HOW TO READ YOUR PERSONAL HOROSCOPE REPORT

This horoscope is your personal cosmic fingerprint. No other person will have exactly the same combination of influences, unless they were born in the same second and exactly the same place as you were. With 10 planets, 12 signs of the zodiac and 12 houses there are approximately 1500 simple combinations in the horoscope, and when you add to that the different degrees and combinations between planets there are tens of thousands of influences which have to be weighed and juggled in any astrological interpretation. No computer programme can do this satisfactorily, but we do our best.

THE DIFFERENT SECTIONS

Reports from World of Wisdom are designed to simplify the interpretation process for you. It indicates for example the relative strengths of different planetary influences so you can see what is most important. Furthermore this written report is divided up into sections on Identity, Emotions, Mentality, Love and Sexuality to eliminate apparent contradictions which arise in the character description. But the reader must bear in mind that contradictions will arise. People are complex and contain many contradictory traits. Diametrically opposed character descriptions will either reflect inner dilemmas or outer conflicts reflected in the behaviour of others.

PROFESSIONAL and PERSONAL PROFILE

The World of Wisdom birth report can cover your personal character, your professional life or a combination of both, depending on your choice of report. The professional section addresses the questions: "What talents do I have?" and "How can I use this ability?" The personal section is concerned with relationships and hidden psychological causes, and addresses the question: "How can I improve myself in this area?"

PAST, PRESENT & FUTURE

Our reports can also integrate trends of the next year or two into the birth analysis, going beyond a static description of personal character and introducing a dynamic sense of what is happening for you here and now. The dynamic trends show the unfoldment of the horoscope through time. By analysing the current trends, it is therefore possible for you to gain insight into events just past, events happening at the present moment and trends into the future.

THE AUTHOR

This report is designed and written by Adrian Ross Duncan, former editor of the Astrological Association Journal, who has worked as a full time astrologer since 1985. Adrian is author of "Doing Time on Planet Earth" (Element Books 1990) and "Astrology: Transformation and Empowerment" (Red Wheel/Weiser 2002). His astrology software Horoscope Interpreter, Astrology for Lovers, and The Astrological Calendar are available from www.worldofwisdom.co.uk

It is our hope that the written report will give those who do not have the time to bury themselves in the study of astrology the opportunity of gaining insight into both their professional and personal life. If you wish to learn a little more about this report, you are encouraged to read the Introduction to Astrology at the end of the report, which describes the general influence of the 12 signs, the planets and the 12 houses

Life Path

Ascendant In Virgo

PROFESSIONAL - LIFE-PATH: Efficiency

Your professional life means a lot to you, and you work hard and conscientiously to become well-integrated in your whatever field of interest you choose. You are more concerned with efficiency and service than with getting personal recognition, and this makes you an asset in any working team. You labour industriously behind the scenes to make things function, and still find time to look after the needs of your colleagues. You have special abilities as regards service functions, organisation and analysis, and health matters, and are especially concerned about cleanliness and purity. You do however have a tendency to underestimate yourself, never being quite satisfied with your efforts - or for that matter the efforts of others. As you are strongly motivated to create order, you tend to focus on disorderliness in others. Learning to relax and be content with your efforts takes the pressure off you.

PERSONAL - LIFE-PATH: Efficiency

One of your better qualities is your self-deprecating nature. You are often willing to put others first and are generally quite content to take on a low-profile role, in which you concentrate on getting everyday life to function smoothly for all concerned. You are both critical and self-critical, and may often feel that life is hard work - a never-ending stream of tasks waiting to be done. In contrast your partners seem to let things just flow along in a disorganised, even lazy manner. This is of course a natural consequence of your own over-diligent manner, in which you tend to take on the duties of others. You can learn a lot from partners by being content with, and accepting, things as they are. It can be a great satisfaction for you to develop greater health consciousness during the course of your life, as you have natural abilities as regards nutrition and the influence of thoughts and emotions on physical health.

Ascendant Square Sun

You will often feel the influence of this aspect, though stronger influences may predominate in other areas of your chart. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - LIFE PATH: I, myself, me

Whether you would prefer to have a low profile or not, you will often dominate your surroundings through the force of

your personality. Professionally you strive to do your very best - for success is a matter of honour for you. You have a magnanimous disposition, and are generous in your dealings with others. Creative work and self-expression must be an important element in your professional life. You stand on your pride too much.

PERSONAL - LIFE PATH: I, myself, me

You have a radiant personality, with a touch of self-importance. You take yourself - and the impression you make on others - very seriously indeed. Some people may consider you self-centred. You tend at least to be the centre of attention, and although you invest all of yourself when you relate to others, you give your own personal development needs priority. You have plenty of surplus energy, and your playful nature can make you a figurehead for young people.

Ascendant Square Moon

This aspect is extremely powerful in your horoscope; every action you take will be coloured by this energy. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - LIFE PATH: Unconscious attunement

You have an emotionally compelling nature which profoundly affects the feelings of the people you associate with. You are very concerned with the emotional bonds which hold people together, as well as issues of security. You can therefore work for example with the needs of the public in some way especially as related to homes, family or motherhood. You infuse all your work with an emotional investment. A hard professional environment is bad for you.

PERSONAL - LIFE PATH: Unconscious attunement

You are a moody person and will often find yourself affected by fluctuating emotional states - especially through worrying about family matters or security issues. You have a deep appreciation of the power of the unconscious and instinctual behaviour. In your dealings with people unspoken feelings have far greater priority than rational concerns or argument. You are finely tuned to changes in atmosphere, and adjust accordingly.

Ascendant Trine Venus

This aspect is extremely powerful in your horoscope, and will be a major feature of your character. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and

the negative consequences minimal.

PROFESSIONAL - LIFE PATH: Aesthetic comportment

You have the ability to create a pleasing impression, and generally you comport yourself diplomatically and with all the social graces. As the ability to win the affections and confidence of others is one of your greatest talents, you would do well dealing with people in one form or another in your professional life. Aesthetic issues are also of great importance to you, and this may be reflected in your work.

PERSONAL - LIFE PATH: Aesthetic comportment

You exude an aura of grace and good taste, and this can win you many friends and admirers. Your dress, and taste in personal adornment, creates a very harmonious and pleasing atmosphere. You are easily seduced by beauty, and often led astray by affairs of the heart. Stable relationships can be threatened by your need for romance. Love is the spice of life. You have a weakness for sensory stimulation and luxury.

Ascendant Conjunction Saturn

You will often feel the influence of this aspect, though stronger influences may predominate in other areas of your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - LIFE PATH: The hard school

You take your professional life very seriously, rising to the many challenges that arise during the course of your career. As you convey an air of efficiency and self-discipline, you will gravitate towards positions of authority. Lack of self-confidence, and a certain shyness in relation to others can hinder your progress, but the older you get the better you are able to overcome your fears.

PERSONAL - LIFE PATH: The hard school

You can be rather an inhibited person - at least in the early stages of your life. Experience has made you wary in your dealings with others, and rather taciturn in style. You may feel uncomfortable about your personal appearance, and you have low expectations as regards your potential in life. Nevertheless you can inspire trust in others because of your considered, serious nature. The older you get, the more you lighten up.

Ascendant Sextile Uranus

Though not especially strong, you will be able to feel the influence of this aspect under many circumstances. Because there is a good aspect between these two planets,

you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - LIFE PATH: Light of the future

You bring the spirit of renewal and innovation into whatever projects you involve yourself with. You are strongly motivated by social visions, and are keen to instigate change. You may have some problems accepting the status quo, and this can lead to a certain alienation in society. You have a talent for dealing with New Age interests, technical matters or people from unusual environments.

PERSONAL - LIFE PATH: Light of the future

You can feel that your role in life is connected to future visions and the necessity for change in society. You add a dash of originality to the world, and people are either inspired or provoked by your rather unusual personal style. You shake up your surroundings and often use shock tactics to make an impression. You thrive in an atmosphere of excitement and unpredictability.

Ascendant Square Neptune

This aspect is of medium strength and its influence will often be felt, though not acutely. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - LIFE PATH: The spiritual path

You are rarely motivated by purely ambitious interests, and therefore you function best when engaged in a job in which you can invest your ideals and dreams. Ordinary goals can hardly satisfy your needs, which are more orientated towards feelings and sensitivity, or music and creativity. You need to feel moved by influences beyond the personal.

PERSONAL - LIFE PATH: The spiritual path

It is important for you to overcome a subtle feeling of dissatisfaction or sorrow in your life - both in connection with the direction your life takes, and in connection with partners. This involves finding a sense of meaning in your existence. Creative or spiritual interests, and the pursuit of inner purity, can bring much needed inner harmony. You are very impressionable and easily influenced by the vibrations of other people, so you need to indulge in periods of withdrawal.

Mercury In Sagittarius

PROFESSIONAL - MENTALITY: Inspire others

You have a need to make your opinion heard in your professional life. You have a special talent for drawing

philosophical conclusions from everyday events. Perhaps this manifests as an interest in politics and foreign affairs. You will almost certainly travel a good deal to widen your cultural horizons, and there is probably a language talent which might manifest bilingually. You thrive in a profession which offers variety, movement and intellectual challenges. You wilt in a closed environment. You have great plans, but the record may show a lack of ability to implement them, or a loss of interest just when decisive action is needed.

PERSONAL - MENTALITY: Inspire others

You have an extremely active mentality, and you restlessly seek new mental horizons to explore. You probably take pride in your studies - which you pursue for the sake of knowledge alone - and you tend to have an opinion on anything. In philosophical discussion you are less than diplomatic, and may tend to drown the opposition in the heat of the argument. Whereas it is true that you take a passionate interest in things, make sure that you listen respectfully to other people's opinions. What you so passionately argue for one day, drops from your list of priorities the next, so take care.

Mercury In 3rd House

PROFESSIONAL - MENTALITY: Gather and disseminate knowledge

You will have had a very stimulating upbringing which enhanced your natural curiosity. Your constant desire to learn, expand your mental horizons and create contact with people inclines you to a job in which contact, communication, teaching, travel and a social network are important. You have natural secretarial abilities and may be bilingual. Your early education will be extremely important to you, and you are liable to make good progress. You thrive in school and with friends, and an interest in education will play a role in your later professional life. You are extremely sensitive to how your ideas are received, and you will succeed professionally when you use your latent talent for getting a message across. You are a lover - and spreader - of information, and buzzing with ideas.

