## HOW TO READ YOUR PERSONAL HOROSCOPE REPORT

This horoscope is your personal cosmic fingerprint. No other person will have exactly the same combination of influences, unless they were born in the same second and exactly the same place as you were. With 10 planets, 12 signs of the zodiac and 12 houses there are approximately 1500 simple combinations in the horoscope, and when you add to that the different degrees and combinations between planets there are tens of thousands of influences which have to be weighed and juggled in any astrological interpretation. No computer programme can do this satisfactorily, but we do our best.

## THE DIFFERENT SECTIONS

Reports from World of Wisdom are designed to simplify the interpretation process for you. It indicates for example the relative strengths of different planetary influences so you can see what is most important. Furthermore this written report is divided up into sections on Identity, Emotions, Mentality, Love and Sexuality to eliminate apparent contradictions which arise in the character description. But the reader must bear in mind that contradictions will arise. People are complex and contain many contradictory traits. Diametrically opposed character descriptions will either reflect inner dilemmas or outer conflicts reflected in the behaviour of others.

## PROFESSIONAL and PERSONAL PROFILE

The World of Wisdom birth report can cover your personal character, your professional life or a combination of both, depending on your choice of report. The professional section addresses the questions: "What talents do I have?" and "How can I use this ability?" The personal section is concerned with relationships and hidden psychological causes, and addresses the question: "How can I improve myself in this area?"

## PAST, PRESENT & FUTURE

Our reports can also integrate trends of the next year or two into the birth analysis, going beyond a static description of personal character and introducing a dynamic sense of what is happening for you here and now. The dynamic trends show the unfoldment of the horoscope through time. By analysing the current trends, it is therefore possible for you to gain insight into events just past, events happening at the present moment and trends into the future.

## THE AUTHOR

This report is designed and written by Adrian Ross Duncan, former editor of the Astrological Association Journal, who has worked as a full time astrologer since 1985. Adrian is author of "Doing Time on Planet Earth" (Element Books 1990) and "Astrology: Transformation and Empowerment" (Red Wheel/Weiser 2002). His astrology software Horoscope Interpreter, Astrology for Lovers, and The Astrological Calendar are available from [www.worldofwisdom.co.uk](http://www.worldofwisdom.co.uk)

It is our hope that the written report will give those who do not have the time to bury themselves in the study of astrology the opportunity of gaining insight into both their professional and personal life. If you wish to learn a little more about this report, you are encouraged to read the Introduction to Astrology at the end of the report, which describes the general influence of the 12 signs, the planets and the 12 houses

## Life Path

### Ascendant In Leo

PROFESSIONAL - LIFE-PATH: Self-projection

Building up a strong sense of identity is a major motivating factor for you on a professional level, so you will thrive in a high profile job in which you can win recognition. Your ability to succeed is dependant on many other factors in your chart, but major assets will be your self-confidence, charisma and personal style. You may also have access to creative talents which can manifest in many areas of your life, from art to teaching. It is important for you to be at the centre of things, and - other things being equal - other people will accept you as a leader in their group. When you stand out and excel you are at your happiest, and so are other people. If you hide your light under a bushel, nobody is satisfied. As you are extremely aware of your personal power and the influence to have on others, you will be very sensitive to the unavoidable fluctuations in your personal confidence during the years. The older you get, the more secure you feel about your identity.

PERSONAL - LIFE-PATH: Self-projection

You are extremely aware of yourself and the impression you make on others. The spotlight is on you, and this is reflected in a sense of drama about your life. Basically you are a warm-hearted person, endowed with a sense of humour and fun and with a natural ability to liven up any gathering. Your appetite for life inclines you towards activities which give you a solid sense of who you are. Creative pursuits, romance, and involvement with children are all important areas of interest. You are the kind of person people notice, even to the point of seeming self-centred. Nevertheless, many people will seek your company. In intimate long-term relationships you tend to evoke a certain emotional distance in the partner, who knows you too well to fall for your charming manner. By cultivating a more detached view of yourself, you gain greater intimacy with those close to you.

### Ascendant Conjunction Venus

You will often feel the influence of this aspect, though stronger influences may predominate in other areas of your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - LIFE PATH: Aesthetic comportment

You have the ability to create a pleasing impression, and generally you comport yourself diplomatically and with all

the social graces. As the ability to win the affections and confidence of others is one of your greatest talents, you would do well dealing with people in one form or another in your professional life. Aesthetic issues are also of great importance to you, and this may be reflected in your work.

PERSONAL - LIFE PATH: Aesthetic comportment

You exude an aura of grace and good taste, and this can win you many friends and admirers. Your dress, and taste in personal adornment, creates a very harmonious and pleasing atmosphere. You are easily seduced by beauty, and often led astray by affairs of the heart. Stable relationships can be threatened by your need for romance. Love is the spice of life. You have a weakness for sensory stimulation and luxury.

### Ascendant Trine Uranus

This aspect is extremely powerful in your horoscope; every action you take will be coloured by this energy. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - LIFE PATH: Light of the future

You bring the spirit of renewal and innovation into whatever projects you involve yourself with. You are strongly motivated by social visions, and are keen to instigate change. You may have some problems accepting the status quo, and this can lead to a certain alienation in society. You have a talent for dealing with New Age interests, technical matters or people from unusual environments.

PERSONAL - LIFE PATH: Light of the future

You can feel that your role in life is connected to future visions and the necessity for change in society. You add a dash of originality to the world, and people are either inspired or provoked by your rather unusual personal style. You shake up your surroundings and often use shock tactics to make an impression. You thrive in an atmosphere of excitement and unpredictability.

### Sun In Cancer

PROFESSIONAL - IDENTITY: Sense of belonging.

You are a loyal person easily moved by the bonds of attachment that link you to others - particularly family members. You work best in a secure environment with people you know, and your place of work can be a second family to you. You resent intruders, and it takes time for you to get used to new people in your professional circle. However you are talented at understanding others, and

strongly motivated to help care for people. You are a vulnerable person and will seldom forget it if someone harms you, or someone else who you care about. You are particularly attached to your territory and defend it fiercely. Actually you work hard to create a cosy atmosphere at your place of work. You have a natural business talent for increasing your assets. You hang grimly on to professional gains, but often future growth is prevented by past clutter. Economic insecurity can make you physically ill, because you are so attached to home and family and fear loss. But you are dynamic and industrious, so you tend to steadily advance in life.

**PERSONAL - IDENTITY:** Sense of belonging.

The bond to your mother will have been particularly formative. You are sensitive and easily hurt - though this may not be immediately apparent on the outside. Likewise, you are loyal and passionate in your defence of those you love - injury done to them is also done to you. You have a strong and instinctive protective nature. The greatest dilemma in your life comes when the bonds of attachment are broken - for example in connection with changes in the family structure. At these times it is important to recognise the dangers of sentimental attachment to the past. Your reluctance to let things go can stand in the way of your personal development. You have a great talent for building up a nurturing environment for those who are close to you, yet it can also help to be more open to those who are not necessarily so close. You are easily upset by changes in your daily rhythm, and can be rather grumpy when called upon to change habitual behaviours. Your home is your castle.

## Sun In 11th House

**PROFESSIONAL - IDENTITY:** Group consciousness

You have fine leadership qualities because you know how to integrate yourself into a group without dominating it. As a result people will automatically respect you because they do not feel threatened by you. You function best in a team. You give the impression that the well-being of others is important to your heart - and it is. You have humanitarian instincts, believing in the power of consensus and group enterprise. Obviously these talents are best used through having some kind of social power: you can represent people, act as a spokesman or be a group leader of some sort. Over and above social and political interests, you may have some untraditional talents connected with mental development.

**PERSONAL - IDENTITY:** Group consciousness

Some of the most important personal developments for you

come through your experiences in groups and with friends. Your social life is central. You set great store on being accepted and respected in the social scene, and you are in general a loyal and warm-hearted friend. Your social connections have such a high priority that they may affect the harmony of intimate relationships. Your partner may feel that you are avoiding emotional intimacy, but it would be wise to encourage you in your social interests, because you become a more whole person through contact with others. You have a fascination and talent for working in consciousness-raising groups, and benefit greatly from contact with untraditional people from international backgrounds.

## Identity

### Sun In Cancer

### Sun In 11th House

Please read page 2 : Sun In 11th House

### Sun Opposition Neptune

This aspect is extremely powerful in your horoscope, and will be a major feature of your character. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

**PROFESSIONAL - IDENTITY:** Find meaning in spirituality

On a professional level almost anything is possible for you - as long as you feel that what you do is meaningful. Whatever field you choose, your success will not satisfy you unless you work creatively or have altruistic goals. True satisfaction comes when you transcend material goals and personal ambition. You have high, and perhaps unattainable expectations of yourself...and often of others. You have an intuitive insight into others, and a natural creative talent, but you seem to have an unconscious drive to set up situations which guarantee disappointment or failure. You function best when there is an overall ideal that goes beyond your personal needs. There is a talent for working with visions and dreams, and areas of social concern.

**PERSONAL - IDENTITY:** Find meaning in spirituality

You are a sensitive and impressionable person with a strong need to be able to define who you are. You often feel that your grasp on reality is not tangible. If life becomes boring or monotonous, this can strike at the very core of your identity.

Women with this aspect put their men on a pedestal from which they rapidly fall. In your longing to find an ideal that does not dissolve like a mirage in front of you, you will constantly refine your nature. Your longing and dissatisfaction is the engine of spiritual change in your life. You find yourself by going within yourself. Meaning in life comes when you seek to attain idealistic goals and develop a collective vision which benefits others. You would definitely benefit from meditative practice.

### **Sun Trine Pluto**

This aspect is extremely powerful in your horoscope; it will dominate many areas of your life. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

#### **PROFESSIONAL - IDENTITY: Transformation of identity**

It is important for you to make a strong impression on people, and you invest a lot of energy in this - more than you are aware of. Much can be gained by toning down your personal energy. You are suited to positions requiring the use of power and psychological insight. Whatever you do, you like to be deeply - sometimes fanatically - involved. This may often lead to battles of will, and you tend to win, basically because you cannot contemplate personal defeat. More flexibility would actually benefit you and help you avoid tiring power games.

Personal power is a natural asset - as you will discover after a number of significant personal crises which lead to a revaluation of your role. These crises are centred around achievement at all costs, or fanatical attachment to a particular role which outlives its meaning for you. When you learn to tone down your sensitivity about self-esteem, and invest your considerable willpower into projects which really mean something to you, and to others, you can achieve success. You may have a talent for psychology or dealing with the powers of the unconscious.

