## HOW TO READ YOUR ASTRO CALENDAR REPORT

The AstroCalendar report from World of Wisdom enables you to plan your moves for a period of three months and to perfect your timing in your love life, your relationships and your career. This report is based on the movement of the planets in this period in relation to your birth horoscope (which is shown as a full color wheel at the beginning of the report). Transits of all the planets - Sun, Moon, Mercury, Venus, Mars, Jupiter, Saturn, Uranus, Neptune and Pluto - are mapped, and the precise influence of these contact to your birth chart is described in a short and concise text.

However, it is not enough to read about an influence. What is important is to know how to act. There are times when it is crucial to take action, and times when it is wise to keep a low profile or remain passive. In relationships, sometimes you need to powerfully defend your position, at other times it helps to know when you may be on the wrong track. The AstroCalendar report helps you by imagining what kind of questions you might ask yourself as a result of the astrological influence. And providing answers.

What would happen for example, if the planet of love, Venus, came to conjoin Mars in your horoscope? The AstroCalendar report describes this influence in this way:

Love and Excitement: You are turned on today. Dance, romance and make love. Be assertive and forget the finer sensibilities for a while. Enjoy your desires.

It then goes on to suggest that you may ask the question: Is it OK to flirt? and the answer is clearly: If you don't flirt today, you'll never flirt. The suggestion of sex definitely spices up life, and today you should be thinking about how to be more alive..

By using a question and answer technique in the reports (there are three questions and three answers for each influence) you, the reader, have to really think about what you are feeling, and if you are in doubt, then the answers will enable you to follow what you unconsciously know is the right path. In this way you can use the report to plan ahead, avoiding days when negative trends decrease your chances of success, and making the most of days that are astrologically favorable for you.

Whilst this report shows trends that last from just one day to several months, it is important to also understand your personal birth chart in depth. If you have not already had one made, it is really worth ordering World of Wisdom's Birth Horoscope report. This describes your character in detail, both in relationships and in your career, and it also contains a more detailed description of long-term trends that are affecting your life in the years ahead. If you would like to learn more about your horoscope, a concise description of the planets, signs, aspects and houses is included at the end of this report.

Some things to remember when you read your report: Some things to remember when you read your report:

Your birthday: The program registers when the Sun returns to the exact place it was when you were born. In some cases this can happen on the day before or after your official birthday!

If you find there are days when there are no influences, this is because no planets activate your birth horoscope that day (although the Moon will).

The influence of the Sun, Mercury, Venus and Mars is very transient, whilst that of Jupiter, Saturn, Uranus, Neptune and Pluto can last many months. All the interpretations take this time element into consideration.

Retrograde movement: Occasionally the planets appear to stop and move backwards (owing to their relative movement in relation to that of the Earth). This can mean that the same influence will be shown more than once in the report.

*Transiting Mercury challenges your Venus*

GETTING AFFECTION: It's time to talk of love, but perhaps the words don't come. The dilemma is that talking about feelings is not the same as expressing them.

How can I be honest about what I feel without upsetting loved ones?

There's a fine line between diplomacy and duplicity. Express your thoughts as honestly as possible, but be aware that this could just be a passing influence, so be considerate.

What shall I do if I feel uncomfortable about financial or material arrangements?

There is no substitute for information. Ask questions, and don't let politeness get in the way of truth.

Should I communicate my feelings, or stay silent?

This is the time to communicate, but you can easily put your foot in it. There is a tendency to deception, so talk straight, or don't talk at all.

*Transiting Venus challenges your Sun*

AUTHENTICITY CONTRA CHARM: Smiles and flattery can get you a long way, but there can be a sickly feeling if the charm is turned too high. Tastes conflict.

Who shall I be on guard against today?

Don't trust obsequious types. Those who flatter you today are thinking of their own gain.

Should I spend money on myself?

You're tempted, but the demons of vanity are strong. Your judgment is not at its best, and you are likely to spend too much on the wrong thing.

How can I make a good impression on others?

Don't try. At all costs avoid ingratiating yourself. Don't bring gifts that are not appreciated. Modesty and restraint create a favorable impression. Flirting falls flat.

How forceful should I be?

You'll get much further with gentleness and charm, than you will with aggression. Listen to those who come with the olive branch. Seek compromise.

How can I get the most out of a relationship?

Don't forget romance. Do something active, like dancing or working creatively together. Remember, lovemaking starts many hours before the act of sex.

Your extravagance peaks today, whilst your judgment is swayed by sensory desire. Don't spend money on people and things that are not worth it.

Should I give in when I know better?

You can be persuaded! Charming people appeal to your tolerance and generosity, and how can you resist? Still, avoid investing in something which is not to your taste.

*Transiting Mercury positive your Neptune*

What is truth? If you can capture the imagination of others, and make their lives magic for a moment, then there is some justification in creating a special version of reality.

Shall I follow up on a genius idea?

Hold on. You can be convinced about almost anything today. If you hear a great idea, give yourself a few days to consider whether it is practical or not.

Where does wisdom lie?

'The truth that can be spoken is not the truth'. Beyond rational thought you can sense a greater truth. Who needs words when swimming with whales and dolphins?

## 14-06-2017

*Transiting Mercury positive your Pluto*

**SECRET PATHWAYS:** Discover what is hidden

within, and make sure it is expressed, even if taboos are broken. Investigate the dross and discover the gold.