PERSONAL - MENTALITY: Gather and disseminate knowledge

A stimulating childhood environment, with important influences from brothers and sisters, will have spurred you to develop your mind as a child. You are extremely information-hungry and probably take pleasure in all forms of intellectual pursuit, reading, film and perhaps especially news and the media. You have the capacity to master a number of mental skills, and will always be actively learning

something somewhere. Education is extremely important to you, and many decisive experiences in your life result from developments in this area. You may feel a constant need to improve yourself in this area. Changes in the life-circumstances of siblings can also have a profound effect on your ideas. You are also a great traveller, and have probably taken many an intrepid journey in your life. You may prefer two-wheeled travel to four.

Identity

Sun In Sagittarius

PROFESSIONAL - IDENTITY: Inspire with your visions

The search for meaning and understanding is a major drive in your life. This you can achieve through philosophical interests, travel or study, and it is important for you to have a career which allows you to expand in at least one of these areas. You need to feel that you have freedom in your job, and you cannot bear monotony. You are a passionate believer in causes where fairness and justice need to be done - and your strong opinions and direct manner will occasionally get you into trouble. Diplomacy is not your strong side. Generally, though, you have a persuasive talent and your insight and convictions will win respect. You are not the type to settle into any one job for a long period of time, unless it offers opportunities for constant expansion and widening of your horizons. You desire to be appreciated professionally for your good judgement, positive attitude and ability to envision the future.

PERSONAL - IDENTITY: Inspire with your visions

You are considerably inspired by nobility of the mind, and intellectual achievement. Your personal visions about the future can be very significant for the people you come into contact with. Some of the great turning points in your life come when you discover new mental frontiers which force you to discard old beliefs which you identified strongly with. You do have a tendency to pontificate about what you believe to be true. Experience shows, however, that you rarely stay in the same place as regards beliefs, and that truth is relative to your discoveries at any one time. Relationships would therefore benefit, if you were less forceful and argumentative and more open to the point of view of your partner. You may feel it is your duty to inform people of what you regard to be the truth, but experience will teach you that people listen best when you wait to be asked for your views.

Sun In 4th House

PROFESSIONAL - IDENTITY: Pride in the family

Professionally your concerns centre around your immediate environment, land and property. You may identify strongly with your family or your country, and you are motivated to form strong bonds of loyalty - whether it be to the company you work for, or larger national interests. You need to feel needed. You have a talent for creating a homely and secure environment for other people and have strong convictions about family values. For you to function well in a career it is important for you to have a secure home base. You are attracted to an expensive home, because living well is a matter of prestige for you.

PERSONAL - IDENTITY: Pride in the family

Your upbringing has had an especially profound effect on your identity, and your father's influence will have been particularly strong in this respect. You have had a compelling need to look up to him and use him as a role model - for good or ill. Later in life you will draw great strength from the family you build up yourself, and your children will probably take a central role in your life. Your home and family will be the most important motivating influence for you, and you will be aggressively protective of them. You identify strongly with your home and may also take a special interest in your family history. You will not mind spending a lot of your time at home - this where you can really be yourself.

Sun Conjunction Moon

This aspect is extremely powerful in your horoscope; it will dominate many areas of your life. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - IDENTITY: Conscious/Unconscious

As these two planets represent the basic building blocks of character, your success will very much depend on the nature of the aspect between the Sun and Moon, and other planetary influences. The main issue is your ability to assert yourself without unconsciously distorting the reactions you receive from others. Harmonious contacts between the Sun and Moon indicate a talent for nurturing and strengthening others through the capacity to understand them, as well as giving a wealth of creative talents in many areas. Disharmonious aspects give a tendency to misinterpret or distort the reactions of people who have influence in the world. Emotional conflict with people in authority can undermine progress in business life, and this will be connected with some immaturity on your part. Often the problem will lie in environmental instability in which your

domestic situation is at odds with professional visions. At the conjunction - or the New Moon - there will be a strong self-sufficiency and a strongly integrated character, but it may be difficult for you to get an objective picture of yourself. This would be a definite disadvantage if you have to deal with others on an emotional level.

As you mature you gain greater insight into the role the unconscious plays in human behaviour, and in some cases this can lead to work of a caring nature relating to the emotional make-up of others.

PERSONAL - IDENTITY: Conscious/Unconscious

As the Moon waxes and wanes, it goes through different phases showing its relationship to the Sun. Each phase has a specific effect on personal character. At the New Moon - or conjunction - there is a strong self-awareness, but some frustration as regards getting on in life. Past bonds have a strong hold on the personal nature and will often stand in the way of progress. In relationships the conjunction can make it difficult to gauge one's effect on the partner, and although there is a strong sensitivity, it is felt very subjectively. Often the bond to the parents is rather unique with this aspect, and the family life is characterised by an insular self-sufficiency. The father may exhibit a strong emotional or caring nature, and the mother may well have strong independent characteristics.

The full moon - or opposition - on the other hand gives almost too much objectivity, and emotional interactions in relationships are quite dominant. There is a tendency to project behaviour and attitudes on the partner, which in reality belong to oneself. This may be due to an upbringing in which there was a strong contrast between the parents. If so, you will have identified strongly with one parent to the detriment of the other.

The half moon - or square aspect - also bring conflict between the identity and emotional needs. As you mature it becomes essential to control inappropriate emotional reactions which relate back to frustration regarding your interpretation of parental conflict.

When the Sun and Moon have a harmonious relationship to each other, through the trine or sextile aspect, there is much greater ease in expressing feelings and ascertaining one's effect on others. Whatever the aspect, you will have a very strong emotional nature, and feel an enormous pull from the past. You will have well-developed instincts and a talents for delving in to the dark realms of the unconscious. Generally speaking with all aspects between the Sun and the Moon it pays to exert the influence of the will on your emotions, so that you gain greater consciousness of the deep-seated

emotional programmes which still unconsciously affect your behaviour.

Sun Square Saturn

This aspect is extremely powerful in your horoscope; every action you take will be coloured by this energy. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - IDENTITY: Winning self-esteem

You are a hard-working and ambitious person with a strong drive to prove yourself in society. There may however be difficulties with authorities, despite your desire to live up to the expectations of society. The first 30 years of your life will bring a great deal of obstacles to success, but you will learn important lessons and ultimately develop a self-sufficiency and discipline which lays the foundation for success later in life. It is important for you to overcome negativity or pessimism concerning the future. Not all success is won by hard work alone. You are often more motivated by the fear of failure than the promise of reward, and this can hold you back from realising your full potential. If all goes well you will acquire more and more responsibility during the course of your life - and you deserve it. You are conscientious and take your responsibilities seriously. You are the kind of person other people can rely on. You would rather be the power behind the throne, than have a high profile yourself. Remember to take time to enjoy the fruits of your efforts, instead of continuously driving yourself onwards.

PERSONAL - IDENTITY: Winning self-esteem

You are a rather formal person who takes life seriously. Childhood experiences - especially the relationship with your father - has undermined your self-confidence and made you reluctant to stick your neck out. You are more likely to bury your "talent" than gamble with it. You have a strong need for approval, but as a child love and approval was always conditional on your performance. You have been more appreciated for what you did, than for who you are. Later in life you tend to judge yourself harshly, and you have a bad conscience about enjoying life and relaxing. You tend to be too dismissive when offered love and affection, and rather severe when giving it. There may be authoritarian tendencies and a lack of flexibility as regards rules. Nevertheless, you are a person who can be trusted. You have high principles, and as you do not indulge expectations of the easy life, you work hard to build up a secure structure in life for those you hold dear.

Sun Conjunction Neptune

It may be difficult for you to discern the influence of this combination of planetary energies, as it has only a mild effect in your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - IDENTITY: Find meaning in spirituality

On a professional level almost anything is possible for you - as long as you feel that what you do is meaningful. Whatever field you choose, your success will not satisfy you unless you work creatively or have altruistic goals. True satisfaction comes when you transcend material goals and personal ambition. You have high, and perhaps unattainable expectations of yourself...and often of others. You have an intuitive insight into others, and a natural creative talent, but you seem to have an unconscious drive to set up situations which guarantee disappointment or failure. You function best when there is an overall ideal that goes beyond your personal needs. There is a talent for working with visions and dreams, and areas of social concern.

PERSONAL - IDENTITY: Find meaning in spirituality

You are a sensitive and impressionable person with a strong need to be able to define who you are. You often feel that your grasp on reality is not tangible. If life becomes boring or monotonous, this can strike at the very core of your identity. Women with this aspect put their men on a pedestal from which they rapidly fall. In your longing to find an ideal that does not dissolve like a mirage in front of you, you will constantly refine your nature. Your longing and dissatisfaction is the engine of spiritual change in your life. You find yourself by going within yourself. Meaning in life comes when you seek to attain idealistic goals and develop a collective vision which benefits others. You would definitely benefit from meditative practice.

Jupiter transiting Conjunction Sun

22-03-2019 -> 01-12-2019

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - IDENTITY: Creating your future

During this phase of rising self-confidence you can expect your plans for expansion to take off. You should be thinking positively about the future now, visualising how you would like things to be as vividly as possible. Your power to get what you want is at its highest, so start expounding your

visions of a bright future. Remember: you get what you focus on, so focus on what you want.

It is favourable to expand into foreign countries; higher education, public relations and insight-enhancing projects will also bring success. Whatever you do, it is essential that it has depth and meaning for you. Don't waste important time on trivial matters - success is about the quality of life and making an impact with the essence of your own identity. If necessary take time off from work to build up a new vision for your future. If you have any legal problems, you will be confronted with them now so ensure that you are morally unassailable. And don't over-estimate yourself and your capacities. Make sure your plans are within the boundaries of reality.

PERSONAL - IDENTITY: Creating your future

During this phase of your life you will be given the opportunity to find a new sense of meaning in your existence. Bubbling up from within, you have the chance to release a new energy and enthusiasm based on a sense of your personal relevance to this planet. Travel abroad and contact with people you respect for their intellectual and spiritual capacities will now expand your world-view. Knowledge and understanding will enable you to build up a broader moral base with greater insight and tolerance.

This is a very favourable time for religious growth if you are so inclined, or philosophical and intellectual insight. In many ways the world opens to you and reveals its gifts and blessings for you to enjoy. Take care as you sample the pleasures of this cornucopia and don't overestimate yourself - personal hubris will be punished and you may find yourself coming down to Earth with a bump.