#### **PERSONAL - IDENTITY: Transformation of identity**

Early personal experiences have made you sensitive about your identity, and anxious about self-esteem. However this means, paradoxically, that you often overwhelm others with your presence. Thus you tend to be a dominating figure in intimate relationships. You need a partner who is not superficial and who shares your intense approach to life. To achieve harmony here you should relax instead of asserting yourself, otherwise relationships will become very exhausting. It is important to realise that power battles are related to inner fears about your identity. Women with this

influence will often be attracted to a dominating man, only to find that he does not match her own strength which was acquiring through trying times in childhood. More intimacy can be achieved by daring to show vulnerability.

### **Jupiter transiting Opposition Sun**

**18-12-2019 -> 12-01-2020**

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

#### **PROFESSIONAL - IDENTITY: Creating your future**

During this phase of rising self-confidence you can expect your plans for expansion to take off. You should be thinking positively about the future now, visualising how you would like things to be as vividly as possible. Your power to get what you want is at its highest, so start expounding your visions of a bright future. Remember: you get what you focus on, so focus on what you want.

It is favourable to expand into foreign countries; higher education, public relations and insight-enhancing projects will also bring success. Whatever you do, it is essential that it has depth and meaning for you. Don't waste important time on trivial matters - success is about the quality of life and making an impact with the essence of your own identity. If necessary take time off from work to build up a new vision for your future. If you have any legal problems, you will be confronted with them now so ensure that you are morally unassailable. And don't over-estimate yourself and your capacities. Make sure your plans are within the boundaries of reality.

#### **PERSONAL - IDENTITY: Creating your future**

During this phase of your life you will be given the opportunity to find a new sense of meaning in your existence. Bubbling up from within, you have the chance to release a new energy and enthusiasm based on a sense of your personal relevance to this planet. Travel abroad and contact with people you respect for their intellectual and spiritual capacities will now expand your world-view. Knowledge and understanding will enable you to build up a broader moral base with greater insight and tolerance.

This is a very favourable time for religious growth if you are so inclined, or philosophical and intellectual insight. In many ways the world opens to you and reveals its gifts and blessings for you to enjoy. Take care as you sample the pleasures of this cornucopia and don't overestimate yourself - personal hubris will be punished and you may find yourself coming down to Earth with a bump.

## Saturn transiting Opposition Sun

18-01-2018 -> 14-12-2018

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

### PROFESSIONAL - IDENTITY: Long-term strategy

You can use this period to rise to the many professional challenges in your life and create the foundations for lasting growth. This is no easy time; many difficulties arise and you will have to work harder and shoulder more responsibilities. Authority figures make demands on you, seemingly without giving you any recognition. If you try to avoid commitment now, you are likely to be dogged by worries and problems. Your self-confidence may be low, and you may feel that you cannot live up to the expectations of others. Time will show that you can overcome difficulties and achieve goals.

Planning and strategy is of the essence, and it pays to plan months ahead and to tighten up schedules, working to realistic deadlines in a committed manner. By completing your work in stages and dividing large projects into smaller sections, you will find that you can handle enormous responsibility. You will not get something for nothing now, but hard work will be rewarded in the long term, so roll your sleeves up and get down to it.

### PERSONAL - IDENTITY: Long-term strategy

At the beginning of this phase you will probably not be feeling so good about yourself. You may feel that you do not get enough - or don't deserve - recognition. There is a strong inner feeling that you must pull yourself together and do something worthwhile, and the sooner you do this, the better you will feel. There is a general feeling of being weighed down by burdens, and there may be a lot of pressure to live up to the expectations of others.

It is time to take responsibility for your own life and to define new goals, whilst you can send a strong signal to other people - parents in particular - that you can look after yourself. By rising to the challenges of the time, you can develop a strong inner feeling of self-satisfaction, based on the results that come from hard work and effort. You will be facing central issues concerned with identity and self-sufficiency, and will emerge from this period as a stronger and more self-reliant person.

## Emotions

### Moon In Pisces

### PROFESSIONAL - EMOTIONS: Purify your emotions

With your naturally compassionate being and understanding nature, you can achieve success in creative areas, or through working with people who really need emotional help. You are attuned to sensory states which other people are not aware of, and some of the major turning points in your life arise when you develop an deep awareness of the hidden forces in life, in human relations and in nature. You are not particularly motivated by personal prestige or material temptations, and you may be quite willing to sacrifice your comforts to benefit others. You do have to avoid indulging negative feelings about the odds being stacked against you. This only happens because you have difficulties setting limits for what you are prepared to do for others.

### PERSONAL - EMOTIONS: Purify your emotions

In comparison to many other people, you are extremely sensitive to the emotional atmosphere around you. You are no stranger to sadness, and there was probably a unhappy quality in your family relationships - particularly in regard to your mother. You tend to take on the vibrations of others just as a chameleon changes colour, so it is important to be discriminative as regards who you are with, and what you do. As you mature, you learn to be watchful of your own moods, as they change with the least stimulus. By cultivating an emotionally positive attitude, you can avoid the negative energy states that made you feel helpless in the face of adversity when you were young. In relationships it helps to know that there is no dignity in martyrdom.

### Moon In 8th House

### PROFESSIONAL - EMOTIONS: Emotional purging

One of your greatest talents is your ability to tune in to the deepest emotional signals in other people. You have the capacity to help other people in emotional need, and you would make an effective counsellor on a psychological level. If you learn to face your inner emotional fears, you can guide others through theirs. You may also have interest in, and talent for, occult matters. However in the early part of your life you may feel too insecure to use these talents. Some people with this influence settle for a job which promises them total security right up to the age of retirement. This type of person is very good at advising others about how to administrate their resources, or in connection with insurance and related fields. At some point there will be a strong desire to cast off dependency and embark on a demanding personal journey in which material anxiety no longer plays a dominating role.

**PERSONAL - EMOTIONS: Emotional purging**

You have a deep, deep, emotional nature. Early childhood experiences - in which the fear of death or destruction played a role - undermine your ability to find emotional calm. A complex relationship to the mother - who may have had some acute but perhaps unspoken fears herself - has given you a deep but frustrated desire to belong, to feel secure. No matter how hard you strive for some kind of guarantee that you will be protected, you will never get one. Experience will teach you that you must not rely on other people to provide emotional security for you. A turning point will arise in your thirties in which you discover how much more rewarding it is to give than to demand. Anxiety has taught you to map out and understand the deepest and most hidden emotions. The resources you unearth in your own nature will be of great help to everyone you contact on an intimate level. Before this transformation relationships can be rather painful because of fear of loss, jealousy or extreme emotional experiences. Later your relationships acquire depth and understanding.

**Moon Trine Mercury**

It may be difficult for you to discern the influence of this combination of planetary energies as it is not a strong configuration in your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

**PROFESSIONAL - EMOTIONS: Emotional awareness**

You have great persuasive talents because you make an emotional investment in everything you say. At its best you can use these communicative talents to sway the feelings of the people around you - obviously a great asset when speaking to a public. You know how to tune in to the mood of the crowd and have an instinctive talent for saying the right thing. You need to be passionately engaged in your work, and function best in a role which gives you human contact. You work better with people than with things, but there is good business talent, especially as regards property. You are not an analytical type, and your judgements are easily swayed by your feelings. Thus you are easy to read, and will often stumble verbally, when you encounter conflict. You would find success in a career in which you utilised your talent for listening and speaking to people.

**PERSONAL - EMOTIONS: Emotional awareness**

You are a person who likes to communicate on an intimate level with those you are close to, though you have difficulty

opening up to those you do not know well. Other people are comfortable entrusting their thoughts and feelings to you however. Your word and tone of voice are always tinged by your emotions, and this ensures you a good audience. Your emotions tend to swing a lot, and when you are feeling negative it can be very difficult for you to express yourself clearly. Under extreme emotional conditions you will be rather irrational. You have probably been profoundly emotionally affected by sibling relationships, and even now may have a powerful emotional bond to a brother or a sister. Your school years will also have had a great emotional impact on you, for better or worse. You are extremely sensitive to being criticised or misunderstood on a mental level. In many ways you are able to build a mental bridge between the conscious and unconscious mind, clarifying emotions through mental awareness.

**Moon Conjunction Jupiter**

This aspect is of medium strength and its influence will often be felt, though not acutely. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

**PROFESSIONAL - EMOTIONS: Horizons**

You would thrive in a profession which offered you the opportunity to travel and explore different cultures. You could easily work or settle in a foreign country. Being restless in spirit, you get rather bored in a job which does not have an element of exploration - culturally, intellectually or geographically. You are essentially a very curious person, and the pursuit of knowledge is food for your soul. You can also be very caring, and your generous disposition can give you a talent for working with the public, especially as regards public opinion, marketing, or broadcasting values of some sort or another. Children would be especially benefited by your attention, and you have both the humour and educational drive to be a good teacher. You are not the kind of person to stay in any one job for a great length of time, unless it offers opportunities for growth and expansion.

**PERSONAL - EMOTIONS: Horizons**

Foreign environments may have played an important role in your upbringing, and generally speaking you will enjoy the cultural stimulation of travel and new horizons. You have very strong empathy, and your emotional life exerts a powerful influence on your environment. You feel things very strongly, especially as regards what is right and what is wrong. You react powerfully to perceived injustice, and instinctively flare up or get upset when you think something is unfair. Above all, you dislike restrictions on your personal

freedom, and you can manifest a strong independence if you feel encroached upon. You may often overreact to quite normal expectations on the part of the partner, as regards commitment and responsibility. Generally however, your optimistic and light-hearted nature brings a lot of joy and happiness to personal relationships, just as long as you are allowed to feel free, travel and pursue your intellectual interests.

## **Jupiter transiting Square Moon**

**29-03-2019 -> 03-12-2019**

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

**PROFESSIONAL - EMOTIONS:** Expanding your base

This influence depends very much on how large a role safety and security play in your professional life. If safety is paramount, you will be wanting to expand the foundations of whatever represents security for you now. As this may well be property, you could wish to move into a larger home or business, and indeed it certainly pays to invest in land and buildings now. Providing that you can trust your instincts in these matters, then property acquisition or expansion is favoured.

