## HOW TO READ YOUR ASTRO CALENDAR REPORT

The AstroCalendar report from World of Wisdom enables you to plan your moves for a period of three months and to perfect your timing in your love life, your relationships and your career. This report is based on the movement of the planets in this period in relation to your birth horoscope (which is shown as a full color wheel at the beginning of the report). Transits of all the planets - Sun, Moon, Mercury, Venus, Mars, Jupiter, Saturn, Uranus, Neptune and Pluto - are mapped, and the precise influence of these contact to your birth chart is described in a short and concise text.

However, it is not enough to read about an influence. What is important is to know how to act. There are times when it is crucial to take action, and times when it is wise to keep a low profile or remain passive. In relationships, sometimes you need to powerfully defend your position, at other times it helps to know when you may be on the wrong track. The AstroCalendar report helps you by imagining what kind of questions you might ask yourself as a result of the astrological influence. And providing answers.

What would happen for example, if the planet of love, Venus, came to conjoin Mars in your horoscope? The AstroCalendar report describes this influence in this way:

Love and Excitement: You are turned on today. Dance, romance and make love. Be assertive and forget the finer sensibilities for a while. Enjoy your desires.

It then goes on to suggest that you may ask the question: Is it OK to flirt? and the answer is clearly: If you don't flirt today, you'll never flirt. The suggestion of sex definitely spices up life, and today you should be thinking about how to be more alive..

By using a question and answer technique in the reports (there are three questions and three answers for each influence) you, the reader, have to really think about what you are feeling, and if you are in doubt, then the answers will enable you to follow what you unconsciously know is the right path. In this way you can use the report to plan ahead, avoiding days when negative trends decrease your chances of success, and making the most of days that are astrologically favorable for you.

Whilst this report shows trends that last from just one day to several months, it is important to also understand your personal birth chart in depth. If you have not already had one made, it is really worth ordering World of Wisdom's Birth Horoscope report. This describes your character in detail, both in relationships and in your career, and it also contains a more detailed description of long-term trends that are affecting your life in the years ahead. If you would like to learn more about your horoscope, a concise description of the planets, signs, aspects and houses is included at the end of this report.

Some things to remember when you read your report: Some things to remember when you read your report:

Your birthday: The program registers when the Sun returns to the exact place it was when you were born. In some cases this can happen on the day before or after your official birthday!

If you find there are days when there are no influences, this is because no planets activate your birth horoscope that day (although the Moon will).

The influence of the Sun, Mercury, Venus and Mars is very transient, whilst that of Jupiter, Saturn, Uranus, Neptune and Pluto can last many months. All the interpretations take this time element into consideration.

Retrograde movement: Occasionally the planets appear to stop and move backwards (owing to their relative movement in relation to that of the Earth). This can mean that the same influence will be shown more than once in the report.

GOADED TO ACTION: You'd like to prioritize your own plans, but career and family or partnership issues put the ball firmly in the hands of others.

Not today. People want to see facts and figures. Make a plan, a budget or a list, and you'll soon have those in authority eating out of your hand.

How should I react if plans grind to a halt?

Just study them carefully for flaws. Adjust and adapt. This is just a change of course, not a brick wall. Break large projects down into smaller, and make a plan to handle each of them.

Should I trust what I hear?

It's a good day for business and other plans, but don't trust blindly. Give yourself plenty of time to consider proposals, ask advice, then you'll be ready to make a commitment.

*Transiting Venus challenges your Venus*

LOVE AND MONEY ISSUES: Finance or romance - that's where the focus is. Try to avoid the old mistakes, but make sure you capitalize on your successes.

How can I improve my sense of self-worth?

Outer worth is reflected by the money you earn, the things you own and the people you associate with. But self-worth comes from an inner feeling of satisfaction. That's the place to start.

When your survival is at stake, you have no choice but to fight to the death. But measure your energy carefully - you can overreact and cause irreparable harm.

What sexual undercurrents affect me now?

Desire can obsess you. The strongest sexual instincts prevail. Use this opportunity to reach heights of intimacy never reached before. Seek to share your soul rather than control your loved one.

How should I deal with threats?

AUTHENTICITY OR COMPROMISE: The focus is on you, but family and career needs are paramount. Your country needs you! But don't blow it by being selfish.

How do I reconcile worldly demands with my need for personal growth?

It's a question of balance. You'll never get away from life's commitments, invest your prestige in doing your best, and personal growth comes automatically.

What if my aims create tension in partnership?

You have to be true to yourself. Those who really value you, value you for who you are. Partners must adjust to what's important for you right now.

