HOW TO READ YOUR PERSONAL HOROSCOPE REPORT

This horoscope is your personal cosmic fingerprint. No other person will have exactly the same combination of influences, unless they were born in the same second and exactly the same place as you were. With 10 planets, 12 signs of the zodiac and 12 houses there are approximately 1500 simple combinations in the horoscope, and when you add to that the different degrees and combinations between planets there are tens of thousands of influences which have to be weighed and juggled in any astrological interpretation. No computer programme can do this satisfactorily, but we do our best.

THE DIFFERENT SECTIONS

Reports from AstroWOW are designed to simplify the interpretation process for you. It indicates for example the relative strengths of different planetary influences so you can see what is most important. Furthermore this written report is divided up into sections on Identity, Emotions, Mentality, Love and Sexuality to eliminate apparent contradictions which arise in the character description. But the reader must bear in mind that contradictions will arise. People are complex and contain many contradictory traits. Diametrically opposed character descriptions will either reflect inner dilemmas or outer conflicts reflected in the behaviour of others.

PROFESSIONAL and PERSONAL PROFILE

The AstroWOW birth report can cover your personal character, your professional life or a combination of both, depending on your choice of report. The professional section addresses the questions: "What talents do I have?" and "How can I use this ability?" The personal section is concerned with relationships and hidden psychological causes, and addresses the question: "How can I improve myself in this area?"

PAST, PRESENT & FUTURE

Our reports can also integrate trends of the next year or two into the birth analysis, going beyond a static description of personal character and introducing a dynamic sense of what is happening for you here and now. The dynamic trends show the unfoldment of the horoscope through time. By analysing the current trends, it is therefore possible for you to gain insight into events just past, events happening at the present moment and trends into the future.

THE AUTHOR

This report is designed and written by Adrian Ross Duncan, former editor of the Astrological Association Journal, who has worked as a full time astrologer since 1985. Adrian is author of "Doing Time on Planet Earth" (Element Books 1990) and "Astrology: Transformation and Empowerment" (Red Wheel/Weiser 2002). His astrology software Horoscope Interpreter, Astrology for Lovers, and The Astrological Calendar are available from www.worldofwisdom.co.uk

It is our hope that the written report will give those who do not have the time to bury themselves in the study of astrology the opportunity of gaining insight into both their professional and personal life. If you wish to learn a little more about this report, you are encouraged to read the Introduction to Astrology at the end of the report, which describes the general influence of the 12 signs, the planets and the 12 houses

Life Path

Ascendant In Cancer

PROFESSIONAL - LIFE-PATH: Emotional attachment

You are a hard-working and ambitious person, intent on building security in your professional and personal life. You are strongly motivated to get ahead, and very emotional in your way of going about your tasks. As a caring person, you may wish to work helping people grow and develop, but you also have business talents. Though very changeable in mood, you prefer the safe option, and are always strongly motivated by family considerations. Though ambitious you are soft and considerate, not liking to tread on other people's toes. You prefer to see your partner play the tough or dominant role, while you keep yourself in the background. When threatened you retreat into yourself. Under your rather private facade you are vulnerable and can be easily hurt. You may find yourself involving the family in your professional life.

PERSONAL - LIFE-PATH: Emotional attachment

Emotional development is the keyword in your evolution as a human being. You form powerful emotional attachments and tend to become rather dependant. There may be a particularly strong attachment to the mother or family. Learning to let go of old attachments will be an important challenge in your life. You have access to the whole spectrum of human emotions. You are very sensitive and easily hurt, yet at the same time you show a lot of concern for others. In intimate relationships you form strong bonds and tend to smother your partner, who may respond by demanding more maturity and independence in you. You force other people to create barriers against the tide of your emotions. It is important for you to learn to deal with rejection, as you are oversensitive in this area. Being a strongly emotional person, you also have access to the deep well of the unconscious, and this gives you considerable intuitive talent.

Ascendant Conjunction Sun

You will often feel the influence of this aspect, though stronger influences may predominate in other areas of your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - LIFE PATH: I, myself, me

Whether you would prefer to have a low profile or not, you will often dominate your surroundings through the force of

your personality. Professionally you strive to do your very best - for success is a matter of honour for you. You have a magnanimous disposition, and are generous in your dealings with others. Creative work and self-expression must be an important element in your professional life. You stand on your pride too much.

PERSONAL - LIFE PATH: I, myself, me

You have a radiant personality, with a touch of self-importance. You take yourself - and the impression you make on others - very seriously indeed. Some people may consider you self-centred. You tend at least to be the centre of attention, and although you invest all of yourself when you relate to others, you give your own personal development needs priority. You have plenty of surplus energy, and your playful nature can make you a figurehead for young people.

Ascendant Square Moon

This aspect is extremely powerful in your horoscope; every action you take will be coloured by this energy. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - LIFE PATH: Unconscious attunement

You have an emotionally compelling nature which profoundly affects the feelings of the people you associate with. You are very concerned with the emotional bonds which hold people together, as well as issues of security. You can therefore work for example with the needs of the public in some way especially as related to homes, family or motherhood. You infuse all your work with an emotional investment. A hard professional environment is bad for you.

PERSONAL - LIFE PATH: Unconscious attunement

You are a moody person and will often find yourself affected by fluctuating emotional states - especially through worrying about family matters or security issues. You have a deep appreciation of the power of the unconscious and instinctual behaviour. In your dealings with people unspoken feelings have far greater priority than rational concerns or argument. You are finely tuned to changes in atmosphere, and adjust accordingly.

Ascendant Square Pluto

This aspect is of medium strength and its influence will often be felt, though not acutely. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended

time and effort.

PROFESSIONAL - LIFE PATH: Aura of mystery

You are attracted to positions of power in which you can exert control over your environment and professional relations. You have the power to deal with unpleasant confrontations, and you can make difficult decisions under pressure. There may be a ruthless streak to your character, as you often imagine threats to your position. This means that you can exhaust your resources in battles for power.

PERSONAL - LIFE PATH: Aura of mystery

You have a magnetic personality and tend to exert a powerful influence on your environment. Secret efforts to feel secure in your personal relationships can be exhausting - both for you and for others. Though you have psychological talents and an ability to penetrate facades, you tend to allow an obsessive ideologies or opinions to poison your relationships. When you relinquish control you discover peace.

Moon In Aries

PROFESSIONAL - EMOTIONS: Be inspired, take action

You are undoubtedly a dynamic person - the type to take action immediately when you are emotionally involved in something. Whilst this dynamism is a virtue, it will often manifest as impatience - even as a sharp temper, which of course can have a negative effect on the people you work with. You hate being pushed around, and thus it can be difficult for you to take on a subordinate role - you would prefer to be ahead of the field. You will often set yourself the challenge of achieving short-term goals in record time, and though you work well under stress, this tactic may not be good for your health in the long run. Learning to relax and let others come first is a part of your maturing process.

PERSONAL - EMOTIONS: Be inspired, take action

You will thrive in relationships which give you the freedom to take independent action. Some of your most painful memories are connected with times when you were robbed of this freedom. To enjoy a harmonious relationship you need to establish control over your temperament. You have a tendency to be short-tempered, and this comes from frustrations or a tense atmosphere in your childhood. You tend to use the threat of creating a bad atmosphere through your temper or through being huffy to get what you want. With time you learn patience. As a partner, however, you are fun to be with and you know how to create an exciting atmosphere in which things happen.

Moon In 10th House

PROFESSIONAL - EMOTIONS: A caring career.

Your career will involve you deeply emotionally and to some extent can be a "home from home". You make important emotional bonds to people you work with, and may find yourself playing a significant public role because you are very sensitive to the public's interests. You may also have a talent for dealing with products of the land or with housing. Your mood is strongly affected by the many ups and downs that you experience professionally. This professional sensitivity is an advantage when you cater for the needs of society, nourishing people with your concern, but it could be wise to develop a certain emotional detachment, so that you feel less vulnerable. Your mother may play an important role in your career, and elder successful women will inspire and support you.

PERSONAL - EMOTIONS: A caring career.

Your mother had a profound effect on your personal development and you probably still look up to her, or see her often. She was most likely the dominant parent and will have influenced you strongly in your choice of career. A lot of your unconscious professional motivation is aimed at living up to her expectations. Later in your life partners will find themselves competing with either your job or your mother for your attention or your affection. But you have a strong sense of duty, and you may feel that your role is primarily to live up to family expectations. Having children really mobilises all your resources, and you will make a good parent, but true fulfilment will be found when you can manifest your caring energy beyond the limits of the family.

Identity

Sun In Cancer

PROFESSIONAL - IDENTITY: Sense of belonging.

You are a loyal person easily moved by the bonds of attachment that link you to others - particularly family members. You work best in a secure environment with people you know, and your place of work can be a second family to you. You resent intruders, and it takes time for you to get used to new people in your professional circle. However you are talented at understanding others, and strongly motivated to help care for people. You are a vulnerable person and will seldom forget it if someone harms you, or someone else who you care about. You are particularly attached to your territory and defend it fiercely. Actually you work hard to create a cosy atmosphere at your place of work. You have a natural business talent for increasing your assets. You hang grimly on to professional

gains, but often future growth is prevented by past clutter. Economic insecurity can make you physically ill, because you are so attached to home and family and fear loss. But you are dynamic and industrious, so you tend to steadily advance in life.

PERSONAL - IDENTITY: Sense of belonging.

The bond to your mother will have been particularly formative. You are sensitive and easily hurt - though this may not be immediately apparent on the outside. Likewise, you are loyal and passionate in your defence of those you love - injury done to them is also done to you. You have a strong and instinctive protective nature. The greatest dilemma in your life comes when the bonds of attachment are broken - for example in connection with changes in the family structure. At these times it is important to recognise the dangers of sentimental attachment to the past. Your reluctance to let things go can stand in the way of your personal development. You have a great talent for building up a nurturing environment for those who are close to you, yet it can also help to be more open to those who are not necessarily so close. You are easily upset by changes in your daily rhythm, and can be rather grumpy when called upon to change habitual behaviours. Your home is your castle.

Sun In 1st House

PROFESSIONAL - IDENTITY: Actualise your self

You make a strong and very personal impact on your surroundings, and you have a keen awareness of the impression you create. This personal charisma can be used to your advantage professionally through your ability to attract a following. Your natural leadership abilities, personal power and charm ensure that you are the focus of attention when you tread onto the stage. You have considerable creative drive, and generally speaking it is important for you to feel that you can realise yourself and your ideals in your work. A high-profile job would suit you, in which you get what you want by force of personality. Though generous to others, you have difficulty seeing their point of view and tend to overwhelm them with yours.