Saturn transiting Conjunction Sun

24-01-2017 -> 18-12-2017

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - IDENTITY: Long-term strategy

You can use this period to rise to the many professional challenges in your life and create the foundations for lasting growth. This is no easy time; many difficulties arise and you will have to work harder and shoulder more responsibilities. Authority figures make demands on you, seemingly without giving you any recognition. If you try to avoid commitment now, you are likely to be dogged by worries and problems. Your self-confidence may be low, and you may feel that you cannot live up to the expectations of others. Time will show

that you can overcome difficulties and achieve goals.

Planning and strategy is of the essence, and it pays to plan months ahead and to tighten up schedules, working to realistic deadlines in a committed manner. By completing your work in stages and dividing large projects into smaller sections, you will find that you can handle enormous responsibility. You will not get something for nothing now, but hard work will be rewarded in the long term, so roll your sleeves up and get down to it.

PERSONAL - IDENTITY: Long-term strategy

At the beginning of this phase you will probably not be feeling so good about yourself. You may feel that you do not get enough - or don't deserve - recognition. There is a strong inner feeling that you must pull yourself together and do something worthwhile, and the sooner you do this, the better you will feel. There is a general feeling of being weighed down by burdens, and there may be a lot of pressure to live up to the expectations of others.

It is time to take responsibility for your own life and to define new goals, whilst you can send a strong signal to other people - parents in particular - that you can look after yourself. By rising to the challenges of the time, you can develop a strong inner feeling of self-satisfaction, based on the results that come from hard work and effort. You will be facing central issues concerned with identity and self-sufficiency, and will emerge from this period as a stronger and more self-reliant person.

Emotions

Moon In Sagittarius

PROFESSIONAL - EMOTIONS: Expand emotional horizons. Professionally you need a working life which offers plenty of freedom and the opportunity to expand your horizons, especially if this gives you the opportunity to travel internationally. You also have strong cultural interests. Repetitive work bores you. You are an exciting person to be together with, and you create a stimulating mental atmosphere with your outspokenness and direct way of saying things. It is important to realise however, that you are rather oblivious to the sensitivities of other people. A little tact would go a long way. You thirst for knowledge and understanding, and thrive in an intellectually nourishing environment. At the same time you can be rather vociferous; you are passionately moved by injustice and quick to defend those who have been wronged.

PERSONAL - EMOTIONS: Expand emotional horizons

You are a freedom-loving person, who does not take kindly to any form of emotional limitation in your personal relationships. You are inspired by wide horizons, and this will lead to a good deal of travel in your life, or a drive to absorb the culture of the world through the media. This may result in a period of time spent travelling or living abroad. Some of the great difficulties in your life arise when circumstances force you to accept limitations on your freedom and the need to form stable emotional bonds. Major transformations also happen in connection with disillusion when you outgrow old beliefs and convictions, as you most surely will. You need intellectually challenging partnerships, but things would function better if you avoided strident discussions.

Moon In 4th House

PROFESSIONAL - EMOTIONS: Attachment to the home
Security is a major preoccupation for you, and you may wish to work in areas concerned with the home, land and property, or with areas connected with caring for others, or perhaps on environmental issues. You may have a talent for gardening. You function best when there is peace on the home front, but often find yourself distracted by family worries. Parental bonds, or a reluctance to get away from the family can limit your possibilities to advance professionally. However you are appreciated at work because of your concern for others, and ability to create a comfortable atmosphere. You may like to work from home, or have a job not far from your house.

PERSONAL - EMOTIONS: Attachment to the home
You were profoundly influenced by the emotional atmosphere as a child, and you were very sensitive to parental moods, especially your mother's. This has made you into a sensitive and rather vulnerable person, and you will be strongly motivated to create a caring and secure family environment later in your life. It would be wise to view the ups and downs of family life in a more objective way, rather than allowing your own mood to be constantly affected by changes. Your home is a haven for you, and you become very attached to it. When radical changes effect your home however, you will discover that you have a remarkable capacity to adjust. You need to spend a lot of time at home, and may find great pleasure in looking after your children, cooking, making home improvements etc.

Moon Square Saturn

This aspect is extremely powerful in your horoscope; it will dominate many areas of your life. There will be great

difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - EMOTIONS: Self-sufficiency

You are a very responsible and dutiful person who is very motivated to live up to your commitments to society. You can work well in a role which requires hard work and a lot of responsibility, especially if this entails formal relations with the public in some way. You can function effectively as a buffer between the public and the authorities. You may have a special talent for working with old people, or with people who have emotional problems or very difficult life circumstances. You have a measured response to the people you meet and can evoke considerable respect from others, just as long as you do not allow yourself to be crippled by shyness. You can perform monotonous tasks patiently, and are good at systematising things and creating order. Professionally you are strongly motivated by job security and continuity at work. You are not very flexible, and tend to stick to long-term habits and work-patterns. On the other hand you are reliable and conscientious.

PERSONAL - EMOTIONS: Self-sufficiency

You are extremely sensitive emotionally, but present a very solid facade to the outer world, giving the impression that you are quite cool, even invulnerable. Behind your formal manners is a person who was never fully allowed to enjoy a carefree childhood. At an early age you took responsibility in the family, repressing your own spontaneity and lowering your expectations because of emotional hurt. In later relationships you have difficulty letting down your protective barriers, even though you have a deep desire for intimacy. If you do get hurt emotionally you rarely let on, and you close the shutters on your feelings so that your loved one has no chance to make amends. After the age of 30 you learn more successful strategies for intimacy. First of all it is essential for you to be emotionally self-sufficient - if you sell yourself for security, you will end up in a prison. From a position of inner strength you can then allow yourself to be more trusting and vulnerable - you have nothing to lose and everything to gain by opening up emotionally without making any demands.

Moon Conjunction Neptune

It may be difficult for you to discern the influence of this combination of planetary energies as it is not a strong configuration in your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - EMOTIONS: Develop intuitive sensitivity
You are a supremely sensitive and impressionable person, and this will express itself as a moodiness and indefinable dissatisfaction. Yet you will almost certainly have creative and caring sides to your nature which can stand you in good stead professionally, as long as your job is not monotonous or meaningless. You have a capacity for being very sympathetic and understanding, and this may be a part of your work. You have spiritual talents - perhaps you can work with dreams or the unconscious in some way. You are powerfully influenced by your environment, and including the mood of the people around you. It is wise to choose environments free from pollution, spiritually, emotionally and physically.

PERSONAL - EMOTIONS: Develop intuitive sensitivity
The greatest challenge for you is to attain emotional satisfaction, and this is best done by understanding the nature of your childhood. It is essentially for you to avoid the tempting pleasure of indulging your emotions and sentimentality. You so easily fall into negative emotional states, and this can make life miserable for the people around you. Your emotional impressionability creates serious problems in partnership matters - you simply have difficulty distinguishing the boundaries between yourself and your loved one. You take on the moods of others or absorb negative vibrations from the environment. The older you get the more you realise that this is just a bad habit, based on early conditioning. Avoid jumping into emotional swamps! Having said this, you have a wonderful talent for tuning in to other people emotionally and understanding them in depth. You are a very sympathetic person.

Jupiter transiting Conjunction Moon

07-03-2019 -> 25-11-2019

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - EMOTIONS: Expanding your base
This influence depends very much on how large a role safety and security play in your professional life. If safety is paramount, you will be wanting to expand the foundations of whatever represents security for you now. As this may well be property, you could wish to move into a larger home or business, and indeed it certainly pays to invest in land and buildings now. Providing that you can trust your instincts in these matters, then property acquisition or expansion is favoured.

For some people freedom and expansion of horizons will be more important than security. The urge to investigate foreign countries - their people and culture - can play an important role in your career now. Trust in your hunches - your intuitive powers are at their highest in this period, and you have the enthusiasm to take on any challenge. You may however find that your interests lie outside the professional sphere. This is a higher-charged period for you emotionally, so you will probably also want to expend your energies on domestic or family matters.

PERSONAL - EMOTIONS: Expanding your base
This is a period when your feelings and emotions exert a tremendous power in your life. Hopes and dreams about the future will be a driving force inspiring you to take action. Generally speaking you should have a degree of luck and good fortune in attaining your greatest dreams at this time. This is probably a natural consequence of the enthusiasm you invest in all matters. You can expect an expansion of your horizons and a deepening of your capacity to show feeling. You learn something of the mystery of life, and it gives a new meaning to your existence.

You can be strongly inspired by a future vision connected with domestic happiness, a home or children. There is, however, a tendency to go overboard. If you are hoping for the fulfilment of emotional dreams, so many opportunities can arise that you simply cannot make a choice. Furthermore your emotional suggestibility is at its highest - you believe what you want to believe. Whatever the concrete results - if any - of this period, you will come into deep contact with your emotional power and gain rewarding new insights.

Saturn transiting Conjunction Moon

11-01-2017 -> 07-12-2017

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - VALUES: Emotional self-sufficiency
Issues of economic and job security become very pressing at this time, and you will feel a strong drive to overcome any weaknesses in this area. You can however expect a lot of difficulties, especially if you indulge immature expectations, or rely too much on others. Childish behaviour gets you nowhere now, and if you do not have conscious control over your emotional reactions you can expect to be unpopular.
The atmosphere in your working environment may be rather heavy now - perhaps because of an elder woman

who is trying to assert her authority. The more mature you are, the better you can handle trying situations. You have to know when to set limits, whilst still living up to your responsibilities. You can develop the self-discipline and patience to work with people in difficulty, if you choose to.

PERSONAL - EMOTIONS: Emotional self-sufficiency

During this challenging emotional period you will become more mature and self-sufficient. But this is not normally a happy time - partly because safety and security is no longer what it was. You have to spend time building more secure foundations for your life, and you cannot expect anyone else to be very supportive during this time. It is up to you to shoulder responsibilities uncomplainingly and with dignity.

Time can drag on now because you have to spend more time attending to everyday details and getting things to function on a practical level. On an inner level you are confronted with the need to change or control unconscious emotions and habits. It is no use allowing your temperament, your jealousy, your distance or your stubbornness to get in the way of a rewarding relationship. The time demands emotional self-improvement, so stop making excuses and start working on yourself.

