## HOW TO READ YOUR ASTRO CALENDAR REPORT

The AstroCalendar report from World of Wisdom enables you to plan your moves for a period of three months and to perfect your timing in your love life, your relationships and your career. This report is based on the movement of the planets in this period in relation to your birth horoscope (which is shown as a full color wheel at the beginning of the report). Transits of all the planets - Sun, Moon, Mercury, Venus, Mars, Jupiter, Saturn, Uranus, Neptune and Pluto - are mapped, and the precise influence of these contact to your birth chart is described in a short and concise text.

However, it is not enough to read about an influence. What is important is to know how to act. There are times when it is crucial to take action, and times when it is wise to keep a low profile or remain passive. In relationships, sometimes you need to powerfully defend your position, at other times it helps to know when you may be on the wrong track. The AstroCalendar report helps you by imagining what kind of questions you might ask yourself as a result of the astrological influence. And providing answers.

What would happen for example, if the planet of love, Venus, came to conjoin Mars in your horoscope? The AstroCalendar report describes this influence in this way:

Love and Excitement: You are turned on today. Dance, romance and make love. Be assertive and forget the finer sensibilities for a while. Enjoy your desires.

It then goes on to suggest that you may ask the question: Is it OK to flirt? and the answer is clearly: If you don't flirt today, you'll never flirt. The suggestion of sex definitely spices up life, and today you should be thinking about how to be more alive..

By using a question and answer technique in the reports (there are three questions and three answers for each influence) you, the reader, have to really think about what you are feeling, and if you are in doubt, then the answers will enable you to follow what you unconsciously know is the right path. In this way you can use the report to plan ahead, avoiding days when negative trends decrease your chances of success, and making the most of days that are astrologically favorable for you.

Whilst this report shows trends that last from just one day to several months, it is important to also understand your personal birth chart in depth. If you have not already had one made, it is really worth ordering World of Wisdom's Birth Horoscope report. This describes your character in detail, both in relationships and in your career, and it also contains a more detailed description of long-term trends that are affecting your life in the years ahead. If you would like to learn more about your horoscope, a concise description of the planets, signs, aspects and houses is included at the end of this report.

Some things to remember when you read your report: Some things to remember when you read your report:

Your birthday: The program registers when the Sun returns to the exact place it was when you were born. In some cases this can happen on the day before or after your official birthday!

If you find there are days when there are no influences, this is because no planets activate your birth horoscope that day (although the Moon will).

The influence of the Sun, Mercury, Venus and Mars is very transient, whilst that of Jupiter, Saturn, Uranus, Neptune and Pluto can last many months. All the interpretations take this time element into consideration.

Retrograde movement: Occasionally the planets appear to stop and move backwards (owing to their relative movement in relation to that of the Earth). This can mean that the same influence will be shown more than once in the report.

## 24-06-2017

### *Transiting Mercury positive your Moon*

**EXPRESS YOUR SENSITIVITY:** It's good to get feelings out into the open and have a cozy chat. You'll want to express your caring side, and your vulnerability.

Should I retire into my lair or get out and about?

Today is about communication, so get in contact with those with whom you have an emotional bond, and if this means visiting or receiving a visit, then that's what to do.

How should I respond to overtures from the family?

Any family differences can be resolved now, and if you say what is genuinely on your mind, your openness will be reciprocated.

What areas of business will prosper today?

Your business instincts are peaking now, so trust your gut feelings. It's a good day for property dealings.

## 25-06-2017

### *Transiting Mercury challenges your Uranus*

**FOOT IN MOUTH:** There is no virtue in being provocative. You feel alienated, and the lines of communication are broken. Differentiate between genius and madness.

Should I mobilize my diplomatic talents?

As hard as you try, you are unlikely to succeed with diplomacy. You may try shock tactics, but this just brings disruption. Perhaps it's better to go off alone, and experiment with something different.

Will travels and communication run smooth today?

It is very unlikely. Disruption happens when you least expect it. Perhaps this is what happens when you rely too much on technology. Take things as they come without expectation.

Why am I misunderstood?

Ask yourself rather whether you have made any effort to attune yourself to the thinking of others. If you can't enroll others, then your ideas will come to nothing.

