GRACE THROUGH RESTRAINT: Negotiate hard for modest business advantage. In love keep expectations low. Commitment creates the foundation for long-term success.

## **What challenges can I expect in my love life today?**

What happens today is the result of past actions. Your inhibitions come to the surface, and you feel clumsy. Declarations of love encounter resistance. Be restrained.

## **What prospers most today, love or business?**

It's a good day for business planning, partnership and investment. In love it's good for long-term commitment, but no good for short-term fun and games.

## **How can I best deal with my social inhibitions?**

First, observe the formalities. Being polite and reserved is the way to be right now. Lower your defenses, and welcome friendly charming people

into your life. It can be helpful to admit your weakness openly - you'll discover people are very loving.

### **How can I best promote my cause?**

Make your opinions heard by recruiting people who share your views. Expand your sphere of influence by travel, study and lobbying.

### **Is it OK to be competitive?**

Competition can sometimes be a celebration of life. When you win, you feel very alive. Make life a sport.

### **In what areas can I best express my energy today?**

Give play priority. Go out and enjoy yourself. Fun, games, dance and seduction are all areas in which you can apply your talents.

## **25-09-2017**

*Transiting Sun challenges your Uranus*

**YOUR CRAZY SIDE:** There's focus on your cranky side today. You want to demonstrate that you are different, but this can make you provocative and alienated.

### **How long do I have to put up with this boring situation?**

Your restlessness and impatience peaks today. Perhaps this will help you define how you want to express what exactly makes you different, and inaugurate change.

### **Shall I throw in the towel?**

You're far too impulsive and unreasonable right now. Wait a day or so

before you do anything drastic. Why not start something new and exciting as a distraction?

## **Why are other people so impossible?**

You're feeling alienated and something of an outsider. Try meeting some really weird people and you'll feel better!

**26-09-2017**

Yes, immediate action is required. It could be a question of mobilizing people with similar ideas to get something done. It's time for a meeting.

## **Should I resist my restless urges?**

No - it's best to get out and about. Travels and meetings galvanize you into action and inspire you for the future.

## **How much priority should I give what other people say?**

Not a lot. Make up your own mind today, and persuade others if need be. Put your ideas on the agenda, and make sure they get adopted.

*Transiting Mercury positive your Midheaven*

BUSINESS ACUMEN: Your greatest assets are your ideas. To make progress, sell yourself. You should be willing to travel and make connections, but above all talk.

## **Can I handle business challenges on my own?**

Maybe, but it's much better to involve others. This is an excellent time to delegate or to work on a team project. If you can make a deal, it will go well.

## **How important is training for my job?**

Education is the key to career success, so make sure you avail yourself of opportunities for self-improvement, such as business courses.

*Transiting Mercury positive your Sun*

EXPRESSING YOURSELF: Make sure people get to know the real you. Visit important people, and promote yourself confidently and humorously. Be seen and heard.

You can. The words that come out of your mouth miraculously command attention. You seem to find the right combination of levity and clarity.

## **Should I give audience to people?**

Yes, people seek you out because they respect you. And maybe they have an idea or two you can benefit from. You'll work best in a team today - help is at hand from others.

## **Should I travel in style?**

Today you should treat yourself to first class. Who knows who you might meet? Sometimes impressions speak louder than words.

**27-09-2017**

*Transiting Mercury challenges your Mars*

INDISCRETE UTTERANCES: If you're aggressive you will awaken resistance. Expect to be provoked today, and keep cool. Say what's on your mind without being rude.

## **Should I clear the air by expressing my anger?**

You'd be making a mistake. Words can also be weapons, and today you are likely to cause wounds. Express your thoughts rationally by all means, but don't attack others.

### **Should I try to compromise?**

No, you should fight for your ideas, even if agreement is not possible today. Bare your teeth, then people will realize you are not a pushover. But don't bite.

### **How shall I deal with exasperation and provocation?**

If you can get through the day without blowing your cool at least once today, then give yourself a little reward. Keep aware, steer clear of trouble, and count to 10.

## **28-09-2017**

*Transiting Mercury positive your Jupiter*

THE BIG PICTURE: Get out and about and see the world, and meet intelligent people. Get knowledge, and get wisdom. Impress others with your grasp of truth.

