HOW TO READ YOUR PERSONAL HOROSCOPE REPORT

This horoscope is your personal cosmic fingerprint. No other person will have exactly the same combination of influences, unless they were born in the same second and exactly the same place as you were. With 10 planets, 12 signs of the zodiac and 12 houses there are approximately 1500 simple combinations in the horoscope, and when you add to that the different degrees and combinations between planets there are tens of thousands of influences which have to be weighed and juggled in any astrological interpretation. No computer programme can do this satisfactorily, but we do our best.

THE DIFFERENT SECTIONS

Reports from AstroWOW are designed to simplify the interpretation process for you. It indicates for example the relative strengths of different planetary influences so you can see what is most important. Furthermore this written report is divided up into sections on Identity, Emotions, Mentality, Love and Sexuality to eliminate apparent contradictions which arise in the character description. But the reader must bear in mind that contradictions will arise. People are complex and contain many contradictory traits. Diametrically opposed character descriptions will either reflect inner dilemmas or outer conflicts reflected in the behaviour of others.

PROFESSIONAL and PERSONAL PROFILE

The AstroWOW birth report can cover your personal character, your professional life or a combination of both, depending on your choice of report. The professional section addresses the questions: "What talents do I have?" and "How can I use this ability?" The personal section is concerned with relationships and hidden psychological causes, and addresses the question: "How can I improve myself in this area?"

PAST, PRESENT & FUTURE

Our reports can also integrate trends of the next year or two into the birth analysis, going beyond a static description of personal character and introducing a dynamic sense of what is happening for you here and now. The dynamic trends show the unfoldment of the horoscope through time. By analysing the current trends, it is therefore possible for you to gain insight into events just past, events happening at the present moment and trends into the future.

THE AUTHOR

This report is designed and written by Adrian Ross Duncan, former editor of the Astrological Association Journal, who has worked as a full time astrologer since 1985. Adrian is author of "Doing Time on Planet Earth" (Element Books 1990) and "Astrology: Transformation and Empowerment" (Red Wheel/Weiser 2002). His astrology software Horoscope Interpreter, Astrology for Lovers, and The Astrological Calendar are available from www.worldofwisdom.co.uk

It is our hope that the written report will give those who do not have the time to bury themselves in the study of astrology the opportunity of gaining insight into both their professional and personal life. If you wish to learn a little more about this report, you are encouraged to read the Introduction to Astrology at the end of the report, which describes the general influence of the 12 signs, the planets and the 12 houses

Life Path

Ascendant In Virgo

PROFESSIONAL - LIFE-PATH: Efficiency

Your professional life means a lot to you, and you work hard and conscientiously to become well-integrated in your whatever field of interest you choose. You are more concerned with efficiency and service than with getting personal recognition, and this makes you an asset in any working team. You labour industriously behind the scenes to make things function, and still find time to look after the needs of your colleagues. You have special abilities as regards service functions, organisation and analysis, and health matters, and are especially concerned about cleanliness and purity. You do however have a tendency to underestimate yourself, never being quite satisfied with your efforts - or for that matter the efforts of others. As you are strongly motivated to create order, you tend to focus on disorderliness in others. Learning to relax and be content with your efforts takes the pressure off you.

PERSONAL - LIFE-PATH: Efficiency

One of your better qualities is your self-deprecating nature. You are often willing to put others first and are generally quite content to take on a low-profile role, in which you concentrate on getting everyday life to function smoothly for all concerned. You are both critical and self-critical, and may often feel that life is hard work - a never-ending stream of tasks waiting to be done. In contrast your partners seem to let things just flow along in a disorganised, even lazy manner. This is of course a natural consequence of your own over-diligent manner, in which you tend to take on the duties of others. You can learn a lot from partners by being content with, and accepting, things as they are. It can be a great satisfaction for you to develop greater health consciousness during the course of your life, as you have natural abilities as regards nutrition and the influence of thoughts and emotions on physical health.

Ascendant Sextile Uranus

It may be difficult for you to discern the influence of this combination of planetary energies; it is weak and may be outweighed by stronger influences. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - LIFE PATH: Light of the future

You bring the spirit of renewal and innovation into whatever

projects you involve yourself with. You are strongly motivated by social visions, and are keen to instigate change. You may have some problems accepting the status quo, and this can lead to a certain alienation in society. You have a talent for dealing with New Age interests, technical matters or people from unusual environments.

PERSONAL - LIFE PATH: Light of the future

You can feel that your role in life is connected to future visions and the necessity for change in society. You add a dash of originality to the world, and people are either inspired or provoked by your rather unusual personal style. You shake up your surroundings and often use shock tactics to make an impression. You thrive in an atmosphere of excitement and unpredictability.

Ascendant Square Neptune

Though not especially strong, you will be able to feel the influence of this aspect under many circumstances. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - LIFE PATH: The spiritual path

You are rarely motivated by purely ambitious interests, and therefore you function best when engaged in a job in which you can invest your ideals and dreams. Ordinary goals can hardly satisfy your needs, which are more orientated towards feelings and sensitivity, or music and creativity. You need to feel moved by influences beyond the personal.

PERSONAL - LIFE PATH: The spiritual path

It is important for you to overcome a subtle feeling of dissatisfaction or sorrow in your life - both in connection with the direction your life takes, and in connection with partners. This involves finding a sense of meaning in your existence. Creative or spiritual interests, and the pursuit of inner purity, can bring much needed inner harmony. You are very impressionable and easily influenced by the vibrations of other people, so you need to indulge in periods of withdrawal.

Mercury In Virgo

PROFESSIONAL - MENTALITY: Create order

Few people possess your capacity to study and analyse information and present things in such an understandable and factual matter. You can develop considerable expertise in several different mental areas, and you will tend to cultivate a perfectionism in these areas. Your love of detail may mean that you get bogged down, and this can perhaps

prevent you implementing your ideas. You are strongly motivated to be of service to others. This can however mean that people will dump tasks on top of you, so it is essential for you to discriminate between what you really want to occupy your mind with, and to curb over-helpful tendencies. You function well in an administrative position, where you have to make concrete judgements about what is useful, and what isn't. Natural secretarial skills are a resource you derive benefit from.

PERSONAL - MENTALITY: Create order

You are something of a perfectionist and have a helpful - if somewhat critical - manner. You have an eye for details and it pains you to see something out of place or done inefficiently. As such you tend to involve yourself in many daily tasks, smoothing out the rough edges and getting things to function. You can exhaust yourself with having too much to do. You are businesslike in the way you express yourself, and you may have a rather chiding tone of voice. At best you are very supportive and a great helper, at worst you tend to undermine others with negative comments. Generally however, you prefer to keep a low profile, both as regards your opinions, and your many good deeds.

Mercury In 12th House

PROFESSIONAL - MENTALITY: Mental communion

You have some unusual mental abilities because you are able to harness your intuition and tune in to signals and ideas which other people are not sensitive to. You function best in situations where you can have a low profile mentally and operate behind the scenes with your ideas. You appreciate having the mental privacy to get on with your business without being disturbed. Being sensitive to mental pollution - the gossip, chattering or superficiality of others - you withdraw into the world of your own imagination. Here you can think up many ideas and projects which can bring professional success - particularly in connection with marketing, advertising or the media. You may also have artistic, creative or musical abilities.

PERSONAL - MENTALITY: Mental communion

The private world of your mind and your thoughts is very important for you. Perhaps as a child you were forced to retreat into your own fairytale world - at least now you can be quite happy with your own company. You are the type who keeps a private diary in which you commune with yourself. In partnership matters it is important that your loved one allows you to withdraw from time to time - but at the same time there will be a lot of misunderstandings - not to mention a growing isolation - if you do not take the trouble

to reveal a little of what goes on in your mind. You have a number of spiritual talents - your mental receptivity means that you can derive great benefits from walks alone in nature, and you may even be open to some form of spiritual communication. Poetry, music and art can also be wonderful areas of refuge to you.

Identity

Sun In Leo

PROFESSIONAL - IDENTITY: Develop self-appreciation

Building a strong sense of personal identity is the greatest priority in your life. You will seek to measure this by the respect or admiration you evoke in others, and by the evidence shown by the results of creative efforts. You have warm human qualities which under normal circumstances ensure that you are at the centre of events and at the focus of other people's attention. It is extremely important for you to feel respected professionally. Prestige and recognition are basic career needs, and with your natural leadership abilities you have the capacity to inspire others through your example. You have a natural affinity for things which exude quality, and you can set the style in your place of work. As long as you feel appreciated by others, you will function well professionally. It grates a little if you have to take orders from others, so you quickly gravitate to leadership positions.

PERSONAL - IDENTITY: Develop self-appreciation

Your relationship to your father has direct relation to your degree of self-confidence. Although you can be warm, gallant and charming, you have a strong need to dominate in partnerships and have a tendency to be attention-grabbing precisely because of insecurity in this area. You are romantic, and not averse to the occasional affair to give your ego the shine it needs. Great challenges in your life occur in connection with your sense of identity. In these periods of crisis you will tend to radically change your image. Your exaggerated sensitivity to the kind of impression you make on your loved one makes way, as you mature, for a stronger sense of self-security based on inner convictions. It is at these times that false pride and elitism bite the dust, and your natural nobility emerges.

