HOW TO READ YOUR ASTRO CALENDAR REPORT

The AstroCalendar report from World of Wisdom enables you to plan your moves for a period of three months and to perfect your timing in your love life, your relationships and your career. This report is based on the movement of the planets in this period in relation to your birth horoscope (which is shown as a full color wheel at the beginning of the report). Transits of all the planets - Sun, Moon, Mercury, Venus, Mars, Jupiter, Saturn, Uranus, Neptune and Pluto - are mapped, and the precise influence of these contact to your birth chart is described in a short and concise text.

However, it is not enough to read about an influence. What is important is to know how to act. There are times when it is crucial to take action, and times when it is wise to keep a low profile or remain passive. In relationships, sometimes you need to powerfully defend your position, at other times it helps to know when you may be on the wrong track. The AstroCalendar report helps you by imagining what kind of questions you might ask yourself as a result of the astrological influence. And providing answers.

What would happen for example, if the planet of love, Venus, came to conjoin Mars in your horoscope? The AstroCalendar report describes this influence in this way:

Love and Excitement: You are turned on today. Dance, romance and make love. Be assertive and forget the finer sensibilities for a while. Enjoy your desires.

It then goes on to suggest that you may ask the question: Is it OK to flirt? and the answer is clearly: If you don't flirt today, you'll never flirt. The suggestion of sex definitely spices up life, and today you should be thinking about how to be more alive..

By using a question and answer technique in the reports (there are three questions and three answers for each influence) you, the reader, have to really think about what you are feeling, and if you are in doubt, then the answers will enable you to follow what you unconsciously know is the right path. In this way you can use the report to plan ahead, avoiding days when negative trends decrease your chances of success, and making the most of days that are astrologically favorable for you.

Whilst this report shows trends that last from just one day to several months, it is important to also understand your personal birth chart in depth. If you have not already had one made, it is really worth ordering World of Wisdom's Birth Horoscope report. This describes your character in detail, both in relationships and in your career, and it also contains a more detailed description of long-term trends that are affecting your life in the years ahead. If you would like to learn more about your horoscope, a concise description of the planets, signs, aspects and houses is included at the end of this report.

Some things to remember when you read your report: Some things to remember when you read your report:

Your birthday: The program registers when the Sun returns to the exact place it was when you were born. In some cases this can happen on the day before or after your official birthday!

If you find there are days when there are no influences, this is because no planets activate your birth horoscope that day (although the Moon will).

The influence of the Sun, Mercury, Venus and Mars is very transient, whilst that of Jupiter, Saturn, Uranus, Neptune and Pluto can last many months. All the interpretations take this time element into consideration.

Retrograde movement: Occasionally the planets appear to stop and move backwards (owing to their relative movement in relation to that of the Earth). This can mean that the same influence will be shown more than once in the report.

Should I put my family first?

If you put your family first, you'd still be with Mom and Dad.

How should I balance my needs with the needs of those dependent on me?

Those close to you feel uncomfortable when you change, but they choose you because of who you are. Be true to yourself, and you'll never disappoint them.

05-11-2017

Transiting Venus challenges your Venus

That's the place to start.

Don't oversell yourself, or turn on the charm too high. You can pay too much for the privilege of feeling good.

How should I handle relationship issues today?

Yes, what a good idea! It's the distractions that make life fun, so drop what you are doing and take a trip with friends just for the hell of it.

Should I make time to discuss things with loved ones?

There's never been a better time. Say whatever has been on your mind that you've been holding back. Listen carefully to the response. Play ping pong and

have fun.

Transiting Venus challenges your Jupiter

COMPROMISED JUDGMENT: Appetites are strong, and this could prove costly. Though you're convinced your choices are right, it's doubtful your credit stretches this far.

Shall I spend lots of money today?

Your extravagance peaks today, whilst your judgment is swayed by sensory desire. Don't spend money on people and things that are not worth it.

08-11-2017

Transiting Sun challenges your Midheaven

AUTHENTICITY CONTRA DUTY: There are demands on your leadership qualities both professionally and in your domestic life. Don't let it go to your head.

How should I react to the demands of those in authority today?

You risk censure if you pit yourself against those in power. Assert your leadership without forcing others to lose face.

Should I insist on having things my way at home?

It's important for you to imprint your identity onto your domestic and family life. Try to do this without being arrogant or autocratic.

Should I strive for more recognition?

The need is certainly there. However, if you appear self-righteous or arrogant, you will evoke resistance. Assert yourself... humbly.

Transiting Mars positive your Sun

Can I expect opposition?

Attitude is everything. If you look like a winner, then the waters will miraculously part to let you through.