For some people freedom and expansion of horizons will be more important than security. The urge to investigate foreign countries - their people and culture - can play an important role in your career now. Trust in your hunches - your intuitive powers are at their highest in this period, and you have the enthusiasm to take on any challenge. You may however find that your interests lie outside the professional sphere. This is a higher-charged period for you emotionally, so you will probably also want to expend your energies on domestic or family matters.

**PERSONAL - EMOTIONS:** Expanding your base

This is a period when your feelings and emotions exert a tremendous power in your life. Hopes and dreams about the future will be a driving force inspiring you to take action. Generally speaking you should have a degree of luck and good fortune in attaining your greatest dreams at this time. This is probably a natural consequence of the enthusiasm you invest in all matters. You can expect an expansion of your horizons and a deepening of your capacity to show feeling. You learn something of the mystery of life, and it gives a new meaning to your existence.

You can be strongly inspired by a future vision connected with domestic happiness, a home or children. There is,

however, a tendency to go overboard. If you are hoping for the fulfilment of emotional dreams, so many opportunities can arise that you simply cannot make a choice. Furthermore your emotional suggestibility is at its highest - you believe what you want to believe. Whatever the concrete results - if any - of this period, you will come into deep contact with your emotional power and gain rewarding new insights.

## **Saturn transiting Square Moon**

**27-01-2017 -> 20-12-2017**

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

**PROFESSIONAL - VALUES:** Emotional self-sufficiency

Issues of economic and job security become very pressing at this time, and you will feel a strong drive to overcome any weaknesses in this area. You can however expect a lot of difficulties, especially if you indulge immature expectations, or rely too much on others. Childish behaviour gets you nowhere now, and if you do not have conscious control over your emotional reactions you can expect to be unpopular.

The atmosphere in your working environment may be rather heavy now - perhaps because of an elder woman who is trying to assert her authority. The more mature you are, the better you can handle trying situations. You have to know when to set limits, whilst still living up to your responsibilities. You can develop the self-discipline and patience to work with people in difficulty, if you choose to.

**PERSONAL - EMOTIONS:** Emotional self-sufficiency

During this challenging emotional period you will become more mature and self-sufficient. But this is not normally a happy time - partly because safety and security is no longer what it was. You have to spend time building more secure foundations for your life, and you cannot expect anyone else to be very supportive during this time. It is up to you to shoulder responsibilities uncomplainingly and with dignity.

Time can drag on now because you have to spend more time attending to everyday details and getting things to function on a practical level. On an inner level you are confronted with the need to change or control unconscious emotions and habits. It is no use allowing your temperament, your jealousy, your distance or your stubbornness to get in the way of a rewarding relationship. The time demands emotional self-improvement, so stop making excuses and start working on yourself.

## **Mentality**

### **Mercury In Leo**

#### **PROFESSIONAL - MENTALITY: Self-expression**

You have strong opinions and have the ability to win respect when you put across your point of view. You command attention when you express your ideas, and coupled with other factors, this can give you both creative and leadership abilities. Furthermore you have a natural charm and have a way of making people feel that they are important. On the other hand you also know how to put people down. You may lack mental flexibility. Convinced that your point of view is correct, you have a tendency to show contempt for inferior ideas. However, good manners are an integral part of your nature, so you are seldom downright rude. You can make a very good representative for your company because of your innate dignity and style.

#### **PERSONAL - MENTALITY: Self-expression**

You are a noble-minded person with a sense of chivalry, and a talent for entertaining. This will probably be reflected in an optimistic tone of voice which conveys the idea that you really know what you are talking about. For you, first impressions count. You take yourself seriously when it comes to evaluating your mental abilities, cultural interests and intellectual talents. In this respect you are extremely sensitive to the judgement of others, and the worst thing you know is giving the impression that you are ignorant. As such you have a weakness for pretending you know something when you don't, and refusing to admit it when you are wrong. When you replace bluster with humour, you win the hearts of those around you.

### **Mercury In 12th House**

#### **PROFESSIONAL - MENTALITY: Mental communion**

You have some unusual mental abilities because you are able to harness your intuition and tune in to signals and ideas which other people are not sensitive to. You function best in situations where you can have a low profile mentally and operate behind the scenes with your ideas. You appreciate having the mental privacy to get on with your business without being disturbed. Being sensitive to mental pollution - the gossip, chattering or superficiality of others - you withdraw into the world of your own imagination. Here you can think up many ideas and projects which can bring professional success - particularly in connection with marketing, advertising or the media. You may also have artistic, creative or musical abilities.

#### **PERSONAL - MENTALITY: Mental communion**

The private world of your mind and your thoughts is very important for you. Perhaps as a child you were forced to retreat into your own fairytale world - at least now you can be quite happy with your own company. You are the type who keeps a private diary in which you commune with yourself. In partnership matters it is important that your loved one allows you to withdraw from time to time - but at the same time there will be a lot of misunderstandings - not to mention a growing isolation - if you do not take the trouble to reveal a little of what goes on in your mind. You have a number of spiritual talents - your mental receptivity means that you can derive great benefits from walks alone in nature, and you may even be open to some form of spiritual communication. Poetry, music and art can also be wonderful areas of refuge to you.

### **Mercury Trine Saturn**

You will often feel the influence of this aspect, though stronger influences may predominate in other areas of your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

#### **PROFESSIONAL - MENTALITY: Mental discipline**

You have a logical and disciplined mind, and special skills as regards working out systems and performing tasks which require patience for long periods of time. You prefer to stick to rules and established methods, but you can apply your mind to any task in a very conscientious way, if required. You may be rather suspicious in allowing the imagination to have too much influence - you are the kind of person who reads instructions carefully and follows them. This can make you a little inflexible as regards integrating new methods. Furthermore your admirable attention to detail can hinder you in getting an overall perspective on things. In the first phase of your professional life you can be afflicted by a sense of mental inferiority, so it is important for you to spend time on further education in a constant process of acquiring new skills.

#### **PERSONAL - MENTALITY: Mental discipline**

You are oversensitive about your intelligence and have a tendency to work twice as hard to prove to yourself and to others that you can meet intellectual demands. As you put so much effort into improving your mind, you can become quite an expert in your chosen field. However in personal relationships you can become very defensive when you are misunderstood, and in situations when you try to understand

another person, a mental block can descend because you invest too much self-conscious effort in the process. Relationships would benefit dramatically if you were more relaxed in this respect. You are reluctant to admit it when you do not understand, and this can lead to an escalating situation of misunderstandings. You are also rather a stickler for detail and can be frustratingly pedantic, and your formal style tends to stand in the way of mental spontaneity. Many of the problems around communication improve after the age of 30, as you learn that communication is not a competition but rather a two-way process in which understanding brings mutual benefit.

## **Mercury Square Pluto**

Though not especially strong, you will be able to feel the influence of this aspect under many circumstances. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

**PROFESSIONAL - MENTALITY:** From secrecy to openness  
You have an investigative mind and considerable talent for finding out about hidden issues and analysing things in depth. You are also good at keeping secrets. As such you are a natural detective and are able to find the root cause of problems. This is a useful talent in psychological matters, when working with computers or anything requiring fanatical attention to detail. There is an ability to tap hidden sources of information. In your professional life, however, you are inclined to be suspicious, fearing that important information is being kept from you. People can feel that you interrogate them, and they tend to clam up. Sometimes you express yourself far too forcefully and do not allow people to come with their views. Success comes when you overcome communication problems connected with anxiety.

**PERSONAL - MENTALITY:** From secrecy to openness  
You are a rather secretive person; you think hard and deeply, and sometimes you are plagued by compulsive ideas and fears. Much of this is a result of childhood anxiety connected with lies, secrets or lack of communication. Because you do not always let on what you are thinking, you can easily be misunderstood. Put people's minds at rest by clearing up these misunderstandings and strive to be as open as circumstances permit. When your feelings are hurt you can be silent for long periods. And when you are insecure, you tend to be suspicious of your partner. Harmony in relationships comes when you resist the tendency to argue for hours at a time, or to use silence as a weapon, and instead learn to be open and trusting.

## **Jupiter transiting Square Mercury**

**04-10-2017 -> 31-10-2017**

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

**PROFESSIONAL - MENTALITY:** Expanding contact

The effect of this influence depends very much on how you employ your mental talents in your profession. This is the time you should invest in your mental abilities. Knowledge is power, so it could pay for you to go on courses, meet people and expand your sphere of influence. You can expect an increase in the time you spend travelling now, so try to streamline this area of your life. You should be doing more to enlarge your network of contacts, so make sure you are available through telephone, fax or computer. You will talk more, travel more and write more.

If you have any dreams as regards writing or getting some message across to the public, now is the time to go for it, as there is a strong disposition for success in these matters. This is generally a great time for wheeling and dealing, doing business and capitalising on contacts at home and abroad. Nevertheless you can talk too much and be too intellectually pushy. Take time to listen to the opinions and advice of others - you can make misjudgements if you don't.

**PERSONAL - MENTALITY:** Expanding contact

This is a period of expanding intellectual curiosity which can be reflected in many areas of your life. You will probably devour books and TV programmes at this time to satisfy your urge to acquire knowledge. It will also be an important process for you now to weave all the threads of information that you gather into a whole piece of cloth, so that you can see a meaningful pattern in all the details that surround you.

This is a time to be on the move and to allow your mind to be fertilised by contact with a wide variety of people with different views on life. You should be bubbling with ideas, so you have to get them down on paper or out to a broader public. Although this is generally an optimistic period, there is a risk of losing your sense of proportion, particularly if you are inclined to worry or fantasy. Knowing the power of the mind to create the future, you would be well-advised to guide your thoughts into constructive channels.

## **Uranus transiting Square Mercury**

**21-07-2017 -> 18-03-2020**

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be

able to make dramatic progress in your life.

**PROFESSIONAL - MENTALITY:** New communication boundaries

This is a period of great mental inspiration and excitement. To attain professional success now it is essential to think in new channels, and not allow yourself to be limited by conventional ideas or "the voice of experience". It is the new and untraditional that brings success, so experiment, invent and surprise people. If you are involved in a long and boring period of education or training, then you are in trouble. Mental restlessness at this time will incline you to abandon traditional teaching and seek new ideas which will stimulate your imagination. You will learn best in experiential groups or by yourself.

This is an excellent time for improving New Age interests - particularly astrology. It is a time to travel and meet different kinds of people, and a good period to learn or use another language. You should modernise communication systems now, improve computer capacity and generally hook into networks which unite people. As far as contacts and agreements are concerned, this period is rather unpredictable. Being tied down or committed to time schedules does not suit your needs at this time.