Sun In 11th House

PROFESSIONAL - IDENTITY: Group consciousness

You have fine leadership qualities because you know how to integrate yourself into a group without dominating it. As a result people will automatically respect you because they do not feel threatened by you. You function best in a team. You

give the impression that the well-being of others is important to your heart - and it is. You have humanitarian instincts, believing in the power of consensus and group enterprise. Obviously these talents are best used through having some kind of social power: you can represent people, act as a spokesman or be a group leader of some sort. Over and above social and political interests, you may have some untraditional talents connected with mental development.

PERSONAL - IDENTITY: Group consciousness

Some of the most important personal developments for you come through your experiences in groups and with friends. Your social life is central. You set great store on being accepted and respected in the social scene, and you are in general a loyal and warm-hearted friend. Your social connections have such a high priority that they may affect the harmony of intimate relationships. Your partner may feel that you are avoiding emotional intimacy, but it would be wise to encourage you in your social interests, because you become a more whole person through contact with others. You have a fascination and talent for working in consciousness-raising groups, and benefit greatly from contact with untraditional people from international backgrounds.

Sun Trine Neptune

This aspect is extremely powerful in your horoscope, and will be a major feature of your character. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - IDENTITY: Find meaning in spirituality

On a professional level almost anything is possible for you - as long as you feel that what you do is meaningful. Whatever field you choose, your success will not satisfy you unless you work creatively or have altruistic goals. True satisfaction comes when you transcend material goals and personal ambition. You have high, and perhaps unattainable expectations of yourself...and often of others. You have an intuitive insight into others, and a natural creative talent, but you seem to have an unconscious drive to set up situations which guarantee disappointment or failure. You function best when there is an overall ideal that goes beyond your personal needs. There is a talent for working with visions and dreams, and areas of social concern.

PERSONAL - IDENTITY: Find meaning in spirituality

You are a sensitive and impressionable person with a strong need to be able to define who you are. You often feel that

your grasp on reality is not tangible. If life becomes boring or monotonous, this can strike at the very core of your identity. Women with this aspect put their men on a pedestal from which they rapidly fall. In your longing to find an ideal that does not dissolve like a mirage in front of you, you will constantly refine your nature. Your longing and dissatisfaction is the engine of spiritual change in your life. You find yourself by going within yourself. Meaning in life comes when you seek to attain idealistic goals and develop a collective vision which benefits others. You would definitely benefit from meditative practice.

Sun Sextile Pluto

You will often feel the influence of this aspect, though stronger influences may predominate in other areas of your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - IDENTITY: Transformation of identity

It is important for you to make a strong impression on people, and you invest a lot of energy in this - more than you are aware of. Much can be gained by toning down your personal energy. You are suited to positions requiring the use of power and psychological insight. Whatever you do, you like to be deeply - sometimes fanatically - involved. This may often lead to battles of will, and you tend to win, basically because you cannot contemplate personal defeat. More flexibility would actually benefit you and help you avoid tiring power games.

Personal power is a natural asset - as you will discover after a number of significant personal crises which lead to a revaluation of your role. These crises are centred around achievement at all costs, or fanatical attachment to a particular role which outlives its meaning for you. When you learn to tone down your sensitivity about self-esteem, and invest your considerable willpower into projects which really mean something to you, and to others, you can achieve success. You may have a talent for psychology or dealing with the powers of the unconscious.

PERSONAL - IDENTITY: Transformation of identity

Early personal experiences have made you sensitive about your identity, and anxious about self-esteem. However this means, paradoxically, that you often overwhelm others with your presence. Thus you tend to be a dominating figure in intimate relationships. You need a partner who is not superficial and who shares your intense approach to life. To achieve harmony here you should relax instead of asserting

yourself, otherwise relationships will become very exhausting. It is important to realise that power battles are related to inner fears about your identity. Women with this influence will often be attracted to a dominating man, only to find that he does not match her own strength which was acquiring through trying times in childhood. More intimacy can be achieved by daring to show vulnerability.

Jupiter transiting Square Sun

25-01-2018 -> 22-10-2018

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - IDENTITY: Creating your future

During this phase of rising self-confidence you can expect your plans for expansion to take off. You should be thinking positively about the future now, visualising how you would like things to be as vividly as possible. Your power to get what you want is at its highest, so start expounding your visions of a bright future. Remember: you get what you focus on, so focus on what you want.

It is favourable to expand into foreign countries; higher education, public relations and insight-enhancing projects will also bring success. Whatever you do, it is essential that it has depth and meaning for you. Don't waste important time on trivial matters - success is about the quality of life and making an impact with the essence of your own identity. If necessary take time off from work to build up a new vision for your future. If you have any legal problems, you will be confronted with them now so ensure that you are morally unassailable. And don't over-estimate yourself and your capacities. Make sure your plans are within the boundaries of reality.

PERSONAL - IDENTITY: Creating your future

During this phase of your life you will be given the opportunity to find a new sense of meaning in your existence. Bubbling up from within, you have the chance to release a new energy and enthusiasm based on a sense of your personal relevance to this planet. Travel abroad and contact with people you respect for their intellectual and spiritual capacities will now expand your world-view. Knowledge and understanding will enable you to build up a broader moral base with greater insight and tolerance.

This is a very favourable time for religious growth if you are so inclined, or philosophical and intellectual insight. In many ways the world opens to you and reveals its gifts and blessings for you to enjoy. Take care as you sample the

pleasures of this cornucopia and don't overestimate yourself - personal hubris will be punished and you may find yourself coming down to Earth with a bump.

Emotions

Moon In Cancer

PROFESSIONAL - EMOTIONS: Create a secure atmosphere

You are a super-sensitive person with a deep need to feel safe and secure. You form close bonds to the people you like, but you can take an instinctive dislike to some people. Generally however your instincts and professional intuition are very accurate. You have strong feelings and are a very caring person indeed, and this may be reflected by the kind of work you choose

You are a loyal and supportive friend and colleague as long as your security is not threatened. You are very attached to past gains; to get ahead it is important to let go of the past. You would thrive in a caring role, and in businesses connected with security and property. Family business may appeal to you.

PERSONAL - EMOTIONS: Create a secure atmosphere

Your deep feelings are a powerful driving force for you - many of your actions are motivated by a need to protect yourself and those closest to you. Family bonds - particularly to the mother, home and family - are of the utmost significance - and it is in the nature of things that you will experience a good deal of emotional pain as you mature and close bonds are broken. You can be very moody and this has a powerful effect on your emotional environment. Overcoming possessiveness based on dependence, and resisting the tendency to make others dependent on you through emotional manipulation and over-protectiveness, are essential stepping stones towards developing a greater inner self-sufficiency.

Moon In 10th House

PROFESSIONAL - EMOTIONS: A caring career.

Your career will involve you deeply emotionally and to some extent can be a "home from home". You make important emotional bonds to people you work with, and may find yourself playing a significant public role because you are very sensitive to the public's interests. You may also have a talent for dealing with products of the land or with housing. Your mood is strongly affected by the many ups and downs that you experience professionally. This professional sensitivity is an advantage when you cater for the needs of

society, nourishing people with your concern, but it could be wise to develop a certain emotional detachment, so that you feel less vulnerable. Your mother may play an important role in your career, and elder successful women will inspire and support you.

PERSONAL - EMOTIONS: A caring career.

Your mother had a profound effect on your personal development and you probably still look up to her, or see her often. She was most likely the dominant parent and will have influenced you strongly in your choice of career. A lot of your unconscious professional motivation is aimed at living up to her expectations. Later in your life partners will find themselves competing with either your job or your mother for your attention or your affection. But you have a strong sense of duty, and you may feel that your role is primarily to live up to family expectations. Having children really mobilises all your resources, and you will make a good parent, but true fulfilment will be found when you can manifest your caring energy beyond the limits of the family.

Moon Square Saturn

This aspect is extremely powerful in your horoscope; every action you take will be coloured by this energy. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - EMOTIONS: Self-sufficiency

You are a very responsible and dutiful person who is very motivated to live up to your commitments to society. You can work well in a role which requires hard work and a lot of responsibility, especially if this entails formal relations with the public in some way. You can function effectively as a buffer between the public and the authorities. You may have a special talent for working with old people, or with people who have emotional problems or very difficult life circumstances. You have a measured response to the people you meet and can evoke considerable respect from others, just as long as you do not allow yourself to be crippled by shyness. You can perform monotonous tasks patiently, and are good at systematising things and creating order. Professionally you are strongly motivated by job security and continuity at work. You are not very flexible, and tend to stick to long-term habits and work-patterns. On the other hand you are reliable and conscientious.

PERSONAL - EMOTIONS: Self-sufficiency

You are extremely sensitive emotionally, but present a very solid facade to the outer world, giving the impression that

you are quite cool, even invulnerable. Behind your formal manners is a person who was never fully allowed to enjoy a carefree childhood. At an early age you took responsibility in the family, repressing your own spontaneity and lowering your expectations because of emotional hurt. In later relationships you have difficulty letting down your protective barriers, even though you have a deep desire for intimacy. If you do get hurt emotionally you rarely let on, and you close the shutters on your feelings so that your loved one has no chance to make amends. After the age of 30 you learn more successful strategies for intimacy. First of all it is essential for you to be emotionally self-sufficient - if you sell yourself for security, you will end up in a prison. From a position of inner strength you can then allow yourself to be more trusting and vulnerable - you have nothing to lose and everything to gain by opening up emotionally without making any demands.