How should I handle important meetings today?

You'll need to assert yourself without being dominating. There is a tendency to project the full force of your personality. This may work if combined with charm and nobility.

## 08-02-2018

*Transiting Mercury conjoins your Uranus*

INNOVATING: Excitement and genius. There are exotic contacts today, and you come up with extraordinary - some might say crazy - ideas. Turn on and tune in.

Should I say just what I like today?

You may find it hard to resist... but you could alienate others. If you babble on you will try people's patience. Address your ideas only to those who can follow them.

Should I be spontaneous or careful?

Spontaneous. A sudden trip, phone call or message can mean a change of plan. Be open - this is your

chance to do something different.

What's the best angle to take on unexpected news?

Without the unexpected, life would be boring. When changes come, it jogs you out of a rut. You must seek excitement, or the unpredictable will seek you.

*Transiting Sun positive your Venus*

GET POPULAR: People want to get to know you today, and with your charm, why not? Your judgment is at its best, and you surround yourself with those you love.

What role can diplomacy and charm play today?

It's important to win people's hearts first; then you can influence them. Don't be afraid to turn on the charm.

What are my chances in the romance department?

You are emanating your most attractive side today. Be yourself, be loving, be romantic. You ARE worth it.

Is it wise to spend some money today?

Be generous - both to yourself and to loved ones. If money is in short supply, then shower affection on those you hold dear.

## 09-02-2018

*Transiting Venus positive your Saturn*

REAL VALUE: It's the lasting commitment that brings steady growth. Invest in solid resources. Keep expectations realistic. In business or love - slow success.

How can I make my career prosper?

You will be appreciated for your reliability and consistency. Don't ask for recognition - if you shoulder responsibility and organize efficiently, you will be rewarded.

How can I make an impression on my loved one?

Gifts that appreciate in value over the long-term will win you love. Make a commitment now, and you will find that it will last a long time.

How can I win appreciation from others?

First of all, be open to praise. Don't be cool or defensive. Modesty has its place, but make sure you don't hide your true feelings and needs behind it.

*Transiting Venus challenges your Mars*

EROTIC SPARKS: Woman meets man, but there is more tension than sweet music. Whilst sexual energy is high, the danger of relationship upset is also present.

Should I resist temptation?

Act in haste, repent at leisure. There could be troubles ahead if you succumb to seduction... but on the other

hand, you've got to enjoy life. It's your choice.

What is more important, love or sex?

Today it's about sex, but the opportunity to integrate the finer feelings is there, and should be taken.

Should I insist on getting my way, or should I compromise?

The challenge today is to curb your selfish impulsiveness and learn the fine arts of negotiation. Show a little grace.

*Transiting Pluto challenges your Venus*

TRANSFORMING RELATIONS: Your deepest bonds are subjected to scrutiny in this period. Those who do not pass the test do not survive. A new era of love comes.

Can I rescue a dying relationship?

No - it's very unlikely. When love is dead, it's painful for both parties if you hang on. Be honest and authentic. If your love is healthy, then make it healthier by transforming your erotic life.

What should I do about obsessive love?

You may be possessed by erotic and romantic attachment. This brings out depths you never knew existed, which is good, but could humiliate you, which is bad. Don't sell yourself cheap.

How can I reform my economy?

Eliminate debt, and don't incur more debt. Don't rescue failing enterprises by throwing more money at them. It's better to cut your losses now, than to get into the grip of money-lenders.

## 11-02-2018

*Transiting Venus challenges your Sun*

AUTHENTICITY CONTRA CHARM: Smiles and flattery can get you a long way, but there can be a sickly feeling if the charm is turned too high. Tastes conflict.

Who shall I be on guard against today?

Don't trust obsequious types. Those who flatter you today are thinking of their own gain.

Should I spend money on myself?

You're tempted, but the demons of vanity are strong. Your judgment is not at its best, and you are likely to spend too much on the wrong thing.

How can I make a good impression on others?

Don't try. At all costs avoid ingratiating yourself. Don't bring gifts that are not appreciated. Modesty and restraint create a favorable impression. Flirting falls flat.

*Transiting Mercury challenges your Ascendant*

THOUGHTS UPSET BALANCE: Perhaps you would enjoy a change of place or change in viewpoint, but this might require careful explanation in relation to others.

Should I get out and about, even if this means upsetting others' plans?

It's good to get out of a rut, even if this means discussions and disagreement. What is important is that you get out and seek mental stimulation.

Is it a day to travel or stay at home?