**PERSONAL - MENTALITY:** New communication boundaries  
During this inspiring period, you should grasp opportunities to drop activities which bore you, and start learning new things which keep you up to date with modern trends. Many inventive ideas pop up into your mind now, and you have to find people to share them with. You will be impatient with people with entrenched ideas and opinions, and you may feel the urge to provoke others into thinking in new ways. This impatience can bring tension and misunderstanding in relationships, in which case you should associate with people with whom you can communicate and share your visions.

Time moves fast in this period, and you too may be on the move, travelling and meeting people. Avail yourself of new transport opportunities, buy yourself a car, or hop on a plane. Develop language talents, and immerse yourself in new technological developments, particularly as regards communication. Enrol on consciousness-raising courses, or get involved in grass-roots movements. There are very few times in your life when you will be so mentally open to radically new ideas,

## Values

Venus In Leo

**PROFESSIONAL - VALUES:** Project personal warmth

You are attracted to a life of luxury and style, and in your dealings with others you set great store in being able to give a good impression. Personal prestige is an important career value - and you need to see your prestige reflected in the way you look and the things you own. Professionally you can avail yourself of your considerable personal charm and influence to get ahead. You know how important first impressions are, and you are careful to cultivate your contacts by showing respect and warmth. At the same time you expect to be noticed and appreciated in your job. Because you are basically a generous person you will probably attain a certain popularity, and this will be a major asset for you. Position is more important to you than money, but with your need to live in style and your extravagant tastes, money is also very necessary.

**PERSONAL - VALUES:** Project personal warmth

Men with this position are attracted to women who they can show off a little. Both men and women are drawn to people who have a central position in social circles. Good taste, good manners and style are essential ingredients in love. Women expect to be courted with style, and expensive gifts are the order of the day. Actually both sexes are very warm-hearted and romantic. Whilst there is an intrinsic loyalty and sense of honour there is also, paradoxically, a weakness for affairs. It is difficult to resist adoring glances! Blows to personal pride can seriously affect the stability of a relationship, and - mutual admiration being so important - there may be little to salvage if one party loses respect for the other.

## Venus In 12th House

**PROFESSIONAL - VALUES:** Spiritual devotion

You are a romantic at heart, and would function well in a job which gave you the opportunity to express your aesthetic sensitivity. You are undoubtedly a very giving and devotional type, and these qualities can be expressed in many ways. On the one hand you may wish to find a channel for your compassion by giving your services to people in need of care. You may also have creative talents in connection with the arts or marketing because you know what has subliminal appeal to the broad mass of people. And you may prefer your own private, inner world where your aesthetic qualities can be expressed for your inner benefit alone. Although you may experience material benefits from your work, this will not be an important motivating factor. Inner satisfaction is far more important for you.

#### PERSONAL - VALUES: Spiritual devotion

You have a deep longing for a meaningful love relationship. It is not the sexual or material benefits that are important so much as the need to experience a form of spiritual communion or ecstasy. In your pursuit of romantic ideals you have a tendency to imagine qualities in the partner which he or she does not possess. Of course experience will divest you of your illusions, and you may be afflicted by a feeling of disappointment in your partner. If you indulge this feeling too much, your partner will begin to feel unsure or unhappy, and become isolated in relation to you. Women with this influence often have a tendency to become involved in love affairs in which they are the courtesan - wife number 2. Obviously such a relationship allows one to indulge the illusion that if the man left wife number one, then everything would be rosy. This of course never happens, or if it does, how can one then maintain the precious romantic illusions? Men too have the longing for the ideal love - but only through spiritual devotion can these deep longings be satisfied.

#### Venus Trine Uranus

It may be difficult for you to discern the influence of this combination of planetary energies, as it has only a mild effect in your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

#### PROFESSIONAL - VALUES: Untraditional relationships

You need to work in an exciting environment where you are together with people who have untraditional ideas, or who come from unusual cultures or backgrounds. You function best when you meet a number of different people during the course of your working day - preferably interesting or unconventional types. You have a talent for working with the media - you may also function well in a job which brings travel to exotic places. As you have a strong interest in consciousness-raising groups you may get involved with political, spiritual or social movements. You function well in a team - but not in a conventional working environment where you meet the same people all the time. You need to feel as free as a bird. You have a talent for making friendships - you make an electric impression on others, but actually you are rather detached yourself.

#### PERSONAL - VALUES: Untraditional relationships

The major characteristic of your love-life is your need for excitement and the unpredictable, coupled with a restlessness which you feel when relationships do not offer

you the opportunity for personal development. You have a tendency to form relationships to people from foreign countries, different cultures or unusual environments - in other words with a person who can bring an element of the exotic into your life. Often you can find yourself in a situation, in which you choose not to actually live together with a partner. Preferring to keep your independence - especially as regards the freedom to have your own friends - you maintain the excitement of romance by periodic meetings where you can constantly have your need for excitement fulfilled. In extreme cases you experience "airport-love" - short but exciting relationships with someone from another area of the world. In this way you avoid committing yourself emotionally. If you want a more permanent or stable relationship, or if you would like to feel more secure with your loved-one, it is essential to make a deeper emotional commitment.

#### Jupiter transiting Square Venus

04-12-2017 -> 04-09-2018

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

#### PROFESSIONAL - VALUES: Blessings

If you are the lucky type, you could not have a better period than this one. This is a time when influential people - particularly women - can guide you towards success, and when your economic resources have every chance of expansion. Success comes in particular in the cultural, intellectual or artistic field, though there is also a reasonable chance of business expansion also. Matters of fairness and justice will cause concern at this time.

It is more important to enjoy life than just work hard at this time - if you can't appreciate life's pleasures now, when can you? What are your true values and goals in your career? This is the time to include them in your plans for the future. However, if you indulge your pleasures too much, this can be an expensive time. You are very vulnerable morally now, and affairs of the heart can lead you into a costly blind alley. Don't cut corners to gain easy profit, a questionable gain now can lead to long-term loss. You are easily seduced.

#### PERSONAL - VALUES: Blessings

This is a romantic period par excellence, so you can expect affairs of the heart to have priority now. If you are in a relationship, your need to give and receive love will be very strong, so ensure that you indulge your emotional and erotic desires. This is a time when the power of romantic and

sexual attraction is extremely strong, whilst the moral discipline is weak, so it is important to weigh the needs of the heart with other emotional costs. Sometimes it is more important to nourish and indulge the need for love than anything else, sometimes not. Let your ideals about fairness guide you.

It is a great time to travel, and if you are seeking a partner, there is one to be found in foreign climes, or in cultural or intellectual institutions. You are not inclined to fall for anyone for physical reasons alone at this time - you need a partner who can stimulate you intellectually, and expand your understanding of life and its pleasures. If you are interested in creativity, this can be a wonderful period because you gain insight and understanding of the aesthetic forces of Nature, seeing the beauty inherent in all things, and experiencing that beauty as a manifestation of truth in some way.

## Drives

### Mars In Capricorn Retrograde

Because this planet was retrograde at your birth, you will have an instinctive knowledge of, and attraction to, the following traits and activities. You will tend to be introvert in these matters, and pursue your own individual path in strong contrast to the path chosen by others.

#### PROFESSIONAL - DRIVES: Rise to the challenge

You are a disciplined and hard-working person, slow to start things up, but strong on the finish. Strategy is all-important to you, and you are unlikely to embark on any project without having thought it through to the end. You are extremely goal-oriented, but you hate failure, so you like to be sure when you choose a course of action. Of course this careful attitude can prevent you from starting anything - motivation is the key to success. There is also a tendency to do things the hard way, imagining every kind of obstacle that can arise on your path. Developing faith in your abilities and a positive attitude to the potential outcome of your hard work is essential. Your reputation and status are powerful motivational factors for you - you need to feel respected for your efforts although you are not particularly comfortable with a high personal profile. Other people can take the glory for your achievements as long as you are rewarded by a better position and material success. People will automatically respect you for your responsible nature, and you would do well in a position of administrative authority.

#### PERSONAL - DRIVES: Rise to the challenge

You are a serious and determined person with considerable staying power. Being hard-working and responsible, you tend to put professional priorities above personal ones. Men with this aspect are especially ambitious and come home to the family late and tired. They are powerfully motivated as bread-winners. There is a certain sexual restraint which can lead to long-term frustrations in intimate relationships. Women with this aspect are attracted to ambitious men who can offer status and security - men in uniform can exert quite an attraction. There may be a tendency to settle down with an older man. Later however, it will be important for the woman to carve out her own professional niche in society. Both sexes are prepared to work hard and make sacrifices for the family, but for lasting harmony it can be important to overcome sensual inhibitions and moral up-tightness.

### Mars In 6th House

#### PROFESSIONAL - DRIVE: Daily activity

You are a dynamic worker, attacking tasks head-on with an inimitable dynamism and enthusiasm. Your example will certainly motivate others, but co-operation with a team is not your strong point - unless you are the leader. However as a leader you tend to be too bossy, or to drive others too hard. Tensions abound in your working environment. You dislike being told what to do, or when to do it, and function best when you are left to yourself. You would thrive if you were self-employed or free-lance. If you have to work together with others you must learn to control your temperament - you may be irritated by the lethargy or inefficiency of others, and defensive of your own territory. If you stick to being helpful, colleagues will appreciate you, if you try to have your own way, you will be seen as a troublemaker. You function well however in jobs which require courage and the ability to confront others. You know how to handle tension and stress at work, and can thrive on danger or conflict - if it is not there you may get bored. You have a talent for rationalising inefficient concerns, and also for physical work. There may be engineering, mechanical or medical ability.

#### PERSONAL - DRIVE: Daily activity

You are something of a worker, so whether you are on the job or at home with the family you like to be active. You probably have mechanical ability and will feel most comfortable when you are performing useful tasks. If your partner appreciates your hard-working nature things will go fine - however relationships may function better if you take more time off. Conflict over who does what at home can sabotage harmony in relationships. Do not expect loved ones to take the same share of the housework as you do -

you need to burn off your excess energy, your partner probably does not.