Moon Square Pluto

It may be difficult for you to discern the influence of this combination of planetary energies, as it has only a mild effect in your chart. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - EMOTIONS: Deep emotional involvement

You are strongly motivated on an unconscious level by a need for security - a need which is very difficult to fulfil. However when you turn outwards and concern yourself with others, you will discover a special talent for helping other people find security. This may manifest as social consciousness. You also have a talent for dealing with people in crisis, possessing an inborn psychological ability to transform how people feel. You are suited to work which requires a deep personal involvement combined with a certain power and distance. You have the power to investigate deep emotional states in other people, and this can be connected with psychology or the occult.

PERSONAL - EMOTIONS: Deep emotional involvement

You are a person who feels everything very deeply, although people who only know you superficially might not be aware of this. Your need to protect yourself emotionally comes from a number of disturbing childhood experiences which mean that you tend to play it cool in times of crisis. Problems arise in intimate relationships because you never let on how you really feel - if you had the courage to show your vulnerability, people would treat you better. You cling to

emotional bonds with great intensity, yet in times of crisis you can suddenly amputate your feelings and become ice-cold. It is unwise to deal with crises by giving ultimata. It is essential to overcome these destructive defence mechanisms, if you want to enjoy warm relationships.

Jupiter transiting Opposition Moon

11-02-2020 -> 05-11-2020

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - EMOTIONS: Expanding your base

This influence depends very much on how large a role safety and security play in your professional life. If safety is paramount, you will be wanting to expand the foundations of whatever represents security for you now. As this may well be property, you could wish to move into a larger home or business, and indeed it certainly pays to invest in land and buildings now. Providing that you can trust your instincts in these matters, then property acquisition or expansion is favoured.

For some people freedom and expansion of horizons will be more important than security. The urge to investigate foreign countries - their people and culture - can play an important role in your career now. Trust in your hunches - your intuitive powers are at their highest in this period, and you have the enthusiasm to take on any challenge. You may however find that your interests lie outside the professional sphere. This is a higher-charged period for you emotionally, so you will probably also want to expend your energies on domestic or family matters.

PERSONAL - EMOTIONS: Expanding your base

This is a period when your feelings and emotions exert a tremendous power in your life. Hopes and dreams about the future will be a driving force inspiring you to take action. Generally speaking you should have a degree of luck and good fortune in attaining your greatest dreams at this time. This is probably a natural consequence of the enthusiasm you invest in all matters. You can expect an expansion of your horizons and a deepening of your capacity to show feeling. You learn something of the mystery of life, and it gives a new meaning to your existence.

You can be strongly inspired by a future vision connected with domestic happiness, a home or children. There is, however, a tendency to go overboard. If you are hoping for the fulfilment of emotional dreams, so many opportunities can arise that you simply cannot make a choice.

Furthermore your emotional suggestibility is at its highest - you believe what you want to believe. Whatever the concrete results - if any - of this period, you will come into deep contact with your emotional power and gain rewarding new insights.

Saturn transiting Opposition Moon

08-02-2019 -> 03-01-2020

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - VALUES: Emotional self-sufficiency

Issues of economic and job security become very pressing at this time, and you will feel a strong drive to overcome any weaknesses in this area. You can however expect a lot of difficulties, especially if you indulge immature expectations, or rely too much on others. Childish behaviour gets you nowhere now, and if you do not have conscious control over your emotional reactions you can expect to be unpopular.

The atmosphere in your working environment may be rather heavy now - perhaps because of an elder woman who is trying to assert her authority. The more mature you are, the better you can handle trying situations. You have to know when to set limits, whilst still living up to your responsibilities. You can develop the self-discipline and patience to work with people in difficulty, if you choose to.

PERSONAL - EMOTIONS: Emotional self-sufficiency

During this challenging emotional period you will become more mature and self-sufficient. But this is not normally a happy time - partly because safety and security is no longer what it was. You have to spend time building more secure foundations for your life, and you cannot expect anyone else to be very supportive during this time. It is up to you to shoulder responsibilities uncomplainingly and with dignity.

Time can drag on now because you have to spend more time attending to everyday details and getting things to function on a practical level. On an inner level you are confronted with the need to change or control unconscious emotions and habits. It is no use allowing your temperament, your jealousy, your distance or your stubbornness to get in the way of a rewarding relationship. The time demands emotional self-improvement, so stop making excuses and start working on yourself.

You will often feel the influence of this aspect, though stronger influences may predominate in other areas of your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - DESTINY: Mind games

You are possessed of considerable mental talent and more than a touch of genius. It is difficult for you to know where you get your ideas - you are moved by distant memories and seem to be able to tap in to thought processes which have their roots in something universal. What you think, write and say can have a particular significance for your generation, because it touches a chord in them which they instinctively understand. When you work with communication in one form or another, you are close to fulfilling your destiny.

PERSONAL - DESTINY: Mind games

You can have a peculiarly deep mental contact with certain people during the course of your life, and you may feel a particular bond - or perhaps an emptiness - concerned with a brother or sister or some lost connection. You will often find yourself mentally clutching at elusive ideas or memories - searching for words and meaning to describe inner sensations. At times you are gripped by fantastic ideas which seem to have a significance beyond your own identity, though you may be at a loss to communicate your ideas. You might be inspired to keep a diary or commentary on past events in your life, but perhaps your future requires throwing out the mementoes which clutter your past.

PROFESSIONAL - MENTALITY: Expanding contact

The effect of this influence depends very much on how you employ your mental talents in your profession. This is the time you should invest in your mental abilities. Knowledge is power, so it could pay for you to go on courses, meet people

and expand your sphere of influence. You can expect an increase in the time you spend travelling now, so try to streamline this area of your life. You should be doing more to enlarge your network of contacts, so make sure you are available through telephone, fax or computer. You will talk more, travel more and write more.

If you have any dreams as regards writing or getting some message across to the public, now is the time to go for it, as there is a strong disposition for success in these matters. This is generally a great time for wheeling and dealing, doing business and capitalising on contacts at home and abroad. Nevertheless you can talk too much and be too intellectually pushy. Take time to listen to the opinions and advice of others - you can make misjudgements if you don't.

PERSONAL - MENTALITY: Expanding contact

This is a period of expanding intellectual curiosity which can be reflected in many areas of your life. You will probably devour books and TV programmes at this time to satisfy your urge to acquire knowledge. It will also be an important process for you now to weave all the threads of information that you gather into a whole piece of cloth, so that you can see a meaningful pattern in all the details that surround you.

This is a time to be on the move and to allow your mind to be fertilised by contact with a wide variety of people with different views on life. You should be bubbling with ideas, so you have to get them down on paper or out to a broader public. Although this is generally an optimistic period, there is a risk of losing your sense of proportion, particularly if you are inclined to worry or fantasy. Knowing the power of the mind to create the future, you would be well-advised to guide your thoughts into constructive channels.

Neptune transiting Opposition Mercury

01-01-2018 -> 10-01-2020

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - MENTALITY: Mental sensitivity

This is a time when you should be able to realise your creative mental potential. If you have ambitions in connection with film, poetry, writing or any unusual forms of communication, you should do what you can to encourage the flow. You are capable of channelling subtle information and ideas now. If you are considering any kind of intellectual training, ensure that it inspires you. If you embark on some long-term study which does not interest you sufficiently, you will regret it later. You need intuitive and spiritual inspiration,

so avoid business or secretarial courses which require hours of learning by rote.

Although this period is excellent for creativity, you cannot trust all the signals you receive at this time. This is partly connected with your uncritical acceptance of information you want to be true - which means you can easily be confused by a smokescreen - and partly because of a tendency to meet people who can't exactly be relied on at this time. Bear this in mind if you are considering signing contracts or making binding agreements. In many ways it is a good period to give material ambitions a rest and seek to enrich yourself mentally.

PERSONAL - MENTALITY: Mental sensitivity

During this period of enhanced mental sensitivity, you can learn many things about the way the mind functions and the nature of reality. The phrase "It's all in the mind" takes on an entirely new meaning at this time. By learning to channel your thoughts, you can alter the way you experience reality. However this period is characterised by a feeling of pronounced mental dissatisfaction - a sense that you cannot express exactly what you think and feel, and a feeling that you are not truly being listened to.

A sense of being misunderstood can increase the feeling of loneliness and isolation in your relationships. Avoid expressing disappointment in connection with this, as this will only increase the confusion of others. In reality you are being challenged to find new ways of reaching people. Bearing in mind that scientific studies have shown that communication is 55% body language, 38% voice tone and only 7% words, strive to tune in to the factors in communication which really have a deep influence. You would benefit through attending courses connected with communication at this time.

Values

Venus In Leo

PROFESSIONAL - VALUES: Project personal warmth

You are attracted to a life of luxury and style, and in your dealings with others you set great store in being able to give a good impression. Personal prestige is an important career value - and you need to see your prestige reflected in the way you look and the things you own. Professionally you can avail yourself of your considerable personal charm and influence to get ahead. You know how important first impressions are, and you are careful to cultivate your contacts by showing respect and warmth. At the same time you expect to be noticed and appreciated in your job.

Because you are basically a generous person you will probably attain a certain popularity, and this will be a major asset for you. Position is more important to you than money, but with your need to live in style and your extravagant tastes, money is also very necessary.