PERSONAL - IDENTITY: Actualise your self

You tend to see life as a drama where the spotlight is on you. Some people may feel that you are self-centred in this respect, but it is part of your mission in life to realise yourself and your creative abilities. Everything you do in life is done with a powerful self-awareness, and this can be both a blessing and a curse. Aware of the impact you have on your surroundings, you feel that you are on stage all the time,

and that much is demanded of you. You may wish to tone down the intensity of your presence, as you do have a tendency to steal the limelight....but you can be fun to be with. You can sparkle and energise other people. And you have genuine good intentions and a natural generosity, which, though sometimes rather overwhelming, can be of benefit to others.

Sun Square Moon

It may be difficult for you to discern the influence of this combination of planetary energies; it is weak and may be outweighed by stronger influences. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - IDENTITY: Conscious/Unconscious

As these two planets represent the basic building blocks of character, your success will very much depend on the nature of the aspect between the Sun and Moon, and other planetary influences. The main issue is your ability to assert yourself without unconsciously distorting the reactions you receive from others. Harmonious contacts between the Sun and Moon indicate a talent for nurturing and strengthening others through the capacity to understand them, as well as giving a wealth of creative talents in many areas. Disharmonious aspects give a tendency to misinterpret or distort the reactions of people who have influence in the world. Emotional conflict with people in authority can undermine progress in business life, and this will be connected with some immaturity on your part. Often the problem will lie in environmental instability in which your domestic situation is at odds with professional visions. At the conjunction - or the New Moon - there will be a strong self-sufficiency and a strongly integrated character, but it may be difficult for you to get an objective picture of yourself. This would be a definite disadvantage if you have to deal with others on an emotional level.

As you mature you gain greater insight into the role the unconscious plays in human behaviour, and in some cases this can lead to work of a caring nature relating to the emotional make-up of others.

PERSONAL - IDENTITY: Conscious/Unconscious

As the Moon waxes and wanes, it goes through different phases showing its relationship to the Sun. Each phase has a specific effect on personal character. At the New Moon - or conjunction - there is a strong self-awareness, but some frustration as regards getting on in life. Past bonds have a strong hold on the personal nature and will often stand in

the way of progress. In relationships the conjunction can make it difficult to gauge one's effect on the partner, and although there is a strong sensitivity, it is felt very subjectively. Often the bond to the parents is rather unique with this aspect, and the family life is characterised by an insular self-sufficiency. The father may exhibit a strong emotional or caring nature, and the mother may well have strong independent characteristics.

The full moon - or opposition - on the other hand gives almost too much objectivity, and emotional interactions in relationships are quite dominant. There is a tendency to project behaviour and attitudes on the partner, which in reality belong to oneself. This may be due to an upbringing in which there was a strong contrast between the parents. If so, you will have identified strongly with one parent to the detriment of the other.

The half moon - or square aspect - also bring conflict between the identity and emotional needs. As you mature it becomes essential to control inappropriate emotional reactions which relate back to frustration regarding your interpretation of parental conflict.

When the Sun and Moon have a harmonious relationship to each other, through the trine or sextile aspect, there is much greater ease in expressing feelings and ascertaining one's effect on others. Whatever the aspect, you will have a very strong emotional nature, and feel an enormous pull from the past. You will have well-developed instincts and a talents for delving in to the dark realms of the unconscious. Generally speaking with all aspects between the Sun and the Moon it pays to exert the influence of the will on your emotions, so that you gain greater consciousness of the deep-seated emotional programmes which still unconsciously affect your behaviour.

Sun Square Pluto

Though not especially strong, you will be able to feel the influence of this aspect under many circumstances. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PERSONAL - IDENTITY: Transformation of identity

It is important for you to make a strong impression on people, and you invest a lot of energy in this - more than you are aware of. Much can be gained by toning down your personal energy. You are suited to positions requiring the use of power and psychological insight. Whatever you do, you like to be deeply - sometimes fanatically - involved. This may often lead to battles of will, and you tend to win,

basically because you cannot contemplate personal defeat. More flexibility would actually benefit you and help you avoid tiring power games.

Personal power is a natural asset - as you will discover after a number of significant personal crises which lead to a revaluation of your role. These crises are centred around achievement at all costs, or fanatical attachment to a particular role which outlives its meaning for you. When you learn to tone down your sensitivity about self-esteem, and invest your considerable willpower into projects which really mean something to you, and to others, you can achieve success. You may have a talent for psychology or dealing with the powers of the unconscious.

PERSONAL - IDENTITY: Transformation of identity

Early personal experiences have made you sensitive about your identity, and anxious about self-esteem. However this means, paradoxically, that you often overwhelm others with your presence. Thus you tend to be a dominating figure in intimate relationships. You need a partner who is not superficial and who shares your intense approach to life. To achieve harmony here you should relax instead of asserting yourself, otherwise relationships will become very exhausting. It is important to realise that power battles are related to inner fears about your identity. Women with this influence will often be attracted to a dominating man, only to find that he does not match her own strength which was acquiring through trying times in childhood. More intimacy can achieved by daring to show vulnerability.

Jupiter transiting Opposition Sun

29-12-2019 -> 23-01-2020

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - IDENTITY: Creating your future

During this phase of rising self-confidence you can expect your plans for expansion to take off. You should be thinking positively about the future now, visualising how you would like things to be as vividly as possible. Your power to get what you want is at its highest, so start expounding your visions of a bright future. Remember: you get what you focus on, so focus on what you want.

It is favourable to expand into foreign countries; higher education, public relations and insight-enhancing projects will also bring success. Whatever you do, it is essential that it has depth and meaning for you. Don't waste important time on trivial matters - success is about the quality of life

and making an impact with the essence of your own identity. If necessary take time off from work to build up a new vision for your future. If you have any legal problems, you will be confronted with them now so ensure that you are morally unassailable. And don't over-estimate yourself and your capacities. Make sure your plans are within the boundaries of reality.

PERSONAL - IDENTITY: Creating your future

During this phase of your life you will be given the opportunity to find a new sense of meaning in your existence. Bubbling up from within, you have the chance to release a new energy and enthusiasm based on a sense of your personal relevance to this planet. Travel abroad and contact with people you respect for their intellectual and spiritual capacities will now expand your world-view. Knowledge and understanding will enable you to build up a broader moral base with greater insight and tolerance.

This is a very favourable time for religious growth if you are so inclined, or philosophical and intellectual insight. In many ways the world opens to you and reveals its gifts and blessings for you to enjoy. Take care as you sample the pleasures of this cornucopia and don't overestimate yourself - personal hubris will be punished and you may find yourself coming down to Earth with a bump.

Saturn transiting Opposition Sun

11-02-2018 -> 04-01-2019

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - IDENTITY: Long-term strategy

You can use this period to rise to the many professional challenges in your life and create the foundations for lasting growth. This is no easy time; many difficulties arise and you will have to work harder and shoulder more responsibilities. Authority figures make demands on you, seemingly without giving you any recognition. If you try to avoid commitment now, you are likely to be dogged by worries and problems. Your self-confidence may be low, and you may feel that you cannot live up to the expectations of others. Time will show that you can overcome difficulties and achieve goals.

Planning and strategy is of the essence, and it pays to plan months ahead and to tighten up schedules, working to realistic deadlines in a committed manner. By completing your work in stages and dividing large projects into smaller sections, you will find that you can handle enormous responsibility. You will not get something for nothing now,

but hard work will be rewarded in the long term, so roll your sleeves up and get down to it.

PERSONAL - IDENTITY: Long-term strategy

At the beginning of this phase you will probably not be feeling so good about yourself. You may feel that you do not get enough - or don't deserve - recognition. There is a strong inner feeling that you must pull yourself together and do something worthwhile, and the sooner you do this, the better you will feel. There is a general feeling of being weighed down by burdens, and there may be a lot of pressure to live up to the expectations of others.

It is time to take responsibility for your own life and to define new goals, whilst you can send a strong signal to other people - parents in particular - that you can look after yourself. By rising to the challenges of the time, you can develop a strong inner feeling of self-satisfaction, based on the results that come from hard work and effort. You will be facing central issues concerned with identity and self-sufficiency, and will emerge from this period as a stronger and more self-reliant person.

Moon Opposition Pluto

This aspect is of medium strength and its influence will often be felt, though not acutely. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - EMOTIONS: Deep emotional involvement

You are strongly motivated on an unconscious level by a need for security - a need which is very difficult to fulfil. However when you turn outwards and concern yourself with others, you will discover a special talent for helping other people find security. This may manifest as social consciousness. You also have a talent for dealing with people in crisis, possessing an inborn psychological ability to transform how people feel. You are suited to work which requires a deep personal involvement combined with a certain power and distance. You have the power to

investigate deep emotional states in other people, and this can be connected with psychology or the occult.

PERSONAL - EMOTIONS: Deep emotional involvement

You are a person who feels everything very deeply, although people who only know you superficially might not be aware of this. Your need to protect yourself emotionally comes from a number of disturbing childhood experiences which mean that you tend to play it cool in times of crisis. Problems arise in intimate relationships because you never let on how you really feel - if you had the courage to show your vulnerability, people would treat you better. You cling to emotional bonds with great intensity, yet in times of crisis you can suddenly amputate your feelings and become ice-cold. It is unwise to deal with crises by giving ultimata. It is essential to overcome these destructive defence mechanisms, if you want to enjoy warm relationships.

Jupiter transiting Square Moon

05-12-2019 -> 31-12-2019

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - EMOTIONS: Expanding your base

This influence depends very much on how large a role safety and security play in your professional life. If safety is paramount, you will be wanting to expand the foundations of whatever represents security for you now. As this may well be property, you could wish to move into a larger home or business, and indeed it certainly pays to invest in land and buildings now. Providing that you can trust your instincts in these matters, then property acquisition or expansion is favoured.

For some people freedom and expansion of horizons will be more important than security. The urge to investigate foreign countries - their people and culture - can play an important role in your career now. Trust in your hunches - your intuitive powers are at their highest in this period, and you have the enthusiasm to take on any challenge. You may however find that your interests lie outside the professional sphere. This is a higher-charged period for you emotionally, so you will probably also want to expend your energies on domestic or family matters.

PERSONAL - EMOTIONS: Expanding your base

This is a period when your feelings and emotions exert a tremendous power in your life. Hopes and dreams about the future will be a driving force inspiring you to take action. Generally speaking you should have a degree of luck and

good fortune in attaining your greatest dreams at this time. This is probably a natural consequence of the enthusiasm you invest in all matters. You can expect an expansion of your horizons and a deepening of your capacity to show feeling. You learn something of the mystery of life, and it gives a new meaning to your existence.