09-11-2017

Transiting Venus challenges your Ascendant

ROMANCE WITHOUT BALANCE: You may have a roving eye today. It's not always that love leads to relationship, and what's the harm in that... enjoy people.

Can I expect benefits from partnership right now?

A loved one adopts a higher profile in your life, bringing love and care. Take time off to appreciate those who introduce you to the good things in life.

How can I best sell myself?

Charm and friendliness smoothes the way, but only when it is authentic. On balance though, it's better to be soft today, than to be tough.

How can I cope with social demands?

Make compromises. Take time off to look after your social agenda, family demands or career connections, even if you would prefer to pursue your own agenda.

10-11-2017

Transiting Sun challenges your Pluto

POWER AND SURVIVAL: Irrevocable decisions are made today... it could be a question of survival. You are drawn to the forbidden as a moth is drawn to the flame.

Should I continue with a situation that has been draining me?

No, you should not. Even if it means pain and trauma, this is the time to make a conscious decision to eradicate those areas of your life that have outlived their usefulness.

Can I cope with the pressure on me right now?

You can. But decisions are necessary. Your survival abilities are called for, and that means being ruthless and unsentimental. After the darkness comes the light.

Shall I reveal the inner turmoil to others?

This is a good period for therapeutic contact, but you could disturb those close to you if you reveal all. A therapist can handle it, a loved one maybe can't.

Transiting Venus positive your Uranus

UNUSUAL ASSETS: People on the fringe bring inspiration. Spontaneous moves enhance romance.

It's your unique side that exerts an attractive influence.

Should I stay in, or go out?

Get out! Meet exciting people from the fringe of society. Have an adventure. Give yourself a healthy shock. Don't hesitate, just do it!

How can I keep my relationships healthy?

Give the other space, and give yourself space. Go out by yourself, or with friends. Loving is not the same as owning. It's all about equality and freedom right now.

What will others appreciate me most for today?

Show your truly original side. Don't worry for one moment what people may think of you. Do the things other people dare not and you will be loved for it.

11-11-2017

Transiting Sun positive your Saturn

WELL TIMED PLANS: Make important agreements today, and they will have a long-lasting effect. Self-discipline and determination now bring great results later.

Should I find short-term solutions, or take a long-term view?

Plan ahead. Think in terms of years. First of all prioritize what you need to achieve in your life, then move forward a step at a time.

What is the right attitude to setbacks now?

There are no problems... just challenges. Setbacks are valuable because they harden your resolve and force you to concentrate. This creates the foundations for a solid future.

Can I expect recognition now?

Be patient. Keep a low profile. Get yourself noticed by those in authority, but don't make demands. You need to prove yourself.

Transiting Sun positive your Mars

EXECUTIVE ACTION: Nothing can stop you getting what you want today. Use the full force of your personality to carve a path to your goal. You're a winner!

Has the time come to take action?

Don't hesitate a moment. Strike whilst the iron is hot. The force of your will sweeps all resistance aside.

How much consideration should I take for others?

Don't let nervous concern for others prevent you from going for what you need. Everybody loves a winner, but there is little time for losers.

Is patience a virtue?

Possibly, but not for you, and not now. Don't wait for others to take the lead. Seize the initiative and take a

leadership role.

13-11-2017

Transiting Mercury conjoins your Sun

YOU THINK, THEREFORE YOU ARE: You express yourself powerfully, but subjectively. It's good to sell yourself, but first you must know yourself.

How important is what I hear today?

Messengers drop by and give you crucial information, which helps you learn about and promote yourself. Keep your ears alert.

Do I have something important to say?

It's good to get your personal message across, but avoid getting led astray through useless gossip. Show your dignified side.

It's time to share your ideas. Make trips to meet important people, grab the phone or send those important emails. It's good to brainstorm.

Transiting Mars challenges your N.Node

DISTURBED RELATIONS: It's difficult to know how to proceed. You are distracted from your mission by other's demands. Actions must accord with your life goal.

How should I relate to inner feelings of anger and upset?

You will never be able to avoid aggression, as it is one of the driving forces in society. You too need to forcefully establish limits to what you can accept from others.

Am I right to feel frustration at the direction my life is taking?

Without provocation you may not feel like taking action. See this time as an opportunity to take dynamic action in the direction you want to go.

How does present disruption relate to the greater scheme of things?

When trouble turns up unexpectedly at this time, it relates to long-forgotten events from the past. Now is the time to resolve these through executive action.

15-11-2017

Transiting Mercury positive your N.Node

THE GRAND DESIGN: Meeting people is part of your development. Friends need your special input, so say what's on your mind. Messages come from across time.