PERSONAL - VALUES: Project personal warmth

Men with this position are attracted to women who they can show off a little. Both men and women are drawn to people who have a central position in social circles. Good taste, good manners and style are essential ingredients in love. Women expect to be courted with style, and expensive gifts are the order of the day. Actually both sexes are very warm-hearted and romantic. Whilst there is an intrinsic loyalty and sense of honour there is also, paradoxically, a weakness for affairs. It is difficult to resist adoring glances! Blows to personal pride can seriously affect the stability of a relationship, and - mutual admiration being so important - there may be little to salvage if one party loses respect for the other.

Venus In 11th House

PROFESSIONAL - VALUES: Social warmth

You are an extremely sociable person with a great, though rather impersonal interest in other people, especially if they come from an unusual environment or have original interests. Your social talent gives you certain professional advantages, as you become an appreciated member of the social group to which you belong. You can find great pleasure in the social arrangements that go along with your work - indeed this may be where you do your best work. Generally speaking you are inspired by strong humanitarian values, and you would be happy to work in a position where you can give people social support in some way, or perhaps work in a consciousness-enhancing field. You have a talent for working in groups - especially when there is a majority of women.

PERSONAL - VALUES: Social warmth

You have a kindly and tolerant attitude to most people, and this results in you building up a large circle of friends and acquaintances. Warm friendly relations have a high priority for you, and you have a natural charm which ensures that friendships are mutually rewarding. In more intimate relationships, your social life will still be very important for you. You are not comfortable channelling all you love and affection on just one person, so it is necessary for you to maintain your social connections if you want to feel fully satisfied. You have a talent for spreading your love on a wider basis, and though this means that you can be rather

romantically cool in a one-to-one relationship, you can be valued by others on a collective level. You need the feedback and appreciation of your friends to feel good about yourself. You are blessed with affectionate and supportive comrades.

Venus Square Mars

It may be difficult for you to discern the influence of this combination of planetary energies as it is not a strong configuration in your chart. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - VALUES: Enjoyment

You have a dynamic creativity, but how you use it depends greatly on the nature of the aspect. Harmonious contacts between Venus and Mars give an exciting and winning nature, and the ability to work creatively with both sexes in whatever field you may be in. Inharmonious aspects also give considerable creative power, but conflict regarding sexual roles can sabotage success in one way or another. There is a strong erotic element in your character, and this can lead to sexual involvements which distract you from your business. Men with these aspects tend to be more active in their sexual pursuits, women often feel they are on the receiving end. It all depends on the unconscious signals that you send, as you have a natural sex-appeal. If all goes well you can emanate warmth and congeniality which brings professional popularity. This can lead you to success in many fields, especially those in which physical strength is combined with grace in some form. You would also work well in public relations, and in dealing with children. Entertainment and having a good time can be very important for you in your work.

PERSONAL - VALUES: Enjoyment

As Mars and Venus are the male and female archetypes, this combination brings a powerful need to resolve the dilemma between the sexes. Harmonious aspects show greater ease in this matter, but inharmonious contacts and the conjunction bring extremely difficult challenges. Often confusion about the sexual role stems from the impression given by the parents concerning their love-life, particularly if infidelity was involved. Women with this aspect often experience a strong contrast between the demands of femininity and those of sexuality, and in extreme cases the man is perceived as being a primitive only interested in sexual satisfaction. Actually the woman sends strong sexual signals but gets confused about the response she receives,

not knowing whether to take the initiative, (ladies don't do that), or be passive. The paradox is that women with this aspect have strong masculine traits, and can resent the man taking the initiative. Men with this aspect will sometimes have rather feminine traits, and have difficulty taking the initiative.

Whatever the circumstances, the erotic life plays an important role in the character, and there is a strong tendency towards sexual involvements which can be a threat to stable relationships. There is in both sexes a difficulty in integrating the loving nature with passion and desire - when to be tender and affectionate, when to go your own way? When to be attached, when to be detached? When to be chaste, when to let the body take over? When a balance is found, then there is great potential to have enjoyable relationships on both the physical and spiritual level.

Venus Square Jupiter

This aspect is extremely powerful in your horoscope, and will be a major feature of your character. There will be great difficulty in integrating these two planetary influences, and the promised harmonious results will only arise after you have expended time and effort.

PROFESSIONAL - VALUES: Fortune

You have excellent aesthetic judgement, and strong personal values and convictions. You are suited to any profession which can make use of your ability to evaluate and compare - especially if this is connected to cultural or artistic projects. You also have a great ability to impress others with your charm and insight. You would be wasted in a job which did not allow you the opportunity to meet and influence people. You can deal with cultural issues or artistic objects, you can travel in your career, you have diplomatic talent, you have a great sense of style. Success often comes easily for you, and you may thrive in the company of women, and have their professional support. Normally you are lucky, and a great deal of money can flow through your hands. How fast it flows is another question altogether. Your warm personality and optimistic view of the future are your greatest assets.

PERSONAL - VALUES: Fortune

You are an extremely loving and romantic person, and this brings both benefits and problems. Often you fall in love with love, and have difficulty settling into stable relationships because of your hunger for romance and emotional stimulation. You are however a great lover, and your attention makes your loved one blossom. There is a

tendency to be attracted to a person who comes from a different culture or country - perhaps this is because of a need to widen your emotional horizons. There is a tendency to marry upwards in society. The most important value for you in a relationship is intellectual or cultural stimulation. You need to be able to respect your partner for his or her intelligence. A woman with this aspect has a great need for attention and appreciation, and particularly values the mental stimulation the partner can give. A man with this aspect has a great appetite for the opposite sex, and whilst intelligence is important, there is often a taste for exotic or good-looking women. Faithfulness may not be a strong point, though sooner or later there will be a tendency to tighten up moral values regarding love.

Venus Trine Uranus

You will often feel the influence of this aspect, though stronger influences may predominate in other areas of your chart. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - VALUES: Untraditional relationships

You need to work in an exciting environment where you are together with people who have untraditional ideas, or who come from unusual cultures or backgrounds. You function best when you meet a number of different people during the course of your working day - preferably interesting or unconventional types. You have a talent for working with the media - you may also function well in a job which brings travel to exotic places. As you have a strong interest in consciousness-raising groups you may get involved with political, spiritual or social movements. You function well in a team - but not in a conventional working environment where you meet the same people all the time. You need to feel as free as a bird. You have a talent for making friendships - you make an electric impression on others, but actually you are rather detached yourself.

PERSONAL - VALUES: Untraditional relationships

The major characteristic of your love-life is your need for excitement and the unpredictable, coupled with a restlessness which you feel when relationships do not offer you the opportunity for personal development. You have a tendency to form relationships to people from foreign countries, different cultures or unusual environments - in other words with a person who can bring an element of the exotic into your life. Often you can find yourself in a situation, in which you choose not to actually live together

with a partner. Preferring to keep your independence - especially as regards the freedom to have your own friends - you maintain the excitement of romance by periodic meetings where you can constantly have your need for excitement fulfilled. In extreme cases you experience "airport-love" - short but exciting relationships with someone from another area of the world. In this way you avoid committing yourself emotionally. If you want a more permanent or stable relationship, or if you would like to feel more secure with your loved-one, it is essential to make a deeper emotional commitment.

Jupiter transiting Opposition Venus

18-12-2020 -> 13-01-2021

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - VALUES: Blessings

If you are the lucky type, you could not have a better period than this one. This is a time when influential people - particularly women - can guide you towards success, and when your economic resources have every chance of expansion. Success comes in particular in the cultural, intellectual or artistic field, though there is also a reasonable chance of business expansion also. Matters of fairness and justice will cause concern at this time.

It is more important to enjoy life than just work hard at this time - if you can't appreciate life's pleasures now, when can you? What are your true values and goals in your career? This is the time to include them in your plans for the future. However, if you indulge your pleasures too much, this can be an expensive time. You are very vulnerable morally now, and affairs of the heart can lead you into a costly blind alley. Don't cut corners to gain easy profit, a questionable gain now can lead to long-term loss. You are easily seduced.

PERSONAL - VALUES: Blessings

This is a romantic period par excellence, so you can expect affairs of the heart to have priority now. If you are in a relationship, your need to give and receive love will be very strong, so ensure that you indulge your emotional and erotic desires. This is a time when the power of romantic and sexual attraction is extremely strong, whilst the moral discipline is weak, so it is important to weigh the needs of the heart with other emotional costs. Sometimes it is more important to nourish and indulge the need for love than anything else, sometimes not. Let your ideals about fairness guide you.

It is a great time to travel, and if you are seeking a partner, there is one to be found in foreign climes, or in cultural or intellectual institutions. You are not inclined to fall for anyone for physical reasons alone at this time - you need a partner who can stimulate you intellectually, and expand your understanding of life and its pleasures. If you are interested in creativity, this can be a wonderful period because you gain insight and understanding of the aesthetic forces of Nature, seeing the beauty inherent in all things, and experiencing that beauty as a manifestation of truth in some way.

Uranus transiting Square Venus

09-05-2018 -> 09-04-2020

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - VALUES: New social environment

Sudden changes of values now can inspire you to make changes and adjustments in your career. This is a more social period, so you will not be content with jobs that just involve facts and figures. You need to get out, travel and meet people - preferably unconventional types who can surprise and inspire you. This need to be surrounded by new people may be a problem if you are working in a very formal and stuffy environment, and you might wish to consider job change, to satisfy your need to be socially and aesthetically stimulated.