### *Transiting Mars challenges your Neptune*

**IN THE MIRE:** Only unselfish action has a chance of success. You stray off the straight and narrow. There is confusion, possibly subterfuge. Passivity pays off.

Can I trust what's going on?

If you smell a rat, there's a sewer around. Somewhere there is dirty business. Make sure your hands are clean.

Should I give in to temptation?

Not today! Immorality has a subtle price. Words and actions are undermined in the struggle to keep up appearances.

How can I express my sexual needs?

Routine or mechanical sex does not satisfy you. Forget about desire for the body, and research the seductive recesses of the soul. You can bend a lot of rules today.

### *Transiting Mars challenges your Mars*

**TROUBLE-MAKING:** You have to assert yourself, but confrontation is inevitable. It's not a time to compromise... it's better to be strong than to be weak.

How can I make progress if there is trouble?

It's time to renew the struggle to gain the initiative. An extra effort now will help you regain the necessary impetus to complete work projects.

Is it best to keep the peace?

Sometimes avoiding confrontation creates more trouble than standing up to the oppressor. Show your teeth now, and people will show more respect.

How should I handle my anger?

The urge to compete and survive is natural, so self-assertion is OK. Even anger has its place. Get mad, then put it behind you - don't give yourself a hard time over it.

## 26-06-2017

### *Transiting Jupiter challenges your Neptune*

**INFLATION:** Dreams and illusions grab your imagination. There are no boundaries to happiness and sorrow. Euphoria gives way to disappointment. Spiritual lessons.

What's there to learn about life?

Everything is transitory. What is the most important thing in the world for you today, slips through your fingers tomorrow. Only spiritual values endure.

Should I capitalize on great ideas now?

Don't do that. Your imagination may be captured, but great dreams now are just vehicles for your longings and delusions. Be as realistic as possible.

If dreams crash, what then?

Dreams may not always come true, but it is important to let the imagination soar. Even though there may be material losses, there can be great spiritual gains.

### *Transiting Mercury positive your Midheaven*

**BUSINESS ACUMEN:** Your greatest assets are your ideas. To make progress, sell yourself. You should be willing to travel and make connections, but above all talk.

Can I handle business challenges on my own?

Maybe, but it's much better to involve others. This is an excellent time to delegate or to work on a team project. If you can make a deal, it will go well.

How important is training for my job?

Education is the key to career success, so make sure you avail yourself of opportunities for self-improvement, such as business courses.

Can I get around difficulties through persuasive tactics?

That's it - if you put your mind to it you can swing things your way. Sell yourself and sell your ideas - and don't take No for an answer.

*Transiting Jupiter challenges your Mars*

MUSCLING THROUGH: Using brawn rather than brains can be bruising. In this period you may throw your weight around. Avoid inflicting your beliefs on others.

How much force should I use to get my way?

Less than you are using now! There is a tendency for overkill. It's crucial not to bully others, either physically or intellectually.

Is justice on my side?

You think so, but there is too much self-righteousness. Even if right was on your side in this period, this would not be a reason for being insensitive to others.

Is this a good time to take risks?

You are inclined to go off on adventures in this period, but you may overextend yourself. Be brave perhaps, but don't be foolhardy.

**27-06-2017**

*Transiting Mercury challenges your Neptune*

SCRAMBLED COMMUNICATION: What you see is not what you get. Dreams distort your perception. You avoid the truth. Don't let your imagination take control.

Should I put confidence in what people say to me today?

You should not. People may simply be lying to you, or you may not be listening properly to them. You hear what you want to hear.

Should I be direct and truthful with others?

A good question! As a general rule, yes, but today it could be wise to conceal your thoughts. Maybe it's best to tell some white lies. Protect your dreams.

Should I do administrative or creative work?

Creative work. Administrative work will bore you, and worse, you can get important details wrong. Relax, dream, and take time off to swim, watch films or dally

in Nature.

*Transiting Mercury challenges your Mars*

INDISCRETE UTTERANCES: If you're aggressive you will awaken resistance. Expect to be provoked today, and keep cool. Say what's on your mind without being rude.

Should I clear the air by expressing my anger?

You'd be making a mistake. Words can also be weapons, and today you are likely to cause wounds. Express your thoughts rationally by all means, but don't attack others.