## **Mars Sextile Jupiter**

You will often feel the influence of this aspect, though stronger influences may predominate in other areas of your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

### **PROFESSIONAL - DRIVES: Ebullience**

You are a person with considerable optimism and energy, and your generally dynamic nature and positive attitude to the future will most probably bring expansion and success in your professional life. You are endowed with great courage and enjoy a challenge, so you would thrive in employment which gave you the opportunity to expand your horizons and travel. There is something of the pioneer in you. As intellectual challenges are also important, you need mental stimulation and the opportunity to discuss issues and get important messages across. You can be very persuasive, but perhaps you also have a tendency to browbeat others. You have an almost religious zeal when it comes to convincing others about what is right and what is wrong. You may even see yourself as a fighter for justice, and whereas this ability to fight for a cause can be very useful under some circumstances, it can also lead to tiring conflicts and disagreements with superiors. Obviously, a job which utilises your energy, enthusiasms and deep convictions would be the best channel for your ebullient energy.

### **PERSONAL - DRIVES: Ebullience**

You may well be an exciting person to be with because of your sharp intellect, optimistic nature and sense of fun. If you are a man, you will enjoy the company of your own sex, and be engaged in many activities, perhaps connected with sport or travel. You can excel in mental sparring contests and the thrill of debate. However there may be a tendency to pontificate, or generally make your opinions known in a rather dominating manner. Knowledge and understanding are strong motivating factors for you, so you like to sharpen your mind with discussion and involve yourself in cultural interests.

Women with this aspect are attracted to intelligent men, and often have attachments to foreigners. The most important motivation factor when choosing a man is his ability to expand her mental horizons - either through religious, political, philosophical or cultural interests. An intellectual watershed arises in the relationship, where the

man is no longer able to satisfy the intellectual hunger of the woman. How this issue is dealt with is critical for the success of the relationship. The most important thing for both sexes is to take personal responsibility for ensuring constant intellectual or philosophical expansion and personal growth. Relationships would improve dramatically, if you were able to admit that sometimes you are wrong.

## **Jupiter transiting Square Mars**

**01-01-2017 -> 11-09-2017**

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

### **PROFESSIONAL - DRIVES: Burning enthusiasm**

It is important for you to harness the energy and enthusiasm which surges through your body at this time. The competitive edge is sharpened, and you have the courage and vision to enter the rough and tumble of the marketplace and meet whatever challenge that confronts you. You can overcome obstacles now and expand your sphere of action. This is not a time when you can be too interested in diplomatic niceties - you want to get things done, and in a hurry. There is a burning desire to achieve.

This is an excellent time for pioneering activities and expansion abroad. It is also a good time for throwing yourself into hard physical work. There is an inclination to get into confrontations now, and it is not helped by your desire to impose your beliefs and convictions on others. You may try to bully your way through. Although it is favourable to act on your convictions regarding what is right and what is wrong, it pays to gain insight first and cultivate greater tolerance.

### **PERSONAL - DRIVES: Burning enthusiasm**

This is the time to be intoxicated by a new decisiveness and a willingness to invest your energy into getting what you want. There is a refinement of the sense of purpose and the meaning of taking action. This lust for life can manifest as an expanding of your horizons through travel, taking on new intellectual challenges, getting into your body through exercise and training - and sexual exploits. There is a sharp increase in erotic drives at this time, and men will become increasingly aware of a need to prove themselves and their masculinity. This can manifest as the desire to woo and win the affections and body of a suitable quarry.

Women too become increasingly aware of sexual needs and the power of attraction to the opposite sex. There is a willingness to take the initiative in these matters. However it

is actually the need to be stimulated intellectually that is paramount for women as far as attractions are concerned at this time. A relationship is also seen as a means to expand personal horizons and learn more about men and life in general. Indeed this period has most significance as regards insight into the body - and this includes greater consciousness concerning health, and the muscular system, as well as personal sexuality.

## **Saturn transiting Conjunction Mars**

**03-03-2019 -> 22-01-2020**

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

**PROFESSIONAL - DRIVES:** Developing willpower

This is a time to mobilise reserves of willpower and pursue goals with indefatigable determination. You can expect a lot of resistance now, especially from older men in positions of authority. Effort, long-term strategy and hard work is the remedy for problems that arise at this time. Courageous action leads to the building of lasting edifices now.

First of all it is necessary to overcome lack of self-confidence. You may feel that there are men of greater experience available to do the jobs you want, but by training and perseverance, you can - in time - achieve the goals you set yourself. If you don't succeed, try and try again. You will become stronger and more efficient. Great satisfaction can be achieved through the power of organisation and self-discipline - if you rise to the challenge, you will achieve success. This is an excellent time for hard physical work - particularly as regards building and construction.

**PERSONAL - DRIVES:** Developing willpower

This period can be rather a trying time, and there are many obstacles to be overcome. However with hard work and determination, you should be able to have things the way you want them - finally. Men will feel unsure of themselves at this time, and there will especially be a question mark as regards their sexual needs and performance. There may be a reluctance to take the initiative in these matters for fear of being rebuffed, yet it is at precisely this time that a man can get into contact with his body, learn more about his needs and develop the confidence and assertiveness to handle sexual relationships. Circumstances may however dictate less sex during this period.

Women who experience this influence will also be concerned about their body, especially as concerned blockages preventing spontaneous enjoyment of erotic

pleasures. It pays to take more time in a relationship to improve sexual contact. More patience is needed in the warming-up phase, and less focus on erogenous zones. Many sexual fears about dominance and authority can be dealt with, and the long-term effect on sexuality can be beneficial. Sometimes an older or more experienced man comes into the life now. Both sexes benefit from more exercise or training through body-building, aerobics and the like.

## **Uranus transiting Square Mars**

**01-01-2017 -> 04-04-2017**

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

**PROFESSIONAL - DRIVES:** Sparks

This is a dynamic and inspiring period, though not without an element of danger. You can hardly tolerate anyone telling you what to do now, so you are likely to experience conflict with those in authority. If there is trouble at work, seen objectively it is probably you who is being unreasonable. Your restlessness and desire for change hardly inclines you to compromise and settle in to some boring job now. You need excitement, independence, and a challenge. You would function better on your own now, especially if you could do some travelling internationally. If you have been dreaming of setting yourself up independently, this is the time to do it. There is very little fear of taking risks during this period, and plenty of energy to go it alone.

This is an excellent period for taking initiatives concerning change and renewal. There is a strong likelihood of long-distance travel to exotic destinations. Unconventional work is favoured, particularly in connection with New Age matters. However patience is low, and temper is high. This is an explosive cocktail which can make you more provocative than usual, so take care. You may be fascinated by mechanical or technical matters now, and this is a good time to develop talents in this area.

**PERSONAL - DRIVES:** Sparks

This is one of the most impulsive periods in your life, and you can expect a lot of excitement - or trouble - in these months. There is a resurgence of energy and a desire to break free and do something different. Feeling bored is like the ringing of an alarm clock, which is telling you to take steps to create a more stimulating backdrop for your life. People at this time are inclined to take risks - parachuting, karate, mountain climbing and similar activities exert an

almost magnetic attraction. Women at this time are inclined to get restless in their relationships and be rather provocative. If unattached there is a tendency to get involved with a very unpredictable type of man who can bring an element of excitement into the life. Often there are meetings with foreigners or long-distance travel in connection with love.

Sexually this can be a time of dramatic awakening, partly due to a more experimental attitude towards sex. Though love-affairs may serve to galvanise the mind and body now, relationships are characterised by tension and periodic separation. Men experiencing this transit will also be restless, and have a roving eye. For men too, this is a good time for sexual experimentation. The urge for freedom tends to threaten established relationships. To avoid sabotaging worthwhile relationships now, it is essential to find new challenges at work or exciting projects to undertake in your private life.

## **Pluto transiting Conjunction Mars**

**29-01-2017 -> 22-12-2020**

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

### **PROFESSIONAL - DRIVES: Redevelop your strength**

This is a time of great personal pressure both on a professional and private level. In this testing time there will be a feeling that the odds are against you, perhaps in an unfair way. Power battles are often unavoidable... and it seems as if there is some kind of conspiracy. Trade union issues often come to the fore at this time, for good or ill. Authoritarian and dominating people (mostly male) will seem to put you in a vice. The time demands great perseverance, but you have to know when to draw the line - when to fight and when to give up. It is no use continuing an impossible battle. There is a tendency to overwork - often late at night - because you can be gripped by a fanatical desire to accomplish something. There tends to be a fascination with computers and secret things.

Undercover issues surface now - anything you want to keep hidden will surely come up. You will be strongly motivated to act secretly. Any work situation you cannot tolerate will change. Either you will seek new work in which you can feel 100% absorbed, or you will make radical changes in your working environment. There can be interest in social or political work under extreme situations, as well as the discovery of psychological or occult talents. There are good opportunities now to eliminate corruption or pollution

problems. This is a ruthless time which requires strength in the face of crisis, the ability to cut through, fire people, to seek a new job, or to give up exhausting power struggles.

### **PERSONAL - DRIVES: Redevelop your strength**

This can be a time of crisis in relationships because a shift in the balance of power occurs. Women with this influence will no longer accept subservience in connection with men. A woman in an inferior position will now fight to establish her own power. This is the time that a new decisiveness comes up to the surface under the greatest psychological pressure. Paradoxically there is a tendency at this time to meet men with unusual power and sexual magnetism, and to encounter one's own powerlessness in the face of strong desires and jealousies. Men who experience this influence will also encounter power struggles and strong desires, and will often find themselves under the influence of emotions they cannot control.

On a sexual level there is fatal attraction towards tabu issues and the urge to live out desires which have been under control for too long. On the positive side this leads to the discovery and release of new sexual potential, though the costs can be high.

There is no astrological influence which gives has a stronger psychological effect. This is because forgotten anger and repressions now rise to the surface to be dealt with by the conscious mind. Therapy is often advisable during the duration of this transit, and it is a great period for enhancing psychological insight. As anxiety on a deep level is dealt with at this time it is a good idea to eliminate fears by developing a stronger body-consciousness, for example through learning the art of self-defence, or through embarking on a gruelling physical fitness programme.

## **Wisdom**

### **Jupiter In Pisces**

#### **PROFESSIONAL - WISDOM: Weave your dreams**

Professionally you may have considerable creative skills, in which you harness your fantasy and imagination. There can be a particular talent for advertising and the media because of your ability to sell dreams to people. Or you may work in a more humanitarian way, caring for others. In whatever situation you find yourself, you will help others through your understanding nature. You may not be especially motivated by material success as you are well aware that there are more important values in life. However your imagination and visualisation power can create the circumstances for success if you also are willing to come down to earth and

make concrete plans. If you are able to define your goals, you can achieve them. You function best when you are inspired by a dream or when your achievements enhance the life-quality of humanity.