You would thrive in an international environment now, in which you can make use of language ability and social qualities. You are less likely to be hung up on economy and material things at this time - you discover new values and pleasures through contact with new peoples and cultures. You may discover a capacity for bringing awareness and a new quality of life to others, particularly as regards principles of freedom and unattachment.

PERSONAL - VALUES: New social environment

Radical changes can arise in your personal relationships at this time. If you are free and unattached you will almost certainly get involved with some untraditional romance. Because there is a strong need for a relationship which gives mutual freedom, and because you long for the unpredictable and exciting in love, you could meet someone from a radically different country, age group or culture, or someone who is an outsider in society. You may choose to live alone and have a weekend partner. It is unlikely that you can cement love affairs started at this time, but the most

important consequence is the awakening of your emotions and the stimulation of your erotic awareness.

If you are in a stable partnership, sparks can fly as you try to assert a new-found need for autonomy and independence. If you are feeling bored with you partner and in need of a change, try to avoid being over-impulsive and strive to understand your partner's anxiety. You cannot compromise on your need for a renewal in your relationship and more social involvement, but if you value your relationship you should do more to reassure your partner. If your partner does not want to share your new interests, find a group of people with whom you can be inspired. This is an excellent time for involvement in consciousness-raising groups. It is also a good time for the awakening of the creative and aesthetic impulse. Love affairs at this time lead to a dramatic awakening of the feelings but rarely become settled. There is a tendency to have short intense meetings - often in airports - and then to return to the calm of private domestic life. Separations threaten weak partnerships at this time.

Drives

Mars In Scorpio

PROFESSIONAL - DRIVES: Cut through to the essence

You have deep energy reserves at your disposal, and there is the capacity to work under considerable pressure - indeed crisis situations can evoke outstanding qualities in you. You work in an intense and determined manner, and are capable of sticking to a project over a long period of time - you can even become obsessed by your work. There are special talents with regard to analysing a situation in detail, and you have an uncanny instinct for getting to the source of a problem. If a difficult decision has to be made, you can do it, even if it might mean telling someone an unpleasant truth or getting rid of someone who is superfluous. In some cases there can be a reputation for being ruthless, but this quality is often necessary if one feels limited by something which has outlived its usefulness. You have the capacity for helping others in crisis - especially on a psychological level.

PERSONAL - DRIVES: Cut through to the essence

You are a dangerous person when cornered, even though you may not give this impression at first glance. Other people sense your power and can feel rather nervous in your presence. Many passions rage in your centre, and you are very sensitive to situations which undermine your prestige. It would be an advantage for you if you could cultivate a more relaxed attitude to competition. Men with

this position of Mars have a magnetic aura and powerful sexual drives. They like to exert a subdued power in love relationships. Women also exude an aura of power and sexuality, and are drawn to a man with an aura of mystery or secrecy. Jealousy - and even revenge - can be powerful unconscious factors in relationships. Both sexes hate to feel powerless and expend a lot of energy maintaining control in any given situation. During your life emotional negativities will be transformed through powerful psychological upheavals, and you can become a silent force for good in your environment.

Mars In 2nd House

PROFESSIONAL - DRIVES: Overcome material challenges
A major asset in your life is your dynamism and determination. You are a go-getter, constantly eager to overcome the next obstacle in your pursuit of success. You are professionally suited to a job which leaves you the independence to make your own decisions, although you prefer a secure position. You earn money fast, and spend it fast, so a lot of money passes through your hands. There may be talent for working with your hands, or in a rugged profession. Your physical prowess may have some importance for your career. You have a very competitive attitude as regards your earning power, and are constantly striving to improve your material status. Basically you also enjoy the cut-and-thrust of the business world.

PERSONAL - DRIVES: Overcome material challenges
You fight fiercely to preserve the material empire you carve out for yourself. You may be something of a conspicuous spender, yet you have a very strong desire nature - both as far as economic issues are concerned, but also in regard to sensual interests. Impulsiveness and a headstrong attitude can get you into trouble in both areas, so take care. There is probably quite some focus on your sex-drive as a reflection of your self-worth. Women with this house position of Mars will often find that differences of opinions as regards finances can be a major source of tension in a relationship. Men see their financial independence as a basic right, and this too can be a source of conflict.

Mars Conjunction Jupiter

Though not especially strong, you will be able to feel the influence of this aspect under many circumstances. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - DRIVES: Ebullience

You are a person with considerable optimism and energy, and your generally dynamic nature and positive attitude to the future will most probably bring expansion and success in your professional life. You are endowed with great courage and enjoy a challenge, so you would thrive in employment which gave you the opportunity to expand your horizons and travel. There is something of the pioneer in you. As intellectual challenges are also important, you need mental stimulation and the opportunity to discuss issues and get important messages across. You can be very persuasive, but perhaps you also have a tendency to browbeat others. You have an almost religious zeal when it comes to convincing others about what is right and what is wrong. You may even see yourself as a fighter for justice, and whereas this ability to fight for a cause can be very useful under some circumstances, it can also lead to tiring conflicts and disagreements with superiors. Obviously, a job which utilises your energy, enthusiasms and deep convictions would be the best channel for your ebullient energy.

PERSONAL - DRIVES: Ebullience

You may well be an exciting person to be with because of your sharp intellect, optimistic nature and sense of fun. If you are a man, you will enjoy the company of your own sex, and be engaged in many activities, perhaps connected with sport or travel. You can excel in mental sparring contests and the thrill of debate. However there may be a tendency to pontificate, or generally make your opinions known in a rather dominating manner. Knowledge and understanding are strong motivating factors for you, so you like to sharpen your mind with discussion and involve yourself in cultural interests.

Women with this aspect are attracted to intelligent men, and often have attachments to foreigners. The most important motivation factor when choosing a man is his ability to expand her mental horizons - either through religious, political, philosophical or cultural interests. An intellectual watershed arises in the relationship, where the man is no longer able to satisfy the intellectual hunger of the woman. How this issue is dealt with is critical for the success of the relationship. The most important thing for both sexes is to take personal responsibility for ensuring constant intellectual or philosophical expansion and personal growth. Relationships would improve dramatically, if you were able to admit that sometimes you are wrong.

Uranus transiting Opposition Mars

03-06-2019 -> 01-05-2021

Very strong tensions will occur in your life in the following

area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - DRIVES: Sparks

This is a dynamic and inspiring period, though not without an element of danger. You can hardly tolerate anyone telling you what to do now, so you are likely to experience conflict with those in authority. If there is trouble at work, seen objectively it is probably you who is being unreasonable. Your restlessness and desire for change hardly inclines you to compromise and settle in to some boring job now. You need excitement, independence, and a challenge. You would function better on your own now, especially if you could do some travelling internationally. If you have been dreaming of setting yourself up independently, this is the time to do it. There is very little fear of taking risks during this period, and plenty of energy to go it alone.

This is an excellent period for taking initiatives concerning change and renewal. There is a strong likelihood of long-distance travel to exotic destinations. Unconventional work is favoured, particularly in connection with New Age matters. However patience is low, and temper is high. This is an explosive cocktail which can make you more provocative than usual, so take care. You may be fascinated by mechanical or technical matters now, and this is a good time to develop talents in this area.

PERSONAL - DRIVES: Sparks

This is one of the most impulsive periods in your life, and you can expect a lot of excitement - or trouble - in these months. There is a resurgence of energy and a desire to break free and do something different. Feeling bored is like the ringing of an alarm clock, which is telling you to take steps to create a more stimulating backdrop for your life. People at this time are inclined to take risks - parachuting, karate, mountain climbing and similar activities exert an almost magnetic attraction. Women at this time are inclined to get restless in their relationships and be rather provocative. If unattached there is a tendency to get involved with a very unpredictable type of man who can bring an element of excitement into the life. Often there are meetings with foreigners or long-distance travel in connection with love.

Sexually this can be a time of dramatic awakening, partly due to a more experimental attitude towards sex. Though love-affairs may serve to galvanise the mind and body now, relationships are characterised by tension and periodic separation. Men experiencing this transit will also be restless, and have a roving eye. For men too, this is a good time for sexual experimentation. The urge for freedom tends

to threaten established relationships. To avoid sabotaging worthwhile relationships now, it is essential to find new challenges at work or exciting projects to undertake in your private life.

Wisdom

Jupiter In Scorpio

PROFESSIONAL - WISDOM: Practice good magic

You were born at a time which highlighted developments in the world of international finance, issues of elitism, secrecy, and power use and misuse. When you fully realise your personal potential in this area, you will be able to use your capacity to deal with and wield power in one way or another. This can give success in the corridors of power or high finance, or alternatively you can develop deep psychological insight based on inner philosophical or religious convictions. Your deep emotional commitment to your beliefs enables you to achieve your will by the magnetic force of your presence alone. Success comes within your reach when you enunciate and act on beliefs which relate in some way to the emotional health or security of other people. You have the power of the magician; when you focus your energy on future transformation, miracles happen.