Should I get out and about or stay at home?

Do whatever promotes your learning best. It is

however likely that chance encounters will bring you some much-needed information.

Should I vary my travel plans?

Maybe... you can discover a new route that bypasses old blockages. Entrust your fate to the ferryman, and you can end up emerging into an exciting new environment.

How can I best promote my intellectual development?

With respect for your educational roots, and those who have helped you, build a bridge to new fields of intellectual endeavor, new people, and new subjects that are more in tune with your future.

16-11-2017

Transiting Venus challenges your Moon

DOMESTIC CHORES, ROMANTIC DREAMS: It's difficult to be a mother and a movie star. Romantic needs rarely accord with home duties. Today you make a choice.

Shall I express my true feelings to those I love?

You may try to, but you end up gushing platitudes. Your efforts to show love reveal dependency. If you need mothering, call your parents.

How can I reconcile romantic needs with domestic duties?

Take a break from domestic demands today. Arrange seduction over dinner. Get rid of the apron, and put on your most irresistible clothes.

Are there any risks in investing money today?

Unconscious issues color your judgment. There is a negative focus on security. It is probably not the best time to spend on family or property.

18-11-2017

Transiting Mercury conjoins your Mercury

MENTAL INVIGORATION: You've gone full circle, now it's time to find new avenues to travel. Focus your mind on future development of communication skills.

What's the best attitude towards studies?

Make sure previous studies are rounded off and put behind you. Start investigating how you can improve your skills by embarking on new mental challenges.

How can I best develop my talents?

Spend today meditating on what mental qualities define you. Tune in to what's unique about you. Think of the year ahead, and how best to get your message across in that period.

How important is the way I communicate?

Contact or alienation is dependent on what you say.

Your communication habits are revealed to you now - the good and the bad. Resolve to be conscious of the power of the word.

Transiting Mercury positive your Neptune

EXPRESS THE INEXPRESSIBLE: Spiritual knowledge brings compassion. In sadness there is poetry. Feed your spirit through music, nature and sublime contact.

Is it OK to embroider the truth?

What is truth? If you can capture the imagination of others, and make their lives magic for a moment, then there is some justification in creating a special version of reality.

Shall I follow up on a genius idea?

Hold on. You can be convinced about almost anything today. If you hear a great idea, give yourself a few days to consider whether it is practical or not.

Where does wisdom lie?

'The truth that can be spoken is not the truth'. Beyond rational thought you can sense a greater truth. Who needs words when swimming with whales and dolphins?

Transiting Mars positive your Mercury

MAKE CONTACT: Ideas are buzzing and put you in motion. Make a short journey, mail or phone your connections. Communication initiatives smooth the path ahead.

Should I act on the ideas and messages I receive today?

Yes, immediate action is required. It could be a question of mobilizing people with similar ideas to get something done. It's time for a meeting.

Should I resist my restless urges?

No - it's best to get out and about. Travels and meetings galvanize you into action and inspire you for the future.

How much priority should I give what other people say?

Not a lot. Make up your own mind today, and persuade others if need be. Put your ideas on the agenda, and make sure they get adopted.

Transiting Mars conjoins your Neptune

QUESTIONABLE ACTS: Efforts run in to the sand. Actions may be prompted by delusion. You can conjure illusion today, but only selfless acts bring good results.

Should I trust my instincts on people I meet?

No! Your judgment is affected by your dreams. Men you meet can easily lead you astray. There can be a magic performance, but what can you do with

illusions?

How can I get more out of my sex life?

Fantasy is an integral part of seduction, whilst routine creates meaninglessness. Ultimately when two bodies meet, it is a communication of the soul.

How can I get the most fruitful results from my work?

Strive to achieve an ideal, especially if it is socially or spiritually motivated. Don't be bored by routine work - do something creative now, or take time off to simply enjoy life.

19-11-2017

Transiting Mercury positive your Pluto

SECRET PATHWAYS: Discover what is hidden within, and make sure it is expressed, even if taboos are broken. Investigate the dross and discover the gold.

Should I pursue an investigation?

Be like the hound on the trail of the fox. If you have got the scent, don't give up until you have unearthed the treasure. The key lies buried, but you will find it.

Where can I find the greatest insight today?

A short journey may help you uncover secrets, but the greatest secrets are found on the inner journey. Delve into your own roots - the greatest mystery lies in your own psychology.

Should I confront other with the truths I find?

It's crucial to avoid subjecting people to interrogation, or exhausting them with conspiracy theories. Indeed perhaps it is better not to divulge the information you have gathered.