*Transiting Jupiter challenges your Jupiter*

**EXPANSION POTENTIAL:** Learn about the benefits and pitfalls of expansion in this period. Belief in your potential is a driving force when tempered by experience.

### **How can I know when I am right or wrong?**

This is a good time to review your beliefs and opinions. Remember they may be meaningful to you, but that they are rarely of any help to others.

### **Can I expect my hopes and dreams to come to fruition now?**

This is certainly a time to either experience the fruits of your deepest wishes, or to fire up your imagination as regards future intentions.

### **What kind of projects should I get involved with?**

Get together with people you like. Anything to do with literature, creativity and ideas is favorable. It is easy to reach mutually beneficial agreements now.

### **How can I best communicate with those closest to me?**

Being complimentary makes your day happy and smooth. Put your reservations aside and express your latent love in words and deeds.

## **01-10-2017**

*Transiting Mercury challenges your Uranus*

FOOT IN MOUTH: There is no virtue in being provocative. You feel alienated, and the lines of communication are broken. Differentiate between genius and madness.

### **Should I mobilize my diplomatic talents?**

As hard as you try, you are unlikely to succeed with diplomacy. You may try shock tactics, but this just brings disruption. Perhaps it's better to go off alone, and experiment with something different.

### **Will travels and communication run smooth today?**

It is very unlikely. Disruption happens when you least expect it. Perhaps this is what happens when you rely too much on technology. Take things as they come without expectation.

## **Why am I misunderstood?**

Ask yourself rather whether you have made any effort to attune yourself to the thinking of others. If you can't enroll others, then your ideas will come to nothing.

**05-10-2017**

*Transiting Sun conjoins your Neptune*

TUNE IN: A strange haze settles over you today, awakening hidden longings and dreams. Who are you and what you are doing on this planet? Show compassion.

## **Is life empty and meaningless?**

The world exists through your perception of it - the way you think, hear, see etc. In that sense it is not real. But everyone is in the same position, and many are unhappy. If you want meaning, forget about yourself and tune in to others.

## **Should I involve myself with people, or withdraw?**

Withdraw for now... you need quiet time alone to tune in to your inner being. It can help to consult your spiritual advisor. You can care for others who are isolated.

## **Should I believe in what is presented to me today?**

There are many dreams and illusions around. Concrete promises may vanish into thin air. Don't count on anything, but do give your dreams free rein.

**06-10-2017**

*Transiting Sun challenges your Moon*

BE AWARE OF YOUR EMOTIONS: Unconscious and instinctual behavior surfaces today, and it's not something to be proud of. Guard against

childishness.

### **Should I be guided by my feelings?**

Make sure you rule your feelings - don't let them rule you. You know what's mature and what's immature. Choose the former.

### **Should I put my family first?**

If you put your family first, you'd still be with Mom and Dad.

### **How should I balance my needs with the needs of those dependent on me?**

Those close to you feel uncomfortable when you change, but they choose you because of who you are. Be true to yourself, and you'll never disappoint them.

*Transiting Sun challenges your Mercury*

BE AUTHENTIC: Self-important people expect you to drop tasks you are involved with to cater for their needs today. Still, you are abuzz with creative ideas.

### **Shall I help those above me in the scheme of things, or not?**

Let yourself be inspired by distractions, and try not to snipe at those who appear to be too self-important. A bit of humor helps smooth the way.

### **Shall I insist on my point of view today?**

You won't get very far if you do. Use your communication skills to make other people think that your ideas are theirs... then you may get what you want.

### **How can I get more of 'me' in what I do?**

The need for independence and creativity is strong. If only you could curb disrespectful thoughts, you could learn from the example of others.

**07-10-2017**

*Transiting Mercury conjoins your Neptune*

MYSTIC MIND: Amidst the confusion there is clarity. Open yourself to magic forces, tune in to the inner melody. The irrational has more power than the rational.

### **How should I handle the daily routine?**

Stop doing it, and do something else. Drop administrative tasks for today and do something creative, or take time off. What a day for a daydream.

### **Should I believe what I hear today?**

Information, visions and ideas should be taken with a pinch of salt. There could be deception! Check the credentials of the messenger.

### **Should I be seeking solutions through logic?**

Logic does not answer the truly universal questions. Is a human more intelligent than a whale? Today something touches a primeval wisdom.