Mentality

Mercury In 3rd House

Please read page 3 : Mercury In 3rd House

Mercury Square Mars

This aspect is extremely powerful in your horoscope, and will be a major feature of your character. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - MENTALITY: Sharpness

You have an extremely acute mind, and can generally come to a decision far faster than the average person. You are quick to take action and enjoy the pleasure of outsmarting your competitors. You enjoy the thrill of mental combat. However you often cut corners, and your methods can be questionable. Your brusque manner can evoke considerable hostility in your place of work, so if you find yourself constantly getting into arguments or finding people irritating, you can be quite sure it has something to do with your

behaviour. Perhaps you have a tendency to barge in or interrupt conversations, perhaps you speak in too harsh a manner or do not listen enough to others. It pays to plan more patiently, and think twice before you make your opinion known. You would function well in jobs which require tough negotiations or an aggressive verbal style. You have plenty of energy too, and like to travel and meet people. You are a go-getter.

PERSONAL - MENTALITY: Sharpness

You get into too many arguments, and rarely consider the idea that you may be wrong. This truculent manner probably stems from conflicts in childhood with brothers, or perhaps your father. You worked out then that the best means of defence was offence. Yet troubles arise later in life because your frank and direct manner makes people feel that you are offensive. You don't always have to tell people what is on your mind. You hate to be bossed around or told what to do, so make an effort not to act in this way with others. Give them time to express themselves without interrupting, and resolve to stop criticism and arguments. Women with this aspect are often attracted to rather sharp men who may have questionable morals, or be rather argumentative types, although this is a projection mechanism based on inner conflicts. Men tend to retain adolescent qualities and act at times as if they know everything.

For both sexes it is important to slow down, otherwise the nervous system can be adversely affected. When you channel your enormous energy into creative, fun projects, you can achieve a great deal.

Mercury Square Jupiter

This aspect is extremely powerful in your horoscope; it will dominate many areas of your life. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - MENTALITY: Disseminating information

One of your great professional assets is your intellectual curiosity and interest in communication and information. You can be something of a perpetual student, accumulating knowledge and insight for a rainy day. These intellectual talents bring you success in fields which require study, writing, meeting people, travel and generally exchanging ideas. You have excellent teaching talents, because you both have the capacity to concentrate on details, and at the same time can draw wide-ranging conclusions. You can maintain an overall perspective, even when drowned in facts and figures. You can also be extremely persuasive, and this

can give a talent for sales. People can come to you for advice and information. You are also suited to a position in an office, where you have access to phones and faxes, computers etc. You may be rather restless, so you need to work in a position in which you work with a whole spectrum of daily tasks, or in a situation in which you meet a variety of different people, perhaps whilst travelling around.

PERSONAL - MENTALITY: Disseminating information

Gaining intelligence is a strong motivating factor in your life. Attending courses and studies, learning languages, travelling and meeting people, are all important activities for you, because they give you the opportunity to train and expand your mind. A foreign language may play an important role in your life - you certainly have the capacity to master more than one language. You can be witty and a mine of information. On the other hand you may feel a strong need to impose your ideas and opinions on others. You hate to be belittled mentally, and you may compensate for this by becoming argumentative, or by dutifully trying to enlighten people about what the truth is. It is better to fulfil this need in some job for which you get paid - rather than tire your partner with your constant need to explain and inform. It is wisest to give your opinion only when it is consciously sought by others.

Jupiter transiting Conjunction Mercury

06-12-2018 -> 02-01-2019

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - MENTALITY: Expanding contact

The effect of this influence depends very much on how you employ your mental talents in your profession. This is the time you should invest in your mental abilities. Knowledge is power, so it could pay for you to go on courses, meet people and expand your sphere of influence. You can expect an increase in the time you spend travelling now, so try to streamline this area of your life. You should be doing more to enlarge your network of contacts, so make sure you are available through telephone, fax or computer. You will talk more, travel more and write more.

If you have any dreams as regards writing or getting some message across to the public, now is the time to go for it, as there is a strong disposition for success in these matters. This is generally a great time for wheeling and dealing, doing business and capitalising on contacts at home and abroad. Nevertheless you can talk too much and be too

intellectually pushy. Take time to listen to the opinions and advice of others - you can make misjudgements if you don't.

PERSONAL - MENTALITY: Expanding contact

This is a period of expanding intellectual curiosity which can be reflected in many areas of your life. You will probably devour books and TV programmes at this time to satisfy your urge to acquire knowledge. It will also be an important process for you now to weave all the threads of information that you gather into a whole piece of cloth, so that you can see a meaningful pattern in all the details that surround you.

This is a time to be on the move and to allow your mind to be fertilised by contact with a wide variety of people with different views on life. You should be bubbling with ideas, so you have to get them down on paper or out to a broader public. Although this is generally an optimistic period, there is a risk of losing your sense of proportion, particularly if you are inclined to worry or fantasy. Knowing the power of the mind to create the future, you would be well-advised to guide your thoughts into constructive channels.

Values

Venus In Capricorn

PROFESSIONAL - VALUES: Responsibility in relationships

You have a natural business talent, a thrifty nature and plenty of common sense. Women with this position will be powerfully motivated by ambitious goals, and men will be attracted to ambitious women. You have an administrative talent - especially as far as financial and business matters are concerned. You are strongly attached to the work ethic, with deep convictions about personal responsibility in career matters. As such you are a person who can be relied upon. You strongly value social status, and are willing to work hard and conscientiously to achieve this. You have a talent for wielding authority in a pleasant way, often securing agreement without strife whilst remaining fully in charge.

PERSONAL - VALUES: Responsibility in relationships

You are very careful in your personal relationships - experience has taught you to size potential partners up cautiously, and this also means assessing their professional situation, morals and sense of responsibility. Status and economic security may take precedence over romantic love. Men with this position are attracted to efficient and ambitious women who possess a rather repressed sensual vulnerability. Women tend to find more happiness professionally than privately, until they learn to take the risk of being vulnerable. Both sexes take relationships seriously

and tend to have strong moral values. There may be an inclination to choose an older and more mature partner. Marriage is a contract that should stand the test of time.

Venus In 4th House

PROFESSIONAL - VALUES: Domestic harmony

Your strong aesthetic sense may give you talents concerning interior design, gardening - especially flowers - and anything to do with the home. You can increase your wealth by dealing with property and are generally fortunate when buying a house, although there may be a tendency to go for the extravagant option. You form strong bonds through business dealings, and are loyal. Professional advancement is not just a matter of money for you - family values have priority and you do not like to do anything that threatens the harmony of the home.

PERSONAL - VALUES: Domestic harmony

Family life has always been important to you - it is here you seek - and find - love and security. Your upbringing may have been strongly influenced by a sister, or by a mother who was your equal in some way. You have a talent for creating harmony and a loving atmosphere in the home - you did this as a child, and you strive to do this in later relationships. You need an aesthetically pleasing home, and thrive with a beautiful garden and beautiful things around you. You are strongly attached to the objects you collect for your home - they are imbued with a special value and meaning.

Venus Trine Saturn

This aspect is extremely powerful in your horoscope; every action you take will be coloured by this energy. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - VALUES: Formality

You have a strong sense of responsibility regarding your professional relationships, and you value trust and stability most of all. You can therefore function well in long-term business partnerships, and you are especially good at relating to the public in a friendly, though formal manner. You have a pleasing diplomatic nature and a fine sense of protocol. Job security and a strong economy are important to you, and other things being equal you are very careful with money. This may give talents connected with the financial world, banking, investment etc. Women with this aspect can be especially ambitious and willing to endure considerable hardship to get on in a career. In general there

is more emphasis on the professional life than on the personal. As time goes by you grow to learn exactly what you are worth, and expect to get paid for it.

PERSONAL - VALUES: Formality

It is unlikely that you will be completely fulfilled in your love relationships during the first 30 years of your life. You may have a rather low sense of self-worth and a correspondingly low threshold of expectation as far as romance is concerned. You prefer to play it safe, having burned your fingers in your young days. You may be attracted to an older partner, who can provide structure and security in a relationship, although security of this kind can prove restrictive in the long run. Intimacy does not come easily to you because of a strong fear of rejection. You maintain a cool facade as a protective measure, though this only makes your world a little colder. As you get older you learn that it pays to be a little more vulnerable, it pays to take a risk with your emotions. First you need to build up a strong sense of personal self-worth. Then by showing your own feelings without demanding exaggerated demonstrations of love in return, you can create a safe space for the mutual exchange of love.

Venus Sextile Uranus

This aspect is of medium strength and its influence will often be felt, though not acutely. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - VALUES: Untraditional relationships

You need to work in an exciting environment where you are together with people who have untraditional ideas, or who come from unusual cultures or backgrounds. You function best when you meet a number of different people during the course of your working day - preferably interesting or unconventional types. You have a talent for working with the media - you may also function well in a job which brings travel to exotic places. As you have a strong interest in consciousness-raising groups you may get involved with political, spiritual or social movements. You function well in a team - but not in a conventional working environment where you meet the same people all the time. You need to feel as free as a bird. You have a talent for making friendships - you make an electric impression on others, but actually you are rather detached yourself.

PERSONAL - VALUES: Untraditional relationships

The major characteristic of your love-life is your need for

excitement and the unpredictable, coupled with a restlessness which you feel when relationships do not offer you the opportunity for personal development. You have a tendency to form relationships to people from foreign countries, different cultures or unusual environments - in other words with a person who can bring an element of the exotic into your life. Often you can find yourself in a situation, in which you choose not to actually live together with a partner. Preferring to keep your independence - especially as regards the freedom to have your own friends - you maintain the excitement of romance by periodic meetings where you can constantly have your need for excitement fulfilled. In extreme cases you experience "airport-love" - short but exciting relationships with someone from another area of the world. In this way you avoid committing yourself emotionally. If you want a more permanent or stable relationship, or if you would like to feel more secure with your loved-one, it is essential to make a deeper emotional commitment.