You can be strongly inspired by a future vision connected with domestic happiness, a home or children. There is, however, a tendency to go overboard. If you are hoping for the fulfilment of emotional dreams, so many opportunities can arise that you simply cannot make a choice. Furthermore your emotional suggestibility is at its highest - you believe what you want to believe. Whatever the concrete results - if any - of this period, you will come into deep contact with your emotional power and gain rewarding new insights.

Saturn transiting Square Moon

01-01-2018 -> 18-11-2018

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - VALUES: Emotional self-sufficiency

Issues of economic and job security become very pressing at this time, and you will feel a strong drive to overcome any weaknesses in this area. You can however expect a lot of difficulties, especially if you indulge immature expectations, or rely too much on others. Childish behaviour gets you nowhere now, and if you do not have conscious control over your emotional reactions you can expect to be unpopular.

The atmosphere in your working environment may be rather heavy now - perhaps because of an elder woman who is trying to assert her authority. The more mature you are, the better you can handle trying situations. You have to know when to set limits, whilst still living up to your responsibilities. You can develop the self-discipline and patience to work with people in difficulty, if you choose to.

PERSONAL - EMOTIONS: Emotional self-sufficiency

During this challenging emotional period you will become more mature and self-sufficient. But this is not normally a happy time - partly because safety and security is no longer what it was. You have to spend time building more secure foundations for your life, and you cannot expect anyone else to be very supportive during this time. It is up to you to shoulder responsibilities uncomplainingly and with dignity.

Time can drag on now because you have to spend more time attending to everyday details and getting things to

function on a practical level. On an inner level you are confronted with the need to change or control unconscious emotions and habits. It is no use allowing your temperament, your jealousy, your distance or your stubbornness to get in the way of a rewarding relationship. The time demands emotional self-improvement, so stop making excuses and start working on yourself.

Mentality

Mercury In Gemini

PROFESSIONAL - MENTALITY: Explore the mind

You are a true all-rounder, with amazing communicative abilities. You probably have a finger in several pies, and a good deal of knowledge in a variety of areas. You probably talk in a rapid way and change the subject often. Your diversity will give you success in mental pursuits, establishing contact with others, teaching, working with the mind etc. You are an ideas-person, and as such it is essential for you to have contact with people who can put your ideas into practice. You can work wonders on the telephone and feel generally at home with modern communication techniques. It is your job to teach, persuade and inform, and it is up to others to consolidate the results.

PERSONAL - MENTALITY: Explore the mind

You are young in heart and mind and manifest a constant curiosity regarding people and the changes that go on around you. You hop from subject to subject when talking, and your voice tone is probably musical and light, and quite fast. You are restless and like to get involved in several things at the same time. Being as flexible as you are, truth can be seen as relative to the task at hand. In other words you do not like to commit yourself to a particular idea or truth for any length of time, but instead you find pleasure in exploring the whole spectrum of human interests and beliefs. It is more the dance of the mind that appeals to you - practical conclusions and applications may just be boring. Travel, meeting people and exchanging gossip about life are appealing pursuits for you.

Mercury In 12th House

PROFESSIONAL - MENTALITY: Mental communion

You have some unusual mental abilities because you are able to harness your intuition and tune in to signals and ideas which other people are not sensitive to. You function best in situations where you can have a low profile mentally and operate behind the scenes with your ideas. You appreciate having the mental privacy to get on with your

business without being disturbed. Being sensitive to mental pollution - the gossip, chattering or superficiality of others - you withdraw into the world of your own imagination. Here you can think up many ideas and projects which can bring professional success - particularly in connection with marketing, advertising or the media. You may also have artistic, creative or musical abilities.

PERSONAL - MENTALITY: Mental communion

The private world of your mind and your thoughts is very important for you. Perhaps as a child you were forced to retreat into your own fairytale world - at least now you can be quite happy with your own company. You are the type who keeps a private diary in which you commune with yourself. In partnership matters it is important that your loved one allows you to withdraw from time to time - but at the same time there will be a lot of misunderstandings - not to mention a growing isolation - if you do not take the trouble to reveal a little of what goes on in your mind. You have a number of spiritual talents - your mental receptivity means that you can derive great benefits from walks alone in nature, and you may even be open to some form of spiritual communication. Poetry, music and art can also be wonderful areas of refuge to you.

Mercury Sextile Jupiter

It may be difficult for you to discern the influence of this combination of planetary energies; it is weak and may be outweighed by stronger influences. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - MENTALITY: Disseminating information
One of your great professional assets is your intellectual curiosity and interest in communication and information. You can be something of a perpetual student, accumulating knowledge and insight for a rainy day. These intellectual talents bring you success in fields which require study, writing, meeting people, travel and generally exchanging ideas. You have excellent teaching talents, because you both have the capacity to concentrate on details, and at the same time can draw wide-ranging conclusions. You can maintain an overall perspective, even when drowned in facts and figures. You can also be extremely persuasive, and this can give a talent for sales. People can come to you for advice and information. You are also suited to a position in an office, where you have access to phones and faxes, computers etc. You may be rather restless, so you need to work in a position in which you work with a whole spectrum

of daily tasks, or in a situation in which you meet a variety of different people, perhaps whilst travelling around.

PERSONAL - MENTALITY: Disseminating information

Gaining intelligence is a strong motivating factor in your life. Attending courses and studies, learning languages, travelling and meeting people, are all important activities for you, because they give you the opportunity to train and expand your mind. A foreign language may play an important role in your life - you certainly have the capacity to master more than one language. You can be witty and a mine of information. On the other hand you may feel a strong need to impose your ideas and opinions on others. You hate to be belittled mentally, and you may compensate for this by becoming argumentative, or by dutifully trying to enlighten people about what the truth is. It is better to fulfil this need in some job for which you get paid - rather than tire your partner with your constant need to explain and inform. It is wisest to give your opinion only when it is consciously sought by others.

Mercury Opposition Neptune

It may be difficult for you to discern the influence of this combination of planetary energies as it is not a strong configuration in your chart. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - MENTALITY: Clarify your thoughts

You have a very refined mental sensitivity which may be expressed through some form of imaginative and creative work. You possess a wonderful intuition, but formal learning and dry facts do not interest you. You can be quite a perfectionist and are very good at spotting mistakes and errors. In your dealings with others, you are very good at tuning in to their ideas, and you will go very far - perhaps too far - to avoid confrontation and argument. You tend to hope difficulties will disappear if you ignore them, and you have a tendency to create a smokescreen around issues. Thus you like to get your own way through being indirect and confusing the opposition. However if you do not make an effort to stick to ethical principles and honest representations, you may find yourself getting ensnared by the stories you create. You have a talent for creative communication - as a writer, in advertising or the media, or as a general part of your work.

PERSONAL - MENTALITY: Clarify your thoughts

In intimate relationships you are very attuned to what your

partner is thinking. You are a mind-reader, and as such you often feel you know what another person will say before it is said. Whilst this is often the case, problems can arise because of a tendency to adjust what you say to conform to the other person's supposed expectations, and to hide thoughts and ideas which you think will not be received well. If this habit goes on for too long, you may find that you start living in another world - isolated and misunderstood. Effort must be made to improve communication and to say what is really on your mind. You are oversensitive to environmental stimuli - particularly noise - and partners may feel you overreact or are over-critical in this area. However you do need to be in a peaceful environment to function well.

Jupiter transiting Opposition Mercury

17-01-2019 -> 18-10-2019

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - MENTALITY: Expanding contact

The effect of this influence depends very much on how you employ your mental talents in your profession. This is the time you should invest in your mental abilities. Knowledge is power, so it could pay for you to go on courses, meet people and expand your sphere of influence. You can expect an increase in the time you spend travelling now, so try to streamline this area of your life. You should be doing more to enlarge your network of contacts, so make sure you are available through telephone, fax or computer. You will talk more, travel more and write more.

If you have any dreams as regards writing or getting some message across to the public, now is the time to go for it, as there is a strong disposition for success in these matters. This is generally a great time for wheeling and dealing, doing business and capitalising on contacts at home and abroad. Nevertheless you can talk too much and be too intellectually pushy. Take time to listen to the opinions and advice of others - you can make misjudgements if you don't.

PERSONAL - MENTALITY: Expanding contact

This is a period of expanding intellectual curiosity which can be reflected in many areas of your life. You will probably devour books and TV programmes at this time to satisfy your urge to acquire knowledge. It will also be an important process for you now to weave all the threads of information that you gather into a whole piece of cloth, so that you can see a meaningful pattern in all the details that surround you.

This is a time to be on the move and to allow your mind to

be fertilised by contact with a wide variety of people with different views on life. You should be bubbling with ideas, so you have to get them down on paper or out to a broader public. Although this is generally an optimistic period, there is a risk of losing your sense of proportion, particularly if you are inclined to worry or fantasy. Knowing the power of the mind to create the future, you would be well-advised to guide your thoughts into constructive channels.

Neptune transiting Square Mercury

01-04-2018 -> 31-12-2021

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - MENTALITY: Mental sensitivity

This is a time when you should be able to realise your creative mental potential. If you have ambitions in connection with film, poetry, writing or any unusual forms of communication, you should do what you can to encourage the flow. You are capable of channelling subtle information and ideas now. If you are considering any kind of intellectual training, ensure that it inspires you. If you embark on some long-term study which does not interest you sufficiently, you will regret it later. You need intuitive and spiritual inspiration, so avoid business or secretarial courses which require hours of learning by rote.

Although this period is excellent for creativity, you cannot trust all the signals you receive at this time. This is partly connected with your uncritical acceptance of information you want to be true - which means you can easily be confused by a smokescreen - and partly because of a tendency to meet people who can't exactly be relied on at this time. Bear this in mind if you are considering signing contracts or making binding agreements. In many ways it is a good period to give material ambitions a rest and seek to enrich yourself mentally.

PERSONAL - MENTALITY: Mental sensitivity

During this period of enhanced mental sensitivity, you can learn many things about the way the mind functions and the nature of reality. The phrase "It's all in the mind" takes on an entirely new meaning at this time. By learning to channel your thoughts, you can alter the way you experience reality. However this period is characterised by a feeling of pronounced mental dissatisfaction - a sense that you cannot express exactly what you think and feel, and a feeling that you are not truly being listened to.

