Birth Report

Dear Guilherme Pinto,

Thank you for ordering your Birth Horoscope MiniReport, which is sure to help you to understand the harmony between yourself and the universe and enable you to initiate the changes you want in life.

In designing this short reading, I have focused on what is especially unique to you. But - even more important - I have identified the most crucial influence on your immediate future and this will enable you to optimize good fortune in your life. Read on and prepare yourself for a great journey...

The strongest influence in your birth horoscope is "Mars Trine Saturn". This is both a great talent and a great challenge. Know yourself, and you will be able to optimize the talent and overcome the challenges.

How this influence affects your personal life:

As a child your spontaneity was probably hindered in some way, and there may have been difficulties with a father or brother connected with discipline and responsibility. Your upbringing may have been rather authoritarian, even to the point of physical violence. There may have been a strict moral code in the family. In later relationships you expect a lot of resistance, so you invest a lot of energy either in self-control, or in trying to impose your authority. Women with this aspect are often attracted to older men, who tend to become buried in their work. Often the relationship develops in such a way that the woman feels dominated - but this can be due to hidden unconscious needs to recreate the atmosphere of structure and discipline from childhood, and a refusal to discipline her own life. Men place a high priority on their professional life to the detriment of their emotional or sexual relations. A fear of being controlled can bring battles of will and severe confrontations. These problems resolve themselves with time, as you learn to relax and be kinder to yourself. Less work and more play and greater flexibility as regards behavioural rules leads to more rewarding relationships.

How this influence affects your professional life:

You are the workaholic type, and can during the course of your life develop an incredible self-discipline. You may have special talent for working in the building industry, or with mechanics and engineering, or in any field which requires will-power and hard physical work. On occasions however, you can be stricken with inertia, and find it very difficult to get started. You have a fear of failure and can feel particularly vulnerable in competitive situations with other men. Difficulties can arise with male authorities, as you are very sensitive to being dominated or ordered around. You have the will-power and ability to work for yourself, being particularly good at making long-term plans and strategies. To succeed professionally it would be to your advantage to work smarter rather than harder. You can end up using all your time on monotonous work precisely because you are so disciplined and persevering. It can pay for you to take a risk, even though you have a strong fear of failure. Try to be motivated by anticipation of future success rather than fear of past difficulties.

Now you know something about what makes you special, and something about what makes this period of your life special. However, this MiniReport has not taken into account two very important factors, which make a chart reading even more accurate. When you also supply your birth time and birthplace, the planets can be placed in context in your horoscope using the 12 houses. With this information you can obtain a really accurate description of your challenges and potentials regarding work, love, sexuality, attachment and a lot more. I'd love you to take advantage of this opportunity to get a full horoscope report of about 20+ pages delivered to your email.