Just as long as you are active on the phone or through other means of communication, you don't need to travel. But it's a good idea to have a change of scenery.

Should the emphasis be on business or relationships?

It's good to touch base in family relationships right now, but otherwise business should take priority over your personal life.

What's the best way to win?

Make a move no one else has thought of. A surprise attack wins the day. Use the most modern methods.

Let technology be your ally.

Is it best to conform?

Not right now. Break out of your shackles and express what is unique in you. Surprise yourself and surprise others by acting out your unconventional side.

Where do the greatest opportunities lie?

Foreign influences should have highest priority. This could mean sudden long-distance travel. Don't be stuck in a rut, whatever you do, do something different.

*Transiting Venus challenges your Pluto*

**PEARLS BEFORE SWINE:** How far will you go to avoid loss? Whether it's love or business, don't go over the line today. Set limits, and if necessary accept loss.

To what extent should I go to preserve a relationship?

No further. Don't beg or crawl, as this makes matters worse. It's the hidden psychological issues that bring you to the edge. But don't let your lover be your therapist.

Should I continue pumping resources into a project?

Do not throw good money after bad. Cut your losses if necessary and put loss-making ventures firmly behind you.

How can I deal with jealousy and fear of loss?

Therapists work wonders. Alternatively bring out the demons into the open. Talk about jealousy with your loved one, and it will wilt and die.

*Transiting Sun positive your Saturn*

**WELL TIMED PLANS:** Make important agreements today, and they will have a long-lasting effect. Self-discipline and determination now bring great results later.

Should I find short-term solutions, or take a long-term view?

Plan ahead. Think in terms of years. First of all prioritize what you need to achieve in your life, then move forward a step at a time.

What is the right attitude to setbacks now?

There are no problems... just challenges. Setbacks are valuable because they harden your resolve and force you to concentrate. This creates the foundations for a solid future.

Can I expect recognition now?

Be patient. Keep a low profile. Get yourself noticed by those in authority, but don't make demands. You need to prove yourself.

*Transiting Sun challenges your Mars*

**ASSERTION OR CONFLICT:** If you are looking for

trouble, you'll get it. Don't pick a fight with someone in a more powerful position! Impulsiveness has a price.

Should I fight back or keep a low profile?

You have to put up a fight, but don't overreact. You may be wrong. Use conflict to analyze your motives and gain insight into what values you want to fight for.

Is it wise to have a passive approach to challenges?

No, this is an active and dynamic day. Channel aggression into action, and don't be afraid of asserting yourself, even if this means a certain element of conflict.

Peace is better than war, right?

Not necessarily. It's crucial to stand firm, and if attacked it helps to show your teeth. Cowardliness will not gain respect, courage will.

## 17-02-2018

### *Transiting Mercury positive your Saturn*

PLANS CLICK INTO PLACE: Express yourself briefly and concisely. Make schedules and deadlines. Seek the advice of those with more experience than yourself.

Can I sway others with my oratorical powers?

Not today. People want to see facts and figures. Make a plan, a budget or a list, and you'll soon have those in authority eating out of your hand.

How should I react if plans grind to a halt?

Just study them carefully for flaws. Adjust and adapt. This is just a change of course, not a brick wall. Break large projects down into smaller, and make a plan to handle each of them.

Should I trust what I hear?

It's a good day for business and other plans, but don't trust blindly. Give yourself plenty of time to consider proposals, ask advice, then you'll be ready to make a commitment.

What is the significance of messages from the past?

In order to proceed, it may be necessary for you to re-familiarize yourself with someone or something from your past. This can be both of educational and spiritual merit.

What criteria should I use for mental progress?

Sufi mystics are more fascinated by what they don't know or understand, than what they do. In your search for knowledge, investigate the unfamiliar rather than the familiar.

**INTERROGATION:** What you don't know disturbs you. You anxiously uncover secrets. It seems that harmful information is buried somewhere. Avoid obsessing.

You are accessing archetypal energy from within. Unless you harness it positively to uncover psychological issues, it will attach itself to, and channel itself through, your negativity.

Should I ignore difficult communication issues?

True love is found in Nature and amongst the divine. People are flawed. By all means allow yourself to be enchanted, but don't allow yourself to be fooled.

Can love make me happy?

Where there is love, there is the knowledge that it cannot last forever, which can bring despondency. The love associated with wisdom and compassion brings happiness.

What kind of work brings best results today?

Work with creativity and aesthetics, especially if this involves other people. Inspire them with your dreams and visions of a more ideal world.
