peak at this time, and this can seriously affect your judgement. Your imagination can be gripped by great hopes, and you have a tendency to attach your hopes to a bubble which expands and expands until it bursts. Inspiration is OK, but make sure that you do not get carried away into a world of dreams. Listen to the voice of reason, and work in stages with verifiable goals.

PERSONAL - TRANSCENDENCE: Balloons and bubbles

If you are a dreamer, this is the time when your dreams take wing and carry you into surreal landscapes. If you do not want your hopes to be dashed, you must be aware of your limits and let yourself be guided by common sense. Great hopes will often turn out to be illusory, so don't let your imagination get out of control. However this is an excellent time for developing your imagination and your visualisation power. If you choose you can enrich your life with great spiritual insight, and gain a subtle knowledge about the nature of reality and the illusion of identity.

Transformation

Pluto In Virgo

Pluto In 12th House

PROFESSIONAL - TRANSFORMATION: Exorcism

You may be able to use a talent for helping people on a psychological level in your career. You have the ability to keep cool when everything around you is in chaos, making decisions and cutting through to the essential issues when there is nothing firm to hold on to. You can deal with people who have gone over the abyss into total mental confusion, psychosis and self-destruction. You can orientate yourself in a psychic landscape populated by the demons of irrational fear and trauma. Perhaps at some point of your life you will work in a secret environment totally removed from the rest of society. You may also choose to throw in your resources into fighting evil forces in society. Having said this, you may be pathologically secretive yourself and afflicted by exaggerated fears of conspiracy, or that people go behind your back, or with the idea that everything is being manipulated by powerful and shadowy forces behind the scenes.

PERSONAL - TRANSFORMATION: Exorcism

During the course of your life you are going to have to face and purge inner psychological demons which defy the boundaries of rationality. Early in your life your behaviour will be subtly influenced by repressed fears such as the fear of the dark, or fear of nightmares, or fear of being locked away. You are more aware than anybody of the influence of the shadowy world of the unconscious, and this can give rise to a certain paranoia because of the idea that unseen forces are more powerful than you. At its worst you may be obsessed by unprovable conspiracy theories regarding large organisations. However, where there is evil you have the resources to combat it, and where there are people in psychic need you can step into their personal hellworld. You can develop powerful spiritual and psychological insights during the course of your life, and through a process of inner transformation and purgation you purify your soul.

Pluto Opposition N.Node

This aspect is extremely powerful in your horoscope; it will dominate many areas of your life. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - DESTINY: Survival in extremity

You emit an aura of power in your social relationships, and you may get involved with groups or organisations of a secretive nature which exert a powerful yet hidden influence over the masses in society. A role will be found for you at times of great upheaval, and you will often be called upon to preside over or witness the forces of change which are completely beyond the control of normal institutions, when the hand of fate crushes the safe structures in society.

PERSONAL - DESTINY: Survival in extremity

Profound upheavals or staggering transformations can change the course of your life at key moments in your development. You will be exposed in one way or another to the destructive forces in society, or to the inner demons of fate, and this may force you to make ruthless decisions to ensure your survival. Archetypal memories of death or destruction can trouble your unconscious mind. You may also be exposed socially because you awaken anxiety or sexual undercurrents in others. You will be no stranger to loss, but you have no difficulty in turning your back on the past and starting anew.

Jupiter transiting Square Pluto

15-02-2019 -> 14-11-2019

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - TRANSFORMATION: Power play

During this period you will be initiated into the use of power and secrecy in the professional sphere. This may be because you discover hidden factors, corruption or power misuse behind some professional facade, or it may be because you learn to harness your own personal power or psychological insight in your career. Whatever the circumstances you may feel a certain anxiety because of circumstances seemingly beyond your control. Make sure you are on good terms with legal and financial authorities, or at least cover your tracks if you aren't!. Big money can be involved during this period, involving large gains or losses, so make sure you have the best financial advice.

PERSONAL - TRANSFORMATION: Power play

There is a leap in your awareness of the power of the unconscious to shape your life at this time. You may choose to develop your emotional insights by learning more about psychology in one way or another. If you have any hidden anxieties or phobias you can expect them to be more acute or to come to the surface now. Even though this may be

disturbing, there is a unique opportunity to understand the secret mechanisms of your mind and to eliminate the negative effect of repressions. You can become the intrepid explorer of some very dark territory indeed.

Saturn transiting Square Pluto

01-01-2017 -> 14-11-2017

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - TRANSFORMATION: Bonds on power

This influence may not be felt very strongly, unless you have strong Scorpio traits. This is a period when you are confronted with power manifestations in society, and it can be necessary for you to summon up reserves of strength and determination to handle situations which seem beyond your control. Take care in your dealings with police, tax authorities or underworld characters, as you are liable to meet people and groups who are in a position to humiliate you. In professional matters you have to take a closer look at what goes on under the surface. Eliminate any corrupt elements, and look more closely at your motivation when asserting your power.