PERSONAL - WISDOM: Practice good magic

You have a deep and intense emotional nature with powerful, though often secret, convictions. At some point in your life your beliefs will undergo a radical transformation in which you abandon old belief systems. Even when silent you tend to exude a powerful influence on those around you because of the strength of your beliefs. It is wise therefore not to be too forceful outwardly, but to reach inwards into the burning ground of your emotions. Possessiveness, sexual desire, ideological obsessions and other powerful emotional drives can exert a strong influence on you, until the time comes when you eliminate the hold they have. When this time comes you develop even more insight into the secret nature of the human mind and emotions.

Jupiter In 2nd House

PROFESSIONAL - WISDOM: The Universe will provide

You are generally fortunate in economic matters, and one of your greatest resources is your ability to expect the best of the future. Your capacity to have faith in the principle of abundance will be directly reflected in your material success. You are willing to spend money to make money, and many people can benefit from your generosity. You may have a talent for advising others on economic issues,

especially as you have considerable financial foresight. You may earn money in connection with abroad. Financial security is a natural expectation for you. It is unlikely that there will be any anxiety as regards economic matters, but should there be, you are a fast learner and gain insight into major issues when in financial trouble.

PERSONAL - WISDOM: The Universe will provide

Unless other compelling factors prevent this, you will enjoy a very good standard of living. Paradoxically material luxuries will not be of primary importance for you, they just follow in the wake of your generous disposition. You place greater value on self-development and understanding than on material gain, and it is the resultant expertise which brings you rewards. You have remarkably strong moral values and convictions which will manifest in philosophical or political opinions which you stick to through thick and thin. You have a strong sense of ethics, and other factors in your horoscope will indicate whether this is expressed in a tolerant or moralising way.

Uranus transiting Opposition Jupiter

03-06-2018 -> 03-02-2021

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - WISDOM: Journey into Space

This is a very dynamic period for the expansion of your horizons. There will often be long-distant travel to exotic destinations at this time, or increased contact with foreign countries. International contacts can prove valuable to your profession, and should be cultivated. During this explosively expansive period there can be considerable restlessness - you can hardly be satisfied with a desk job now, or any kind of education or training which does not offer an experiential curriculum. Surprising and unpredictable developments can arise - particularly in connection with legal matters; therefore care should be taken as regards contracts or commitments. You can use the energies of this period optimally by integrating new visions of the future into your goals. Enhanced consciousness and interest in unconventional subjects can play a role in your future.

PERSONAL - WISDOM: Journey into Space

This may well be a period of increased social activity and intellectual curiosity. During these months revolutionary new opinions can lead to a radical change in your viewpoint. Contact with foreigners and their cultures can be a catalyst in this process. You may find yourself getting involved with

New Age or international groups. This is a great time for inspiration and radical consciousness change, but you may find yourself at cross purposes with people who have traditionally had a strong influence in your life. You have a desire to overthrow intellectual and religious authorities now, and replace restrictive ideologies with ideals about freedom of the individual. You want to define and follow your own path to personal growth at this time, without the heavy hand of any guru or mentor.

Jupiter transiting Conjunction 3rd House

14-01-2018 -> 15-10-2018

PROFESSIONAL - WISDOM: Spread your opinions

You are probably a widely-travelled person - at least you have wide interests and constantly seek to expand your mental horizons. You have a natural wisdom and the talent to discern the main issues and true meaning behind everyday events. You have natural abilities as an advisor or teacher, particularly at higher levels of education. You could be a skilled negotiator, perhaps on an international level. Your unquenchable thirst for knowledge and understanding inclines you towards a profession in which you are asked to draw conclusions after studying a wide variety of material. You may be involved in the further education system.

PERSONAL - WISDOM: Spread your opinions

You experienced considerable mental stimulation as a child, and a family member or teacher will have played an important role - perhaps as a mentor - encouraging you to learn and ask questions about life. Mental Ping-Pong at an early age will have evoked extremely strong mental convictions in you, making you a very persuasive person. You are probably knowledgeable and interesting to listen to, but you may be opinionated and dominating in an innocent kind of way. To be truly wise, one must also be receptive to other people's ideas. In relationships you respect intelligence and demand mental equality. You have little time for superficiality and are always seeking profundity. You find meaning in the small things in life.

Jupiter transiting Conjunction 4th House

15-03-2019 -> 29-11-2019

PROFESSIONAL - WISDOM: Moral foundations

One of your greatest assets on a professional level is your good judgement and lucky disposition as regards property. You can expand holdings and generally earn money through dealing with property. You can generally count on the loyal support of your family, for whom you have a strong moral

commitment. Business commitments may draw you to foreign countries. Cultural and environmental issues can absorb you on both a national and international level. You will enjoy your retirement, and will probably have a comfortable economy at this time.

PERSONAL - WISDOM: Moral foundations

Generally speaking you have had a fortunate upbringing, perhaps growing up in an international environment, or in a large family or a large house. A stimulating intellectual or philosophical atmosphere at home will have provided you with a solid emotional ballast later on in life. Your father, who probably had strong convictions, may have played a strong role in shaping your opinions. You may have found family members rather dominating on an intellectual or moral level, but this has a good effect on you in the long term. You too will have powerful moral convictions in family matters. You like to live in a large house and may at some time reside abroad.

Challenges

Saturn In Libra

PROFESSIONAL - SELF-RELIANCE: Social responsibility
Saturn was in this sign in the years 1921-23, 1950-53 and 1980-82. There was a strong emphasis in society on the principles of justice, and on partnership institutions. Expressed in your own career, you may find yourself assuming a professional role in which your judgement and diplomatic abilities are important. You will often find yourself sandwiched between people with differing views, and your word will carry weight in these situations. You are slow to pass judgement, and very concerned about any miscarriage of justice. You are good at dealing with people, and can acquire a position of authority in this respect. Your own role in society is important for you, and professional advancement depends on your overcoming shyness and fears about relating. You can feel a little stiff and formal when dealing with people, but you will quickly win their respect once you let the barriers down.

PERSONAL - SELF-RELIANCE: Social responsibility

There was a general theme around the year of your birth in which commitment to others, particular in relationships, was an important issue. In your own relationships you will strive to overcome selfish needs and discipline yourself to take the needs of others into account before you take action. In this sense you are a person of your word when you make a relationship commitment. You are also characterised by

fair-mindedness and patience when it comes to dealing with others. One of the major challenges in your life is to relax more with others, and to drop a defensive formal shield which prevents a deeper, emotional intimacy. Though you are good at dealing with people on a superficial level, you can be at a loss when emotional themes are broached. Though your early life will bring challenges and difficulties in partnerships, deeper devotion arises in your love life as you mature.

Saturn In 1st House

PROFESSIONAL - SELF-RELIANCE: Develop self-esteem.

You take a serious view of life - partly because you have had to overcome many challenges in the first 30 years of your life. As you work hard to overcome a naturally shyness and tendency to underestimate yourself and your abilities, success tends to come later in life. Nevertheless, being hard-working and persevering, you will attain a responsible professional position through sheer determination. You are ambitious, drive yourself hard and have a low expectation level. People see you as responsible with impressive self-discipline and drive. Once you overcome lack of self-confidence you will discover that you have considerable administrative ability and the power to wield authority.

PERSONAL - SELF-RELIANCE: Develop self-esteem.

Difficult experiences connected with your family structure undermined your self-confidence as a child and have given you a rather negative picture of yourself. This lack of self-esteem will also have a tendency to dampen the spirits of those around you in your environment earlier in your life. Only when people get to know you and your self-deprecating humour, do they feel comfortable. The people you meet often feel that you rebuff them and misinterpret their good intentions. Experience has evoked in you a certain suspicion and scepticism, and you need plenty of time before you feel you can trust others. However, once you allow yourself to thaw, and let your barriers down, you can be a loyal and trustworthy friend and partner. By cultivating a positive attitude to yourself and your future, you can greatly speed up your personal development.

Saturn Conjunction Pluto

It may be difficult for you to discern the influence of this combination of planetary energies, as it has only a mild effect in your chart. This conjunction shows a fusion of energies in you. Both the positive and negative sides of this aspect will be an integral part of your character.

PROFESSIONAL - SELF-RELIANCE: Re-evaluate personal

power

Normally this influence is felt more collectively than personally. The main issue here is the structure of power - its use and misuse. In your life you are sure to encounter people and organisations who have a powerful position in society, for good or ill. This can for example include the police, tax authorities, corporations or secret organisations. When this influence becomes strong in your life, you will find yourself in a position which requires enormous willpower. This can lead to the overthrow of powerful people, or the collapse and restructuring of powerful institutions. It is your mission to transform the unacceptable use of authority. You also have the capacity to wield power and in doing so reform organisations.

PERSONAL - SELF-RELIANCE: Re-evaluate personal power

You can both be a victim of tyranny, and a person who unconsciously adopts an authoritarian style yourself. The energy you invested in survival early in your life can give you an imposing and even frightening aura. You have to make sure therefore that you use your natural authority to empower rather than weaken others. In intimate relationships you are extremely sensitive to the misuse of power and any sense of helplessness. If you unconsciously overreact in this area it may be you yourself who evokes fear in your partner. In times of crisis you may use the threat of allowing your life structure to disintegrate totally to keep your partner in line. Do not be afraid to be gentle and tender.