A sense of being misunderstood can increase the feeling of

loneliness and isolation in your relationships. Avoid expressing disappointment in connection with this, as this will only increase the confusion of others. In reality you are being challenged to find new ways of reaching people. Bearing in mind that scientific studies have shown that communication is 55% body language, 38% voice tone and only 7% words, strive to tune in to the factors in communication which really have a deep influence. You would benefit through attending courses connected with communication at this time.

Values

Venus In Leo

PROFESSIONAL - VALUES: Project personal warmth

You are attracted to a life of luxury and style, and in your dealings with others you set great store in being able to give a good impression. Personal prestige is an important career value - and you need to see your prestige reflected in the way you look and the things you own. Professionally you can avail yourself of your considerable personal charm and influence to get ahead. You know how important first impressions are, and you are careful to cultivate your contacts by showing respect and warmth. At the same time you expect to be noticed and appreciated in your job. Because you are basically a generous person you will probably attain a certain popularity, and this will be a major asset for you. Position is more important to you than money, but with your need to live in style and your extravagant tastes, money is also very necessary.

PERSONAL - VALUES: Project personal warmth

Men with this position are attracted to women who they can show off a little. Both men and women are drawn to people who have a central position in social circles. Good taste, good manners and style are essential ingredients in love. Women expect to be courted with style, and expensive gifts are the order of the day. Actually both sexes are very warm-hearted and romantic. Whilst there is an intrinsic loyalty and sense of honour there is also, paradoxically, a weakness for affairs. It is difficult to resist adoring glances! Blows to personal pride can seriously affect the stability of a relationship, and - mutual admiration being so important - there may be little to salvage if one party loses respect for the other.

Venus In 3rd House

PROFESSIONAL - VALUES: Express your good taste

You have a gentle and diplomatic manner when you

express yourself. Polite to a fault you win people over to your point of view through charm and the art of reason. Professionally you would succeed in a job which makes use of your diplomatic talent and refined way of expressing yourself. You have a talent for communicating values, and a genuine appreciation of culture in all its forms. There are secretarial talents, but these are overshadowed by artistic interests and your superior way of dealing with people on a personal level. People enjoy meeting you, and vice-versa. In work you may be efficient, but above all you have style - if a solution is not aesthetically pleasing, it is not appealing to you.

PERSONAL - VALUES: Express your good taste

You may have been profoundly influenced by a close bond to a sister, or perhaps a particular girlfriend or teacher at school. In education matters you are more inclined to the arts than the sciences, and you have a fine aesthetic appreciation. If you have a sister, her fate as regards intimate relationships will have a profound effect on you. In your own intimate relationships you travel to find love, and the relationship itself may involve travel. You may meet your loved one at a place of education. You have a passion for love stories and romantic tales. Mentally you have talents for the fine arts or music, and these interests are probably stimulated by a warm relationship. You may have a remarkably pleasant voice and even singing talent.

Venus Trine Jupiter

This aspect is extremely powerful in your horoscope, and will be a major feature of your character. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - VALUES: Fortune

You have excellent aesthetic judgement, and strong personal values and convictions. You are suited to any profession which can make use of your ability to evaluate and compare - especially if this is connected to cultural or artistic projects. You also have a great ability to impress others with your charm and insight. You would be wasted in a job which did not allow you the opportunity to meet and influence people. You can deal with cultural issues or artistic objects, you can travel in your career, you have diplomatic talent, you have a great sense of style. Success often comes easily for you, and you may thrive in the company of women, and have their professional support. Normally you are lucky, and a great deal of money can flow through your hands. How fast it flows is another question altogether. Your

warm personality and optimistic view of the future are your greatest assets.

PERSONAL - VALUES: Fortune

You are an extremely loving and romantic person, and this brings both benefits and problems. Often you fall in love with love, and have difficulty settling into stable relationships because of your hunger for romance and emotional stimulation. You are however a great lover, and your attention makes your loved one blossom. There is a tendency to be attracted to a person who comes from a different culture or country - perhaps this is because of a need to widen your emotional horizons. There is a tendency to marry upwards in society. The most important value for you in a relationship is intellectual or cultural stimulation. You need to be able to respect your partner for his or her intelligence. A woman with this aspect has a great need for attention and appreciation, and particularly values the mental stimulation the partner can give. A man with this aspect has a great appetite for the opposite sex, and whilst intelligence is important, there is often a taste for exotic or good-looking women. Faithfulness may not be a strong point, though sooner or later there will be a tendency to tighten up moral values regarding love.

Jupiter transiting Square Venus

26-01-2018 -> 23-10-2018

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - VALUES: Blessings

If you are the lucky type, you could not have a better period than this one. This is a time when influential people - particularly women - can guide you towards success, and when your economic resources have every chance of expansion. Success comes in particular in the cultural, intellectual or artistic field, though there is also a reasonable chance of business expansion also. Matters of fairness and justice will cause concern at this time.

It is more important to enjoy life than just work hard at this time - if you can't appreciate life's pleasures now, when can you? What are your true values and goals in your career? This is the time to include them in your plans for the future. However, if you indulge your pleasures too much, this can be an expensive time. You are very vulnerable morally now, and affairs of the heart can lead you into a costly blind alley. Don't cut corners to gain easy profit, a questionable gain now can lead to long-term loss. You are easily seduced.

PERSONAL - VALUES: Blessings

This is a romantic period par excellence, so you can expect affairs of the heart to have priority now. If you are in a relationship, your need to give and receive love will be very strong, so ensure that you indulge your emotional and erotic desires. This is a time when the power of romantic and sexual attraction is extremely strong, whilst the moral discipline is weak, so it is important to weigh the needs of the heart with other emotional costs. Sometimes it is more important to nourish and indulge the need for love than anything else, sometimes not. Let your ideals about fairness guide you.

It is a great time to travel, and if you are seeking a partner, there is one to be found in foreign climes, or in cultural or intellectual institutions. You are not inclined to fall for anyone for physical reasons alone at this time - you need a partner who can stimulate you intellectually, and expand your understanding of life and its pleasures. If you are interested in creativity, this can be a wonderful period because you gain insight and understanding of the aesthetic forces of Nature, seeing the beauty inherent in all things, and experiencing that beauty as a manifestation of truth in some way.

Drives

Mars In Taurus

PROFESSIONAL - DRIVES: Determination

Basically you like to work hard, and once you get started on a project you work long hours keeping it running. It may take someone else to initiate activity, but you are willing to maintain and consolidate the results. You can be quite comfortable with monotonous work requiring patience and determination. At the same time you have a good eye for value. Knowing what you are worth you expect to be paid well. As you have strong desires, a good income is a necessity for you, and you don't mind working extra-hard for more material benefits. However you would be wise to show more care when buying luxury goods, as you can get carried away. You are a physical person and you can develop special talents connected with the body, massage, muscles, physical training etc. Learning to accept change and developing more flexibility would bring benefit.

PERSONAL - DRIVES: Determination

You have a strong will and will fight hard to keep what you have won. Once you have decided on something, you are very unlikely to change your mind. This stubborn streak can bring conflict. However you remain quite calm in

confrontations, unless you are pushed to the limit. If you are, then you are dangerous and unstoppable. Although you can work hard, you enjoy relaxation and luxury, and are easily seduced by the good things in life. Sexual enjoyment is particularly important to you - even to the point of decadence. Men with this position of Mars will be rather dominating, though placid for the most part. Women will be attracted to the reliable type of man, who is able to provide security and a good economy. Both sexes incline to faithfulness but can come to grief through powerful desires.

Mars In 11th House

PROFESSIONAL - DRIVE: Solidarity

You are dynamically inspired by social causes and can find professional satisfaction working motivating groups in one way or another. You are a reformer by nature and are prepared to take on the necessary confrontation to get your ideas accepted. Your motivations as a reformer are not selfish; you are prepared to be in the vanguard working for collective interests. You have very little respect for restrictive social norms and prefer to be direct in your dealings with people, therefore you function best when you are a spokesman of some sort, or when you carry the banner of a social or political movement. You may have very strong ideological principles, and you are prepared to fight for them.

PERSONAL - DRIVES: Social agitation

You are very interested and involved with your friends; fiercely loyal, you are prepared to fight shoulder-to-shoulder with your brothers and sisters for a common cause. However many troubles arise in your social circle - perhaps because you have a tendency to speak your mind to a provocative degree, perhaps because you are a bit of an outsider. Not one to take social niceties into consideration, you tend to stir up discontent in groups. You are also attracted to rough and ready people who you can trust for their honesty and directness. You have the ability to take on a dynamic role in a group, perhaps connected with sport or outgoing enterprises. Generally speaking you will thrive in the company of men. Women with this influence may often be sexually attracted to a friend; men may prefer to be with amongst other menfriends as they can feel too limited by intimate partnership.

Mars Conjunction Jupiter

It may be difficult for you to discern the influence of this combination of planetary energies; it is weak and may be outweighed by stronger influences. This conjunction shows

a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - DRIVES: Ebullience

You are a person with considerable optimism and energy, and your generally dynamic nature and positive attitude to the future will most probably bring expansion and success in your professional life. You are endowed with great courage and enjoy a challenge, so you would thrive in employment which gave you the opportunity to expand your horizons and travel. There is something of the pioneer in you. As intellectual challenges are also important, you need mental stimulation and the opportunity to discuss issues and get important messages across. You can be very persuasive, but perhaps you also have a tendency to browbeat others. You have an almost religious zeal when it comes to convincing others about what is right and what is wrong. You may even see yourself as a fighter for justice, and whereas this ability to fight for a cause can be very useful under some circumstances, it can also lead to tiring conflicts and disagreements with superiors. Obviously, a job which utilises your energy, enthusiasms and deep convictions would be the best channel for your ebullient energy.

PERSONAL - DRIVES: Ebullience

You may well be an exciting person to be with because of your sharp intellect, optimistic nature and sense of fun. If you are a man, you will enjoy the company of your own sex, and be engaged in many activities, perhaps connected with sport or travel. You can excel in mental sparring contests and the thrill of debate. However there may be a tendency to pontificate, or generally make your opinions known in a rather dominating manner. Knowledge and understanding are strong motivating factors for you, so you like to sharpen your mind with discussion and involve yourself in cultural interests.

Women with this aspect are attracted to intelligent men, and often have attachments to foreigners. The most important motivation factor when choosing a man is his ability to expand her mental horizons - either through religious, political, philosophical or cultural interests. An intellectual watershed arises in the relationship, where the man is no longer able to satisfy the intellectual hunger of the woman. How this issue is dealt with is critical for the success of the relationship. The most important thing for both sexes is to take personal responsibility for ensuring constant intellectual or philosophical expansion and personal growth. Relationships would improve dramatically, if you were able to admit that sometimes you are wrong.