PERSONAL - TRANSFORMATION: Bonds on power

Though sometimes rather subtle, this influence can release powerful elements in your unconscious mind. If you are a victim of emotional states such as jealousy and paranoia, now is the time to make an effort to deal with them. Deep-rooted psychological complexes which manifest as obsessive behaviour will surface now and the more you try to repress them, the greater power they will have over you. A sure danger sign is if you start accusing other people of evil behaviour, or if you feel that you are being shadowed or persecuted. Inner demons manifest in outer events now, yet solutions are to be found within your own being. You can contact archetypal forces now, for example through shamanism.

Destiny

N.Node In Pisces, S.Node In Virgo

PROFESSIONAL - DESTINY: Rewards in heaven

During the first part of your professional career you work hard and efficiently and you exhibit a rather obsessive perfectionism which may prevent you from realising your full potential. There is a tendency to get snowed under with work, and the older you get the more monotonous work

tends to be. There is a gnawing doubt about the value of the work you do, and it becomes essential for you to gain a greater perspective and define what your life's work should be. Having a sense of meaning in your life becomes more important than drudging on day after day. This can inspire you to work more creatively and become more flexible in your working attitudes, even though you risk losing the security of regular and guaranteed work. Changing your working style can be important for your health.

PERSONAL - DESTINY: Rewards in heaven

During the course of your life there will be a transition in your values as regards the meaning of your existence. An early tendency to structure your life through work, planning and order has the effect of making everyday life mechanical and meaningless. Your work - which tends to dominate your waking hours - brings less and less satisfaction, and an existential crisis or spiritual experience will lead to a revaluation of how you can best use your time. There will be a reorientation from a planned existence to one in which you are more open and flexible. Spiritual, artistic or creative interests are given priority, and this gives you a new sense of meaning. This transition process may involve a sacrifice of some sort, and this sacrifice brings a refinement of the soul.

N.Node In 6th House, S.Node In 12th House

PROFESSIONAL - DESTINY: Being of use

The early part of your life will bring a number of difficulties as regards professional success. You often prefer to be alone and have difficulty working with others - although job security and success is something you have a deep inner longing for. As you get older - and certainly by the age of 37 - you will have overcome your isolation tendencies and discovered the pleasure of having colleagues and people who can share your everyday experiences and ideas. Sometimes you can despair when you see how easily other people integrate themselves into a work environment, whilst you feel alone and misunderstood. Later in life you will attain success, and you will find that the skills you developed as a loner will have a beneficial influence in your working environment and dealings with others. You are particularly motivated by the idea of service for humanity.

PERSONAL - DESTINY: Being of use

You are a spiritually motivated person - even to the extent of spending the early part of your life withdrawn from the world, cultivating meditative or private creative interests. You can have a deep sense of belonging to the universe but as far as integration on a worldly level is concerned, you have a

reluctance to go out and integrate yourself with others. Later this enforced loneliness becomes oppressive and you desire integration in a normal daily working rhythm. Isolation is not healthy for you in the long run, and true development in your life only comes when you apply your talents for the benefit of others. It is important for you to overcome a sense of being a victim in the world. Feelings of martyrdom undermine your ability to achieve practical results in your life. Old sorrows surround you like ghosts, but this cloak of suffering needs to be cast off. Work is healing for you.

Jupiter transiting Square N.Node

24-02-2019 -> 19-11-2019

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - DESTINY: Understanding karma

You can expect an expanded circle of contacts at this time, with a special emphasis on people who are seeking influence on a large scale in society. Opinion-makers, advisers and foreigners can bring a new perspective in connection with future planning. You may feel that your destiny is interwoven with some larger plan. Greater awareness of the direction you wish your life to take can mean making a few adjustments. Do not let inflated ideas about your destiny or personal importance lead you astray.

PERSONAL - DESTINY: Understanding karma

This is a time when meetings have particular significance in terms of karma and your growth as an individual soul. You may have a powerful experience connected with some group activity now and gain greater insight into your soul and your fate as a human being. There is also a strong tendency to be drawn into a web of spiritual illusions - though you will surely also have rewarding experiences. You are drawn to partners who have a deep significance for you now, for good or ill.

Saturn transiting Square N.Node

01-01-2017 -> 25-11-2017

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - DESTINY: Group responsibilities

This period is characterised by a professional commitment with a group and the responsibilities that this commitment involves. The interests of the collective may turn out to be

more relevant for your career development than your own ambitions or desire for status. Older people in authority may impose limitations on your development, and you can experience a compelling need for greater self-discipline to deal with the demands made on you. The decisions made now can have an important formative effect on your destiny. Benefit comes through subordinating ego needs for the good of others, and accepting the hand of fate, as it moves in your career.

PERSONAL - DESTINY: Group responsibilities

This is a time when time will stand still for a while, so that you can take stock of your ambitions and goals in life and see where they have led you. It is a fateful period in which your responsibilities to others and your role in society can become very important. Some people feel that their life direction leads to a blind alley in these months, or that plans for the future are futile and empty. There is benefit to be attained through inner spiritual discipline, as the hunger felt at this time can not be satiated by outer success.