**PERSONAL - WISDOM: Weave your dreams**

You were born at a time of concern and compassion in world affairs. This means you have access to a wealth of deep emotions in your own life which inspire you to tune into the spirit of other people. This can manifest as an outer concern or devotion, or an inner need to expand the personal realms of your imagination. You identify very strongly with the confusion that manifests in world affairs, and you may feel the need to embrace some spiritual concepts to give your life an inner foundation. You have a deep spiritual nature, though you may find difficulty accessing it because of everyday chores. There is an inner longing for peace and tranquillity which can be periodically fulfilled by withdrawing from society, or enjoying nature, or listening to music or watching movies. You would like to see the world as a wonderland, but are too often confronted with its unhappiness.

## **Jupiter In 8th House**

**PROFESSIONAL - WISDOM: Depth understanding**

You understand the importance of influence and power in all your professional dealings. You have the intellectual ability to see behind appearances and draw wise conclusions as regards most matters concerning finance and investment. In this respect you like to think big. People trust you with their money and other resources, and you can make them grow. You may also have good fortune concerning legacies or inheritances. You have a choice of direction as far as expansion is concerned. You can make a lot of money, if you put your mind to it. You certainly have the know-how. But it is unlikely that you will be satisfied by material success, and you would achieve greater satisfaction expanding your influence, ideology and power. True satisfaction especially comes when you turn your understanding and investigative talents onwards to explore the fascinating realm of psychology and related subjects.

**PERSONAL - WISDOM: Depth understanding**

You can have a rich and rewarding emotional life. Not being satisfied with any superficial relationships, you have a hunger for intimacy and a deep understanding of the emotional motivations of your partner. You are both curious and talented as regards gaining access to the feelings of others, and you have the capacity for explaining hidden psychological factors. You may have a tendency to tout your

own opinions and beliefs in a rather dominating way though. Stubborn insistence on matters of principle or conviction can easily sabotage emotional harmony. When you look back on your life you will notice that you have totally changed your own convictions at least once, so why let them become an issue in relationships? In a good relationship there should be plenty of space for a divergence of opinion.

## **Jupiter Square Uranus**

Though not especially strong, you will be able to feel the influence of this aspect under many circumstances. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

**PROFESSIONAL - WISDOM: Exhilaration**

This aspect can last for a number of months and have a strong collective influence. If you harness this influence in your career you will have a strong idealism both socially and as far as introducing new methods are concerned. Your provocative views will be a challenge to the establishment. You are an internationalist, and wish to concern yourself with issues that cut across national borders. This can bring travel to exotic lands and contact with exotic cultures. You can channel enormous enthusiasm about the future into your career - for you the path of liberation lies in innovation and experimentation. You would thrive in an international organisation, and as you also have strong humanitarian tendencies you may choose to work in a field which has to do with social reform or perhaps consciousness-raising.

**PERSONAL - WISDOM: Exhilaration**

You have a driving need to expand your philosophical boundaries and this can lead to unusual personal interests and provocative opinions as regards both personal and social development. You can have some form of connection to the New Age movement, and are very interested in reforms. You will almost certainly embark on dramatic long-distance travels and experience enlightenment through new contacts established thereby. In relationships you are inspired by partners and groups who can share your untraditional interests. An international group can have a radical effect on your life. You pride yourself on your open-mindedness and tolerance - yet you are intolerant of intolerance. You tend to upset groups with your radical opinions, but perhaps you could achieve your goals more effectively by understanding the traditions that lie behind established opinions.

## **Jupiter transiting Square Jupiter**

## **12-02-2019 -> 12-11-2019**

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

### **PROFESSIONAL - WISDOM: Development of insight**

As Jupiter represents areas of your life in which hopes and visions for the future are paramount, as well as the need to gain understanding and meaning, you can expect an increase of awareness and activities in these areas now. If you are motivated by the need for expansion and growth, then you can expect advances. There is increased focus on your ability to act on moral values and pursue your convictions concerning society. This is the time to refine your judgement and manifest your capacity to guide and counsel others. If you have a tendency to overestimate yourself, indulge moral weaknesses or to make premature judgements, then you will be confronted with this side of your character now. If self-discipline and a natural carefulness is a part of your nature however, you can take advantage of opportunities to expand.

### **PERSONAL - WISDOM: Development of insight**

Jupiter takes 12 years to go around the Sun, so it will return to its own position at the ages of 12, 24, 36 etc., and activate itself by major aspect every 2 years. During these phases of your life you can increase your insight and understanding, and plug in to that most essential part of your life which gives you a sense of purpose and meaning. It is at these times that you can rediscover your joy in existence and faith in the future. This in turn will enable you to be fertile and grow. However if you are the type who is over-confident or immodest, then you will learn a lesson at this time. Your hopes and visions for the future should be within the bounds of possibility, and if you do not keep in touch with the ground under your feet, you lose out in the long run.

## **Saturn transiting Square Jupiter**

### **01-01-2017 -> 10-11-2017**

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

### **PROFESSIONAL - WISDOM: Opportunity knocks**

This can be a good time in your professional life, if you are prepared to harness your vision of the future to build something lasting. Doors can open for you now, if you have done the necessary groundwork. You can at least reap the

benefit of all the efforts you have made to improve your training and experience. People in authority are liable give you recognition, and this can lead to a change of status or well-earned promotion.

If you overestimate your abilities, and hope for success without making effort, then there will be few benefits from this period. You should be prepared to work harder, to wield more influence, and perhaps to travel in connection with your working responsibilities. This is a good time for dealing with authorities and formalising long-term future commitments.

### **PERSONAL - WISDOM: Opportunity knocks**

You can expect some consolidation in your life which will give you greater security now. If you are the lucky type, you will benefit from real estate dealings or home purchase. Your status will be formally confirmed in one way or another. You can move up a few steps in life, if you are prepared to make the necessary efforts and have a positive expectation of the future.

You are challenged to overcome negative thinking now, and to work on your personal capacity to believe in yourself and have faith in the future. It can help for you to redefine your spiritual values and make a concrete effort to build up a more solid spiritual base. This is the time to make your opinions clear and to take a firm standpoint.

## **Jupiter transiting Conjunction 4th House**

### **06-11-2017 -> 03-12-2017**

### **PROFESSIONAL - WISDOM: Moral foundations**

One of your greatest assets on a professional level is your good judgement and lucky disposition as regards property. You can expand holdings and generally earn money through dealing with property. You can generally count on the loyal support of your family, for whom you have a strong moral commitment. Business commitments may draw you to foreign countries. Cultural and environmental issues can absorb you on both a national and international level. You will enjoy your retirement, and will probably have a comfortable economy at this time.

### **PERSONAL - WISDOM: Moral foundations**

Generally speaking you have had a fortunate upbringing, perhaps growing up in an international environment, or in a large family or a large house. A stimulating intellectual or philosophical atmosphere at home will have provided you with a solid emotional ballast later on in life. Your father, who probably had strong convictions, may have played a strong role in shaping your opinions. You may have found

family members rather dominating on an intellectual or moral level, but this has a good effect on you in the long term. You too will have powerful moral convictions in family matters. You like to live in a large house and may at some time reside abroad.

## **Jupiter transiting Conjunction 5th House**

**01-01-2019 -> 27-09-2019**

**PROFESSIONAL - WISDOM:** Personal expansiveness

Your larger than life personality can give you considerable influence in the business world. You know how to make a good impression and generally have a fine judgement as to when to take risks or not, especially as regards investments. Luck is often on your side and this makes you a winner in situations which require a gamble. You take pride in your intelligence, but you may be unreceptive to other people's opinions or over-sensitive when your own opinions are challenged. You can make a powerful impression on an audience, and this may incline you towards education. You have a generous nature and reap considerable recognition in your professional life.

**PERSONAL - WISDOM:** Personal expansiveness

A happy and expansive childhood has laid the foundation for a trusting attitude in life. You have faith in yourself and this gives you a surplus of energy and enthusiasm to enrich the lives of others. You have strong appetites - also sexually and romantically - and this may lead to too much indulgence in your life. But in general you have charisma and charm, bringing a spark of joy to the people who you choose to be with. You have the capacity and energy to have a large family, although you will also need to express your creative energy in many areas. You may be motivated by the urge to explore personal boundaries through sport or travel.

## **Challenges**

### **Saturn In Sagittarius Retrograde**

Because this planet was retrograde when you were born, you have a special personal lesson to learn in the matters described. Experiences will be evaluated more on an inner than outer level.

**PROFESSIONAL - SELF-RELIANCE:** Wisdom through experience

Saturn went through this sign in the years 1926-29, 1956-58 and 1985-88. These transits heralded periods of hectic international activity, with emphasis on expansion of intellectual as well as geographic boundaries. If you

integrate this influence in your professional life, there will be advancement in areas concerned with higher education, ethics and the law, or perhaps on travel and international organisations. You may feel that you have to overcome an inner insecurity concerning your intellectual ability or capacity for making wise judgements, and by doing this you will slowly but surely increase the breadth of your knowledge and understanding. If you achieve success in these matters, you will acquire considerable authority in some sort of council or panel, which concerns itself with giving advice. You have to guard against being too severe or moralising.

**PERSONAL - SELF-RELIANCE:** Wisdom through experience

There was a strong emphasis on world events at the time of your birth and you may have been subjected to strong opinions regarding politics, social issues or religion which will have had a formative effect on your personal convictions today. You will have been more or less affected by a tendency by your parents or society to moralise or exert ideological influence. This may be reflect negatively in your own character by your having restrictive and conventional views about everything, or positively by your overcoming this influence and developing your own convictions based on personal experience. It is particularly important that you build up a strong set of philosophical values which can help you explain the meaning of your existence. There is a tendency to be rather negative about the future, and therefore it will pay for you to learn something about the value of faith and the power of positive thinking.

### **Saturn In 4th House**

**PROFESSIONAL - SELF-RELIANCE:** Environmental challenges

You have a deeply ingrained need to live up to professional responsibilities. Perhaps this comes from parental expectations. Make sure that your ambitions are your own rather than your parents'! You may wish to serve your community or country in some way. You have also a talent for administrating property or working in the building industry. Your need for job security inclines you to take a job which protects you over a number of years, guaranteeing long-term employment and a pension. However on retirement you may miss the daily discipline of hard work. You are profoundly aware of your commitment to your family, and domestic pressures can be a distracting element in your work.