Venus Square Pluto

It may be difficult for you to discern the influence of this combination of planetary energies; it is weak and may be outweighed by stronger influences. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - VALUES: Transformation of values

You have the ability to awaken deep sympathy in the hearts of other people, and you are probably willing to go to great lengths to be appreciated. Your attention to others can evoke a very positive atmosphere and genuine good feelings, if you learn to avoid a few simple weaknesses. You tend to go too far in pleasing others and trying to create a good impression. In this way you can monopolise some people and alienate those who are not impressed by your apparent charm. Businesswise you have a special talent for getting the most out of resources. You can see the value in items other people might throw away, and can turn waste into something valuable. Financially you must avoid the trap of getting into debt by buying prestige items. Do not throw good money after bad. Above all avoid becoming economically dependent on others - you could end up being manipulated.

PERSONAL - VALUES: Transformation of values

Your intimate relationships are characterised by their intensity. You are simply not interested in a superficial or casual relationship. You have a tendency to invest a lot of

energy into winning love and attention and this is actually a throwback to childhood experiences which equated love with survival. You will often feel that it is fate that has brought you and your partner together, and that nothing will break the bond that has been established. Unfortunately, an unconscious fear of losing love can result in many exhausting emotional scenes. Relationships can lurch from crisis to crisis. When these negative influences have been transformed you will discover a real talent for giving loving support to others.

Jupiter transiting Square Venus

20-01-2017 -> 04-10-2017

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - VALUES: Blessings

If you are the lucky type, you could not have a better period than this one. This is a time when influential people - particularly women - can guide you towards success, and when your economic resources have every chance of expansion. Success comes in particular in the cultural, intellectual or artistic field, though there is also a reasonable chance of business expansion also. Matters of fairness and justice will cause concern at this time.

It is more important to enjoy life than just work hard at this time - if you can't appreciate life's pleasures now, when can you? What are your true values and goals in your career? This is the time to include them in your plans for the future. However, if you indulge your pleasures too much, this can be an expensive time. You are very vulnerable morally now, and affairs of the heart can lead you into a costly blind alley. Don't cut corners to gain easy profit, a questionable gain now can lead to long-term loss. You are easily seduced.

PERSONAL - VALUES: Blessings

This is a romantic period par excellence, so you can expect affairs of the heart to have priority now. If you are in a relationship, your need to give and receive love will be very strong, so ensure that you indulge your emotional and erotic desires. This is a time when the power of romantic and sexual attraction is extremely strong, whilst the moral discipline is weak, so it is important to weigh the needs of the heart with other emotional costs. Sometimes it is more important to nourish and indulge the need for love than anything else, sometimes not. Let your ideals about fairness guide you.

It is a great time to travel, and if you are seeking a partner,

there is one to be found in foreign climes, or in cultural or intellectual institutions. You are not inclined to fall for anyone for physical reasons alone at this time - you need a partner who can stimulate you intellectually, and expand your understanding of life and its pleasures. If you are interested in creativity, this can be a wonderful period because you gain insight and understanding of the aesthetic forces of Nature, seeing the beauty inherent in all things, and experiencing that beauty as a manifestation of truth in some way.

Uranus transiting Square Venus

13-03-2017 -> 17-01-2019

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - VALUES: New social environment

Sudden changes of values now can inspire you to make changes and adjustments in your career. This is a more social period, so you will not be content with jobs that just involve facts and figures. You need to get out, travel and meet people - preferably unconventional types who can surprise and inspire you. This need to be surrounded by new people may be a problem if you are working in a very formal and stuffy environment, and you might wish to consider job change, to satisfy your need to be socially and aesthetically stimulated.

You would thrive in an international environment now, in which you can make use of language ability and social qualities. You are less likely to be hung up on economy and material things at this time - you discover new values and pleasures through contact with new peoples and cultures. You may discover a capacity for bringing awareness and a new quality of life to others, particularly as regards principles of freedom and unattachment.

PERSONAL - VALUES: New social environment

Radical changes can arise in your personal relationships at this time. If you are free and unattached you will almost certainly get involved with some untraditional romance. Because there is a strong need for a relationship which gives mutual freedom, and because you long for the unpredictable and exciting in love, you could meet someone from a radically different country, age group or culture, or someone who is an outsider in society. You may choose to live alone and have a weekend partner. It is unlikely that you can cement love affairs started at this time, but the most important consequence is the awakening of your emotions

and the stimulation of your erotic awareness.

If you are in a stable partnership, sparks can fly as you try to assert a new-found need for autonomy and independence. If you are feeling bored with you partner and in need of a change, try to avoid being over-impulsive and strive to understand your partner's anxiety. You cannot compromise on your need for a renewal in your relationship and more social involvement, but if you value your relationship you should do more to reassure your partner. If your partner does not want to share your new interests, find a group of people with whom you can be inspired. This is a excellent time for involvement in consciousness-raising groups. It is also a good time for the awakening of the creative and aesthetic impulse. Love affairs at this time lead to a dramatic awakening of the feelings but rarely become settled. There is a tendency to have short intense meetings - often in airports - and then to return to the calm of private domestic life. Separations threaten weak partnerships at this time.

Drives

Mars In Virgo

PROFESSIONAL - DRIVES: Develop organisational talents
You are a naturally hard-working person with a great talent for analysis and research. There is also a fine organisational ability and a natural conscientiousness when completing tasks. Indeed there is a tendency to be something of a perfectionist. Whilst this is a very fine quality as regards working with things - especially accounts, files, planning, etc. - it can create problems when dealing with people. Your colleagues may find you too critical, and your tendency to go into the smallest details may mean that you take too long completing tasks, or fail to see the big picture. There is often great talent for technical matters - for example engineering, computers etc. At the same time there is a strong health consciousness which can manifest professionally in connection with diet or the body. You work hard, perhaps too hard. By mastering your natural ability to delegate you will be able to take time off to relax.

PERSONAL - DRIVES: Develop organisational talents

You are conscientious both at home and in your job. You also have a tendency to be rather self-critical and worried - this can affect your stomach and digestive system, so it will pay for you to consciously develop a greater awareness of health matters, diet, exercise etc. Men with this position of Mars are extremely good at making themselves useful in relationships. Women are attracted to the hard-working kind

of man who creates a busy atmosphere in the home. For both sexes hygiene and cleanliness is important, both as regards the home, and in sexual matters. There is a tendency to be over-critical and nagging, which of course will have a negative affect on relationship harmony. Perhaps this comes from an inherent perfectionism and physical restlessness. If this energy is channelled constructively it will be reflected in many improvements done in the home and garden.

Mars In 12th House

PROFESSIONAL - DRIVES: Inner struggle

It is not easy for you to feel motivated by your work, or to take your ambitions so seriously. You are not a competitive type - or at least you are half-hearted about taking up the fight, basically because you cannot see the point. You function best when you can work in your own space, without too much interference from others. You are not a team person and should find a position behind the scenes in some way. It is difficult for you to define what you really want to do. You feel most inspired when you can work for a cause - especially if you can help people in real trouble in society. Selfless service of this nature can inspire you, and you have a special talent for helping people with mental troubles. The essential element in your professional life is to be inspired by a collective ideal.

PERSONAL - DRIVES: Inner struggle

Many of the troubles in your life stem from the inner world of your imagination. Worries and fears often stem from early disturbing experiences in connection with a brother or a father. Because you have a very active imagination you can have a very real sense of being threatened by shadowy forces. You have to take care not to exacerbate these feelings through drugs, pill misuse or alcohol as you are simply oversensitive to bad vibrations. For women with this influence, dealings with men have a tendency to be affected by unrealistic expectations which simply invite disappointment. In sexual matters there may be a dream of a special kind of holy union and rejection of carnal desire. Secret sexual encounters in which you hope to realise this dream lead to confusion and chaos. This influence is best utilised in the search for spiritual understanding - but even here you need to ensure that both feet are planted firmly on the ground. Hard work for the benefit of others purifies your soul.

Mars Conjunction Jupiter

This aspect is extremely powerful in your horoscope; every

action you take will be coloured by this energy. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - DRIVES: Ebullience

You are a person with considerable optimism and energy, and your generally dynamic nature and positive attitude to the future will most probably bring expansion and success in your professional life. You are endowed with great courage and enjoy a challenge, so you would thrive in employment which gave you the opportunity to expand your horizons and travel. There is something of the pioneer in you. As intellectual challenges are also important, you need mental stimulation and the opportunity to discuss issues and get important messages across. You can be very persuasive, but perhaps you also have a tendency to browbeat others. You have an almost religious zeal when it comes to convincing others about what is right and what is wrong. You may even see yourself as a fighter for justice, and whereas this ability to fight for a cause can be very useful under some circumstances, it can also lead to tiring conflicts and disagreements with superiors. Obviously, a job which utilises your energy, enthusiasms and deep convictions would be the best channel for your ebullient energy.

PERSONAL - DRIVES: Ebullience

You may well be an exciting person to be with because of your sharp intellect, optimistic nature and sense of fun. If you are a man, you will enjoy the company of your own sex, and be engaged in many activities, perhaps connected with sport or travel. You can excel in mental sparring contests and the thrill of debate. However there may be a tendency to pontificate, or generally make your opinions known in a rather dominating manner. Knowledge and understanding are strong motivating factors for you, so you like to sharpen your mind with discussion and involve yourself in cultural interests.

Women with this aspect are attracted to intelligent men, and often have attachments to foreigners. The most important motivation factor when choosing a man is his ability to expand her mental horizons - either through religious, political, philosophical or cultural interests. An intellectual watershed arises in the relationship, where the man is no longer able to satisfy the intellectual hunger of the woman. How this issue is dealt with is critical for the success of the relationship. The most important thing for both sexes is to take personal responsibility for ensuring constant intellectual or philosophical expansion and personal growth. Relationships would improve dramatically,

if you were able to admit that sometimes you are wrong.

Jupiter transiting Square Mars

15-12-2018 -> 12-01-2019

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - DRIVES: Burning enthusiasm

It is important for you to harness the energy and enthusiasm which surges through your body at this time. The competitive edge is sharpened, and you have the courage and vision to enter the rough and tumble of the marketplace and meet whatever challenge that confronts you. You can overcome obstacles now and expand your sphere of action. This is not a time when you can be too interested in diplomatic niceties - you want to get things done, and in a hurry. There is a burning desire to achieve.

This is an excellent time for pioneering activities and expansion abroad. It is also a good time for throwing yourself into hard physical work. There is an inclination to get into confrontations now, and it is not helped by your desire to impose your beliefs and convictions on others. You may try to bully your way through. Although it is favourable to act on your convictions regarding what is right and what is wrong, it pays to gain insight first and cultivate greater tolerance.