Mars Opposition Uranus

This aspect is extremely powerful in your horoscope; every action you take will be coloured by this energy. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - DRIVE: Experimentation

You are an extremely dynamic person and you can perform tasks in a flurry of activity in half the time ordinary mortals take. You need excitement and originality in your work, and you do your best work when a deadline is threatening. When you decide to act, you strike like lightning. However you are best at working in short bursts of energy. Longer periods of activity tire and bore you. You have talent for working with technical matters - for example engineering, computers etc. You may also have a taste for more untraditional work, perhaps connected with New Age fields, consciousness-raising etc. The essential ingredient is freedom to experiment and learn from your own experiences. You are not very good at working in a team because you can react violently to being told what to do. You hate restrictions and orders and you need to go your own way. Other people may experience you as rebellious and you have a tendency to get into trouble with authorities. You are something of a pioneer, and may embark on dangerous travels to foreign lands.

PERSONAL - DRIVE: Experimentation

You are an extremely unpredictable person, and your fear of being limited by relationships makes you demonstratively aggressive when duty is required of you. Men with this aspect give their partner the impression that they can pack their bag and go at any time - in actual fact unpredictability is used as a threat to get their own way. Women with this aspect are attracted to unusual men, particularly from abroad or from some unique environment, - men who can promise excitement and freedom. There is a tendency to be enormously provocative and this can lead to explosive conflicts. This satisfies the ever-present craving for excitement in one way or another. To have peace in a relationship it is important to have some unusual interest or job which brings challenge and fulfilment. A relationship will not provide this in any lasting way. If all goes well you are an exciting person to be with, always willing to take a risk or try something new.

Jupiter transiting Square Mars

04-05-2020 -> 02-01-2021

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - DRIVES: Burning enthusiasm

It is important for you to harness the energy and enthusiasm which surges through your body at this time. The competitive edge is sharpened, and you have the courage and vision to enter the rough and tumble of the marketplace and meet whatever challenge that confronts you. You can overcome obstacles now and expand your sphere of action. This is not a time when you can be too interested in diplomatic niceties - you want to get things done, and in a hurry. There is a burning desire to achieve.

This is an excellent time for pioneering activities and expansion abroad. It is also a good time for throwing yourself into hard physical work. There is an inclination to get into confrontations now, and it is not helped by your desire to impose your beliefs and convictions on others. You may try to bully your way through. Although it is favourable to act on your convictions regarding what is right and what is wrong, it pays to gain insight first and cultivate greater tolerance.

PERSONAL - DRIVES: Burning enthusiasm

This is the time to be intoxicated by a new decisiveness and a willingness to invest your energy into getting what you want. There is a refinement of the sense of purpose and the meaning of taking action. This lust for life can manifest as an expanding of your horizons through travel, taking on new intellectual challenges, getting into your body through exercise and training - and sexual exploits. There is a sharp increase in erotic drives at this time, and men will become increasingly aware of a need to prove themselves and their masculinity. This can manifest as the desire to woo and win the affections and body of a suitable quarry.

Women too become increasingly aware of sexual needs and the power of attraction to the opposite sex. There is a willingness to take the initiative in these matters. However it is actually the need to be stimulated intellectually that is paramount for women as far as attractions are concerned at this time. A relationship is also seen as a means to expand personal horizons and learn more about men and life in general. Indeed this period has most significance as regards insight into the body - and this includes greater consciousness concerning health, and the muscular system, as well as personal sexuality.

Saturn transiting Square Mars

20-02-2020 -> 13-01-2021

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - DRIVES: Developing willpower

This is a time to mobilise reserves of willpower and pursue goals with indefatigable determination. You can expect a lot of resistance now, especially from older men in positions of authority. Effort, long-term strategy and hard work is the remedy for problems that arise at this time. Courageous action leads to the building of lasting edifices now.

First of all it is necessary to overcome lack of self-confidence. You may feel that there are men of greater experience available to do the jobs you want, but by training and perseverance, you can - in time - achieve the goals you set yourself. If you don't succeed, try and try again. You will become stronger and more efficient. Great satisfaction can be achieved through the power of organisation and self-discipline - if you rise to the challenge, you will achieve success. This is an excellent time for hard physical work - particularly as regards building and construction.

PERSONAL - DRIVES: Developing willpower

This period can be rather a trying time, and there are many obstacles to be overcome. However with hard work and determination, you should be able to have things the way you want them - finally. Men will feel unsure of themselves at this time, and there will especially be a question mark as regards their sexual needs and performance. There may be a reluctance to take the initiative in these matters for fear of being rebuffed, yet it is at precisely this time that a man can get into contact with his body, learn more about his needs and develop the confidence and assertiveness to handle sexual relationships. Circumstances may however dictate less sex during this period.

Women who experience this influence will also be concerned about their body, especially as concerned blockages preventing spontaneous enjoyment of erotic pleasures. It pays to take more time in a relationship to improve sexual contact. More patience is needed in the warming-up phase, and less focus on erogenous zones. Many sexual fears about dominance and authority can be dealt with, and the long-term effect on sexuality can be beneficial. Sometimes an older or more experienced man comes into the life now. Both sexes benefit from more exercise or training through body-building, aerobics and the like.

Uranus transiting Conjunction Mars

25-03-2018 -> 10-02-2020

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - DRIVES: Sparks

This is a dynamic and inspiring period, though not without an element of danger. You can hardly tolerate anyone telling you what to do now, so you are likely to experience conflict with those in authority. If there is trouble at work, seen objectively it is probably you who is being unreasonable. Your restlessness and desire for change hardly inclines you to compromise and settle in to some boring job now. You need excitement, independence, and a challenge. You would function better on your own now, especially if you could do some travelling internationally. If you have been dreaming of setting yourself up independently, this is the time to do it. There is very little fear of taking risks during this period, and plenty of energy to go it alone.

This is an excellent period for taking initiatives concerning change and renewal. There is a strong likelihood of long-distance travel to exotic destinations. Unconventional work is favoured, particularly in connection with New Age matters. However patience is low, and temper is high. This is an explosive cocktail which can make you more provocative than usual, so take care. You may be fascinated by mechanical or technical matters now, and this is a good time to develop talents in this area.

PERSONAL - DRIVES: Sparks

This is one of the most impulsive periods in your life, and you can expect a lot of excitement - or trouble - in these months. There is a resurgence of energy and a desire to break free and do something different. Feeling bored is like the ringing of an alarm clock, which is telling you to take steps to create a more stimulating backdrop for your life. People at this time are inclined to take risks - parachuting, karate, mountain climbing and similar activities exert an almost magnetic attraction. Women at this time are inclined to get restless in their relationships and be rather provocative. If unattached there is a tendency to get involved with a very unpredictable type of man who can bring an element of excitement into the life. Often there are meetings with foreigners or long-distance travel in connection with love.

Sexually this can be a time of dramatic awakening, partly due to a more experimental attitude towards sex. Though love-affairs may serve to galvanise the mind and body now, relationships are characterised by tension and periodic separation. Men experiencing this transit will also be restless, and have a roving eye. For men too, this is a good

time for sexual experimentation. The urge for freedom tends to threaten established relationships. To avoid sabotaging worthwhile relationships now, it is essential to find new challenges at work or exciting projects to undertake in your private life.

Wisdom

Jupiter In Aries

PROFESSIONAL - WISDOM: Faith in a positive outcome

You have the ability to achieve short-term goals at considerable speed, and luck will often be on your side. You have leadership abilities. Self-confidence and a naive faith in your abilities bring you a long way. To make the most of the your natural blessings in this area, it is important for you to formulate your future goals. Thereafter the simple act of taking the initiative, coupled with a strong faith in the outcome, will almost certainly ensure success. Some people may consider this style rather impulsive, yet a positive attitude coupled with action - the surprise attack - brings untold benefits. The benefits you can achieve - both in your professional and personal life - never arise when you are passive. Do something!

PERSONAL - WISDOM: Faith in a positive outcome

You were born in a year of tremendous dynamism and pioneer activity. This gives you personally the potential and courage to initiate dramatic new circumstances in your life when necessary. This may manifest itself as an impatience with the status quo and a constant need to explore new horizons. Independence and challenge will be important values for you because you can feel more yourself, and more in connection with something greater than yourself, when you overcome obstacles and embark on daring projects. You like learning by doing, and you need to taste the spirit of adventure to feel truly alive. When expressing your opinions you tend to be forceful and impatient, and you will rarely admit that you can be wrong. Old ideas bore you - truth for you is based on your own experience.

Jupiter In 11th House

PROFESSIONAL - WISDOM: Social influence

You benefit professionally from the influence of good friends and people in high places. Your social connections are thus very valuable, and you tend to be very lucky as regards meeting the right people in the right places at the right time. You would function well in a large organisation - especially if it has international connections. Your ability to gain an overview over large social organisations, combined with the

many friendly relations you cultivate with people who have great influence, will bring success and prosperity in your life. Perhaps being member of a club will bring certain privileges for you - at least it certainly does not harm your career if you mix with the higher echelons of society.

PERSONAL - WISDOM: Social influence

Great benefits come to you through the kind guidance of good friends. A particular person or a particular group can have a considerable influence on your intellectual development. You cultivate the best contacts and other people may experience you as rather elitist or snobbish because of the people you choose to spend your time with. From your point of view, mixing with successful or cultured people is essential for your own development. Their good fortune rubs off on you. You too will in turn be able to benefit other people through your own insight or knowledge - particularly if you work with groups in some way. You can attain an influential position in society thanks to your social vision or ideals about the future.

Jupiter Square Saturn

This aspect is extremely powerful in your horoscope, and will be a major feature of your character. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - WISDOM: Cultural values

You have the capacity to attain a meaningful and powerful position in society. Having the ability to sense the right time, and be in the right place, you know how to take advantage of professional trends to create expansive conditions for professional growth. If all goes well you can consolidate your position after a period of expansion, and from this new foundation go on to create further growth. The main issue as regard success is the ability to have faith in the future and act on it. Periodically you may be overwhelmed by pessimism and lack of confidence. At these times the future can seem dark indeed. At other times you can be overoptimistic as regards future possibilities, and fail through lack of judgement or preparation. Courses which train your ability to plan, combined with training positive thinking, will greatly benefit you. You can work in central positions in organisations because you inspire the feeling of stability and trust. You may have a talent for planning, consultancy and organisation - and you have the capacity to create structures in society which bring lasting benefit.