**PERSONAL - SELF-RELIANCE:** Environmental challenges

Your early upbringing was something of a trial. The atmosphere was probably rather heavy, without any sense of enjoyment. Perhaps this was a result of genuine hardship, perhaps your father was something of a disciplinarian, perhaps you felt the relationship between your parents was cold and strained. But the result is that you are defensive emotionally, and have difficulty devoting yourself to potential partners, though you are certainly dutiful and prepared to live up to your family responsibilities. Emotional inhibitions arise from the bonds you had to impose on yourself in childhood, when you felt very vulnerable. Now those who want to get close to you find an impenetrable barrier. Later developments in the family will encourage you to loosen up and learn to trust those who want to give you their love, so that you rediscover a rewarding emotional life.

### **Jupiter transiting Conjunction Saturn**

**15-11-2018 -> 11-12-2018**

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

**PROFESSIONAL - SELF-RELIANCE:** Expanding the framework

It is at this time of your professional life that the urge for growth and expansion confronts the forces of inertia in your career, or in society. You get to appreciate the power the establishment has over your life at this time. You are challenged to examine how you limit yourself and your future through restrictive systems or a lack of vision and faith in your abilities. If you can find the balance between learning from past experience yet allowing a future vision to inspire you, you may expect solid and steady growth at this time. It is important to expand within a certain framework and to accept the limitations imposed by professional authorities. If you do this you will be an important cog in the development of your company, or culturally in society.

**PERSONAL - SELF-RELIANCE:** Expanding the framework

At this time of your life you have the opportunity to loosen some of the bonds that restrict you, and lighten the load which weighs you down. This is the time that you have to adjust the awareness of what is necessary by becoming aware of the art of the possible. Restricting life patterns can be replaced or adjusted by exploring new avenues for the future. Inasmuch as you are hampered by a sense of insufficiency or inferiority as regards your abilities, you can gain renewed confidence and faith in yourself now by

defining future goals and working hard to achieve them. You can build a lasting niche for yourself in society at this time by laying new foundations for the future.

## **Originality**

### **Uranus In Sagittarius Retrograde**

Because of the relative position of this planet in relationship to the Sun and Earth, it appears to be moving backwards. This may make you more thoughtful or introverted in the area concerned.

### **Uranus In 5th House**

**PROFESSIONAL - ORIGINALITY:** Unique self-expression  
In professional matters you can project your identity in an original way, inspiring others through your ability to be unique and make the most of untraditional talents. You have an intuitive sense about when it might pay to take a risk. You can bring out the latent creativity in individuals in groupwork. You may also have a special talent with children who feel they are outsiders in some way. If you work with creativity you will feel a strong need to be shocking and provocative, going to extremes to express your own unique qualities.

**PERSONAL - ORIGINALITY:** Unique self-expression  
You probably liked to express your individuality in a rather unconventional way as a child - perhaps because you felt you were an outsider in some way. You feel most alive when you break new ground in self-expression. Adventure and daring sports may appeal to you, and you are inspired by risk-taking. In matters of the heart you are inclined towards sudden magnetic attractions with unconventional people, and love-affairs may be characterised by separation and travel. Excitement and the opportunity for change are more important for you in love than security or sexuality. You are willing to experiment in matters of the heart. Unusual circumstances are connected with children in your life. Children are like friends to you - you treat them as equals and do not feel that you own them, or that they owe you anything. As freedom is important for you, you may not wish to have children, but if you do, you will bring them up in an untraditional way. You are well-equipped to bring up children who are not biologically your own.

### **Jupiter transiting Conjunction Uranus**

**27-01-2019 -> 28-10-2019**

Major changes will occur in the area of your life described

here and you will integrate new personal behaviour and attitudes in your life.

**PROFESSIONAL - ORIGINALITY:** The future now

This is a time when insight and awareness of the future should be a force of inspiration and renewal in your professional life. Expect a dramatic increase in your horizons - either through long-distant travel and contact with exotic lands or peoples, or through mind-expanding activities connected with consciousness growth. Progress in your career depends on your ability to think in completely new channels and harness modern methods - both as far as technology is concerned, but also concerning revolutionary methods. This is a time of exciting possibilities and great inventiveness. The urge to be free and uncommitted may well have to be given priority over personal ambitions now.

**PERSONAL - ORIGINALITY:** The future now

During this period of excitement and unpredictability, you have a strong desire to expand the boundaries of your consciousness. Contact with foreign lands and cultures can blow your mind, and experiences on untraditional training courses or with experimental groups can give you a new sense of destiny or insight into transcendent aspects of your life. This is a good time for astrology and New Age interests, and to meet people who share special interests. So experiment, take a few risks and loosen your bonds - you need to allow the unknown and unexpected to happen.

## Transcendence

### Neptune In Capricorn Retrograde

Because this planet was retrograde at your birth, you will have an instinctive knowledge of, and attraction to, the following traits and activities. You will tend to be introvert in these matters, and pursue your own individual path in strong contrast to the path chosen by others.

### Neptune In 5th House

**PROFESSIONAL - TRANSCENDENCE:** Finding Self through creativity

If you choose to harness your creative abilities in your career you will be able to draw on a talent for art, or for music, perhaps in some field connected with entertainment or advertising. You do feel a need to express something ineffable in your nature in a creative way. Material success can seem unreal for you and some of your greatest experiences come when you are able to lose yourself in a self-expressive venture which transcends personal ego. In

business matters you have to watch a tendency to have unrealistic expectations. Pursuing fame or recognition will prove to be illusory. You have a talent for caring for children - especially when you work evoking their creativity.

**PERSONAL - TRANSCENDENCE:** Finding Self through creativity

You long to be able to express yourself, and this is best done through pursuing creative or spiritual interests. You may have a number of romantic dreams, but love affairs will often bring disappointment and undermine your sense of reality. You can form strong spiritual bonds to your children, and there may be unusual circumstances connected with them. Whatever happens to them will evoke strong feelings of devotion in you and the need to sacrifice yourself for them. You have a tendency to give up your own identity for the sake of children, but this can be both a good and a bad thing. True satisfaction comes when you allow yourself to come into contact with the divine through personal creativity.

### Neptune Sextile Pluto

This aspect is extremely powerful in your horoscope, and will be a major feature of your character. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

**PROFESSIONAL - TRANSCENDENCE:** Mass vision

These aspects are very rare and last a very long time. Indeed, as Pluto moves within the orbit of Neptune in the closing years of the 20th century, the present sextile aspect between the two planets lasts from 1940 to 2040 - one hundred years - so almost everyone has it! If you are able to manifest this influence on a personal and professional level (through powerful contacts in your own horoscope), it may be connected with a deep spirituality and creativity. There can be talent for dealing with the media and wide-ranging themes connected with the masses. Material issues will be less important for you than the realisation of a collective dream. There can be clairvoyant powers, and abilities connected with dreams, symbols and visualising. In industry there can be a talent for dealing with oil, the film industry or the transforming power of collective visions.

**PERSONAL - TRANSCENDENCE:** Mass vision

If you have this influence powerfully evoked by other factors in your horoscope, you will be deeply affected by spiritual issues, and constantly seeking to refine your consciousness. At these times you are likely to experience great personal disorientation and confusion, as old dreams

and visions are replaced by new, deep psychological insights. Inner growth will have major priority in intimate relationships. During periods of your life you will undergo deep transformations in which your fantasy and imagination will play a powerful role. It is essential to learn to use your imagination in a positive way by learning about the power of the unconscious.

## **Jupiter transiting Conjunction Neptune**

**10-12-2019 -> 04-01-2020**

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

**PROFESSIONAL - TRANSCENDENCE:** Balloons and bubbles

You will experience a tremendous stimulation of your imagination at this time, and this can be used to advantage if you can harness your fantasy to some creative work, especially in connection with music, imagery and the arts. If being realistic is an integral part of your career, take care. Your idealism and dreams peak at this time, and this can seriously affect your judgement. Your imagination can be gripped by great hopes, and you have a tendency to attach your hopes to a bubble which expands and expands until it bursts. Inspiration is OK, but make sure that you do not get carried away into a world of dreams. Listen to the voice of reason, and work in stages with verifiable goals.

**PERSONAL - TRANSCENDENCE:** Balloons and bubbles

If you are a dreamer, this is the time when your dreams take wing and carry you into surreal landscapes. If you do not want your hopes to be dashed, you must be aware of your limits and let yourself be guided by common sense. Great hopes will often turn out to be illusory, so don't let your imagination get out of control. However this is an excellent time for developing your imagination and your visualisation power. If you choose you can enrich your life with great spiritual insight, and gain a subtle knowledge about the nature of reality and the illusion of identity.

## **Saturn transiting Conjunction Neptune**

**02-01-2018 -> 27-11-2018**

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

**PROFESSIONAL - TRANSCENDENCE:** Making dreams concrete

This influence may not be felt very strongly, unless you have a strong Pisces influence in your horoscope. It can be difficult to make concrete plans now, things tend to flow in an uncontrollable way, goals slip through your fingers. Instead of making strategies and long-term goals it would be an advantage to do something constructive with your creative talents. Your greatest asset at this time is your imagination, so try to think of practical applications for creative ideas. If you act in a determined manner you can realise many of your dreams and visions now. This is an excellent time for helping people who are losers in society.

**PERSONAL - TRANSCENDENCE:** Making dreams concrete

This is a time when you will probably feel rather alone and isolated. Money may be short, and security even shorter. You are forced to develop your inner resources now, because outer structures in your life tend to dissolve. This is a good period for developing spiritual discipline, or making long-term plans for creative development and growth. But otherwise there is a tendency to be down-and-out, or on the fringe of society. Nevertheless you may feel moved to take more responsibility for those who suffer now, or to make some sacrifice for others. Avoid negative frames of mind, or tendencies towards alcohol or pill misuse.

## **Transformation**

### **Pluto In Scorpio Retrograde**

Because this planet was retrograde when you were born, you have a special personal lesson to learn in the matters described. Experiences will be evaluated more on an inner than outer level.

### **Pluto In 3rd House**

**PROFESSIONAL - TRANSFORMATION:** Deep investigation

When you express yourself - and you may often choose to be silent - you do so in a forceful, intense and compelling manner. You have a talent for getting to the bottom line of an issue, and are good at sniffing out unseen factors, and as such you have natural psychological talents. Perhaps you will deal with secrets in one way or another in your professional life. Research can also be an area which appeals to the detective in you. Other things being equal, you have a persuasive talent which can be a considerable force in tough negotiations. However you can risk alienating colleagues through your communication style. Insure that there is an even balance between your talking and your

listening.