PERSONAL - DRIVES: Burning enthusiasm

This is the time to be intoxicated by a new decisiveness and a willingness to invest your energy into getting what you want. There is a refinement of the sense of purpose and the meaning of taking action. This lust for life can manifest as an expanding of your horizons through travel, taking on new intellectual challenges, getting into your body through exercise and training - and sexual exploits. There is a sharp increase in erotic drives at this time, and men will become increasingly aware of a need to prove themselves and their masculinity. This can manifest as the desire to woo and win the affections and body of a suitable quarry.

Women too become increasingly aware of sexual needs and the power of attraction to the opposite sex. There is a willingness to take the initiative in these matters. However it is actually the need to be stimulated intellectually that is paramount for women as far as attractions are concerned at this time. A relationship is also seen as a means to expand personal horizons and learn more about men and life in general. Indeed this period has most significance as regards insight into the body - and this includes greater

consciousness concerning health, and the muscular system, as well as personal sexuality.

Neptune transiting Opposition Mars

01-01-2017 -> 30-12-2018

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - DRIVES: Path through confusion

You will probably experience a lot of confusion as regards your goals right now. It can be extremely difficult for you to define exactly what it is you want to do, and even if you know, it can be difficult to know how to do it. This confusion will be felt as an inner dissatisfaction - at least you know what you don't want to do! Using this feeling to guide you, strive to attain your ideals and work only on those things which really interest and inspire you. This is an excellent period for idealistic work, both as far as social, creative and spiritual issues are concerned.

In your dealings with others you need to take great care. There is an air of decadence or dissolution about the people you meet at this time - particularly men. Alcohol and drugs can play a particularly negative role, and it is best to avoid stimulants as far as possible. You are very vulnerable to being cheated or led astray now - your moral fibre is being tested. There is a tendency to go behind people's backs, or to feel that others go behind your back. Keep on the straight and narrow path if you wish to avoid swampy ground.

PERSONAL - DRIVES: Path through confusion

This is a time when the will to achieve, and the ability to take an initiative seems to be undermined. You don't like what you have, but don't know what you want. By refining your motives and actions, and tuning in to spiritual or creative needs, you can acquire new talents. Women at this time are disposed towards very curious experiences with men. There can be attractions to inspiring, musical or artistic men who later turn out to be frauds or disappointing in some way. Rather shady affairs can arise, as the woman seeks to recapture some of the magic she expects from love and sexuality. This is a projection process by which the woman seeks in the man creative and magical qualities she should be developing in herself.

Men of weak character - particularly those who are easily seduced by their desires - tend to make a mess of relationships at these times through infidelity. Sexual satisfaction is found to be illusory however. It is beneficial to develop a better contact with the body now, perhaps

channelling the invisible energies in the environment through Tai Chi, yoga, dance, swimming or similar activities. A new-found awareness of the body can give greater sexual satisfaction at this time. The power of the imagination and of film, music, wine etc. as sexual stimulants may be discovered. Take time off work to develop your creativity.

Wisdom

Jupiter In Virgo

PROFESSIONAL - WISDOM: Master the details

The concept of service may be an important principle for you, and you are motivated to work hard and very conscientiously, without insisting on personal recognition. Professionally you have administrative talents, and a capacity for grasping a vast amount of detail, whilst still seeing the major issues. To achieve success you need to be specific about the details in your life, without losing the overall view of where you are going. By writing your goals down, specifying precisely what you want, and by replacing a tendency to worry with a policy of only cultivating positive thoughts, you can create fertile conditions for prosperity. A major talent is your ability to delegate and get working relationships to function smoothly, without demanding personal glory. To derive the optimum from your working life it is important to avoid being bureaucratic.

PERSONAL - WISDOM: Master the details

At the time of your birth there was a collective theme concerning national health issues, international rescue and aid actions, refugees, and employment conditions. You too will be motivated by the desire and ability to be of help to other people, so in personal relationships you are often on hand to share the burden. You may be overhelpful however, and this can mean you simply get submerged in duties. There is also a strong perfectionism, which can mean that you get bogged down in specific tasks. You may have a particularly gifted insight into matters of health and healing, perhaps because of your own sensitivity in this area. Awareness and understanding of environmental influences on health and well-being will contribute to this insight, and you may have strong opinions about how to rectify faults in these areas.

Jupiter In 12th House

PROFESSIONAL - WISDOM: Spiritual ballast

As you are person with a deep faith and many spiritual and psychological resources you can be of great help to people professionally through giving assurance, advice and

support. People can be helped by your faith and ability to have a positive view in a difficult situation. You can work in a large organisation, especially if connected with humanitarian ventures, or with the general well-being of the population - for example with hospitals, welfare institutions etc. You are helped in your work by a deep belief in the qualities of mercy and the importance of service to humanity. You have a keen knowledge of the levelling nature of personal misfortune and the transience of worldly benefits.

PERSONAL - WISDOM: Spiritual ballast

Some of the most rewarding experiences in your life come from the spiritual or creative insights that you are blessed with from time to time. For you the inner world of the imagination is richly populated with beneficent influences. It is obvious to you that faith can move mountains, and you can receive great benefits by drawing on your capacity to use this knowledge. Mobilisation of your capacity for positive thinking can bring you success, but your personal values are more spiritual than material. Perhaps you already have a strong religious faith, perhaps you are still on a spiritual journey to find meaning in life. The teachings you receive will enable you to greatly enrich the lives of others who are in spiritual distress. Care must be taken, however, to ensure that you do not foist your own opinions and convictions on others.

Jupiter transiting Square Jupiter

11-12-2018 -> 07-01-2019

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - WISDOM: Development of insight

As Jupiter represents areas of your life in which hopes and visions for the future are paramount, as well as the need to gain understanding and meaning, you can expect an increase of awareness and activities in these areas now. If you are motivated by the need for expansion and growth, then you can expect advances. There is increased focus on your ability to act on moral values and pursue your convictions concerning society. This is the time to refine your judgement and manifest your capacity to guide and counsel others. If you have a tendency to overestimate yourself, indulge moral weaknesses or to make premature judgements, then you will be confronted with this side of your character now. If self-discipline and a natural carefulness is a part of your nature however, you can take advantage of opportunities to expand.

PERSONAL - WISDOM: Development of insight

Jupiter takes 12 years to go around the Sun, so it will return to its own position at the ages of 12, 24, 36 etc., and activate itself by major aspect every 2 years. During these phases of your life you can increase your insight and understanding, and plug in to that most essential part of your life which gives you a sense of purpose and meaning. It is at these times that you can rediscover your joy in existence and faith in the future. This in turn will enable you to be fertile and grow. However if you are the type who is over-confident or immodest, then you will learn a lesson at this time. Your hopes and visions for the future should be within the bounds of possibility, and if you do not keep in touch with the ground under your feet, you lose out in the long run.

Neptune transiting Opposition Jupiter

01-01-2017 -> 12-02-2018

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - WISDOM: Foggy futures

You will find that your convictions and beliefs as regards your career get undermined at this time. Can you really rely on the principles you have stuck to hitherto? New factors arise will force you to change your judgements. It is a question of integrating new insights into your professional life. You have to look at your dreams for the future and decide what values can hold up in the long term in connection with your ideals and dreams. It is at this time that you can be wildly optimistic in connection with future visions - ensure that you can put these visions into practice. Your natural optimism may prove to be illusory. Legal matters can lead nowhere now, so extricate yourself from any complex litigation.

PERSONAL - WISDOM: Foggy futures

This is a very spiritual period for you, though you may experience a great degree of inner confusion. The principles and beliefs you have embraced in life will be challenged and undermined by uncomfortable new insights. You can gain a deep understanding of extremely subtle influences which shape human fate. If you have very fixed religious views, you will find that they no longer hold water. By integrating new visions and ideals you will truly enrich your life. It is a time of spiritual renewal. Let go of dogma and open yourself to experience. This is an excellent time for travels with a spiritual or artistic content.

Jupiter transiting Conjunction 2nd House

01-01-2017 -> 14-09-2017

PROFESSIONAL - WISDOM: The Universe will provide

You are generally fortunate in economic matters, and one of your greatest resources is your ability to expect the best of the future. Your capacity to have faith in the principle of abundance will be directly reflected in your material success. You are willing to spend money to make money, and many people can benefit from your generosity. You may have a talent for advising others on economic issues, especially as you have considerable financial foresight. You may earn money in connection with abroad. Financial security is a natural expectation for you. It is unlikely that there will be any anxiety as regards economic matters, but should there be, you are a fast learner and gain insight into major issues when in financial trouble.

PERSONAL - WISDOM: The Universe will provide

Unless other compelling factors prevent this, you will enjoy a very good standard of living. Paradoxically material luxuries will not be of primary importance for you, they just follow in the wake of your generous disposition. You place greater value on self-development and understanding than on material gain, and it is the resultant expertise which brings you rewards. You have remarkably strong moral values and convictions which will manifest in philosophical or political opinions which you stick to through thick and thin. You have a strong sense of ethics, and other factors in your horoscope will indicate whether this is expressed in a tolerant or moralising way.

Jupiter transiting Conjunction 3rd House

14-01-2018 -> 15-10-2018

PROFESSIONAL - WISDOM: Spread your opinions

You are probably a widely-travelled person - at least you have wide interests and constantly seek to expand your mental horizons. You have a natural wisdom and the talent to discern the main issues and true meaning behind everyday events. You have natural abilities as an advisor or teacher, particularly at higher levels of education. You could be a skilled negotiator, perhaps on an international level. Your unquenchable thirst for knowledge and understanding inclines you towards a profession in which you are asked to draw conclusions after studying a wide variety of material. You may be involved in the further education system.

PERSONAL - WISDOM: Spread your opinions

You experienced considerable mental stimulation as a child,

and a family member or teacher will have played an important role - perhaps as a mentor - encouraging you to learn and ask questions about life. Mental Ping-Pong at an early age will have evoked extremely strong mental convictions in you, making you a very persuasive person. You are probably knowledgeable and interesting to listen to, but you may be opinionated and dominating in an innocent kind of way. To be truly wise, one must also be receptive to other people's ideas. In relationships you respect intelligence and demand mental equality. You have little time for superficiality and are always seeking profundity. You find meaning in the small things in life.