Transiting Sun positive your Venus

GET POPULAR: People want to get to know you today, and with your charm, why not? Your judgment is at its best, and you surround yourself with those you love.

What role can diplomacy and charm play today?

It's important to win people's hearts first; then you can influence them. Don't be afraid to turn on the charm.

What are my chances in the romance department?

You are emanating your most attractive side today. Be yourself, be loving, be romantic. You ARE worth it.

STUMBLING BLOCKS: You have to learn from your

mistakes today. Self-confidence is low, and there is criticism. It's just a test of patience... take your time.

Shall I fight to get my ideas across?

No - regroup your forces and wait to fight another day. Today you just encounter a brick wall. If the odds are insuperable, just drop it. If they are not, then bide your time.

Should I bring up serious issues for discussion?

With a patient and determined attitude, this is a good day to deal with tough issues. Don't expect immediate progress, but don't give up either. Work hard at eliminating blockages.

How should I handle frustration and delay?

If you are traveling, take a good book. Expect everything to take twice as long. Delays sometimes mean that there is more time to do the things you have been neglecting.

20-11-2017

Transiting Venus challenges your Midheaven

CHARMS FAIL TO IMPRESS: Those who know you professionally want results not assurances. You are distracted by flattery and pleasures, but they lead nowhere.

How should I deal with professional distractions?

If they are of the romantic kind, you may wish to give in - there are other things in life besides ambition. There's always time for work, but love has the trump cards.

Should I follow my own agenda, or my boss's?

Your own agenda has more importance today, especially if it's concerned with personal relationships. Be diplomatic, but do your own thing.

Should I give family or career highest priority?

Put your ambitions on the back burner today, and enjoy the good things that take place at home. Go home early and prepare something nice for your loved ones.

Transiting Mercury challenges your Mars

INDISCRETE UTTERANCES: If you're aggressive you will awaken resistance. Expect to be provoked today, and keep cool. Say what's on your mind without being rude.

Should I clear the air by expressing my anger?

You'd be making a mistake. Words can also be weapons, and today you are likely to cause wounds. Express your thoughts rationally by all means, but don't attack others.

Should I try to compromise?

No, you should fight for your ideas, even if agreement

is not possible today. Bare your teeth, then people will realize you are not a pushover. But don't bite.

How shall I deal with exasperation and provocation?

If you can get through the day without blowing your cool at least once today, then give yourself a little reward. Keep aware, steer clear of trouble, and count to 10.

Transiting Mars positive your Pluto

SHOW YOUR STRENGTH: You find incredible reserves of energy. It's the removal of blockages. Eliminate bad habits. Take something old and completely transform it.

Should I be flexible, or should I be firm?

If flexible means letting others have their way, don't. Now's the time to assert your will and push through projects, even if it means a show of force.

How can I best express my erotic needs?

It's a day when you are connected to primeval urges. If you can transform desire into a love that binds the soul, then the deepest sexual transformation can occur.

Do I have the energy to survive current challenges?

Your strength is superhuman now. If you mobilize your willpower, there is nothing you cannot achieve. Take whatever steps necessary to remove blockages in your path.

22-11-2017

Transiting Venus challenges your Pluto

PEARLS BEFORE SWINE: How far will you go to avoid loss? Whether it's love or business, don't go over the line today. Set limits, and if necessary accept loss.

To what extent should I go to preserve a relationship?

No further. Don't beg or crawl, as this makes matters worse. It's the hidden psychological issues that bring you to the edge. But don't let your lover be your therapist.

Should I continue pumping resources into a project?

Do not throw good money after bad. Cut your losses if necessary and put loss-making ventures firmly behind you.

How can I deal with jealousy and fear of loss?

Therapists work wonders. Alternatively bring out the demons into the open. Talk about jealousy with your loved one, and it will wilt and die.

Transiting Venus positive your Saturn

REAL VALUE: It's the lasting commitment that brings steady growth. Invest in solid resources. Keep

expectations realistic. In business or love - slow success.

How can I make my career prosper?

You will be appreciated for your reliability and consistency. Don't ask for recognition - if you shoulder responsibility and organize efficiently, you will be rewarded.

How can I make an impression on my loved one?

Gifts that appreciate in value over the long-term will win you love. Make a commitment now, and you will find that it will last a long time.

How can I win appreciation from others?

First of all, be open to praise. Don't be cool or defensive. Modesty has its place, but make sure you don't hide your true feelings and needs behind it.

Transiting Sun positive your Jupiter

ATTRACT ATTENTION: This is your lucky day. Top people seek your advice. The whole world is your oyster. Rarely have you felt so wise! Nothing can go wrong.