Should I try to compromise?

No, you should fight for your ideas, even if agreement is not possible today. Bare your teeth, then people will realize you are not a pushover. But don't bite.

How shall I deal with exasperation and provocation?

If you can get through the day without blowing your cool at least once today, then give yourself a little reward. Keep aware, steer clear of trouble, and count to 10.

**28-06-2017**

*Transiting Mars positive your Pluto*

SHOW YOUR STRENGTH: You find incredible reserves of energy. It's the removal of blockages. Eliminate bad habits. Take something old and completely transform it.

Should I be flexible, or should I be firm?

If flexible means letting others have their way, don't. Now's the time to assert your will and push through projects, even if it means a show of force.

How can I best express my erotic needs?

It's a day when you are connected to primeval urges. If you can transform desire into a love that binds the soul, then the deepest sexual transformation can occur.

Do I have the energy to survive current challenges?

Your strength is superhuman now. If you mobilize your willpower, there is nothing you cannot achieve. Take whatever steps necessary to remove blockages in your path.

*Transiting Sun positive your Moon*

EXPRESS YOUR FEELINGS: Good times for home and family. Emotions and instincts come to the surface and create a feel-good atmosphere.

How can I improve my sense of security?

Exude confidence, and have faith in your natural abilities. Focus on your needs and assert your will.

How can I best benefit my family?

Take the lead and set an example for the others. Others may depend on you, but don't you try to depend on them.

How can I be more fully myself?

Express your feelings! Give nurture and support. Show empathy. This is the time to show the caring side of your nature.

*Transiting Mercury positive your Pluto*

SECRET PATHWAYS: Discover what is hidden within, and make sure it is expressed, even if taboos are broken. Investigate the dross and discover the gold.

Should I pursue an investigation?

Be like the hound on the trail of the fox. If you have got the scent, don't give up until you have unearthed the treasure. The key lies buried, but you will find it.

Where can I find the greatest insight today?

A short journey may help you uncover secrets, but the greatest secrets are found on the inner journey. Delve into your own roots - the greatest mystery lies in your own psychology.

Should I confront other with the truths I find?

It's crucial to avoid subjecting people to interrogation, or exhausting them with conspiracy theories. Indeed perhaps it is better not to divulge the information you have gathered.

*Transiting Venus conjoins your Venus*

ESSENCE OF LOVE: Your capacity for love is at its highest today. A new relationship cycle begins. What you resolve now affects your future relationships.

Where do I currently stand in relationships?

This is the beginning of a new cycle for you, and the end of an old. You are fully in tune with your capacity for love, so renew or review your emotional commitments.

How should I celebrate the day?

It's your 'love' birthday today, and you should enjoy it. Spend money on yourself, indulge in a good meal, and enjoy all the pleasures of your body!

How can I get more satisfaction in life?

The secret is to fully enjoy with all your senses: taste, smell, vision, hearing and especially touch. Dwell in the moment. Take an appreciative look at what you have, before thinking about what you want.

**29-06-2017**

*Transiting Mercury conjoins your Jupiter*

WISE WORDS: Think positively, and visualize how you would like your future to be. The need to be right

is very human, but for others it's no fun to be wrong.

How can I best improve my understanding today?

Absorb information, and unfold your antennae. Welcome the message and the messenger.

Knowledge comes through contact and play, rather than hard work.

Can I make my opinions count?

Today is a great day to get your message across. You are in touch with your deepest wisdom... the more you spread it the more influence you will have.

What is the potential for travel?

It's great for a longer journey, or to receive a traveler. Think about expanding your field of influence through communication.

*Transiting Venus positive your Saturn*

REAL VALUE: It's the lasting commitment that brings steady growth. Invest in solid resources. Keep expectations realistic. In business or love - slow success.

How can I make my career prosper?

You will be appreciated for your reliability and consistency. Don't ask for recognition - if you shoulder responsibility and organize efficiently, you will be rewarded.

How can I make an impression on my loved one?

Gifts that appreciate in value over the long-term will win you love. Make a commitment now, and you will find that it will last a long time.

How can I win appreciation from others?

First of all, be open to praise. Don't be cool or defensive. Modesty has its place, but make sure you don't hide your true feelings and needs behind it.

