Dear Jennifer,

Thank you for ordering your Year Ahead report, which I hope will help you to understand the harmony between yourself and the universe and enable you to initiate the changes you want in life.

Our lives are formed from the decisions we make. Knowing when to accept an invitation, or call someone you are attracted to, or accept that new career opportunity that has come your way, can mean the difference between extraordinary success and failure. Read on and prepare yourself for a great journey...

The Significance of your Age

As you enter your 42nd year, things are beginning to fall into place after a fairly radical transformation, which has seen you take risks and make what is for you some revolutionary changes. You have confronted many inner demons in this process, and gained psychological insight. You have weighed up the pros and cons of freedom versus commitment. There have been times of confusion and helplessness, but somehow life is richer and more meaningful, and intimacy is more rewarding. You have gained a higher degree of independence, and as you have done so, the focus now moves onto the important relationships in your life. This is the time to set limits, and to maintain your individuality, whilst considering just how much responsibility you are ready to take on.

The Challenges Ahead

The process of attaining success during the current year depends on the one hand on how well you build upon early experience and on the other on formulating your vision for the future. Once you have a vision, you can plan how to achieve it step by step. An optimistic attitude and belief in yourself will help you to overcome the challenges that naturally arise during the course of the year.

In this period of your life you continue working on a new framework for your personal development by defining the path ahead. There are a lot of challenges, delays and obstacles to be overcome, but now you know what you want, and you are prepared to work long and hard to set in motion your new plans. In the past, initiatives tended to dissolve before being put into practice, because you were

trying to achieve outdated goals. Now initiatives really kick in and gain traction. These new influences started growing around December - 2017 and will ebb out around March - 2020. You are setting the scene for a whole new epoch of personal development. The time has come; other people need to accept that your greatest responsibility is now to yourself, because unless your life is on a strong footing, and unless you are following your own mission, you cannot be strong for others.

Opportunities for Success

With professional achievements and an increase in status behind you and many career goals achieved, you are ready to capitalize on recent success by consolidating your assets and expanding your influence socially in the period from October - 2017 to November - 2018. Generous friends and mentors smooth your path and give you access to the highest places, and you harvest wisdom and influence at social gatherings.

After a period of expansion and satisfaction in your social life, your search for meaning and understanding goes within, and in the period from November - 2018 to December - 2019 you discover the spiritual riches that can be attained through seclusion and introspection. This is a time when learn how man and cosmos are interconnected, when you feel empathy and solidarity for fellow human beings.

Crucial Issues This Year

As you mature, acquire new resources and meet and overcome the challenges that present themselves, the stage is set for a series of developments and opportunities during the age of 42. Three very important issues that make this year special are:

- A time that evokes a sense of confusion about what you want to do. Decisiveness is undermined, energy is dissipated. Sexually there can be listlessness and a longing for more magic. Above all it is difficult to be inspired by routine work. Longing leads to a new creativity.
- An exceedingly optimistic period begins when you gain insight into the meaning and direction of your life, expand your boundaries of knowledge and learning and widen your horizons through travel. This is a time when you develop a humorous attitude to life.
- You enter a period of financial expansion and good fortune in relationships, as trends peak to enable you to harvest what you have earned. The tendency to overindulge is strong and some restraint is advised, but it is also important to celebrate the good things in life.