PERSONAL - WISDOM: Cultural values

When this influence manifests positively you can create an environment around you full of confidence and certainty about the future. In difficult circumstances however, you can feel great despair as regards what the future will bring for you. This is especially strong in respect to your need to fulfil the expectations of society and those closest to you. Your moods tend to swing from optimism to pessimism. You are especially concerned as to whether you have the necessary training or experience to realise your ambitions. Obviously you will benefit from training courses to increase your skills, but you still have to struggle with nagging doubts regarding your competence and intelligence. It is precisely this insecurity which leads to great personal development as you constantly strive to gain insight and understanding. You can have rather dominating opinions, and it is worth asking yourself whether they truly are your own opinions. You often allow your views to be swayed by parental convictions or current opinion. However you tend to mature like a good wine in this area, and your own ideas may end up having a major influence on your environment.

Jupiter Opposition Uranus

It may be difficult for you to discern the influence of this combination of planetary energies; it is weak and may be outweighed by stronger influences. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - WISDOM: Exhilaration

This aspect can last for a number of months and have a strong collective influence. If you harness this influence in your career you will have a strong idealism both socially and as far as introducing new methods are concerned. Your provocative views will be a challenge to the establishment. You are an internationalist, and wish to concern yourself with issues that cut across national borders. This can bring travel to exotic lands and contact with exotic cultures. You can channel enormous enthusiasm about the future into your career - for you the path of liberation lies in innovation and experimentation. You would thrive in an international organisation, and as you also have strong humanitarian tendencies you may choose to work in a field which has to do with social reform or perhaps consciousness-raising.

PERSONAL - WISDOM: Exhilaration

You have a driving need to expand your philosophical boundaries and this can lead to unusual personal interests and provocative opinions as regards both personal and social development. You can have some form of connection

to the New Age movement, and are very interested in reforms. You will almost certainly embark on dramatic long-distance travels and experience enlightenment through new contacts established thereby. In relationships you are inspired by partners and groups who can share your untraditional interests. An international group can have a radical effect on your life. You pride yourself on your open-mindedness and tolerance - yet you are intolerant of intolerance. You tend to upset groups with your radical opinions, but perhaps you could achieve your goals more effectively by understanding the traditions that lie behind established opinions.

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - WISDOM: Development of insight

As Jupiter represents areas of your life in which hopes and visions for the future are paramount, as well as the need to gain understanding and meaning, you can expect an increase of awareness and activities in these areas now. If you are motivated by the need for expansion and growth, then you can expect advances. There is increased focus on your ability to act on moral values and pursue your convictions concerning society. This is the time to refine your judgement and manifest your capacity to guide and counsel others. If you have a tendency to overestimate yourself, indulge moral weaknesses or to make premature judgements, then you will be confronted with this side of your character now. If self-discipline and a natural carefulness is a part of your nature however, you can take advantage of opportunities to expand.

PERSONAL - WISDOM: Development of insight

Jupiter takes 12 years to go around the Sun, so it will return to its own position at the ages of 12, 24, 36 etc., and activate itself by major aspect every 2 years. During these phases of your life you can increase your insight and understanding, and plug in to that most essential part of your life which gives you a sense of purpose and meaning. It is at these times that you can rediscover your joy in existence and faith in the future. This in turn will enable you to be fertile and grow. However if you are the type who is over-confident or immodest, then you will learn a lesson at this time. Your hopes and visions for the future should be within the bounds of possibility, and if you do not keep in

touch with the ground under your feet, you lose out in the long run.

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - WISDOM: Opportunity knocks

This can be a good time in your professional life, if you are prepared to harness your vision of the future to build something lasting. Doors can open for you now, if you have done the necessary groundwork. You can at least reap the benefit of all the efforts you have made to improve your training and experience. People in authority are liable give you recognition, and this can lead to a change of status or well-earned promotion.

If you overestimate your abilities, and hope for success without making effort, then there will be few benefits from this period. You should be prepared to work harder, to wield more influence, and perhaps to travel in connection with your working responsibilities. This is a good time for dealing with authorities and formalising long-term future commitments.

PERSONAL - WISDOM: Opportunity knocks

You can expect some consolidation in your life which will give you greater security now. If you are the lucky type, you will benefit from real estate dealings or home purchase. Your status will be formally confirmed in one way or another. You can move up a few steps in life, if you are prepared to make the necessary efforts and have a positive expectation of the future.

You are challenged to overcome negative thinking now, and to work on your personal capacity to believe in yourself and have faith in the future. It can help for you to redefine your spiritual values and make a concrete effort to build up a more solid spiritual base. This is the time to make your opinions clear and to take a firm standpoint.

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - WISDOM: Recreating the future

Big things can happen at this time, but there are great

dangers. Over-expansion or overconfidence can be punished severely. If you are building your hopes on a bubble it will burst, and the results can be expensive. Unrealistic promises may be made, but not kept. There can be confrontation with the law or finance authorities at this time, and you will have to reach an accommodation with their demands. If there has been any cheating, laxity or corruption, this is the time bills are paid - especially as far as the tax authorities are concerned. If your plans are well-laid, success - even great success - is possible. Eliminate over-reliance on outdated advice and advisors, and search for your wisdom within. There is considerable risk of ideological confrontation. Old concepts should be eliminated in favour of new. This is an excellent time to learn and use positive thinking.

PERSONAL - WISDOM: Recreating the future

During this period you will eliminate old convictions and replace them with new. This can lead to a transformation as regards your political, intellectual or religious convictions and a far greater insight into the nature and meaning of your life. It is quite likely that you will encounter groups who have a special set of beliefs at this time. There will however be a tinge of fanaticism, so you may also choose to liberate yourself from those who tyrannically try to impose their convictions on you. You are made aware of your own tendency to be intellectually or morally dominating now. Bear in mind that beliefs do not necessarily last forever. They have to be discarded from time to time as your spiritual development proceeds.

PROFESSIONAL - WISDOM: Daily significance

You have good judgement and executive ability, and have the ability to create a well-functioning working environment. This is probably because you spread an atmosphere of tolerance and optimism about the future around you. Colleagues will appreciate your buoyant disposition and considerable insight at work, and you will be well-loved in a managerial position. Your ability to grasp the main issues suits you for a position in middle-management in which you delegate work. You can function independently but it is also important for you to feel that you are of service to, or in, a larger enterprise. Career developments will often take a fortunate turn and may bring travel or an international environment. You may have a talent for working with judicial matters - your superior judgement should at least be put to good use in one form or another.

PERSONAL - WISDOM: Daily significance

Other things being equal, you are a kind and helpful person, and you know how to get the best out of everyday life in a relationship. You are efficient when working but at the same time you know how to create time to relax and enjoy life. Where other people often get weighed down by daily tasks, you find enjoyment in them and even gain insight into larger issues through daily rituals. You are magnanimous in offering help and caring when you encounter people in need. You may have a special talent for health matters, and you are specifically good at harnessing the power of positive thinking to benefit the mind and body.

Jupiter transiting Conjunction 7th House

10-12-2019 -> 04-01-2020

PROFESSIONAL - WISDOM: Relationship rewards

One of your greatest professional assets is your insight into other people. You have excellent judgement and would succeed in a career in which people came to you for advice. You thrive when working in large concerns, and in a career which offers wide horizons. You are often helped on your way by older people who are favourably disposed towards you, and are generally fortunate in all partnership affairs. Generally speaking you choose to see the best in other people, and this attitude brings out the best in them. You are excellent at motivating people as regards the future, and this positive attitude evokes optimism in them. You have considerable diplomatic talents which are best used on a collective level where the ability to have an overall perspective is the essential ingredient.

PERSONAL - WISDOM: Relationship rewards

Other things being equal you have a very fortunate fate in relationships. Marriage will often bring social and material advancement for you, and you are usually lucky in finding a person who helps you and has your best interests at heart. The most important asset a partner can possess in your eyes is an intelligent and cultured manner. A wise partner imbues your life with meaning and expands your philosophical horizons. You are stimulated by a good discussion, but must take care that you do not fall out with your partner on foolish matters of principle. Differing opinions tend to sabotage your harmony. Your partner may have special political or religious interests, or may come from another country. You can have great pleasure from travelling together and cultivating your shared cultural interests.

Jupiter transiting Conjunction 8th House

14-03-2020 -> 09-12-2020

PROFESSIONAL - WISDOM: Depth understanding

You understand the importance of influence and power in all your professional dealings. You have the intellectual ability to see behind appearances and draw wise conclusions as regards most matters concerning finance and investment. In this respect you like to think big. People trust you with their money and other resources, and you can make them grow. You may also have good fortune concerning legacies or inheritances. You have a choice of direction as far as expansion is concerned. You can make a lot of money, if you put your mind to it. You certainly have the know-how. But it is unlikely that you will be satisfied by material success, and you would achieve greater satisfaction expanding your influence, ideology and power. True satisfaction especially comes when you turn your understanding and investigative talents onwards to explore the fascinating realm of psychology and related subjects.

PERSONAL - WISDOM: Depth understanding

You can have a rich and rewarding emotional life. Not being satisfied with any superficial relationships, you have a hunger for intimacy and a deep understanding of the emotional motivations of your partner. You are both curious and talented as regards gaining access to the feelings of others, and you have the capacity for explaining hidden psychological factors. You may have a tendency to tout your own opinions and beliefs in a rather dominating way though. Stubborn insistence on matters of principle or conviction can easily sabotage emotional harmony. When you look back on your life you will notice that you have totally changed your own convictions at least once, so why let them become an issue in relationships? In a good relationship there should be plenty of space for a divergence of opinion.

Challenges

Saturn In Cancer

PROFESSIONAL - SELF-RELIANCE: Building security

Saturn was in the sign of Cancer in the years 1944-1946 and 1973-75. This was a time of focus on the difficulties of rebuilding family and national values. There was a sombre mood during this period. Security and safety were major issues during these years, and all efforts were concentrated upon providing support. Insofar as you express this collective influence in your own career, you will be concerned with conventional values as regards loyalty, nurturing and security. You are strongly motivated by the

needs of your family in your professional pursuits, and work hard to create a secure domestic foundation for your life, though the security you are striving for proves to be elusive. You may seek professional security through the extended family of some kind of corporation.

PERSONAL - SELF-RELIANCE: Building security

Your childhood was affected by a pervasive mood of struggle and difficulty which may make it difficult for you to express emotions in a natural or spontaneous way. You have the capacity to control and hide your feelings - this was probably the dominant trend in society as regards upbringing during your early years. In many ways you were probably asked to take too much responsibility at an early age, and though this gives you an aura of maturity, you may feel emotionally blocked. During the course of your life you will be challenged to come to terms with repressed emotions. You need to take the risk of showing what you really feel, without being afraid of being rejected. By building up a strong sense of emotional self-reliance, you will realise that you can afford to show that you are emotionally vulnerable. When you soften up emotionally, people will reach out to support you.