*Transiting Sun challenges your Uranus*

YOUR CRAZY SIDE: There's focus on your cranky side today. You want to demonstrate that you are different, but this can make you provocative and alienated.

How long do I have to put up with this boring situation?

Your restlessness and impatience peaks today. Perhaps this will help you define how you want to express what exactly makes you different, and inaugurate change.

Shall I throw in the towel?

You're far too impulsive and unreasonable right now. Wait a day or so before you do anything drastic. Why not start something new and exciting as a distraction?

Why are other people so impossible?

You're feeling alienated and something of an outsider.

Try meeting some really weird people and you'll feel better!

30-06-2017

*Transiting Mars conjoins your Jupiter*

WINNING: Mobilize positive thinking and you can achieve anything. Gain knowledge and understanding. Reach for new horizons. You may be right, but don't bully.

Am I a winner?

He who dares, wins. Believe in your capacities and you will win the day. It's time for pioneer activities and for being an opinion-maker.

Should I enter the competition?

Of course - you make your own luck today. You acquire an overview of the situation, and this enables you to act fast and convincingly. Your point of view wins the day.

Can anything go wrong?

Overestimating your strength could lead to you overreaching. There is a tendency to browbeat others with your opinions, and if you are bullying you might make enemies.

02-07-2017

*Transiting Mercury positive your Venus*

EXPRESSING KINDNESS: Aesthetic and intellectual pleasures bless your day. Take a pleasure trip, or communicate with someone you love. People say nice things.

Are compliments meant sincerely today?

People cannot help responding to the way you express your love and kindness. People really mean it when they flatter you, so take it with good grace.

Is it a good time for love?

It's a great time for love talk! Though the energy is more friendly than erotic, you cannot fail to get a good response. Words of love must be spoken!

Is it a good day for going out?

It's a great day, especially in the company of friends or loved ones. You should be looking for aesthetic entertainment that stimulates mental purity.

*Transiting Sun positive your Midheaven*

ASSUME LEADERSHIP: You can be the chosen leader, but you have to make your presence felt. Expect professional success and recognition. Your family supports you.

How can I best make progress?

You have to look after the material foundations for

your life. Organize your human and economic resources, and use them as a stepping-stone to success.

Can I trust people in authority?

Influential people are prepared to back you up, so you can expect the best from those above you.

Will it be a good day at work?

If you've made an effort promoting your own talents during the year, this is one of the days when that investment pays off.

*Transiting Mercury challenges your Saturn*

STUMBLING BLOCKS: You have to learn from your mistakes today. Self-confidence is low, and there is criticism. It's just a test of patience... take your time.

Shall I fight to get my ideas across?

No - regroup your forces and wait to fight another day. Today you just encounter a brick wall. If the odds are insuperable, just drop it. If they are not, then bide your time.

Should I bring up serious issues for discussion?

With a patient and determined attitude, this is a good day to deal with tough issues. Don't expect immediate progress, but don't give up either. Work hard at eliminating blockages.

How should I handle frustration and delay?

If you are traveling, take a good book. Expect everything to take twice as long. Delays sometimes mean that there is more time to do the things you have been neglecting.

05-07-2017

*Transiting Sun challenges your Neptune*

CARES OF THE SOUL: A sense of sorrow or helplessness pervades the day. There are times when you wonder what's the point? Focus your care on others.

Should I act on my feelings?

Not today. Tuning in and meditating brings insights, but actions are colored by confusion or wishful thinking.

How should I relate to my inner moods?

Tune in, turn on, drop out. Don't be fooled by material concerns and other personal attachments... they do not give life meaning. Let go.

Can I expect some recognition?

The only recognition comes from within. Life is impermanent; all things dissolve in time. Refine your dreams, but keep them to yourself.

*Transiting Sun challenges your Mars*

**ASSERTION OR CONFLICT:** If you are looking for trouble, you'll get it. Don't pick a fight with someone in a more powerful position! Impulsiveness has a price.

Should I fight back or keep a low profile?

You have to put up a fight, but don't overreact. You may be wrong. Use conflict to analyze your motives and gain insight into what values you want to fight for.

Is it wise to have a passive approach to challenges?