## 17-06-2017

*Transiting Sun conjoins your Mars*

GO AND GET IT! You've got a rocket under you today, and you'll feel energized and impatient. It's good to be assertive but take care not to steamroller others.

Should I take the lead, even if it means encountering resistance?

Well, yes, you should. If you don't ask for what you want now, when will you? Grab the nettle and put your neck on the line. For some it's a jungle out there.

Should I fight, or compromise?

Did you ever see a samurai hesitate over that one? Stand firm and with dignity, but keep your hand on your sword.

If a leader comes along, should I join him or her?

Either you are called on to lead yourself, in which case you should, or you can join forces with someone. To be a trusty lieutenant is also effective.

## 19-06-2017

There can be many short trips, and considerable exasperation or provocation. If you're wise, you'll keep your cool in the face of aggression. That way you'll easily win the battle of words.

How can I get my voice heard?

Speak your mind! You don't have to be diplomatic, but you should keep your temper. Use your words like precision tools to get exactly what you want. Don't rush it!

How should I respond to verbal provocation?

Patience. You'll want to hit back, but count to 10 first. Avoid needless argument, but put your point of view across forcefully. This is the time to assert yourself and your ideas.

*Transiting Venus positive your Mercury*

WORDS OF LOVE: Whispered soft and true. Not only do you put your ideas across beautifully, you can also expect people to say nice things to you. Good fortune.

What can I expect on my travels today?

Very pleasant encounters. Today you should travel for love, and travel for profit - both areas are well starred. Give yourself extra time to enjoy the journey, and treat yourself on the way, and when you arrive.

What kind of projects should I get involved with?

Get together with people you like. Anything to do with literature, creativity and ideas is favorable. It is easy to reach mutually beneficial agreements now.

How can I best communicate with those closest to me?

Being complimentary makes your day happy and

smooth. Put your reservations aside and express your latent love in words and deeds.

## 21-06-2017

*Transiting Venus challenges your Pluto*

PEARLS BEFORE SWINE: How far will you go to avoid loss? Whether it's love or business, don't go over the line today. Set limits, and if necessary accept loss.

To what extent should I go to preserve a relationship?

No further. Don't beg or crawl, as this makes matters worse. It's the hidden psychological issues that bring you to the edge. But don't let your lover be your therapist.

Should I continue pumping resources into a project?

Do not throw good money after bad. Cut your losses if necessary and put loss-making ventures firmly behind you.

How can I deal with jealousy and fear of loss?

Therapists work wonders. Alternatively bring out the demons into the open. Talk about jealousy with your loved one, and it will wilt and die.

## 22-06-2017

*Transiting Mercury conjoins your Uranus*

INNOVATING: Excitement and genius. There are exotic contacts today, and you come up with extraordinary - some might say crazy - ideas. Turn on and tune in.

Should I say just what I like today?

You may find it hard to resist... but you could alienate others. If you babble on you will try people's patience. Address your ideas only to those who can follow them.

Should I be spontaneous or careful?

Spontaneous. A sudden trip, phone call or message can mean a change of plan. Be open - this is your chance to do something different.

What's the best angle to take on unexpected news?

Without the unexpected, life would be boring. When changes come, it jogs you out of a rut. You must seek excitement, or the unpredictable will seek you.

*Transiting Mercury challenges your Ascendant*

THOUGHTS UPSET BALANCE: Perhaps you would enjoy a change of place or change in viewpoint, but this might require careful explanation in relation to others.

Should I get out and about, even if this means upsetting others' plans?

It's good to get out of a rut, even if this means discussions and disagreement. What is important is that you get out and seek mental stimulation.

Is it a day to travel or stay at home?

Just as long as you are active on the phone or through other means of communication, you don't need to travel. But it's a good idea to have a change of scenery.

Should the emphasis be on business or relationships?

It's good to touch base in family relationships right now, but otherwise business should take priority over your personal life.

**23-06-2017**

*Transiting Mercury positive your Saturn*

**PLANS CLICK INTO PLACE:** Express yourself briefly and concisely. Make schedules and deadlines. Seek the advice of those with more experience than yourself.

Can I sway others with my oratorical powers?

Not today. People want to see facts and figures. Make a plan, a budget or a list, and you'll soon have those in authority eating out of your hand.

How should I react if plans grind to a halt?

Just study them carefully for flaws. Adjust and adapt. This is just a change of course, not a brick wall. Break large projects down into smaller, and make a plan to handle each of them.

Should I trust what I hear?

It's a good day for business and other plans, but don't trust blindly. Give yourself plenty of time to consider proposals, ask advice, then you'll be ready to make a commitment.

*Transiting Mercury conjoins your Midheaven*

**MAKE YOUR GOALS KNOWN:** Communication is the key to success. Phone, write, travel, but make connections to important people. It's not what you know, but who.

What should I do with business and career ideas?

It's time to convert thoughts into action. Be a communicator. A great period is beginning for business and commerce. Be late home from the office.

How seriously should I take information today?

All information needs to be checked out. If it passes the test you could be on to a good thing. Get together with others to discuss potentials.

Can I manage by myself?

Only if you have great secretarial ability or the best technological equipment. Otherwise use the resources

of others who offer their help. A secretary is good.

*Transiting Sun conjoins your Uranus*

**BE UNIQUE:** Surprising developments today show how different you are. Whatever you normally do, do something else now! Meet exotic people. Be humanitarian.

Should I make a radical change of direction?

If you're bored with what you're doing, yes. Find out what is essentially unique about you, and do it.