Saturn In 1st House

PROFESSIONAL - SELF-RELIANCE: Develop self-esteem.

You take a serious view of life - partly because you have had to overcome many challenges in the first 30 years of your life. As you work hard to overcome a naturally shyness and tendency to underestimate yourself and your abilities, success tends to come later in life. Nevertheless, being hard-working and persevering, you will attain a responsible professional position through sheer determination. You are ambitious, drive yourself hard and have a low expectation level. People see you as responsible with impressive self-discipline and drive. Once you overcome lack of self-confidence you will discover that you have considerable administrative ability and the power to wield authority.

PERSONAL - SELF-RELIANCE: Develop self-esteem.

Difficult experiences connected with your family structure undermined your self-confidence as a child and have given you a rather negative picture of yourself. This lack of self-esteem will also have a tendency to dampen the spirits of those around you in your environment earlier in your life. Only when people get to know you and your self-deprecating humour, do they feel comfortable. The people you meet often feel that you rebuff them and misinterpret their good intentions. Experience has evoked in you a certain suspicion and scepticism, and you need plenty

of time before you feel you can trust others. However, once you allow yourself to thaw, and let your barriers down, you can be a loyal and trustworthy friend and partner. By cultivating a positive attitude to yourself and your future, you can greatly speed up your personal development.

Jupiter transiting Opposition Saturn

21-02-2020 -> 17-11-2020

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - SELF-RELIANCE: Expanding the framework

It is at this time of your professional life that the urge for growth and expansion confronts the forces of inertia in your career, or in society. You get to appreciate the power the establishment has over your life at this time. You are challenged to examine how you limit yourself and your future through restrictive systems or a lack of vision and faith in your abilities. If you can find the balance between learning from past experience yet allowing a future vision to inspire you, you may expect solid and steady growth at this time. It is important to expand within a certain framework and to accept the limitations imposed by professional authorities. If you do this you will be an important cog in the development of your company, or culturally in society.

PERSONAL - SELF-RELIANCE: Expanding the framework

At this time of your life you have the opportunity to loosen some of the bonds that restrict you, and lighten the load which weighs you down. This is the time that you have to adjust the awareness of what is necessary by becoming aware of the art of the possible. Restricting life patterns can be replaced or adjusted by exploring new avenues for the future. Inasmuch as you are hampered by a sense of insufficiency or inferiority as regards your abilities, you can gain renewed confidence and faith in yourself now by defining future goals and working hard to achieve them. You can build a lasting niche for yourself in society at this time by laying new foundations for the future.

Saturn transiting Opposition Saturn

01-03-2019 -> 20-01-2020

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - SELF-RELIANCE: Adjusting direction

As Saturn takes 29-30 years to orbit the Sun, it makes a major aspect to itself about every 5 years, and these are times when adjustments of direction and goals have to be made. At the age of 29 to 30 however, a major reorientation is necessary. You have to look carefully at what structures you have built up in your life and why. If you don't make changes now, when can you? Are your ambitions your own, or are you simply fulfilling the expectations of your parents or of authority figures in society?

It is essential to spend some time sensing what it is exactly you want for yourself in life. Cast aside all the unnecessary baggage which you have accumulated in your efforts to carve yourself a professional niche in society. Don't worry about personal status and ambition for the time being, and don't listen to people who tell you what they think is good for you. The older you get the more important it becomes not to waste time pursuing superficial career goals which will be of no benefit in the long run.

PERSONAL - SELF-RELIANCE: Adjusting direction

All phases of the 30 year Saturn cycle are important, although the ages 30, 44, and 52 are perhaps the most significant. These are times when you have a chance to review the passage of time and assess the unfolding of your life. Are you satisfied with the direction it is taking? If not, change it now. Change need not be radical, you just have to define what it is you truly want to spend time on. Remember your responsibility is first to yourself. The biggest gift you can give to others, is to show that you are satisfied with your own life.

It is important to weigh the balance between career and family commitments now. Do not be influenced by what other people expect of you - only you can know what it is that you really need in life. The yardstick for decisions at this time is: Imagine you were on your death bed...what then, would you wish you had achieved in your life? The wrong decision now can mean years wasted on unfulfilling work.

Pluto transiting Opposition Saturn

01-01-2018 -> 14-12-2020

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - SELF-RELIANCE: Replace antiquated structures

Old structures break down and disintegrate now, and after a rather chaotic period are replaced by new. This can be a violent process with power-battles, as the old guard

struggles to maintain their position. However the replacement of the old with the new is inevitable. Old faces in the working environment move on or are forced out; systems which have existed for an age are ruthlessly replaced. There can be conflict in connection with trade unions.

Ask yourself in what way have you allowed rigid structure and habit to strangle your progress and vision. Who and what is limiting you? Sometimes the whole house must be pulled down, before you can start on something new. At the very least radical reorganisation of work structures is necessary. Do not hang onto security out of fear or attachment to personal prestige, but go for change in the knowledge that new structures will be better.

PERSONAL - SELF-RELIANCE: Replace antiquated structures

This influence is personal for some people - especially those with a Capricorn or Aquarius Ascendant - but affects others on a more collective level. You may be forced to eliminate the habits and structures which have served to protect you for many years. Authorities - both in your home and work environment - have to be unseated so that you can take greater responsibility for your own life. You have to confront anxiety about security and accept the fact that growth can only come when you emerge from the cocoon of fear which shields you from living life. Power struggles deep within your psyche make you aware of the transience of the structures in human existence, the rapid passage of time, and the inevitable approach of the grim reaper - death. These processes may be paralleled by actual restructuring and rebuilding at home.

Originality

Uranus In Libra Retrograde

Because this planet was retrograde at your birth, you will have an instinctive knowledge of, and attraction to, the following traits and activities. You will tend to be introvert in these matters, and pursue your own individual path in strong contrast to the path chosen by others.

Uranus In 5th House

PROFESSIONAL - ORIGINALITY: Unique self-expression
In professional matters you can project your identity in an original way, inspiring others through your ability to be unique and make the most of untraditional talents. You have an intuitive sense about when it might pay to take a risk. You can bring out the latent creativity in individuals in

groupwork. You may also have a special talent with children who feel they are outsiders in some way. If you work with creativity you will feel a strong need to be shocking and provocative, going to extremes to express your own unique qualities.

PERSONAL - ORIGINALITY: Unique self-expression
You probably liked to express your individuality in a rather unconventional way as a child - perhaps because you felt you were an outsider in some way. You feel most alive when you break new ground in self-expression. Adventure and daring sports may appeal to you, and you are inspired by risk-taking. In matters of the heart you are inclined towards sudden magnetic attractions with unconventional people, and love-affairs may be characterised by separation and travel. Excitement and the opportunity for change are more important for you in love than security or sexuality. You are willing to experiment in matters of the heart. Unusual circumstances are connected with children in your life. Children are like friends to you - you treat them as equals and do not feel that you own them, or that they owe you anything. As freedom is important for you, you may not wish to have children, but if you do, you will bring them up in an untraditional way. You are well-equipped to bring up children who are not biologically your own.

Jupiter transiting Square Uranus

10-04-2020 -> 25-12-2020

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - ORIGINALITY: The future now
This is a time when insight and awareness of the future should be a force of inspiration and renewal in your professional life. Expect a dramatic increase in your horizons - either through long-distant travel and contact with exotic lands or peoples, or through mind-expanding activities connected with consciousness growth. Progress in your career depends on your ability to think in completely new channels and harness modern methods - both as far as technology is concerned, but also concerning revolutionary methods. This is a time of exciting possibilities and great inventiveness. The urge to be free and uncommitted may well have to be given priority over personal ambitions now.

PERSONAL - ORIGINALITY: The future now
During this period of excitement and unpredictability, you have a strong desire to expand the boundaries of your consciousness. Contact with foreign lands and cultures can

blow your mind, and experiences on untraditional training courses or with experimental groups can give you a new sense of destiny or insight into transcendent aspects of your life. This is a good time for astrology and New Age interests, and to meet people who share special interests. So experiment, take a few risks and loosen your bonds - you need to allow the unknown and unexpected to happen.

Saturn transiting Square Uranus

05-02-2020 -> 29-12-2020

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - ORIGINALITY: Limiting individualism

This influence may not be so obvious in your life, unless you have strong Aquarius characteristics. It is a time when it pays to make constructive use of modern techniques in your career, or perhaps pursue interests connected with exotic cultures or people. Concrete work on untraditional or new age interests is also favoured. You will probably find that you will have to make some compromises with your tendency to be an outsider and to hold society at arm's length. It pays to build a bridge between old traditions and modern trends. Social idealism and commitment is favoured.

PERSONAL - ORIGINALITY: Limiting individualism

During this phase of your life, you will find that you have to take more responsibility for those sides of your nature which are outrageous or provocative. Authority figures will demand more self-discipline and social awareness, and you will not be permitted to merely indulge your extremist views. However this is a good time to develop your interests in original and untraditional subjects, new age matters, and global awareness, especially if you have constructive plans in these fields. This may be a time when you will want to make a more formal commitment to an unusual group.

Uranus transiting Opposition Uranus

16-02-2018 -> 02-04-2019

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - ORIGINALITY: Self-renewal

Everybody experiences this influence at similar ages, each time Uranus aspects itself during its 84 year orbit around the Sun. The ages of 21, 42 and 63 are the most significant

times of change and reorientation. At these times you are challenged to make some form of renewal in your career. Unpredictable events upset plans and force you to keep up with the rapid pace of change going on in the modern world. It is favourable to broaden your horizons through travel and self-development course, and unfavourable to plod on in the same old direction. Self-realisation should take priority over status and ambitions now.

PERSONAL - ORIGINALITY: Self-renewal

Uranus makes major stressful aspects to its birth position every 21 years, and major positive aspects every 16 years. These should be times of exciting change and experimentation. Don't let yourself be restricted by the establishment - particularly in the form of parents and partners - during these periods. It is your job to challenge the status quo and preach the doctrine of renewal and change. Travel and change of environment can serve to bring you in contact with the electric energy of life. Be inspired and take a few risks.

Transcendence

Neptune In Sagittarius Retrograde

Because this planet was retrograde when you were born, you have a special personal lesson to learn in the matters described. Experiences will be evaluated more on an inner than outer level.

