14-01-2018

Transiting Venus challenges your Midheaven

CHARMS FAIL TO IMPRESS: Those who know you professionally want results not assurances. You are distracted by flattery and pleasures, but they lead nowhere.

How should I deal with professional distractions?

If they are of the romantic kind, you may wish to give in - there are other things in life besides ambition. There's always time for work, but love has the trump cards.

Should I follow my own agenda, or my boss's?

Your own agenda has more importance today, especially if it's concerned with personal relationships. Be diplomatic, but do your own thing.

Should I give family or career highest priority?

Put your ambitions on the back burner today, and enjoy the good things that take place at home. Go home early and prepare something nice for

your loved ones.

15-01-2018

Transiting Venus conjoins your Sun

BLESSINGS: Love enters your life, and light shines from your heart. You know you're worth it. Pave the way for your success by turning on the personal charm.

Is it work or play today?

Relax and enjoy; success does not come through hard work today. Make friends and influence people. It's all about creating a favorable impression.

Should I spend some money on myself?

You should. Style is important, so make sure you pay for quality. An investment in yourself will increase your charisma and quickly pay for itself.

Can I expect romantic developments?

You can't fail to show your most attractive side now, and this attracts an attention and love which is genuine. Be expansive and generous - money is not the issue.

Transiting Sun challenges your Midheaven

AUTHENTICITY CONTRA DUTY: There are demands on your leadership qualities both professionally and in your domestic life. Don't let it go to your head.

How should I react to the demands of those in authority today?

You risk censure if you pit yourself against those in power. Assert your leadership without forcing others to lose face.

Should I insist on having things my way at home?

It's important for you to imprint your identity onto your domestic and

family life. Try to do this without being arrogant or autocratic.

Should I strive for more recognition?

The need is certainly there. However, if you appear self-righteous or arrogant, you will evoke resistance. Assert yourself... humbly.

16-01-2018

Transiting Sun conjoins your Sun

HAPPY BIRTHDAY: Everything today will be significant and powerful. As the day is, so is the year. Be as magnificent as possible... it's your day after all.

How should I proceed in the future?

Make new resolutions... this is your New Year.

How authentic is my life?

Today of all days, you can be true to yourself. Walk the walk.

What impact am I making on others?

The Sun is your star, just be yourself, and shine.

17-01-2018

Transiting Mercury challenges your Pluto

INTERROGATION: What you don't know disturbs you. You anxiously uncover secrets. It seems that harmful information is buried somewhere. Avoid obsessing.

Is someone keeping something secret from me?

There are always secrets, but today your paranoia is awakened. If you dig up the whole of your garden, then what will happen to the flowers? You have your secrets, let others have theirs.

Why are my thoughts going round in circles?

You are accessing archetypal energy from within. Unless you harness it

positively to uncover psychological issues, it will attach itself to, and channel itself through, your negativity.

Should I ignore difficult communication issues?

No - today is the time to put an end to gnawing problems that have been plaguing you for some time. Diplomacy serves no purpose - cut through to the core and remove problems by the root.

18-01-2018

Transiting Mars positive your Midheaven

LEADERSHIP MOVES: Initiatives will impress those at the top. Muscle in on the action, and don't take no for an answer. Actions speak louder than words.

How important are material considerations now?

You cannot make progress in your career without sufficient resources. Concentrate your energy on your economy, and make efforts to generate money.

Can I succeed alone?

It's important that others right now do not impede your initiatives, but if you can galvanize willing helpers, you will make progress much faster.

Who should be doing what at work?

Take the lead yourself, and don't wait for others to make up their minds. Once you begin, others will follow.

19-01-2018

Transiting Venus challenges your Uranus

ROMANTIC RISKS: You're tempted to cross boundaries today. Risks in love bring excitement but no security. An experiment may be called for to reduce distance.

Should I make a sudden move in a relationship?

It's not wise. The urge for independence is strong, but there can be regrets. Take a day off from the demands of love, and meet some interesting and exciting people.

How are new people who come into my life today?

Those you meet today are on the fringe. There is an aura of unreliability. This may not be safe. Amazonian women declare their rights, but protest too much.

How should I handle restlessness?

Do something different today, and meet new people. Unusual social environments will stimulate you, but also remind you of the value of what you already have.

20-01-2018

Should I be diplomatic in the face of competition?

No, you should compete in the face of competition. In action, effort is supreme, so concentrate on what you want, and mobilize all your forces to get it.

Attitude is everything. If you look like a winner, then the waters will miraculously part to let you through.

21-01-2018

Transiting Mercury challenges your Saturn

STUMBLING BLOCKS: You have to learn from your mistakes today. Self-confidence is low, and there is criticism. It's just a test of patience... take your time.

Shall I fight to get my ideas across?

No - regroup your forces and wait to fight another day. Today you just encounter a brick wall. If the odds are insuperable, just drop it. If they are not, then bide your time.

Should I bring up serious issues for discussion?

With a patient and determined attitude, this is a good day to deal with tough issues. Don't expect immediate progress, but don't give up either. Work hard at eliminating blockages.

How should I handle frustration and delay?

If you are traveling, take a good book. Expect everything to take twice as long. Delays sometimes mean that there is more time to do the things you have been neglecting.

22-01-2018

Transiting Sun challenges your Uranus

YOUR CRAZY SIDE: There's focus on your cranky side today. You want to demonstrate that you are different, but this can make you provocative and alienated.