No, this is an active and dynamic day. Channel aggression into action, and don't be afraid of asserting yourself, even if this means a certain element of conflict.

Peace is better than war, right?

Not necessarily. It's crucial to stand firm, and if attacked it helps to show your teeth. Cowardliness will not gain respect, courage will.

## 07-07-2017

*Transiting Sun positive your Pluto*

**DEMONSTRATE PERSONAL POWER:** A bright awareness illuminates the darkest reaches of your soul. You discover unknown resources and create a transformation.

Should I continue with a situation that I am tired of?

Today's the day to put an end to involvements which have been draining your resources. Don't be sentimental - just cut.

How should I handle power battles today?

Win them. Don't back off or compromise. Your willpower has never been stronger, and where there's a will there's definitely a way.

Is this a good time to confront personal weaknesses?

Your ability to understand core behavior and root out negative complexes is at its height. Make a supreme effort for personal change.

## 08-07-2017

*Transiting Sun conjoins your Jupiter*

**EXPAND YOUR HORIZONS:** A positive frame of mind brings you luck, success and advancement. Resist the urge to pontificate and win arguments. Be tolerant.

Should I push my luck today, and go for what I really want?

Oh yes! If you don't ask, you don't get. This could be your lucky day.

What's really important in life?

Believing in something is really important. Your vision carries you forward and creates the future. You can

get what you want, if you believe in yourself.

Should I be thinking about the past, or the future?

Think about the past another time. There may be lessons to learn, but not today. Ask yourself what you want the future to bring... if you visualize it as clearly as possible, it will happen.

## 09-07-2017

*Transiting Mercury challenges your Moon*

**CONFUSED BY FEELINGS:** Feelings overwhelm you... home and family are uppermost in your mind. If you're smart, you'll know what makes your unconscious tick.

Should I tell people how I feel?

Only if you can express yourself clearly and concisely - otherwise people will feel you are maudlin, or just rambling. It's no use saying the first thing that comes into your head.

How can I handle my worries?

Thoughts come today, and are gone tomorrow. Worrying is just a reflex activity of the mind - it makes no difference whatsoever. Kick the habit!

Is it OK to gossip sometimes?

People do it, but it just muddies the mind. You may be tempted by tongue-wagging today, but the same tongues may also wag about you later.

*Transiting Mars positive your Venus*

**AN APPROACH IS MADE:** You get an offer you can't refuse. It could be naughty, but nice. Show yourself at your most attractive. It's like a moth to the flame.

How should I respond to romantic initiatives today?

Celebrate love, body and soul... but if you are a monk or a nun, you'll be in trouble.

How can I get the most out of my love life?

Don't ask questions, just act. A romantic dinner, dancing, play are all OK, but you should know that all you really want is to lie in each other's arms.

Are we made for each other?

Your bodies certainly are, and you should check that out. After the heat of passion, who knows? You can certainly expect offspring.

## 11-07-2017

*Transiting Mars challenges your Saturn*

**WHEN THE GOING GETS TOUGH:** ...the tough get going. You can take a bruising today. Authority is questioned. Grit your teeth, resistance will make you stronger.

What should I do if I hit a brick wall?

There are ladders, tunnels, doors. Obstacles are stepping-stones on your path. If it were that easy, the goal would not be worthwhile. Stop, take a look - there IS a way through.

How should I handle run-ins with authority?

Don't get mad or frustrated. There's a reason for the problem. Be patient with authority and get to understand where they are coming from. Don't kick against the pricks, or it will hurt.

How can I improve my performance?

Whether it's sexual or professional... take your time. Don't try to achieve results all at once. Build things up a little at a time, then you will achieve your goal.

*Transiting Mercury challenges your N.Node*

MISSING THE POINT: People you meet may lead you off the path. There are those who stand for progress, and those who represent the way of the past.

What characterizes contacts with others today?

There are a number of significant meetings, and they can force you to ask questions about where you are going and what you are thinking. Follow the signposts to the future.

What is the significance of messages from the past?

In order to proceed, it may be necessary for you to re-familiarize yourself with someone or something from your past. This can be both of educational and spiritual merit.

What criteria should I use for mental progress?