**PERSONAL - TRANSFORMATION:** Deep investigation

Both school and sibling relationships will have been traumatic for you. Indeed you may have a specific communication problem with a brother or sister, or have broken off contact, perhaps because of intense differences of opinion. You may have been exposed to a family member with fanatical views, which were imposed on you in some ways. Long discussions - and long silences - characterise many of your communication experiences. As a consequence you unconsciously fear not being listened to or understood, and this gives rise to the intense and rather exhausting manner in which you communicate. If you find yourself fixing your victim with a hypnotic stare whilst you intensely drone on, you will know that this is the time to take a deep breath and relax.

Don't waste your mental energy.

### **Jupiter transiting Conjunction Pluto**

**19-10-2017 -> 14-11-2017**

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

**PROFESSIONAL - TRANSFORMATION:** Power play

During this period you will be initiated into the use of power and secrecy in the professional sphere. This may be because you discover hidden factors, corruption or power misuse behind some professional facade, or it may be because you learn to harness your own personal power or psychological insight in your career. Whatever the circumstances you may feel a certain anxiety because of circumstances seemingly beyond your control. Make sure you are on good terms with legal and financial authorities, or at least cover your tracks if you aren't!. Big money can be involved during this period, involving large gains or losses, so make sure you have the best financial advice.

**PERSONAL - TRANSFORMATION:** Power play

There is a leap in your awareness of the power of the unconscious to shape your life at this time. You may choose to develop your emotional insights by learning more about psychology in one way or another. If you have any hidden anxieties or phobias you can expect them to be more acute or to come to the surface now. Even though this may be disturbing, there is a unique opportunity to understand the secret mechanisms of your mind and to eliminate the negative effect of repressions. You can become the intrepid explorer of some very dark territory indeed.

### **Uranus transiting Opposition Pluto**

**21-06-2018 -> 31-12-2020**

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

**PROFESSIONAL - TRANSCENDENCE:** Unpredictable power

This influence will pass most people by, unless they have strong Scorpio character traits. Generally this is experienced as forces completely outside one's control revealing hidden flaws or secret affairs in organisations. Powerful and secret forces in society can impinge on one's career in completely unpredictable ways now. This is a time of extremism and violent uncertainty, and allowances ought to be made as far as plans are concerned. Threats received at this time can awaken deep anxieties. If you work with computers beware of viruses and other unpredictable events. This is a good time for harnessing technological forces to consolidate power.

**PERSONAL - TRANSFORMATION:** Unpredictable power

For those who are sensitive enough to feel this influence, they can expect a powerful awakening of unconscious forces. This can be a very disturbing event, as you may feel that you have little conscious control over the deep repressions that can well up to the surface and dominate your consciousness. This is a good time for group therapy and greater psychological awareness. There may be an interest in archetypal forces such as shamanism and occult forces, but great care has to be taken with such forces. Violent imagery can surface in dreams and in waking life, and perhaps this process should be seen as an inner spring cleaning in the manner of an electrical storm which clears the atmosphere.

## **Destiny**

**N.Node In Aries, S.Node In Libra**

**PROFESSIONAL - DESTINY:** Trial by fire

The issue of leadership and individuality is extremely important to you because you have an instinctive need to be very considerate to others. You will often compromise in situations when you would be much happier cutting through and taking the lead. Your affairs function better when you ask yourself what you truly want, rather than what other people want. By letting your leadership qualities come to the fore, you will find that you can still use your knack for tuning

into others and making compromises when necessary, yet you will also fulfil your destiny - which is to be an example to others through living out your own individuality. It is important not to let your need for harmony around you stifle your ability to take action.

**PERSONAL - DESTINY: Trial by fire**

Deep and unconscious drives, which have their roots far back into the past, create situations in which you - when young - almost stand on your head to take other people's views and needs into consideration. You are motivated by the need to be liked and appreciated, but a time will come when you will experience a major reorientation in this respect. By going for what you really want - by allowing yourself to take the initiative and go for what is right for you - you will find your true self. It is important for you to risk doing what you really want, even if you feel it alienates others. Things simply do not work for you when you unctuously try to win approval, whereas when you strike out on your own you win the respect and appreciation of others.

**N.Node In 9th House, S.Node In 3rd House**

**PROFESSIONAL - DESTINY: Gaining an overview**

You are a person with a natural talent for communicating. The need to maintain connections and keep in touch with others is a powerful motivating factor early in your life. You know a lot of people, and you spend considerable time socialising with them. As you mature, you will derive less and less satisfaction from the endless whirl of your social rounds, and there may be the sense of being full up to the brim with other people's ideas and opinions.

At this point you embark on a wisdom-seeking journey.

**PERSONAL - DESTINY: Gaining an overview**

A turning point comes at some point of your life - particularly around the age of 37. You feel a strong need to define your own ideas and opinions, instead of regurgitating the ideas of other people. You also need to seek the mountain air, getting away from the demands of family and friends. The triviality of your everyday life begins to pall, your words seem empty or borrowed, and the things you have learned seem bereft of deeper meaning. This dissatisfaction may lead you to a life of serious study, in which you strive to gain an overall perspective which makes sense of people's busy lives. This may be coupled to a strong philosophical or religious experience.

**Jupiter transiting Opposition N.Node**

**09-09-2017 -> 07-10-2017**

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

**PROFESSIONAL - DESTINY: Understanding karma**

You can expect an expanded circle of contacts at this time, with a special emphasis on people who are seeking influence on a large scale in society. Opinion-makers, advisers and foreigners can bring a new perspective in connection with future planning. You may feel that your destiny is interwoven with some larger plan. Greater awareness of the direction you wish your life to take can mean making a few adjustments. Do not let inflated ideas about your destiny or personal importance lead you astray.

**PERSONAL - DESTINY: Understanding karma**

This is a time when meetings have particular significance in terms of karma and your growth as an individual soul. You may have a powerful experience connected with some group activity now and gain greater insight into your soul and your fate as a human being. There is also a strong tendency to be drawn into a web of spiritual illusions - though you will surely also have rewarding experiences. You are drawn to partners who have a deep significance for you now, for good or ill.

**Uranus transiting Conjunction N.Node**

**27-03-2017 -> 19-02-2019**

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

**PROFESSIONAL - DESTINY: Group inspiration**

This influence can see you getting involved with unconventional groups in your professional life in a process of inspiration and renewal. At the same time you may also find yourself suddenly cutting bonds to groups, associations and organisations which have meant a lot to you in the past. It is wise at this time to consider the direction your career is going from the point of view of long-term perspectives. Are you satisfied that you are spending your time fulfilling your personal mission in life? If not, you can radically readjust your direction now. It is a good idea to encourage greater humanitarian commitment, international travel and interests abroad, and new associations with groups working for renewal in society.

**PERSONAL - DESTINY: Group inspiration**

You can achieve a greater insight into the meaning and direction of your unfolding as an individual now. By

withdrawing from friendships and associations whose meaning for you is over, and by striking out in your own individual direction, you can get in contact with a feeling of exhilaration concerning your unique destiny. You do however have to avoid extremism now, and if you take too pronounced an outsider position, you risk being alienated. You can be a force for renewal and rejuvenation amongst groups and in society at this time.

## SUN, MOON and PLANETS

## THE TWELVE HOUSES

### The Ascendant - Lifepath

This is by far the most important position in the horoscope. It represents you, your life and how you occupy the stage - your style. Planets placed here dominate the life.

### The Second House - Resources

This house is connected with self-worth. How you feel about your body, your assets and talents - and therefore your financial status - is reflected by planets in this house.

### The Third House - Connections

This shows mental abilities and experiences connected with education, siblings, neighbors and everyone in the local environment. The house of travel and networking.

### Descendant (7th) - Relationships

Whilst the Ascendant is connected with yourself, the Descendant is to do with others. This house shows where we reach out and meet people, and form lasting relationships.

### The Eighth House - Intimacy

This house is connected with life's inevitabilities like sex, death and taxes. This is where we feel most anxious and vulnerable, and where we confront emotional and sexual taboos.

### The Ninth House - Understanding

Planets placed here express themselves through insight and understanding gained through travel and further education. This is where beliefs are formed and judgments given.

### The IC of Fourth House - Roots

This shows the family heritage, the atmosphere at home, and the ability to connect to roots and put down new roots. Parents and family are shown here, as well as property and ancestry.

### The Fifth House - Expression

Planets placed in this house are strongly identified with and projected onto the stage. This house is connected with feeling confidence through creativity, children, love and play.

### The Sixth House - Service

Planets placed here show the need to relate with others via practical issues such as work and domestic tasks. This house is connected with health and the daily environment.

### Midheaven (10th) - Achievement

This house represents crowning achievement - your goals and mission. It also shows your career and superior authorities like parents, bosses etc. Planets here achieve success.

### The Eleventh House - Groups

This house is connected with your social life. It has to do with friendships at school and in later life, as well as groups and associations, or the social sphere you are a part of.

### The Twelfth House - Isolation

This shows isolated places in society like prisons and hospitals, or simply living away from it all. Planets placed here show where inner development takes place when feeling alone.

## THE ASTROLOGICAL ASPECTS

### The Conjunction

(0 degrees... orb allowed: 12 degrees)

Key word: Fusion

This aspect is in effect when two planets are close to each other, normally in the same sign. It represents the fusion of planetary principles.

### The Opposition

(180 degrees... orb: 10 degrees)

Key word: Separation

This aspect - when two planets are in opposite signs - shows a split or division between the needs shown by two planets. There is also an attraction between opposites.

### The Square

(90 degrees... orb 6 degrees)

Key word: Tension

This aspect occurs when planets are at right angles to each other in the chart. It shows two needs at war with each other. This brings considerable dynamism, but a lot of trouble.

### The Trine

(120 degrees ... orb 8 degrees)

Key word: Harmony

This aspect occurs when planets are a third of the circle away and normally in the same element. This shows the harmonic confluence of needs, bringing happiness and harmony.

### The Sextile

(60 degrees... orb 4 degrees)

Key word: Creativity

If the circle is divided by a six-pointed star, the sextile would take place on two of the points next to each other. There is both dynamism and pleasure connected with this aspect.