Jupiter transiting Square Saturn

09-02-2020 -> 02-11-2020

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - SELF-RELIANCE: Expanding the framework

It is at this time of your professional life that the urge for growth and expansion confronts the forces of inertia in your career, or in society. You get to appreciate the power the establishment has over your life at this time. You are challenged to examine how you limit yourself and your future through restrictive systems or a lack of vision and faith in your abilities. If you can find the balance between learning from past experience yet allowing a future vision to inspire you, you may expect solid and steady growth at this time. It is important to expand within a certain framework

and to accept the limitations imposed by professional authorities. If you do this you will be an important cog in the development of your company, or culturally in society.

PERSONAL - SELF-RELIANCE: Expanding the framework

At this time of your life you have the opportunity to loosen some of the bonds that restrict you, and lighten the load which weighs you down. This is the time that you have to adjust the awareness of what is necessary by becoming aware of the art of the possible. Restricting life patterns can be replaced or adjusted by exploring new avenues for the future. Inasmuch as you are hampered by a sense of insufficiency or inferiority as regards your abilities, you can gain renewed confidence and faith in yourself now by defining future goals and working hard to achieve them. You can build a lasting niche for yourself in society at this time by laying new foundations for the future.

Saturn transiting Square Saturn

04-02-2019 -> 30-12-2019

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - SELF-RELIANCE: Adjusting direction

As Saturn takes 29-30 years to orbit the Sun, it makes a major aspect to itself about every 5 years, and these are times when adjustments of direction and goals have to be made. At the age of 29 to 30 however, a major reorientation is necessary. You have to look carefully at what structures you have built up in your life and why. If you don't make changes now, when can you? Are your ambitions your own, or are you simply fulfilling the expectations of your parents or of authority figures in society?

It is essential to spend some time sensing what it is exactly you want for yourself in life. Cast aside all the unnecessary baggage which you have accumulated in your efforts to carve yourself a professional niche in society. Don't worry about personal status and ambition for the time being, and don't listen to people who tell you what they think is good for you. The older you get the more important it becomes not to waste time pursuing superficial career goals which will be of no benefit in the long run.

PERSONAL - SELF-RELIANCE: Adjusting direction

All phases of the 30 year Saturn cycle are important, although the ages 30, 44, and 52 are perhaps the most significant. These are times when you have a chance to review the passage of time and assess the unfolding of your life. Are you satisfied with the direction it is taking? If not,

change it now. Change need not be radical, you just have to define what it is you truly want to spend time on. Remember your responsibility is first to yourself. The biggest gift you can give to others, is to show that you are satisfied with your own life.

It is important to weigh the balance between career and family commitments now. Do not be influenced by what other people expect of you - only you can know what it is that you really need in life. The yardstick for decisions at this time is: Imagine you were on your death bed...what then, would you wish you had achieved in your life? The wrong decision now can mean years wasted on unfulfilling work.

Originality

Uranus In Sagittarius

Uranus In 3rd House

PROFESSIONAL - ORIGINALITY: Break new mental ground

You have an number of unusual mental talents and interests. Being the type who learns things best by experimentation you don't do so well in a conventional learning environment. You have a low threshold for boredom, and your attention wanders. Yet you are inspired by new horizons and unconventional ideas, and as such you are suited to a career which requires a willingness to be inventive and explore - or perhaps a job connected with electronics, computers, the telephone or the media. Long-distance travel and mental contact with people from other cultures will probably appeal to you. There may a talent for exotic languages.

PERSONAL - ORIGINALITY: Break new mental ground

Unusual childhood circumstances were present connected with sibling relationships and your early education. There may have been a sudden interruption of your schooling, and perhaps a separation from a brother or sister. Events in this connection have a radical effect on your mental attitude. In communication you have many original and perhaps weird and provocative ideas. If you pay close attention to the way you communicate, you may find that you have a tendency to interrupt, or to go off at an angle when talking. There may be deep reasons for this connected with the desire to be listened to.

Jupiter transiting Conjunction Uranus

29-10-2018 -> 24-11-2018

Major changes will occur in the area of your life described

here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - ORIGINALITY: The future now

This is a time when insight and awareness of the future should be a force of inspiration and renewal in your professional life. Expect a dramatic increase in your horizons - either through long-distant travel and contact with exotic lands or peoples, or through mind-expanding activities connected with consciousness growth. Progress in your career depends on your ability to think in completely new channels and harness modern methods - both as far as technology is concerned, but also concerning revolutionary methods. This is a time of exciting possibilities and great inventiveness. The urge to be free and uncommitted may well have to be given priority over personal ambitions now.

PERSONAL - ORIGINALITY: The future now

During this period of excitement and unpredictability, you have a strong desire to expand the boundaries of your consciousness. Contact with foreign lands and cultures can blow your mind, and experiences on untraditional training courses or with experimental groups can give you a new sense of destiny or insight into transcendent aspects of your life. This is a good time for astrology and New Age interests, and to meet people who share special interests. So experiment, take a few risks and loosen your bonds - you need to allow the unknown and unexpected to happen.

Transcendence

Neptune In Sagittarius Retrograde

Because this planet was retrograde at your birth, you will have an instinctive knowledge of, and attraction to, the following traits and activities. You will tend to be introvert in these matters, and pursue your own individual path in strong contrast to the path chosen by others.

Neptune In 3rd House

PROFESSIONAL - TRANSCENDENCE: Develop intuitive knowledge

You have a great imagination and many visionary ideas. Your intellectual interests probably centre around mystical, artistic or musical subjects. Professionally this could express itself in a communication form connected with pictures, emotions or fantasy...for example in the advertising industry or connected with art in some way. In communication matters you are often disappointed that colleagues seem unable to grasp your ideas. Express yourself in a language

they can understand. Concentration is not your strong side, so in educational matters you need to be inspired, otherwise you go off into a dream. You can captivate others with your visions and ideals.

PERSONAL - TRANSCENDENCE: Develop intuitive knowledge

It is unlikely that you thrived in school unless you had a connection with a teacher who you could idealise. Dry facts and information seem meaningless to you, so you direct your interests towards subjects that capture your imagination - especially if they have a spiritual side. You tend to express yourself rather vaguely, perhaps because you don't like to be pinned down to any particular point of view, but the result is that you are often misunderstood, and this adds to your sense of isolation. When pressed you hide behind a smokescreen. In your relationships to brothers or sisters, there may be some peculiar unhappiness or loneliness which has a profound affect on your sense of what is meaningful in life.

Neptune Sextile Pluto

This aspect is extremely powerful in your horoscope; it will dominate many areas of your life. Because there is a good aspect between these two planets, you can expect the positive consequences to be strong and very creative, and the negative consequences minimal.

PROFESSIONAL - TRANSCENDENCE: Mass vision

These aspects are very rare and last a very long time. Indeed, as Pluto moves within the orbit of Neptune in the closing years of the 20th century, the present sextile aspect between the two planets lasts from 1940 to 2040 - one hundred years - so almost everyone has it! If you are able to manifest this influence on a personal and professional level (through powerful contacts in your own horoscope), it may be connected with a deep spirituality and creativity. There can be talent for dealing with the media and wide-ranging themes connected with the masses. Material issues will be less important for you than the realisation of a collective dream. There can be clairvoyant powers, and abilities connected with dreams, symbols and visualising. In industry there can be a talent for dealing with oil, the film industry or the transforming power of collective visions.

PERSONAL - TRANSCENDENCE: Mass vision

If you have this influence powerfully evoked by other factors in your horoscope, you will be deeply affected by spiritual issues, and constantly seeking to refine your consciousness. At these times you are likely to experience

great personal disorientation and confusion, as old dreams and visions are replaced by new, deep psychological insights. Inner growth will have major priority in intimate relationships. During periods of your life you will undergo deep transformations in which your fantasy and imagination will play a powerful role. It is essential to learn to use your imagination in a positive way by learning about the power of the unconscious.

Jupiter transiting Conjunction Neptune

26-02-2019 -> 20-11-2019

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - TRANSCENDENCE: Balloons and bubbles

You will experience a tremendous stimulation of your imagination at this time, and this can be used to advantage if you can harness your fantasy to some creative work, especially in connection with music, imagery and the arts. If being realistic is an integral part of your career, take care. Your idealism and dreams peak at this time, and this can seriously affect your judgement. Your imagination can be gripped by great hopes, and you have a tendency to attach your hopes to a bubble which expands and expands until it bursts. Inspiration is OK, but make sure that you do not get carried away into a world of dreams. Listen to the voice of reason, and work in stages with verifiable goals.

PERSONAL - TRANSCENDENCE: Balloons and bubbles

If you are a dreamer, this is the time when your dreams take wing and carry you into surreal landscapes. If you do not want your hopes to be dashed, you must be aware of your limits and let yourself be guided by common sense. Great hopes will often turn out to be illusory, so don't let your imagination get out of control. However this is an excellent time for developing your imagination and your visualisation power. If you choose you can enrich your life with great spiritual insight, and gain a subtle knowledge about the nature of reality and the illusion of identity.

Transformation

Pluto In Libra

Pluto In 2nd House

PROFESSIONAL - TRANSFORMATION: Cut obsessive attachments

You have an extremely intense desire to build up and maintain personal security. You will often find yourself starting from rock-bottom, and you have the capacity to turn developments around overnight by dint of unrelenting effort. You may achieve material success working transforming things in one way or another - for example extracting materials of value from waste products. At some stage in your life, considerable sums of money will pass through your hands, at another stage you lose everything. You are extremely sensitive to the wealth and status of people around you and are unconsciously driven to emulate the supposed material success of others. Experience will teach you that your values lie on a deeper level than the economic.