Should I think local, or global?

Global. And if this means hopping on an airplane, then that's what you need to do.

How should I present my opinions?

With the full force of your personality. Opinions are only important if they have influence. Make sure yours have!

How should I handle resistance today?

Be tolerant and generous. People are motivated by the carrot far more than the stick today.

23-11-2017

Transiting Venus positive your Mars

SEDUCTIVE CHARMS: Choose the path of least resistance. Use love to get what you want. Your capacity to woo the opposite sex peaks now. Boy meets girl, and...

What should I channel my energy into today?

In personal relationships, aim for seduction. Enjoy your desires. In business seek benefits from partnership.

How forceful should I be?

You'll get much further with gentleness and charm, than you will with aggression. Listen to those who come with the olive branch. Seek compromise.

How can I get the most out of a relationship?

Don't forget romance. Do something active, like dancing or working creatively together. Remember, lovemaking starts many hours before the act of sex.

24-11-2017

Transiting Sun positive your Ascendant

INTO THE LIMELIGHT: Show people who you are and what you intend to do. You can light the way for others. Don't hesitate to project yourself. Expect recognition.

How much priority should I give partnership?

What's good for you today is good for your partner. Whatever you want to reach, partners will be motivated to help you reach it.

How can I make progress on the road ahead?

The important factors are: friends and those with influence, training and educational skills, and being able to sell yourself. Believe in yourself.

Can I make it alone?

Maintain your independence, but be open to advice from mentor figures. People are only too willing to help you on your way.

Should I act on my feelings?

Not today. Tuning in and meditating brings insights, but actions are colored by confusion or wishful thinking.

How should I relate to my inner moods?

Tune in, turn on, drop out. Don't be fooled by material concerns and other personal attachments... they do not give life meaning. Let go.

Can I expect some recognition?

The only recognition comes from within. Life is impermanent; all things dissolve in time. Refine your dreams, but keep them to yourself.

Life and love is transitory but we are all in the same boat. Indulging feelings of sadness about this can be habit-forming. Compassionate acts neutralize sadness.

Be patient. Keep a low profile. Get yourself noticed by those in authority, but don't make demands. You need to prove yourself.

Transiting Venus positive your Saturn

As hard as you try, you are unlikely to succeed with diplomacy. You may try shock tactics, but this just brings disruption. Perhaps it's better to go off alone, and experiment with something different.

Will travels and communication run smooth today?

It is very unlikely. Disruption happens when you least expect it. Perhaps this is what happens when you rely too much on technology. Take things as they come without expectation.

Why am I misunderstood?

Ask yourself rather whether you have made any effort to attune yourself to the thinking of others. If you can't enroll others, then your ideas will come to nothing.

A loved one adopts a higher profile in your life, bringing love and care. Take time off to appreciate those who introduce you to the good things in life.

you off the path. There are those who stand for progress, and those who represent the way of the past.

What characterizes contacts with others today?

There are a number of significant meetings, and they can force you to ask questions about where you are going and what you are thinking. Follow the signposts to the future.

What is the significance of messages from the past?

In order to proceed, it may be necessary for you to re-familiarize yourself with someone or something from your past. This can be both of educational and spiritual merit.

What criteria should I use for mental progress?

Sufi mystics are more fascinated by what they don't know or understand, than what they do. In your search for knowledge, investigate the unfamiliar rather than the familiar.

Are we made for each other?

Your bodies certainly are, and you should check that out. After the heat of passion, who knows? You can certainly expect offspring.

Education is the key to career success, so make sure you avail yourself of opportunities for

self-improvement, such as business courses.

AUTHENTICITY OR COMPROMISE: The focus is on you, but family and career needs are paramount. Your country needs you! But don't blow it by being selfish.

How do I reconcile worldly demands with my need for personal growth?

It's a question of balance. You'll never get away from life's commitments, invest your prestige in doing your best, and personal growth comes automatically.

What if my aims create tension in partnership?

You have to be true to yourself. Those who really value you, value you for who you are. Partners must adjust to what's important for you right now.

A good question! As a general rule, yes, but today it could be wise to conceal your thoughts. Maybe it's best to tell some white lies. Protect your dreams.

Should I do administrative or creative work?

How should I react if plans grind to a halt?

Just study them carefully for flaws. Adjust and adapt. This is just a change of course, not a brick wall. Break large projects down into smaller, and make a plan to handle each of them.

Transiting Venus challenges your Moon

Shall I express my true feelings to those I love?

You may try to, but you end up gushing platitudes. Your efforts to show love reveal dependency. If you need mothering, call your parents.

How can I reconcile romantic needs with domestic duties?