*Transiting Mercury challenges your Moon*

CONFUSED BY FEELINGS: Feelings overwhelm you... home and family are uppermost in your mind. If you're smart, you'll know what makes your unconscious tick.

### **Should I tell people how I feel?**

Only if you can express yourself clearly and concisely - otherwise people will feel you are maudlin, or just rambling. It's no use saying the first thing that comes into your head.

### **How can I handle my worries?**

Thoughts come today, and are gone tomorrow. Worrying is just a reflex activity of the mind - it makes no difference whatsoever. Kick the habit!

### **Is it OK to gossip sometimes?**

People do it, but it just muddies the mind. You may be tempted by tongue-wagging today, but the same tongues may also wag about you later.

*Transiting Mercury challenges your Mercury*

**THE URGE TO SPEAK:** Mental pressures create the need to communicate. Speak, travel and make contact. How can you express yourself more effectively than usual?

Busy yourself with something useful, rather than just worrying. Now's the time to pick up the phone, write that email, or deal with your correspondence.

### **Should I say what's on my mind?**

You may not express yourself elegantly, but don't leave things unsaid. Avoid the pitfalls of gossip, criticism and garrulousness.

Be like the hound on the trail of the fox. If you have got the scent, don't give up until you have unearthed the treasure. The key lies buried, but you will find it.

## **Where can I find the greatest insight today?**

A short journey may help you uncover secrets, but the greatest secrets are found on the inner journey. Delve into your own roots - the greatest mystery lies in your own psychology.

This is not the time for any doubts whatsoever. Nothing can go wrong. You are a winner. Believe in yourself and others will believe in you.

*Transiting Sun positive your Mars*

EXECUTIVE ACTION: Nothing can stop you getting what you want today. Use the full force of your personality to carve a path to your goal. You're a winner!

### **Has the time come to take action?**

Don't hesitate a moment. Strike whilst the iron is hot. The force of your will sweeps all resistance aside.

### **How much consideration should I take for others?**

Don't let nervous concern for others prevent you from going for what you need. Everybody loves a winner, but there is little time for losers.

### **Is patience a virtue?**

Possibly, but not for you, and not now. Don't wait for others to take the lead. Seize the initiative and take a leadership role.

*Transiting Mercury positive your Saturn*

PLANS CLICK INTO PLACE: Express yourself briefly and concisely. Make schedules and deadlines. Seek the advice of those with more experience than yourself.

### **Can I sway others with my oratorical powers?**

Not today. People want to see facts and figures. Make a plan, a budget or a list, and you'll soon have those in authority eating out of your hand.

## **How should I react if plans grind to a halt?**

Just study them carefully for flaws. Adjust and adapt. This is just a change of course, not a brick wall. Break large projects down into smaller, and make a plan to handle each of them.

## **Should I trust what I hear?**

It's a good day for business and other plans, but don't trust blindly. Give yourself plenty of time to consider proposals, ask advice, then you'll be ready to make a commitment.

*Transiting Jupiter positive your Uranus*

VISUALISING THE FUTURE: Stretch your influence to the four corners of the world. Use technology to enhance consciousness. Explore the boundaries of space.

## **Where does the greatest opportunity lie now?**

Do something wild and exciting! Make dramatic journeys to distant realms - there's a world out there waiting to be discovered in this period.

## **Can I expect my understanding of the world to change?**

This is one of the periods in your life when insight and understanding suddenly dawns. Get together with exciting groups who believe in consciousness growth.

## **Should I stick to tried and tested methods?**

No - now is the time for risk-taking combined with a boundless faith in the future. Long-distance travel and new technology play an important role.

*Transiting Sun challenges your Jupiter*

COMING ON STRONG: You might feel you know better, but resist the tendency to pontificate or browbeat others. You may be right about something, you may be wrong.

## **Shall I let people know what I really think?**

Everyone identifies with their opinions, and is convinced they are right. Your views are almost certainly too subjective.

## **What's the best way to react to the persuasive techniques of others?**

Resist their influence. Come with reasoned arguments if necessary, but don't get involved with long-drawn out discussions. Keep your inner counsel.

## **Can I trust my judgment today?**

It's liable to be very subjective. Get a second opinion, and wait a few days before making a decision.