PERSONAL - TRANSFORMATION: Cut obsessive attachments

Your values can be transformed from extreme materialism to total asceticism from one moment to the next - especially in your late thirties. This transformation comes when you realise how empty material success is as a yardstick for self-worth. You tend to be attracted to gross status symbols, which suck all your resources until you cast them into the abyss. Inheritance or events connected with death can radically change your financial situation. In personal relationships you will often find yourself irrationally attached to things which have long since lost their meaning for you, and you allow yourself to get drawn into power battles over ownership. This can be compared to trying to swim ashore from a sinking ship clutching a bag of gold. Let go. Your greatest resource is your capacity to see behind the fears of others and offer them support.

Jupiter transiting Square Pluto

14-03-2020 -> 08-12-2020

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - TRANSFORMATION: Power play

During this period you will be initiated into the use of power and secrecy in the professional sphere. This may be because you discover hidden factors, corruption or power misuse behind some professional facade, or it may be because you learn to harness your own personal power or psychological insight in your career. Whatever the circumstances you may feel a certain anxiety because of circumstances seemingly beyond your control. Make sure you are on good terms with legal and financial authorities, or

at least cover your tracks if you aren't!. Big money can be involved during this period, involving large gains or losses, so make sure you have the best financial advice.

PERSONAL - TRANSFORMATION: Power play

There is a leap in your awareness of the power of the unconscious to shape your life at this time. You may choose to develop your emotional insights by learning more about psychology in one way or another. If you have any hidden anxieties or phobias you can expect them to be more acute or to come to the surface now. Even though this may be disturbing, there is a unique opportunity to understand the secret mechanisms of your mind and to eliminate the negative effect of repressions. You can become the intrepid explorer of some very dark territory indeed.

Saturn transiting Square Pluto

04-01-2020 -> 22-11-2020

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - TRANSFORMATION: Bonds on power

This influence may not be felt very strongly, unless you have strong Scorpio traits. This is a period when you are confronted with power manifestations in society, and it can be necessary for you to summon up reserves of strength and determination to handle situations which seem beyond your control. Take care in your dealings with police, tax authorities or underworld characters, as you are liable to meet people and groups who are in a position to humiliate you. In professional matters you have to take a closer look at what goes on under the surface. Eliminate any corrupt elements, and look more closely at your motivation when asserting your power.

PERSONAL - TRANSFORMATION: Bonds on power

Though sometimes rather subtle, this influence can release powerful elements in your unconscious mind. If you are a victim of emotional states such as jealousy and paranoia, now is the time to make an effort to deal with them. Deep-rooted psychological complexes which manifest as obsessive behaviour will surface now and the more you try to repress them, the greater power they will have over you. A sure danger sign is if you start accusing other people of evil behaviour, or if you feel that you are being shadowed or persecuted. Inner demons manifest in outer events now, yet solutions are to be found within your own being. You can contact archetypal forces now, for example through shamanism.

Uranus transiting Opposition Pluto

01-01-2018 -> 04-04-2018

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - TRANSCENDENCE: Unpredictable power

This influence will pass most people by, unless they have strong Scorpio character traits. Generally this is experienced as forces completely outside one's control revealing hidden flaws or secret affairs in organisations. Powerful and secret forces in society can impinge on one's career in completely unpredictable ways now. This is a time of extremism and violent uncertainty, and allowances ought to be made as far as plans are concerned. Threats received at this time can awaken deep anxieties. If you work with computers beware of viruses and other unpredictable events. This is a good time for harnessing technological forces to consolidate power.

PERSONAL - TRANSFORMATION: Unpredictable power
For those who are sensitive enough to feel this influence, they can expect a powerful awakening of unconscious forces. This can be a very disturbing event, as you may feel that you have little conscious control over the deep repressions that can well up to the surface and dominate your consciousness. This is a good time for group therapy and greater psychological awareness. There may be an interest in archetypal forces such as shamanism and occult forces, but great care has to be taken with such forces. Violent imagery can surface in dreams and in waking life, and perhaps this process should be seen as an inner spring cleaning in the manner of an electrical storm which clears the atmosphere.

Pluto transiting Square Pluto

02-02-2019 -> 31-12-2021

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - TRANSFORMATION: Evolutionary change

This influence - which arises in the late thirties - confronts you with the need to reorganise in connection with the evolution of whatever you are concerned with professionally. You have to examine in what areas you use or misuse power, and to what extent you feel dominated by forces

beyond your control. In the power struggle that follows you have to harness all your survival urges. You will learn that the need to prevail in life sometimes necessitates actions which have dubious morality - but you cannot afford to be sentimental.

PERSONAL - TRANSFORMATION: Evolutionary change
During this period deep unconscious processes rise to the surface to be dealt with by your conscious mind. It is an excellent time for getting to the root of personal problems which have haunted you for the last 35 years. Deep psychological issues which have been banished from memory now resurface, and you should have the capacity and strength to restructure these forces so that they no longer control you on a subconscious level.

Destiny

N.Node In Cancer, S.Node In Capricorn

PROFESSIONAL - DESTINY: Coming home

You live the first part of your life with a profound inner drive to make an impact in society and win the respect of your peers. Success can come early, yet the feeling of satisfaction that success should bring is absent. You come to appreciate that the need for status or recognition is one which can never bring you true fulfilment. There is an emptiness to your ambitions. The flaw lies in unfulfilled emotional needs which cannot be satisfied when you invest all your energy into career drives. A career reorientation which allows you to come into greater contact with your feelings and intuitions - perhaps in a caring profession - will bring you into closer alignment with your destiny. This can mean turning your back on the allures of the marketplace at a critical age.

PERSONAL - DESTINY: Coming home

The early part of your life is characterised by a rather hard attitude to getting on in the world. You are probably profoundly influenced by parental views regarding work, ambition and success, and feel that you have to live up to their demands in these areas. As you mature you become aware of a need for greater contact with the world of feeling and emotional enrichment. There is a reorientation from the masculine to the feminine, and this may be expressed by a new attitude to family, children and the home. Priorities can change so that there is less emphasis on your goals and a realisation that your energy is best invested in the family and your immediate environment. This process can be heralded by a deepening of your intuitive awareness, which

replaces a previous sceptical or materialistic spirit.

N.Node In 10th House, S.Node In 4th House

PROFESSIONAL - DESTINY: Release from family

As you mature your professional ambitions will assume a growing importance for you. Perhaps you feel a sense of destiny as regards career - at any rate you have a role to perform in society which can have significance for other people. You will undoubtedly find that you have to overcome enormous domestic pressures on your journey, but it serves no purpose to allow these pressures to completely dictate the speed of your progress. No one benefits in the long run if you allow family interests to have priority. Your work may give you a high individual profile and as a consequence you develop a strong sense of responsibility and awareness of personal influence.

PERSONAL - DESTINY: Release from family

Parental and family values have a powerful influence on you, and you may feel a strong desire to centre your life around home, family and children at an early age. However these areas can never satisfy you fully. You can only develop when you tear yourself away from the constant distractions of family life and define new goals for yourself. You do your family a favour when you go out into the world and realise yourself. You will often feel split, and you will always be conscious of family needs, but this should not deter you in your search for fulfilment. Family issues will exert a constant pull on you, but being the traditional homebody is not your destiny. It is your influence on the larger world stage that has greatest significance in your life.

Jupiter transiting Opposition N.Node

08-01-2020 -> 03-02-2020

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - DESTINY: Understanding karma

You can expect an expanded circle of contacts at this time, with a special emphasis on people who are seeking influence on a large scale in society. Opinion-makers, advisers and foreigners can bring a new perspective in connection with future planning. You may feel that your destiny is interwoven with some larger plan. Greater awareness of the direction you wish your life to take can mean making a few adjustments. Do not let inflated ideas about your destiny or personal importance lead you astray.

PERSONAL - DESTINY: Understanding karma

This is a time when meetings have particular significance in terms of karma and your growth as an individual soul. You may have a powerful experience connected with some group activity now and gain greater insight into your soul and your fate as a human being. There is also a strong tendency to be drawn into a web of spiritual illusions - though you will surely also have rewarding experiences. You are drawn to partners who have a deep significance for you now, for good or ill.

Saturn transiting Opposition N.Node

15-03-2018 -> 05-10-2019

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - DESTINY: Group responsibilities

This period is characterised by a professional commitment with a group and the responsibilities that this commitment involves. The interests of the collective may turn out to be more relevant for your career development than your own ambitions or desire for status. Older people in authority may impose limitations on your development, and you can experience a compelling need for greater self-discipline to deal with the demands made on you. The decisions made now can have an important formative effect on your destiny. Benefit comes through subordinating ego needs for the good of others, and accepting the hand of fate, as it moves in your career.

PERSONAL - DESTINY: Group responsibilities

This is a time when time will stand still for a while, so that you can take stock of your ambitions and goals in life and see where they have led you. It is a fateful period in which your responsibilities to others and your role in society can become very important. Some people feel that their life direction leads to a blind alley in these months, or that plans for the future are futile and empty. There is benefit to be attained through inner spiritual discipline, as the hunger felt at this time can not be satiated by outer success.