Challenges

Saturn In Virgo

PROFESSIONAL - SELF-RELIANCE: Systems organisation Saturn was in this sign in the periods 1948-50 and 1978-80. This was a period of reconstruction, focus on labour relations and public health, and emphasis on the concept of service. Should you manifest this influence in your career you will be very hard-working and conscientious, and make enormous efforts to get your professional life on an even keel. You probably feel that organisation is not your strong side, yet as you get older you learn to systematise your time and effort until you become a skilled organiser with a fine sense of detail - though this can sometimes border on the pedantic. Your greatest professional challenges are concerned with integration with the work force and getting things to function on a practical level with colleagues.

PERSONAL - SELF-RELIANCE: Systems organisation You were born in a period where there was great focus on principles of efficiency, hygiene and being of service to others. Many of the challenges in your life are concerned with how to make yourself useful to society, without becoming a slave of the system. On one level there is a need to be accepted and integrated in your environment, but on the other hand it can be difficult for you to find your place. It is a question of being able to set limits for when to offer your help, and when to refuse it. If you are too service-minded you will feel misused, if not enough, you will feel isolated. It is difficult for you to feel that the efforts you make are good enough, and you will often spend a lot of time trying to improve things and make them more efficient. In other words you can develop considerable perfectionism, and whilst this will often bring good results, it also creates inertia and prevents progress.

Saturn In 1st House

PROFESSIONAL - SELF-RELIANCE: Develop self-esteem. You take a serious view of life - partly because you have had to overcome many challenges in the first 30 years of your life. As you work hard to overcome a naturally shyness and tendency to underestimate yourself and your abilities, success tends to come later in life. Nevertheless, being hard-working and persevering, you will attain a responsible professional position through sheer determination. You are ambitious, drive yourself hard and have a low expectation level. People see you as responsible with impressive self-discipline and drive. Once you overcome lack of self-confidence you will discover that you have considerable administrative ability and the power to wield authority.

PERSONAL - SELF-RELIANCE: Develop self-esteem. Difficult experiences connected with your family structure undermined your self-confidence as a child and have given you a rather negative picture of yourself. This lack of self-esteem will also have a tendency to dampen the spirits of those around you in your environment earlier in your life. Only when people get to know you and your self-deprecating humour, do they feel comfortable. The people you meet often feel that you rebuff them and misinterpret their good intentions. Experience has evoked in you a certain suspicion and scepticism, and you need plenty of time before you feel you can trust others. However, once you allow yourself to thaw, and let your barriers down, you can be a loyal and trustworthy friend and partner. By cultivating a positive attitude to yourself and your future, you can greatly speed up your personal development.

Saturn Sextile Uranus

It may be difficult for you to discern the influence of this combination of planetary energies, as it has only a mild effect in your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - SELF-RELIANCE: Structural renewal This rare combination of planets is part of a 46-year cycle, and the influence will affect everyone over a period of approximately a year. In so far as you channel this influence through your career you have the capacity to deal with large organisations and will often find yourself in the position of establishing a bridge from the old to the new. With one foot in tradition and the established values of collective experience, you will also have to deal with the necessity of

reform to adjust to a new future. Depending on which side of this equation you are on, there can be conflict with established authorities. Thus you will often be confronted by two separate and very different camps with very different viewpoints. You deal with social structures which have outlived their usefulness; perhaps a revolution is necessary to make room for the future. You can be skilled at finding ways of putting new technology to practical use. You can work in areas concerned with social reform.

PERSONAL - SELF-RELIANCE: Structural renewal

Your personal struggle is very much connected with when to release your attachment to the past and open yourself and your life to the necessity of change. Often you hang on to restrictive life-patterns too long, and when sudden change comes - as it invariably does - the edifice you have built up can disintegrate as you uncompromisingly embark on a completely new venture. You tread the tightrope between generations and have the capacity to bridge the gap between young and old. Sometimes you identify with the establishment, yet there will come decisive breaks as you violently strive to adjust to change. You have a role in society in which you should bear the banner of reform.

Jupiter transiting Square Saturn

22-03-2019 -> 01-12-2019

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - SELF-RELIANCE: Expanding the framework

It is at this time of your professional life that the urge for growth and expansion confronts the forces of inertia in your career, or in society. You get to appreciate the power the establishment has over your life at this time. You are challenged to examine how you limit yourself and your future through restrictive systems or a lack of vision and faith in your abilities. If you can find the balance between learning from past experience yet allowing a future vision to inspire you, you may expect solid and steady growth at this time. It is important to expand within a certain framework and to accept the limitations imposed by professional authorities. If you do this you will be an important cog in the development of your company, or culturally in society.

PERSONAL - SELF-RELIANCE: Expanding the framework

At this time of your life you have the opportunity to loosen some of the bonds that restrict you, and lighten the load which weighs you down. This is the time that you have to

adjust the awareness of what is necessary by becoming aware of the art of the possible. Restricting life patterns can be replaced or adjusted by exploring new avenues for the future. Inasmuch as you are hampered by a sense of insufficiency or inferiority as regards your abilities, you can gain renewed confidence and faith in yourself now by defining future goals and working hard to achieve them. You can build a lasting niche for yourself in society at this time by laying new foundations for the future.

Saturn transiting Square Saturn

23-01-2017 -> 17-12-2017

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - SELF-RELIANCE: Adjusting direction

As Saturn takes 29-30 years to orbit the Sun, it makes a major aspect to itself about every 5 years, and these are times when adjustments of direction and goals have to be made. At the age of 29 to 30 however, a major reorientation is necessary. You have to look carefully at what structures you have built up in your life and why. If you don't make changes now, when can you? Are your ambitions your own, or are you simply fulfilling the expectations of your parents or of authority figures in society?

It is essential to spend some time sensing what it is exactly you want for yourself in life. Cast aside all the unnecessary baggage which you have accumulated in your efforts to carve yourself a professional niche in society. Don't worry about personal status and ambition for the time being, and don't listen to people who tell you what they think is good for you. The older you get the more important it becomes not to waste time pursuing superficial career goals which will be of no benefit in the long run.

PERSONAL - SELF-RELIANCE: Adjusting direction

All phases of the 30 year Saturn cycle are important, although the ages 30, 44, and 52 are perhaps the most significant. These are times when you have a chance to review the passage of time and assess the unfolding of your life. Are you satisfied with the direction it is taking? If not, change it now. Change need not be radical, you just have to define what it is you truly want to spend time on. Remember your responsibility is first to yourself. The biggest gift you can give to others, is to show that you are satisfied with your own life.

It is important to weigh the balance between career and family commitments now. Do not be influenced by what

other people expect of you - only you can know what it is that you really need in life. The yardstick for decisions at this time is: Imagine you were on your death bed...what then, would you wish you had achieved in your life? The wrong decision now can mean years wasted on unfulfilling work.

Originality

Uranus In Scorpio

Uranus In 3rd House

PROFESSIONAL - ORIGINALITY: Break new mental ground

You have an number of unusual mental talents and interests. Being the type who learns things best by experimentation you don't do so well in a conventional learning environment. You have a low threshold for boredom, and your attention wanders. Yet you are inspired by new horizons and unconventional ideas, and as such you are suited to a career which requires a willingness to be inventive and explore - or perhaps a job connected with electronics, computers, the telephone or the media. Long-distance travel and mental contact with people from other cultures will probably appeal to you. There may a talent for exotic languages.

PERSONAL - ORIGINALITY: Break new mental ground

Unusual childhood circumstances were present connected with sibling relationships and your early education. There may have been a sudden interruption of your schooling, and perhaps a separation from a brother or sister. Events in this connection have a radical effect on your mental attitude. In communication you have many original and perhaps weird and provocative ideas. If you pay close attention to the way you communicate, you may find that you have a tendency to interrupt, or to go off at an angle when talking. There may be deep reasons for this connected with the desire to be listened to.

Jupiter transiting Conjunction Uranus

25-01-2018 -> 22-10-2018

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - ORIGINALITY: The future now

This is a time when insight and awareness of the future should be a force of inspiration and renewal in your professional life. Expect a dramatic increase in your

horizons - either through long-distant travel and contact with exotic lands or peoples, or through mind-expanding activities connected with consciousness growth. Progress in your career depends on your ability to think in completely new channels and harness modern methods - both as far as technology is concerned, but also concerning revolutionary methods. This is a time of exciting possibilities and great inventiveness. The urge to be free and uncommitted may well have to be given priority over personal ambitions now.

PERSONAL - ORIGINALITY: The future now

During this period of excitement and unpredictability, you have a strong desire to expand the boundaries of your consciousness. Contact with foreign lands and cultures can blow your mind, and experiences on untraditional training courses or with experimental groups can give you a new sense of destiny or insight into transcendent aspects of your life. This is a good time for astrology and New Age interests, and to meet people who share special interests. So experiment, take a few risks and loosen your bonds - you need to allow the unknown and unexpected to happen.

Transcendence

Neptune In Sagittarius

Neptune In 3rd House

PROFESSIONAL - TRANSCENDENCE: Develop intuitive knowledge

You have a great imagination and many visionary ideas. Your intellectual interests probably centre around mystical, artistic or musical subjects. Professionally this could express itself in a communication form connected with pictures, emotions or fantasy...for example in the advertising industry or connected with art in some way. In communication matters you are often disappointed that colleagues seem unable to grasp your ideas. Express yourself in a language they can understand. Concentration is not your strong side, so in educational matters you need to be inspired, otherwise you go off into a dream. You can captivate others with your visions and ideals.

PERSONAL - TRANSCENDENCE: Develop intuitive knowledge

It is unlikely that you thrived in school unless you had a connection with a teacher who you could idealise. Dry facts and information seem meaningless to you, so you direct your interests towards subjects that capture your imagination - especially if they have a spiritual side. You tend to express yourself rather vaguely, perhaps because

you don't like to be pinned down to any particular point of view, but the result is that you are often misunderstood, and this adds to your sense of isolation. When pressed you hide behind a smokescreen. In your relationships to brothers or sisters, there may be some peculiar unhappiness or loneliness which has a profound affect on your sense of what is meaningful in life.

