Transiting Venus challenges your Saturn

REJECTION: Don't ask, and you won't be disappointed. Cultivate self-sufficiency. It's payback time if you've erred in relationships, whether love or business.

What demands should I be making in my love life?

Today - none. Be restrained with your own needs. Puritan, even. If others demand what you cannot deliver, be diplomatic but firm in your refusal.

How can I protect my business and finances?

Put the brakes on, and make sure your resources are secured. Pay in installments over time. Don't make further investments right now.

How can I overcome relationship difficulties?

Being defensive creates barrier for love. Open up, and share your fears and weaknesses, but without expectation or demand. Know your worth and be strong.

Transiting Sun positive your Moon

EXPRESS YOUR FEELINGS: Good times for home and family. Emotions and instincts come to the surface and create a feel-good atmosphere.

How can I improve my sense of security?

Exude confidence, and have faith in your natural abilities. Focus on your needs and assert your will.

How can I best benefit my family?

Take the lead and set an example for the others. Others may depend on you, but don't you try to depend on them.

How can I be more fully myself?

Express your feelings! Give nurture and support. Show empathy. This is the time to show the caring side of your nature.

Transiting Mercury positive your Ascendant

EXPRESS YOUR IDEAS: You smooth relationships through well-chosen words. Ensure you make contact, even if it means travel. Communication is the key.

How can I make the best impression today?

It's crucial to express yourself in one way or another. Get on the right wavelength with others and let them know what you are thinking. A stimulating conversation can make your day.

Should I allow myself to be distracted by others?

Yes, what a good idea! It's the distractions that make life fun, so drop what you are doing and take a trip with friends just for the hell of it.

Should I make time to discuss things with loved ones?

There's never been a better time. Say whatever has been on your mind that you've been holding back. Listen carefully to the response. Play ping pong and have fun.

27-09-2017

Transiting Sun challenges your Midheaven

AUTHENTICITY CONTRA DUTY: There are demands on your leadership qualities both professionally and in your domestic life. Don't let it go to your head.

How should I react to the demands of those in authority today?

You risk censure if you pit yourself against those in power. Assert your leadership without forcing others to lose face.

Should I insist on having things my way at home?

It's important for you to imprint your identity onto your domestic and family life. Try to do this without being arrogant or autocratic.

Should I strive for more recognition?

The need is certainly there. However, if you appear self-righteous or arrogant, you will evoke resistance. Assert yourself... humbly.

29-09-2017

Transiting Sun positive your Saturn

WELL TIMED PLANS: Make important agreements today, and they will have a long-lasting effect. Self-discipline and determination now bring great results later.

Should I find short-term solutions, or take a long-term view?

Plan ahead. Think in terms of years. First of all prioritize what you need to achieve in your life, then move forward a step at a time.

What is the right attitude to setbacks now?

There are no problems... just challenges. Setbacks are valuable because they harden your resolve and force you to concentrate. This creates the foundations for a solid future.

Can I expect recognition now?

Be patient. Keep a low profile. Get yourself noticed by those in authority, but don't make demands. You need to prove yourself.

Transiting Mercury conjoins your Pluto

UNEARTHING SECRETS: You have to get to the bottom of the matter today. Don't let unconscious fears gain control, but do mobilize your investigative abilities.

Is there something going on that I don't know about?

There always is, of course, but today your detective abilities are at their peak. Investigate the hidden issues, but don't get paranoid.

How should I best talk with someone about an issue that has been bugging me?

Deliver your message, then shut up. Don't go on and on about it! Listen to their side of the story, but keep your response to a minimum. There is more going on inside you, than you know.

How important is compromise and diplomacy now?

That time is over. Cut through to the core issues, and identify the weak link. Deliver your message firmly and without compromise.

30-09-2017

Transiting Mercury positive your Neptune

EXPRESS THE INEXPRESSIBLE: Spiritual knowledge brings compassion. In sadness there is poetry. Feed your spirit through music, nature and sublime contact.

Is it OK to embroider the truth?

What is truth? If you can capture the imagination of others, and make their lives magic for a moment, then there is some justification in creating a special version of reality.

Shall I follow up on a genius idea?

Hold on. You can be convinced about almost anything today. If you hear a great idea, give yourself a few days to consider whether it is practical or not.

Where does wisdom lie?

'The truth that can be spoken is not the truth'. Beyond rational thought you can sense a greater truth. Who needs words when swimming with whales and dolphins?

Transiting Mercury conjoins your Sun

YOU THINK, THEREFORE YOU ARE: You express yourself powerfully, but subjectively. It's good to sell yourself, but first you must know yourself.

How important is what I hear today?

Messengers drop by and give you crucial information, which helps you learn about and promote yourself. Keep your ears alert.

Do I have something important to say?

It's good to get your personal message across, but avoid getting led astray through useless gossip. Show your dignified side.

How can I best proceed at work?

It's time to share your ideas. Make trips to meet important people, grab the phone or send those important emails. It's good to brainstorm.

Should I retire into my lair or get out and about?

Today is about communication, so get in contact with those with whom you have an emotional bond, and if this means visiting or receiving a visit, then that's what to do.

How should I respond to overtures from the family?

Any family differences can be resolved now, and if you say what is genuinely on your mind, your openness will be reciprocated.

What areas of business will prosper today?

compromise and mediate?

Today is not about assertion, it's about sensitivity to others. Show your kind-hearted side.

Transiting Mercury challenges your Midheaven

DISTRACTIONS AT WORK: Hectic activity and interruptions can distract you from your goals for the day. You'll have to get organized to get your message across.

Should I shut out distraction and concentrate on the matter at hand?

You probably won't be able to. Accept the fact that people are going to come in and out, and deal with one thing at a time.

How should I react to communication from family members?

Expect distractions on this front today, too. You may not agree with them, but give siblings and other family members your patient attention.

Is it a good idea to travel on matters of business?

It's quite likely, and it's good to get out from the office. You need some fresh input.

03-10-2017

Transiting Mercury positive your Saturn

PLANS CLICK INTO PLACE: Express yourself briefly and concisely. Make schedules and deadlines. Seek the advice of those with more experience than yourself.

Can I sway others with my oratorical powers?

Not today. People want to see facts and figures. Make a plan, a budget or a list, and you'll soon have those in authority eating out of your hand.

How should I react if plans grind to a halt?

Just study them carefully for flaws. Adjust and adapt. This is just a change of course, not a brick wall. Break large projects down into smaller, and make a plan to handle each of them.

Should I trust what I hear?

It's a good day for business and other plans, but don't trust blindly. Give yourself plenty of time to consider proposals, ask advice, then you'll be ready to make a commitment.