Neptune In 6th House

PROFESSIONAL - TRANSCENDENCE: Everyday rituals

You have some very specific talents that can be useful in your professional life. There may be a knowledge of chemicals, liquids, photography, the ocean or advertising. You like to be able to lose yourself in your work - either through being creative, through watching magical processes, or because you can be of help to humanity in some way. You are inspired by the idea of service and sacrifice for the benefit of others. Often you will find situations developing at work which are beyond your control. In the long run you will find that work which does not offer spiritual or creative perspectives will render your life meaningless. Periods of unemployment can actually be beneficial for you, even though you may feel helpless, because they help you meditate on what is really important for you, and how you can be most useful in your life. You need to be able to work alone or at least have a pure and peaceful working environment.

PERSONAL - TRANSCENDENCE: Everyday rituals

You are motivated by the spirit of service, but this may mean you do not know where to draw the line as regards work-sharing in partnerships. If you do not set a limit for what you do, you may end up being overloaded with work. You tend to have sloppy work methods, and you would benefit greatly from more efficient planning. Being inefficient is an unconscious tactic effectively preventing other people making demands on you. Being helpful is no help to anyone if you do not take your own needs into accounts. Health problems will often be mysterious or difficult to identify - your body obviously knows how to set limits when you fail to do so yourself. You may have certain talents for healing as a result of an intuitive ability to tune into the physical, mental and spiritual needs of other people.

Neptune Sextile Pluto

It may be difficult for you to discern the influence of this combination of planetary energies as it is not a strong configuration in your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - TRANSCENDENCE: Mass vision

These aspects are very rare and last a very long time. Indeed, as Pluto moves within the orbit of Neptune in the closing years of the 20th century, the present sextile aspect between the two planets lasts from 1940 to 2040 - one hundred years - so almost everyone has it! If you are able to manifest this influence on a personal and professional level (through powerful contacts in your own horoscope), it may be connected with a deep spirituality and creativity. There can be talent for dealing with the media and wide-ranging themes connected with the masses. Material issues will be less important for you than the realisation of a collective dream. There can be clairvoyant powers, and abilities connected with dreams, symbols and visualising. In industry there can be a talent for dealing with oil, the film industry or the transforming power of collective visions.

PERSONAL - TRANSCENDENCE: Mass vision

If you have this influence powerfully evoked by other factors in your horoscope, you will be deeply affected by spiritual issues, and constantly seeking to refine your consciousness. At these times you are likely to experience great personal disorientation and confusion, as old dreams and visions are replaced by new, deep psychological insights. Inner growth will have major priority in intimate relationships. During periods of your life you will undergo

deep transformations in which your fantasy and imagination will play a powerful role. It is essential to learn to use your imagination in a positive way by learning about the power of the unconscious.

Jupiter transiting Conjunction Neptune

09-12-2018 -> 05-01-2019

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - TRANSCENDENCE: Balloons and bubbles

You will experience a tremendous stimulation of your imagination at this time, and this can be used to advantage if you can harness your fantasy to some creative work, especially in connection with music, imagery and the arts. If being realistic is an integral part of your career, take care. Your idealism and dreams peak at this time, and this can seriously affect your judgement. Your imagination can be gripped by great hopes, and you have a tendency to attach your hopes to a bubble which expands and expands until it bursts. Inspiration is OK, but make sure that you do not get carried away into a world of dreams. Listen to the voice of reason, and work in stages with verifiable goals.

PERSONAL - TRANSCENDENCE: Balloons and bubbles

If you are a dreamer, this is the time when your dreams take wing and carry you into surreal landscapes. If you do not want your hopes to be dashed, you must be aware of your limits and let yourself be guided by common sense. Great hopes will often turn out to be illusory, so don't let your imagination get out of control. However this is an excellent time for developing your imagination and your visualisation power. If you choose you can enrich your life with great spiritual insight, and gain a subtle knowledge about the nature of reality and the illusion of identity.

Transformation

Pluto In Libra

Pluto In 4th House

PROFESSIONAL - TRANSFORMATION: Renewing foundations

Your professional interests may be related to social or environmental reform, as you are strongly aware of pollution factors in society. A sudden transformation in your own environment can lead to an absorption in ecological matters.

You may also have an interest in emotional matters and psychology as a result of early childhood experiences. You would be well-suited for work connected with homelessness and the underprivileged in society. You know how to negotiate the corridors of power as regards local and national issues.

PERSONAL - TRANSFORMATION: Renewing foundations
Certain elements of your childhood will have been deeply unsettling. You have a talent for seeing behind emotional facades, and you will have sensed hidden factors, secrets or disturbing undercurrents in your parental relationships. Perhaps one of your parents had a hidden psychological problem, perhaps there was even some form of tyranny in your childhood. Whatever the cause you are still affected by unconscious patterns which sabotage attempts to create family harmony. It is dangerous to want to create the ideal home too intensely, because such desires conceal unconscious fears of upheaval and plant therefore self-destructive seeds in family relationships. Domestic dissatisfaction can manifest in a desire to tear down existing structures, move furniture around constantly, or futile attempts to shape the development of your children. Partnerships and children will evoke in you a greater psychological insight.

You must take care when purchasing property. There can be problems with drains and sewage, the toilet, or the foundations.

Jupiter transiting Square Pluto

19-12-2019 -> 13-01-2020

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - TRANSFORMATION: Power play
During this period you will be initiated into the use of power and secrecy in the professional sphere. This may be because you discover hidden factors, corruption or power misuse behind some professional facade, or it may be because you learn to harness your own personal power or psychological insight in your career. Whatever the circumstances you may feel a certain anxiety because of circumstances seemingly beyond your control. Make sure you are on good terms with legal and financial authorities, or at least cover your tracks if you aren't!. Big money can be involved during this period, involving large gains or losses, so make sure you have the best financial advice.

PERSONAL - TRANSFORMATION: Power play

There is a leap in your awareness of the power of the unconscious to shape your life at this time. You may choose to develop your emotional insights by learning more about psychology in one way or another. If you have any hidden anxieties or phobias you can expect them to be more acute or to come to the surface now. Even though this may be disturbing, there is a unique opportunity to understand the secret mechanisms of your mind and to eliminate the negative effect of repressions. You can become the intrepid explorer of some very dark territory indeed.

Saturn transiting Square Pluto

20-01-2018 -> 16-12-2018

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - TRANSFORMATION: Bonds on power
This influence may not be felt very strongly, unless you have strong Scorpio traits. This is a period when you are confronted with power manifestations in society, and it can be necessary for you to summon up reserves of strength and determination to handle situations which seem beyond your control. Take care in your dealings with police, tax authorities or underworld characters, as you are liable to meet people and groups who are in a position to humiliate you. In professional matters you have to take a closer look at what goes on under the surface. Eliminate any corrupt elements, and look more closely at your motivation when asserting your power.

PERSONAL - TRANSFORMATION: Bonds on power
Though sometimes rather subtle, this influence can release powerful elements in your unconscious mind. If you are a victim of emotional states such as jealousy and paranoia, now is the time to make an effort to deal with them. Deep-rooted psychological complexes which manifest as obsessive behaviour will surface now and the more you try to repress them, the greater power they will have over you. A sure danger sign is if you start accusing other people of evil behaviour, or if you feel that you are being shadowed or persecuted. Inner demons manifest in outer events now, yet solutions are to be found within your own being. You can contact archetypal forces now, for example through shamanism.

Destiny

N.Node In Scorpio, S.Node In Taurus

PROFESSIONAL - DESTINY: Fall of Mammon

The first part of your professional life is defined by a materialistic attitude and a strong drive to attain economic security. You tend to work very hard, accumulate many objects, and become extremely attached to them and to the sensory pleasures they bring. Nevertheless, it seems that as time goes by you have to pay a higher and higher price for your comfort and security. You work harder and harder on the treadmill of your career, and you seem to become more and more bogged down in tasks which offer no promise for the future. Something of a transformation can occur later in your career, in which you completely abandon your material attachments and guarantees of security, and embark on a process of inner investigation. A new interest in hidden matters, psychology and emotional depths arises, and this can lead to a radical new career direction, where you exchange material security for deeper emotional rewards.

PERSONAL - DESTINY: Fall of Mammon

Your early years are very security-orientated, and you are strongly motivated to enjoy the many sensory pleasure that the world has to offer. You are determined to give yourself all the material rewards that you see other people enjoy. As you mature these kind of pleasures seem emptier - the more you get, the emptier you feel. Thus you are driven to investigate the whole nature of human desire, and find some satisfaction that goes beyond the senses. Your journey will involve deep erotic experiences, psychological trauma and loss of all those attachments that pull you down and prevent your growth. This decisive transformation comes when you reach the stage at which you are prepared to take a step into the unknown, knowing that there are no guarantees of security, and no economic safety net. This path leads to a new life of inner riches.

N.Node In 6th House, S.Node In 12th House

PROFESSIONAL - DESTINY: Being of use

The early part of your life will bring a number of difficulties as regards professional success. You often prefer to be alone and have difficulty working with others - although job security and success is something you have a deep inner longing for. As you get older - and certainly by the age of 37 - you will have overcome your isolation tendencies and discovered the pleasure of having colleagues and people who can share your everyday experiences and ideas. Sometimes you can despair when you see how easily other people integrate themselves into a work environment, whilst you feel alone and misunderstood. Later in life you will attain success, and you will find that the skills you developed as a

loner will have a beneficial influence in your working environment and dealings with others. You are particularly motivated by the idea of service for humanity.

PERSONAL - DESTINY: Being of use

You are a spiritually motivated person - even to the extent of spending the early part of your life withdrawn from the world, cultivating meditative or private creative interests. You can have a deep sense of belonging to the universe but as far as integration on a worldly level is concerned, you have a reluctance to go out and integrate yourself with others. Later this enforced loneliness becomes oppressive and you desire integration in a normal daily working rhythm. Isolation is not healthy for you in the long run, and true development in your life only comes when you apply your talents for the benefit of others. It is important for you to overcome a sense of being a victim in the world. Feelings of martyrdom undermine your ability to achieve practical results in your life. Old sorrows surround you like ghosts, but this cloak of suffering needs to be cast off. Work is healing for you.

Greater awareness of the direction you wish your life to take can mean making a few adjustments. Do not let inflated ideas about your destiny or personal importance lead you astray.

PERSONAL - DESTINY: Understanding karma

This is a time when meetings have particular significance in terms of karma and your growth as an individual soul. You may have a powerful experience connected with some group activity now and gain greater insight into your soul and your fate as a human being.