Neptune Sextile Pluto

This aspect is extremely powerful in your horoscope; it will dominate many areas of your life. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - TRANSCENDENCE: Mass vision

These aspects are very rare and last a very long time. Indeed, as Pluto moves within the orbit of Neptune in the closing years of the 20th century, the present sextile aspect between the two planets lasts from 1940 to 2040 - one hundred years - so almost everyone has it! If you are able to manifest this influence on a personal and professional level (through powerful contacts in your own horoscope), it may be connected with a deep spirituality and creativity. There can be talent for dealing with the media and wide-ranging themes connected with the masses. Material issues will be less important for you than the realisation of a collective dream. There can be clairvoyant powers, and abilities connected with dreams, symbols and visualising. In industry there can be a talent for dealing with oil, the film industry or the transforming power of collective visions.

PERSONAL - TRANSCENDENCE: Mass vision

If you have this influence powerfully evoked by other factors in your horoscope, you will be deeply affected by spiritual issues, and constantly seeking to refine your consciousness. At these times you are likely to experience great personal disorientation and confusion, as old dreams and visions are replaced by new, deep psychological insights. Inner growth will have major priority in intimate relationships. During periods of your life you will undergo deep transformations in which your fantasy and imagination will play a powerful role. It is essential to learn to use your imagination in a positive way by learning about the power of the unconscious.

Jupiter transiting Conjunction Neptune

31-01-2019 -> 01-11-2019

Major changes will occur in the area of your life described

here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - TRANSCENDENCE: Balloons and bubbles

You will experience a tremendous stimulation of your imagination at this time, and this can be used to advantage if you can harness your fantasy to some creative work, especially in connection with music, imagery and the arts. If being realistic is an integral part of your career, take care. Your idealism and dreams peak at this time, and this can seriously affect your judgement. Your imagination can be gripped by great hopes, and you have a tendency to attach your hopes to a bubble which expands and expands until it bursts. Inspiration is OK, but make sure that you do not get carried away into a world of dreams. Listen to the voice of reason, and work in stages with verifiable goals.

PERSONAL - TRANSCENDENCE: Balloons and bubbles

If you are a dreamer, this is the time when your dreams take wing and carry you into surreal landscapes. If you do not want your hopes to be dashed, you must be aware of your limits and let yourself be guided by common sense. Great hopes will often turn out to be illusory, so don't let your imagination get out of control. However this is an excellent time for developing your imagination and your visualisation power. If you choose you can enrich your life with great spiritual insight, and gain a subtle knowledge about the nature of reality and the illusion of identity.

Transformation

Pluto In Libra

Pluto In 1st House

PROFESSIONAL - TRANSFORMATION: Trust the world

You have an intense nature and a subtle but powerful impact on your environment. Survival issues early in your life have evoked an ability for you to handle crisis situations and weigh up threatening influences around you.

This gives you the ability to work under stress, especially when dealing with powerful people. You, too, know how to administrate power, and you have an uncanny ability for seeing the weaknesses in others and exploiting them.

Your natural psychological talent, your x-ray eyes and hypnotic presence make you an imposing person to deal with. Very little can be concealed from you. Major crises in your late thirties can bring a transformation and change of professional direction which may draw you into the investigation of emotional issues.

PERSONAL - TRANSFORMATION: Trust the world

There will have been some trauma connected with your birth or early childhood which will have evoked in you a superhuman effort to survive. Your anxiety about being helpless in your environment paradoxically brings out in you an extremely dominating behaviour which alienates others. This manifests as a manipulative tendency in which you try to maintain control over the people around you. Whilst this is a self-protective reflex in you, it does not give others much of a chance to unfold. Your view of the world has to be transformed from seeing it as life-threatening to seeing it as supportive. When you have overcome your secret anxieties about being powerless and losing control, you will discover inner resources which can help you transform the lives of others in a positive way.

Jupiter transiting Conjunction Pluto

01-01-2017 -> 13-09-2017

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - TRANSFORMATION: Power play

During this period you will be initiated into the use of power and secrecy in the professional sphere. This may be because you discover hidden factors, corruption or power misuse behind some professional facade, or it may be because you learn to harness your own personal power or psychological insight in your career. Whatever the circumstances you may feel a certain anxiety because of circumstances seemingly beyond your control. Make sure you are on good terms with legal and financial authorities, or at least cover your tracks if you aren't!. Big money can be involved during this period, involving large gains or losses, so make sure you have the best financial advice.

PERSONAL - TRANSFORMATION: Power play

There is a leap in your awareness of the power of the unconscious to shape your life at this time. You may choose to develop your emotional insights by learning more about psychology in one way or another. If you have any hidden anxieties or phobias you can expect them to be more acute or to come to the surface now. Even though this may be disturbing, there is a unique opportunity to understand the secret mechanisms of your mind and to eliminate the negative effect of repressions. You can become the intrepid explorer of some very dark territory indeed.

Saturn transiting Square Pluto

10-03-2019 -> 26-01-2020

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - TRANSFORMATION: Bonds on power

This influence may not be felt very strongly, unless you have strong Scorpio traits. This is a period when you are confronted with power manifestations in society, and it can be necessary for you to summon up reserves of strength and determination to handle situations which seem beyond your control. Take care in your dealings with police, tax authorities or underworld characters, as you are liable to meet people and groups who are in a position to humiliate you. In professional matters you have to take a closer look at what goes on under the surface. Eliminate any corrupt elements, and look more closely at your motivation when asserting your power.

PERSONAL - TRANSFORMATION: Bonds on power

Though sometimes rather subtle, this influence can release powerful elements in your unconscious mind. If you are a victim of emotional states such as jealousy and paranoia, now is the time to make an effort to deal with them. Deep-rooted psychological complexes which manifest as obsessive behaviour will surface now and the more you try to repress them, the greater power they will have over you. A sure danger sign is if you start accusing other people of evil behaviour, or if you feel that you are being shadowed or persecuted. Inner demons manifest in outer events now, yet solutions are to be found within your own being. You can contact archetypal forces now, for example through shamanism.

Uranus transiting Opposition Pluto

01-01-2017 -> 13-04-2017

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - TRANSCENDENCE: Unpredictable power

This influence will pass most people by, unless they have strong Scorpio character traits. Generally this is experienced as forces completely outside one's control revealing hidden flaws or secret affairs in organisations. Powerful and secret forces in society can impinge on one's career in completely unpredictable ways now. This is a time of extremism and violent uncertainty, and allowances ought to be made as far

as plans are concerned. Threats received at this time can awaken deep anxieties. If you work with computers beware of viruses and other unpredictable events. This is a good time for harnessing technological forces to consolidate power.

PERSONAL - TRANSFORMATION: Unpredictable power
For those who are sensitive enough to feel this influence, they can expect a powerful awakening of unconscious forces. This can be a very disturbing event, as you may feel that you have little conscious control over the deep repressions that can well up to the surface and dominate your consciousness. This is a good time for group therapy and greater psychological awareness. There may be an interest in archetypal forces such as shamanism and occult forces, but great care has to be taken with such forces. Violent imagery can surface in dreams and in waking life, and perhaps this process should be seen as an inner spring cleaning in the manner of an electrical storm which clears the atmosphere.

Pluto transiting Square Pluto

15-02-2017 -> 31-12-2020

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - TRANSFORMATION: Evolutionary change

This influence - which arises in the late thirties - confronts you with the need to reorganise in connection with the evolution of whatever you are concerned with professionally. You have to examine in what areas you use or misuse power, and to what extent you feel dominated by forces beyond your control. In the power struggle that follows you have to harness all your survival urges. You will learn that the need to prevail in life sometimes necessitates actions which have dubious morality - but you cannot afford to be sentimental.

PERSONAL - TRANSFORMATION: Evolutionary change
During this period deep unconscious processes rise to the surface to be dealt with by your conscious mind. It is an excellent time for getting to the root of personal problems which have haunted you for the last 35 years. Deep psychological issues which have been banished from memory now resurface, and you should have the capacity and strength to restructure these forces so that they no longer control you on a subconscious level.

PROFESSIONAL - DESTINY: Down from the cross

During the course of your professional life the emphasis shifts from a passive role in which you subordinate your needs to those of others, to a more active concept, in which you seek to perfect and tune the skills you have. In your early years there is a tendency to rely on natural talent, because you lack the discipline to make tangible improvements. Later on you perfect your skills through training and hard work. You may often feel that you are striving to create order out of chaos, and that all your efforts to create a stable working environment can come to nothing through a shift of fate. Being able to relate to those you work closely with without tension, and learning to establish basic working rhythms are major life challenges for you. As time goes by you gain more security and confidence in your professional life.

PERSONAL - DESTINY: Down from the cross

You are born with considerable spiritual ballast and a strong sense of your place in the cosmos, though you may feel alone in the world. You have to struggle with a sense of isolation in your early years, and there may be an indefinable sense that circumstances are quite fluid around you; things can dissolve and nothing can be relied on. A strong desire to create order on all levels is born in you. This can mean greater attention to diet and the needs of your body, and considerable effort to establish a disciplined daily life. There is a shadow of sorrow that can pervade your mood, and it is essential that you reject feelings of martyrdom and passivity. There will undoubtedly have been major events in your early life which can give good cause for unhappiness, but work is often the best solution, as well as an attitude of acceptance for that which cannot be changed.

N.Node In 12th House, S.Node In 12th House

PROFESSIONAL - DESTINY: Discovering inner riches

You start life extremely attached to your work and eager to make a good impression. You are a perfectionist - even a workaholic - and you expect to be respected and admired for the efforts you make. You are keen to prove that you can make your contribution to society, but often you are disillusioned by the results. No matter how hard you work, or how useful you make yourself, there is a gnawing feeling inside you that this is not enough. Often there are strings

attached when you offer your services, and people will be unappreciative. True satisfaction comes when you give up frantic efforts to make a professional impression on others and turn within. When you do this you will discover an inner creativity which brings you joy. You are happier when you retire from the battlefield of employment and cultivate your own private interests.

PERSONAL - DESTINY: Discovering inner riches

In the early years of your life you are a busy person, with an inner conviction of the importance of being helpful and conscientious. Yet as you mature you feel a growing sense of inner dissatisfaction, as if something important is missing from your life which you cannot put your finger on. Actually you need to tune in to your inner life to become a whole person. The importance of work, both professionally and in the home, needs to be downgraded. You have to look after your spiritual life because this is where true growth comes for you. You need to have a place to withdraw to, so that you can commune with your inner feelings and creativity. The beauty of nature and the cosmos can be important to you, and you would have great benefit from meditation or other forms of spiritual interests.