Sufi mystics are more fascinated by what they don't know or understand, than what they do. In your search for knowledge, investigate the unfamiliar rather than the familiar.

## 12-07-2017

*Transiting Mercury challenges your Midheaven*

DISTRACTIONS AT WORK: Hectic activity and interruptions can distract you from your goals for the day. You'll have to get organized to get your message across.

Should I shut out distraction and concentrate on the matter at hand?

You probably won't be able to. Accept the fact that people are going to come in and out, and deal with one thing at a time.

How should I react to communication from family members?

Expect distractions on this front today, too. You may not agree with them, but give siblings and other family

members your patient attention.

Is it a good idea to travel on matters of business?

It's quite likely, and it's good to get out from the office. You need some fresh input.

## 13-07-2017

*Transiting Mercury positive your Mercury*

THOUGHTS HUM: This is an excellent time for expressing your thoughts and ideas. Make sure people hear what you have to say, and deliver your message with wit.

Is this a good time to contact people who have influence?

If you have something you want to ask for, then at least you'll be able to ask for it in style. Your powers of self-expression are at their best.

Should I put off writing or do it now?

As you are at a mental peak now, it's best to resist an inclination to laziness, and get writing or communicating - today!

Is it responsible to go traveling now?

There's a time to be responsible, and a time to have fun. This is the time for pleasure and play... you could learn something.

*Transiting Venus positive your N.Node*

SOCIAL GRACES: There is social advancement when you meet the right people. Seek out groups whose values accord with your own, even if you disappear at first.

How important should my love life be?

Having the sense of a special bond - even a soul mate - gives life meaning. Meetings today can have special meaning for your future.

Should I get involved with groups?

Yes. Involvement with women in particular can help you in your development right now.

What is the significance of meetings today?

A woman who bonds with you now could play an important part in your development.

## 14-07-2017

*Transiting Mercury positive your Mars*

ENTHUSIASTIC TALK: Make sure you express your ideas, even if it means shouting. Get out and about, be spontaneous, and mobilize your persuasive powers.

Should I fight to be heard?

Yes... today you can attract an interested audience,

and have the power to get them enthusiastic.  
Whatever your heart beats for, get the message out.

How should I handle power play today?

It's all about communication. Make both the message, and its delivery, forceful.

How should I respond to initiatives?

Network with others and get into action mode. It's the combination of decisive action, interaction and a clear mind that brings success today.

**15-07-2017**

*Transiting Mercury conjoins your Ascendant*

**PUT YOUR MESSAGE ACROSS:** Think about where you are going, and tell the world. The winged messenger is at your service. Travel and make connections.

Should I continue to keep a low profile with my ideas?

After a period of introspection you should now broadcast your thoughts. By creating the right connections now you can improve your potential for learning and integration.

Should I stay in or go out?

Get out into the world. Go visit friends and family. Hop on a bus, a bike or zoom off in the car. At home the telephone and email are tools of choice.

Are there important meetings today?

People are likely to turn up after a period of absence. You could have a lot of fun; so allow yourself to get completely distracted!

*Transiting Mercury challenges your Pluto*

**INTERROGATION:** What you don't know disturbs you. You anxiously uncover secrets. It seems that harmful information is buried somewhere. Avoid obsessing.

Is someone keeping something secret from me?

There are always secrets, but today your paranoia is awakened. If you dig up the whole of your garden, then what will happen to the flowers? You have your secrets, let others have theirs.

Why are my thoughts going round in circles?

You are accessing archetypal energy from within. Unless you harness it positively to uncover psychological issues, it will attach itself to, and channel itself through, your negativity.

Should I ignore difficult communication issues?

No - today is the time to put an end to gnawing problems that have been plaguing you for some time. Diplomacy serves no purpose - cut through to the core and remove problems by the root.

*Transiting Sun positive your Venus*

**GET POPULAR:** People want to get to know you today, and with your charm, why not? Your judgment is at its best, and you surround yourself with those you love.

What role can diplomacy and charm play today?

It's important to win people's hearts first; then you can influence them. Don't be afraid to turn on the charm.

What are my chances in the romance department?

You are emanating your most attractive side today. Be yourself, be loving, be romantic. You ARE worth it.

Is it wise to spend some money today?
